Item 3. Source and Amount of Funds or Other Consideration

On July 11, 1994, EDL Holding acquired 2,482,050 ORAs for an aggregate consideration of 1 billion French Francs. Pursuant to the terms of the ORAs, each ORA converts into 10.691 shares of Common Stock on July 11, 2004. Prior to July 11, 1994, EDL Holding had acquired 83,300,000 shares of Common Stock from the Issuer and EDL Participations had acquired 1,000 shares from the Issuer. In August 1994 and December 1999, EDL Holding acquired 291,545,384 and 112,575,167 shares, respectively, of Common Stock from the Issuer pursuant to preferential subscription rights in offerings made to all holders of the Common Stock in which EDL Holding acquired only its pro rata share of the shares offered. In each case, EDL Holding and EDL Participations acquired shares using funds contributed by TWDC out of its working capital.

In August 1994, EDL Holding also acquired warrants to purchase 29,682,201 shares of Common Stock awarded to all holders of the Common Stock in which EDL Holding acquired only its pro rata share of the warrants awarded. EDL Holding has not exercised any of the warrants it received in this distribution.

Item 4. Purpose of Transaction

TWDC, EDL Holding and EDL Participations acquired the ORAs and shares of and warrants for Common Stock for investment purposes in connection with the initial funding of the Issuer and a global restructuring of the Issuer's financial obligations that involved among other things new debt and equity financing. TWDC and EDL Holding have made debt investments in the Issuer and provided other financing through lease and other arrangements, the material terms of which have been disclosed in the Issuer's reports on Form 20-F filed with the Securities and Exchange Commission and TWDC's reports on Form 10-K and 10-Q filed with the Securities and Exchange Commission. In addition, EDL Participations acts as general partner of the Issuer, and Euro Disney S.A., an indirect 99% subsidiary of TWDC, acts as *gérant* of the Issuer. Through these relationships, TWDC, EDL Holding and EDL Participations may be deemed to have the ability to exercise substantial control over the Issuer. TWDC, EDL Holding and EDL Participations continually evaluate their interests in the Issuer, consider options for maximizing the value of their investment in the Issuer and may from time to time discuss these options (which may include any of the actions identified in clauses (a) through (j) below) with other creditors or equity holders of the Issuer or other interested parties.

On June 8, 2004, TWDC, the Issuer and certain of its affiliates, the *Caisse des Dépôts et Consignations* (CDC) (a primary lender to the issuer) signed a Memorandum of Agreement (MOA) that was approved by the Steering Committee representing other lenders of the Issuer and contemplates a global restructuring of the Issuer's financial obligations as well as new debt and equity financing. The MOA is attached to this Schedule as Exhibit 3. Among other things, the terms of the MOA call for: the permanent waiver of financial covenant violations for fiscal years 2003 and 2004; the deferral and subsequent conversion into subordinated long-term borrowings of 110 million outstanding on an existing line of credit from TWDC and 58 million of deferred interest payable to the CDC; the deferral of approximately 300 million of principal payments on senior bank debt for 3.5 years; the deferral of loan principal payments scheduled under the 1989 CDC Loans of the Issuer in years 2004 through 2023 for 3.5 years; elimination of the Issuer's current security deposit requirement and the disbursement of the current deposit balance of 100 million as a debt prepayment to the senior lenders; the annual deferral of 25 million of management fees and royalties payable to TWDC subsidiaries for fiscal years 2005 through 2009; the annual conditional deferral of up to 25 million of management fees and royalties payable to TWDC subsidiaries for fiscal years 2007 through 2014 depending on the Issuer's operating results; and the annual conditional deferral and conversion into long-term subordinated borrowings of up to 22.5 million of CDC loan interest payments for fiscal

years 2005 through 2014 depending on the issuer's results. The deferrals and conditional deferrals of amounts owed to TWDC and the CDC cannot be paid earlier than 2017. In addition, the Issuer would obtain a new ten-year 150 million line of credit from TWDC for liquidity requirements, reducing to 100 million after five years. The MOA additionally provides for the conversion of 290 million of payments to TWDC subsidiaries pursuant to leases into a minority equity position in an entity that will become a subsidiary of the Issuer and to which substantially all of the Issuer's assets and liabilities would be contributed. The MOA also provides for an equity rights offering by the Issuer of 250 million to existing shareholders, to which TWDC will subscribe in an amount of at least 100 million with the remainder expected to be underwritten in due course by a group of financial institutions. The MOA would also require TWDC to beneficially own at least 39% of the issued and outstanding shares of the Issuer until December 31, 2016. The MOA is subject to certain conditions, including: approval by all of the lenders of the MOA by July 31, 2004; regulatory authorizations; approval of the reorganization and the rights offering by the shareholders (which TWDC has agreed to vote in favor of); completion of final documentation; and the successful implementation of the rights offering by no later than March 31, 2005.

On March 25, 2004, the Issuer's shareholders' meeting authorized a decrease in the Issuer's share capital by way of a reduction from 0.76 to 0.01 of the par value of the Shares, without any modification to the number of existing Shares. As a result of this reduction, which is expected to be implemented before the close of the Issuer's current fiscal year, the Issuer's share capital will decrease to 10,559,377.24.

