This Proxy Statement contains information about the Annual Meeting of Stockholders (the "Annual Meeting") of Lifeline Systems, Inc. (the "Company"). The Annual Meeting is scheduled to be held at 10:00 A.M., local time, on Tuesday, May 4, 2004 at the offices of Hale and Dorr LLP, 60 State Street, Boston, Massachusetts.

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting, and at any adjournment or adjournments of the Annual Meeting. All proxies will be voted in accordance with the instructions contained therein, and if no instruction is specified, the proxies will be voted in favor of proposals 1 and 2 as set forth in the Notice of Meeting.

Any proxy may be revoked by a stockholder at any time before it is exercised by giving written notice to that effect to the Chief Financial Officer of the Company, by the submission of another signed proxy bearing a later date, by a later electronic vote or by the stockholder's personal attendance at the meeting and voting by ballot. This Proxy Statement is being mailed on or about April 5, 2004 to all holders of the Company's common stock at the close of business on March 26, 2004.

All share numbers and share prices in this proxy statement have been adjusted to reflect a two-for-one stock split, in the form of a stock dividend, on December 17, 2003.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

What is the purpose of the Annual Meeting?

At the Annual Meeting, stockholders will consider and vote on the following matters:

1. The election of three Class III Directors, each to hold office until the Annual Meeting of Stockholders in 2007 and until his or her successor is elected and qualified; and

Edgar Filing: LIFELINE SYSTEMS INC - Form DEF 14A

2. The ratification of the selection by the Company's Audit Committee of PricewaterhouseCoopers LLP as the Company's independent auditors for the 2004 fiscal year.

The stockholders will also act on any other business that may properly come before the Annual Meeting.

Who can vote?

To be able to vote, you must have been a stockholder of record at the close of business on March 26, 2004. This date is the record date for the Annual Meeting.

On March 26, 2004, there were 13,477,390 shares of common stock, \$0.02 par value per share, of the Company (the "Common Stock") issued, outstanding and entitled to vote at the Annual Meeting.

How many votes do I have?

Each share of Common Stock that you own on the record date entitles you to one vote on each matter that is proposed.

How can I vote?

You can vote in one of four ways:

You may vote by mail. You may vote by completing and signing the proxy card that accompanies this proxy statement and promptly mailing it in the enclosed envelope. You do not need to put a stamp on the enclosed envelope if you mail it in the United States.

You may vote over the Internet. If you are the record holder of your shares, you may authorize your vote on the Internet by following the instructions that appear on the enclosed proxy card. Have the enclosed proxy card available when you access the web page.

You may vote by telephone. If you are the record holder of your shares, you may vote by touchtone telephone by following the instructions that appear on the enclosed proxy card. Have the enclosed proxy card available when you call.

You may vote in person. If you attend the meeting, you may vote by delivering your completed proxy card in person or you may vote by completing a ballot. Ballots will be available at the Annual Meeting.

Can I vote if my shares are held in street name?

If the shares you own are held in street name by a bank or brokerage firm, your bank or brokerage firm, as the record holder of your shares, is required to vote your shares according to your instructions. In order to vote your shares you will need to follow the directions your bank or brokerage firm provides to you. Many banks and brokerage firms also offer the option of voting over the Internet or by telephone, instructions for which would be provided by your bank or brokerage firm on your vote instruction form. If you do not give instructions to your bank or brokerage firm, it will still be able to vote your shares with respect to certain discretionary items, but will not be allowed to vote your shares with respect to certain non-discretionary items. In the case of non-discretionary items as to which you have not given instructions, the shares will be treated as broker non-votes.

If your shares are held in street name and you wish to attend the Annual Meeting on May 4, 2004, you must bring an account statement or letter from your brokerage firm or bank showing that you are the beneficial owner of the shares as of the record date. To be able to vote your shares held in street name at the Annual Meeting, you will need to obtain a proxy card from your brokerage firm or bank.

Can I vote if my shares are held in my 401(k) account?

If you participate in the Lifeline Employees Savings and Investment Plan (the 401(k) Plan) sponsored by the Company, you may vote an amount of shares of common stock equivalent to the interest in the Company's Common Stock credited to your account as of the record date. In order to vote your shares you will need to complete the enclosed proxy card and send it to the 401(k) Plan administrator, CitiStreet LLC, at the address set forth on the accompanying envelope. CitiStreet will direct the trustee of the 401(k) Plan to vote the shares in the manner directed on the proxy card. If CitiStreet does not receive a signed proxy card from you by 5:00 p.m. eastern standard time on April 29, 2004, your shares will

not be represented at the Annual Meeting.