Except (1) as described above, (2) as described in the filings of TWDC and the Issuer with the Securities and Exchange Commission and (3) pursuant to the terms of the MOA if it is approved by all of the lenders by July 31 and the other conditions are met, neither TWDC, EDL Holding nor EDL Participations has any present plans or proposals that relate to or would result in:

- (a) The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;
- (b) An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries;
- (c) A sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries;
- (d) Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;
- (e) Any material change in the present capitalization or dividend policy of the issuer;
- (f) Any other material change in the Issuer's business or corporate structure;
- (g) Changes in the Issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the Issuer by any person;

Edgar Filing: EURO DISNEY S C A - Form SC 13D

(h) A class of securities of the Issuer being delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

(i) A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Exchange Act; or

(j) Any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer

- (a) As of June 28, 2004, EDL Participations holds 1,000 shares of Common Stock, representing less than .01% of the issued and outstanding shares. As of the same date, EDL Holding holds 412,778,279 shares of Common Stock and may be deemed the beneficial owner of the 1,000 shares held by EDL

Participations and 26,535,597 shares it is entitled to acquire on July 11, 2004, upon maturity of the ORAs. In addition, EDL Holding holds warrants to acquire 29,682,201 shares of Common Stock, which are currently exercisable. Thus, EDL Holding may be deemed the beneficial owner of a total of 468,997,077 shares of Common Stock which represent 42.2% of the issued and outstanding shares of Common Stock based on the number of shares of Common Stock reported by the Issuer in its Report on Form 20-F filed April 1, 2004, and assuming exercise of all warrants held by EDL Holding and issuance of a total of 26,728,794 shares upon maturity of the ORAs. Warrants with respect to all 29,682,201 shares expire on July 11, 2004 and based on the exercise price of the warrants and the current market price of the shares, EDL Holding does not currently expect to exercise these warrants prior to their expiration. Excluding the shares issuable pursuant to these warrants, EDL Holding may be deemed to be the beneficial owner of 439,314,876 shares, representing 40.6% of the issued and outstanding shares of Common Stock (assuming issuance of shares upon expiration of the ORAs and excluding shares issuable upon exercise of the warrants held by EDL Holding). TWDC may be deemed to beneficially own all the shares beneficially owned by EDL Holding as a result of its 99% ownership of EDL Holding. To the best of TWDC's, EDL Holding's and EDL Participations' knowledge, none of the persons identified on Schedule A, Schedule B or Schedule C are the beneficial owners of any shares of Common Stock except as reflected on Schedule A, Schedule B and Schedule C.

- (b) TWDC and EDL Holding have the shared power to vote and direct the disposition of the 468,997,077 shares of Common Stock reported herein as being beneficially owned by TWDC and EDL Holding, and EDL Participations has the shared power to vote and direct the disposition of the 1,000 shares reported herein as being beneficially owned by EDL Participations. To the best of TWDC's, EDL Holding's and EDL Participations' knowledge, each of the persons identified on Schedule A, Schedule B and Schedule C has the sole power to vote and direct the disposition of the shares of Common Stock reflected as beneficially owned by such persons on Schedule A, Schedule B and Schedule C.
- (c) Neither TWDC, EDL Holding nor EDL Participations, nor to the best of TWDC's, EDL Holding's and EDL Participations' knowledge any person identified in Schedule A, Schedule B or Schedule C, has engaged in any transaction in the shares of Common Stock since March 13, 2004.
- (d) No other person has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the shares of Common Stock beneficially owned by TWDC, EDL Holding and EDL Participations nor, to the best of TWDC's, EDL Holding's and EDL Participations' knowledge, any of the shares of Common Stock beneficially owned by the persons identified on Schedule A, Schedule B or Schedule C.
- (e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer

In addition to the contracts, arrangements, understandings and relationships identified in Items 3 and 4 of this Schedule, TWDC and EDL Holding have the following contracts, arrangements, understandings and relationships with respect to the shares of Common Stock:

- (1) In July 1994, TWDC agreed with the Issuer's lenders that it would continue to own at least 25% of the issued and outstanding shares of Common Stock through June 2004 and to own at least 16.67% of the issued and outstanding shares of Common Stock until 2016, and in 1999 TWDC agreed with the CDC that it would own at least 16.67% of the issued and outstanding shares of Common Stock until 2027.
- (2) Pursuant to a letter agreement dated May 31, 1994, as amended September 12, 1995 (as amended, the Letter Agreement), EDL Holding sold shares of Common Stock to His Royal Highness Prince Alwaleed Bin Talal Bin Abdulaziz Al Saud and his affiliates (HRH) and HRH subsequently transferred those shares to Kingdom 5-KR-135, Ltd. (Kingdom), a company owned by a trust for the benefit of HRH and his family. TWDC has a first right to negotiate with Kingdom to purchase any shares Kingdom proposes to sell in a block sale and a right of last refusal to meet the terms of any proposed sale.

of shares in a block sale involving more than 50 million shares. In addition, HRH and Kingdom have agreed not to purchase without the prior written consent of TWDC shares of Common Stock prior to August 13, 2004 at any time that the aggregate number of shares owned or controlled by HRH and Kingdom exceeds or would as a result of the purchase exceed 151,178,864 (other than pro rata purchases pursuant to rights offerings to all Issuer shareholders or otherwise to avoid dilution), and agreed not to purchase shares of Common Stock prior to August 13, 2014 to the extent that such purchase would result in the aggregate number of Shares then held by HRH and Kingdom exceeding one-third of the total number of Shares outstanding.

Item 7. Material to Be Filed as Exhibits

- (1) Letter Agreement dated May 31, 1994, between TWDC, EDL Holding, His Royal Highness Prince Alwaleed Bin Talal Bin Abdulaziz Al Saud and United Saudi Commercial Bank.
- (2) Amendment dated September 12, 1995, to Letter Agreement dated May 31, 1994.