Can I change my vote after I mail my proxy card? What if I voted electronically or by telephone?

Yes. You can change your vote and revoke your proxy at any time before the polls close at the Annual Meeting by doing any one of the following:

signing another proxy with a later date;

accessing the Internet and following the instructions for Internet proxy authorization that appear on the enclosed proxy card;

following the instructions that appear on the enclosed proxy card for proxy authorization by phone;

giving the Chief Financial Officer of the Company a written notice before or at the Annual Meeting that you want to revoke your proxy; or

voting in person at the meeting.

Your attendance alone at the Annual Meeting will not revoke your proxy.

If you are not the record holder of your shares, you must follow the instructions of your bank or brokerage firm in order to change your vote.

What constitutes a quorum?

In order for business to be conducted at the Annual Meeting, a quorum must be present. A quorum consists of the holders of a majority of the shares of Common Stock issued, outstanding and entitled to vote at the Annual Meeting, or at least 6,738,696 shares.

Shares of Common Stock represented in person or by proxy (including broker non-votes and shares that abstain or do not vote with respect to one or more of the matters to be voted upon) will be counted for the purpose of determining whether a quorum exists. Broker non-votes are shares that are held in street name by a bank or brokerage firm that indicates on its proxy that it does not have discretionary authority to vote on a particular matter.

If a quorum is not present, the meeting will be adjourned until a quorum is obtained.

What vote is required for each item?

Election of Directors. The affirmative vote of the holders of shares representing a plurality of the votes cast by the stockholders entitled to vote at the Annual Meeting is required for the election of directors.

Ratification of Auditors. The affirmative vote of the holders of a majority of the shares of Common Stock present or represented and voting on the matter is required for the ratification of the approval of the selection of PricewaterhouseCoopers LLP as the Company's independent auditors for the current fiscal year ending December 31, 2004.

How will votes be counted?

Edgar Filing: LIFELINE SYSTEMS INC - Form DEF 14A

Each share of common stock will be counted as one vote according to the instructions contained on a proper proxy card, whether executed by you directly or through Internet or telephonic authorization, or on a ballot voted in person at the meeting. If you submit a proxy but do not give any instructions on a particular matter described in this proxy statement, the shares you own will be voted in favor of proposals 1 and 2 as set forth in the Notice of Meeting.

If you abstain from voting on a particular matter or your shares are broker non-votes your shares will not be voted in favor of any particular matter described in this proxy statement and will also not be counted as votes cast or shares voting on such matter. As a result, abstentions and broker non-votes will have no effect on the outcome of voting at the Annual Meeting.

Who will count the votes?

The votes will be counted, tabulated and certified by the Company's transfer agent, Registrar and Transfer Company.

How does the Board of Directors recommend that I vote on the proposals?

Your Board of Directors recommends that you vote:

FOR the election of each of the three Class III Director nominees named in this proxy statement, each to hold office until the Annual Meeting of Stockholders in 2007 and until his or her successor is elected and qualified; and

FOR the ratification of the selection of PricewaterhouseCoopers LLP as the Company's independent auditors for the fiscal year ending December 31, 2004.

Will any other business be conducted at the Annual Meeting or will other matters be voted upon?

The Board of Directors does not know of any other matters that may come before the meeting. Under the Company's by-laws, the deadline for stockholders to notify the Company of any proposals or nominations for director to be presented for action at the Annual Meeting has passed. If any other matter properly comes before the meeting, the persons named in the proxy card that accompanies this proxy statement, whether executed by you directly or through Internet or telephonic authorization, will exercise their judgment in deciding how to vote, or otherwise act, at the meeting with respect to that matter or proposal.

Where can I find the voting results?

The Company will report the voting results in its quarterly report on Form 10-Q for the second quarter of fiscal 2004, which the Company expects to file with the Securities and Exchange Commission, commonly referred to as the SEC, on or before August 9, 2004.

How can I obtain an annual report on Form 10-K?

A copy of the Company's annual report on Form 10-K for the fiscal year ended December 31, 2003 is included with this proxy statement.

The Company will, upon written request of any stockholder, provide without charge an additional copy of its annual report on Form 10-K, including financial statements and financial statement schedules, as filed with the SEC. Requests should be addressed to the Company in care of:

The Board of Directors has established four standing committees:

The Audit Committee, Compensation Committee and Nominating and Corporate Governance Committee each operate under a charter that has been approved by the Board of Directors. Current copies of each committee's charter are posted on the Investor Relations section of the Company's website at www.lifelinesys.com. In addition, a copy of the Audit Committee Charter, as in effect on the date of this proxy statement, is attached as Appendix A.

The Board of Directors has determined that all of the members of each of these standing committees are independent as defined under the new rules of the Nasdaq Stock Market that become applicable to the Company on the date of the Annual Meeting, including, in the case of all members of the Audit Committee, the independence requirements contemplated by Rule 10A-3 under the Securities Exchange Act of 1934. In addition, all of the members of the Audit Committee are independent as defined by the rules of the Nasdaq Stock Market that apply to the Company until the date of the Annual Meeting.

Audit Committee

The Audit Committee's responsibilities include:

appointing, approving the compensation of, and assessing the independence of the Company's independent auditors;

overseeing the work of the Company's independent auditors, including through the receipt and consideration of certain reports from the independent auditors;

establishing policies regarding hiring employees from the independent auditors and procedures for the receipt and retention of accounting related complaints and concerns;

meeting independently with the Company's independent auditors and management; and

preparing the audit committee report required by SEC rules (which is included in this proxy statement).

The Board of Directors has determined that Mr. Baldwin is an audit committee financial expert as defined in Item 401(h) of Regulation S-K.

The members of the Audit Committee are Messrs. Baldwin and Shapiro, Dr. Vineyard and Ms. Roberts. The Audit Committee met five times during the fiscal year ended December 31, 2003.

Compensation Committee

The Compensation Committee's responsibilities include:

annually reviewing and approving corporate goals and objectives relevant to the compensation of the Chief Executive Officer;

determining the compensation of the Chief Executive Officer;

Director Candidates

As of the date of this proxy statement, the Nominating and Corporate Governance Committee did not have a formal policy with regard to the consideration of director candidates recommended by stockholders. The Board of Directors does not feel a formal policy is necessary as the Nominating and Corporate Governance Committee does consider director nominees recommended by its stockholders. There has been no change in the procedure by which stockholders may recommend nominees to the Company's Board of Directors, except that such nominees will now initially be considered by the Nominating and Corporate Governance Committee rather than the full Board of Directors. The names of such nominees should be addressed to:

Other Arrangements*Feinstein Employment Agreement*

On May 1, 2003, the Company and Mr. Feinstein entered into an employment agreement for the position of President and Chief Executive Officer of the Company. The term of the agreement is five years, ending May 1, 2008, with annual extensions thereafter. Under the agreement, Mr. Feinstein's annual base salary was initially set at \$340,000, subject to annual review. In addition, Mr. Feinstein will be entitled to an annual cash bonus equal to 60% of his base salary, based on his achievement of corporate goals. In connection with this employment agreement, the Company granted Mr. Feinstein 72,000 shares of restricted stock and non-statutory stock options to purchase 90,000 shares of Common Stock. Both the restricted stock and the stock options will be subject to vesting at the rate of one-third of such shares on the third anniversary of the date of grant, one-third on the fourth anniversary of the date of grant, and one-third on the fifth anniversary of the date of grant.

Under the agreed terms, upon a change of control of the Company, Mr. Feinstein's unvested stock options would vest in full. Unvested restricted stock held by Mr. Feinstein would vest upon a change of control only if the change of control share price is greater than the share price of the restricted stock at the time it was granted to Mr. Feinstein. In the event that Mr. Feinstein is terminated without cause, Mr. Feinstein would be entitled to two years' base salary, based on his salary in effect as of the date of termination, plus two years' annual cash bonus, based on the average of the two prior years. Mr. Feinstein would also receive benefits, such as medical and dental insurance, for a twenty-four month period following the date of termination. In the event of termination without cause, all of Mr. Feinstein's then unvested options would vest. Only those shares of restricted stock that would vest within the twelve-month period following the date of termination would become vested.

Wechsler Employment Agreement

Pursuant to the terms of an employment agreement, effective as of January 1, 2000, between Leonard E. Wechsler and Lifeline Systems Canada, Inc., a subsidiary of the Company (Lifeline Canada), Mr. Wechsler became President of Lifeline Canada. Pursuant to the terms of Mr. Wechsler's employment agreement, Mr. Wechsler is eligible to receive an annual performance bonus in accordance with the terms set forth in his employment agreement. In addition, Mr. Wechsler is eligible to receive an annual cash bonus based on his achievement of objectives set by the Chief Executive Officer of the Company and Mr. Wechsler at the beginning of the year. Mr. Wechsler is also eligible to receive a long-term performance bonus based on three-year revenue and income goals covering the term of the agreement. Mr. Wechsler's employment agreement was renewed on January 1, 2003. Mr. Wechsler's agreement contains change of control provisions that provide for a certain lump sum payment to him if within two years of a change of control of Lifeline Canada Mr. Wechsler's employment is terminated without cause by Lifeline Canada, or its successor or Mr. Wechsler terminates his employment for certain reasons. These change of control provisions survive the expiration of the agreement so long as Mr. Wechsler is employed by Lifeline Canada.

Change of Control Agreements

Each of the Company's executive officers, other than Mr. Feinstein and Mr. Wechsler, has entered into an agreement with the Company which provides that, if within 12 months of a change of control of the Company, such officer's employment is terminated without cause or the officer terminates his or her employment with the Company due to a significant change in responsibilities or condition of employment, then such officer would be entitled to receive a payment equal to one year's base salary then being paid to him or her.

REPORT OF THE COMPENSATION COMMITTEE

Overview and Philosophy

The Compensation Committee of the Board of Directors is composed of the three undersigned non-employee directors and is responsible for the development and administration of the Company's executive compensation policies and programs. The Compensation Committee determines and approves the salaries and cash incentive compensation of the executive officers of the Company. The Company also has a Stock Option Plans Committee, which is a subcommittee of the Compensation Committee. The Stock Option Plans Committee grants stock options and restricted stock to executives and other key employees of the Company and otherwise administers the Company's stock incentive plans.

The objectives of the Company's executive compensation program are as follows:

support the achievement of strategic goals and objectives of the Company,

attract and retain key executives critical to the long-term success of the Company, and

align the executive officers' interests with the success of the Company.

Compensation Program

The Company's executive compensation program consists of three principal elements:

base salary;

annual incentive compensation in the form of cash; and

long-term incentive compensation in the form of stock options or restricted stock.

Generally, the Company's objective is to pay base compensation which is comparable to the fiftieth percentile base compensation offered to officers in similar positions at comparable companies, and to pay total compensation, including annual bonuses and long-term incentives such as stock options or restricted stock, comparable to the seventy-fifth percentile total compensation package offered to officers in similar positions at comparable companies.

The Company's annual bonus plan is designed to create incentives for meeting pre-tax profit goals. The Compensation Committee establishes a target bonus amount, which would be paid out in full in the event that the Company achieves an established pre-tax profit level, and which would be paid out to a lesser or greater extent in the event that the goals are not met or are surpassed. No annual bonus is paid if the Company's pre-tax profit falls below a minimum level established by the Compensation Committee.

Long-term incentives for executive officers and key employees are provided through stock awards. During the 2003 fiscal year, the Stock Options Committee determined to issue stock awards to the Company's Chief Executive Officer in the form of both stock options and restricted stock. The objectives of this program are to align executive and stockholder long-term interest by creating a strong and direct link between executive compensation and stockholder return.

In selecting executives eligible to receive stock awards and determining the amount of such grants, the Compensation Committee evaluates a variety of factors, including (i) the job level of the executive, (ii) stock awards made by competitors to executives at a comparable job level, and (iii) past, current and prospective service to the Company rendered, or to be rendered, by the executive. Stock options are granted at an option price equal to the fair market value of the Company's Common Stock on the date of grant and will only have value if

the Company's stock price increases. During the 2003 fiscal year, the Compensation Committee granted non-qualified options to Mr. Feinstein that vest in three equal installments commencing on the third anniversary of the date of grant and to its other executive officers that vest in three equal installments commencing on the first anniversary date of the grant.

Chief Executive Officer's 2003 Compensation

Effective March 1, 2003, the Company's President and Chief Executive Officer, Mr. Feinstein, received a base salary of \$340,000. Mr. Feinstein's salary is reviewed each year by the Compensation Committee, and was adjusted by the Compensation Committee to \$360,000 effective March 1, 2004, based on the Company's performance in 2003, a review of salary data for chief executive officers of comparable companies, at both the fiftieth and seventy-fifth percentile, and Mr. Feinstein's performance and the scope of his responsibilities. In addition, Mr. Feinstein is eligible to receive a bonus equal to 60% of his base salary if the Company achieves the annual profit performance plan goals adopted by the Board of Directors. If the Company fails to meet or exceeds such goals, Mr. Feinstein is eligible to receive a bonus of less than or greater than 60% of his base salary, respectively.

The Company and Mr. Feinstein entered into a new, five-year employment agreement on May 1, 2003. The Compensation Committee believes that this agreement is important to retaining Mr. Feinstein's services over the long-term. In connection with the employment agreement, the Company granted Mr. Feinstein 72,000 shares of restricted stock and non-statutory stock options to purchase 90,000 shares of Common Stock. Both the restricted stock and the options are subject to vesting, at the rate of one-third of such shares on the third anniversary of the date of grant, one-third on the fourth anniversary of the date of grant, and one-third on the fifth anniversary of the date of grant, subject to certain acceleration provisions in the event of a change of control or termination of Mr. Feinstein's employment. The Compensation Committee concluded that it was in the best interests of stockholders to give Mr. Feinstein restricted stock in addition to stock options in order to retain Mr. Feinstein as the Company's Chief Executive Officer and to effectively align his interests with those of investors. Due to the significant grant of stock options and restricted stock made to Mr. Feinstein in connection with his five-year employment agreement during the 2003 fiscal year, the Stock Options Committee does not intend to make any further grants of stock options or restricted stock to Mr. Feinstein until the 2006 fiscal year.

Compliance with Internal Revenue Code Section 162(m)

Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), disallows a tax deduction to public companies for certain compensation in excess of \$1 million paid to the corporation's Chief Executive Officer and four other most highly compensated executive officers. The Company does not believe that Section 162(m) will generally have an effect on the Company, because of the current and expected compensation levels of its officers. However, the Compensation Committee intends to periodically review the potential consequences of Section 162(m) and may structure the performance-based portion of its executive officer compensation (including its stock plans) to comply with certain exemptions provided in Section 162(m). To meet the requirements of Section 162(m), the Board has established the Stock Option Plans Committee to administer all of the Company's stock option plans.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors for the 2003 fiscal year was composed of the four undersigned members, each of whom is an independent director, as defined by the Audit Committee's charter and the rules of the Nasdaq Stock Market. The Audit Committee met five times during the 2003 fiscal year. The Audit Committee acts under a written charter which was first adopted in June 2000. On February 4, 2004, a new charter was adopted and approved by the Board of Directors, a copy of which is attached hereto as *Appendix A*.

The Audit Committee reviewed the Company's audited financial statements for the fiscal year ended December 31, 2003 and discussed these financial statements with management. Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent auditors are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted accounting principles and issuing a report on those financial statements. The Audit Committee is responsible for monitoring and overseeing these processes. As appropriate, the Audit Committee reviews and evaluates, and discusses with management and the independent auditors, the following:

the plan for, and the independent auditors' report on, each audit of the Company's financial statements;

the Company's financial disclosure documents, including all financial statements and reports filed with the SEC or sent to the Company's stockholders;

changes in the Company's accounting practices, principles, controls or methodologies;

significant developments or changes in accounting rules applicable to the Company; and

the adequacy of the Company's internal controls and accounting personnel.

The Audit Committee also reviewed and discussed with PricewaterhouseCoopers LLP, the Company's independent auditors, the audited financial statements and various communications that the Company's independent auditors are required to provide to the Audit Committee, including the matters required to be discussed by Statement on Auditing Standards 61 (Communication with Audit Committees). SAS 61 requires the Company's independent auditors to discuss with the Audit Committee, among other things, the following:

methods to account for significant unusual transactions;

the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus;

the process used by management in formulating particularly sensitive accounting estimates and the basis for the auditors' conclusions regarding the reasonableness of those estimates; and

disagreements with management over the application of accounting principles, the basis for management's accounting estimates and the disclosures in the financial statements.

The Company's independent auditors also provided the Audit Committee with the written disclosures and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). Independence Standards Board Standard No. 1 requires auditors annually to disclose in writing all relationships that in the auditors' professional opinion may reasonably be thought to bear on independence, confirm their perceived independence and engage in a discussion of independence. The Audit Committee discussed with the independent auditors their independence from the Company.

Based on its discussions with management and the independent auditors, and its review of the representations and information provided by management and the independent auditors, the Audit Committee recommended to the Company's Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2003.

C. Authority and Responsibilities

General

The Audit Committee shall discharge its responsibilities, and shall assess the information provided by the Company's management and the independent auditors, in accordance with its business judgment. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements. The authority and responsibilities set forth in this Charter do not reflect or create any duty or obligation of the Audit Committee to plan or conduct any audit, to determine or certify that the Company's financial statements are complete, accurate, fairly presented, or in accordance with generally accepted accounting principles or applicable law, or to guarantee the independent auditors' report.

Oversight of Independent Auditors

1. *Selection.* The Audit Committee shall be solely and directly responsible for appointing, evaluating, retaining and, when necessary, terminating the engagement of the independent auditors. The Audit Committee may, in its discretion, seek stockholder ratification of the independent auditors it appoints.
2. *Independence.* The Audit Committee shall take, or recommend that the full Board of Directors take, appropriate action to oversee the independence of the independent auditors. In connection with this responsibility, the Audit Committee shall obtain and review a formal written statement from the independent auditors describing all relationships between the auditors and the Company, including the disclosures required by Independence Standards Board Standard No. 1. The Audit Committee shall actively engage in dialogue with the auditors concerning any disclosed relationships or services that might impact the objectivity and independence of the auditors.
3. *Compensation.* The Audit Committee shall have sole and direct responsibility for setting the compensation of the independent auditors. The Audit Committee is empowered, without further action by the Board of Directors, to cause the Company to pay the compensation of the independent auditors established by the Audit Committee.
4. *Preapproval of Services.* The Audit Committee shall preapprove all audit services to be provided to the Company, whether provided by the principal auditors or other firms, and all other services (review, attest and non-audit) to be provided to the Company by the independent auditors; provided, however, that de minimis non-audit services may instead be approved in accordance with applicable SEC rules.
5. *Oversight.* The independent auditors shall report directly to the Audit Committee, and the Audit Committee shall have sole and direct responsibility for overseeing the work of the independent auditors, including resolution of disagreements between Company management and the independent auditors regarding financial reporting. In connection with its oversight role, the Audit Committee shall, from time to time as appropriate, receive and consider the reports required to be made by the independent auditors regarding:

use of such alternative disclosures and treatments, and the treatment preferred by the independent auditors; and

other material written communications between the independent auditors and Company management.

Audited Financial Statements

6. *Review and Discussion.* The Audit Committee shall review and discuss with the Company's management and independent auditors the Company's audited financial statements, including the matters about which Statement on Auditing Standards No. 61 (Codification of Statements on Auditing Standards, AU §380) requires discussion.

7. *Recommendation to Board Regarding Financial Statements.* The Audit Committee shall consider whether it will recommend to the Board of Directors that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K.

8. *Audit Committee Report.* The Audit Committee shall prepare an annual committee report for inclusion where necessary in the proxy statement of the Company relating to its annual meeting of security holders.

Review of Other Financial Disclosures

9. *Independent Auditors Review of Interim Financial Statements.* The Audit Committee shall direct the independent auditors to use its best efforts to perform all reviews of interim financial information prior to disclosure by the Company of such information and to discuss promptly with the Audit Committee and the Chief Financial Officer any matters identified in connection with the auditors' review of interim financial information which are required to be discussed by applicable auditing standards. The Audit Committee shall direct management to advise the Audit Committee in the event that the Company proposes to disclose interim financial information prior to completion of the independent auditors' review of interim financial information.

Controls and Procedures

10. *Oversight.* The Audit Committee shall coordinate the Board of Directors' oversight of the Company's internal control over financial reporting, disclosure controls and procedures and code of conduct. The Audit Committee shall receive and review the reports of the CEO and CFO required by Rule 13a-14 of the Exchange Act.

11. *Risk Management.* The Audit Committee shall discuss the Company's policies with respect to risk assessment and risk management, including guidelines and policies to govern the process by which the Company's exposure to risk is handled. The Audit Committee shall periodically meet separately with: (i) the independent auditors; and (ii) Company management. The Audit Committee shall keep such records of its meetings as it shall deem appropriate.

2. *Subcommittees.* The Audit Committee may form and delegate authority to one or more subcommittees (including a subcommittee consisting of a single member), as it deems appropriate from time to time under the circumstances. 3. *Reports to Board.* The Audit Committee shall report regularly to the Board of Directors.

4. *Charter.* At least annually, the Audit Committee shall review and reassess the adequacy of this Charter and recommend any proposed changes to the Board of Directors for approval.
