Denver, Colorado

We have audited the accompanying statement of revenue and certain expenses of the Bondesen Business Park, Beltway 8 Business Park and Rittiman Business Park (collectively the BBR Properties) for the year ended December 31, 2003. This financial statement is the responsibility of BBR Properties management. Our responsibility is to express an opinion on this financial statement based upon our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenue and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission and for inclusion in the Current Report on Form 8-K of Dividend Capital Trust Inc., as described in Note 1. The presentation is not intended to be a complete presentation of the BBR Properties revenues and expenses.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenue and certain expenses of Bondesen Business Park, Beltway 8 Business Park and Rittiman Business Park for the year ended December 31, 2003, on the basis of accounting described in Note 1.

Notes to Financial Statements

(Information for March 31, 2004 is Unaudited)

Note 1 - Description of Business, Basis of Presentation and Summary of Significant Accounting Policies

The accompanying statements of revenue and certain expenses reflect the operations of the Bondesen Business Park, Beltway 8 Business Park and Rittiman Business Park (collectively BBR Properties) for the three months ended March 31, 2004 (unaudited) and for the year ended December 31, 2003. The BBR Properties consist of six service centers and five distribution facilities located in Houston, Texas and two distribution facilities located in San Antonio, Texas. The BBR Properties contain 798,412 rentable square feet collectively. As of December 31, 2003, the BBR Properties had an occupancy percentage of 78%.

The BBR Properties were acquired by Dividend Capital Trust Inc. from an unrelated party on June 3, 2004 for a total cost, including acquisition costs, of approximately \$50.8 million, which was paid with proceeds from a public offering. Such costs included an acquisition fee of \$500,000 paid to an affiliate.

The accounting records of BBR Properties are maintained on the accrual basis. The accompanying statements of revenue and certain expenses has been prepared pursuant to the rules and regulations of the Securities and Exchange Commission, and excludes certain expenses such as mortgage interest, depreciation and amortization, professional fees and other costs not directly related to future operations of BBR Properties.

BBR Properties recognizes revenue from tenant leases on a straight-line basis over the life of the related lease. The results of operations can be significantly impacted by the rental market of the Houston, Texas and San Antonio, Texas regions.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Interim Information (unaudited) - In the opinion of management, the unaudited information as of March 31, 2004 included herein contains all the adjustments necessary, which are of a normal recurring nature, to present fairly the revenue and certain expenses for the three months ended March 31, 2004. Results of interim periods are not necessarily indicative of results to be expected for the year. Management is not aware of any material factors that would cause the information included herein to not be indicative of future operating results except as it relates to the tenant buy-out in February 2004, as discussed in Note 2, which resulted in \$190,000 in revenue during the three months ended March 31, 2004.

Table of Contents**DIVIDEND CAPITAL TRUST INC.****Notes to Financial Statements****(Information for March 31, 2004 is Unaudited)****Note 2 - Operating Leases**

BBR Properties' revenue is obtained from tenant rental payments as provided for under non-cancelable operating leases. BBR Properties records rental revenue for the full term of the lease on a straight-line basis. In this case, where the minimum rental payments increase over the life of the lease, BBR Properties records a receivable due from tenants for the difference between the amount of revenue recorded and the amount of cash received. This accounting treatment resulted in an increase in rental revenue of approximately \$32,000 and \$26,000 for the periods ended March 31, 2004 and December 31, 2003, respectively.

Future minimum lease payments due under these leases, excluding tenant reimbursements of operating expenses, as of December 31, 2003, are as follows:

<u>Year Ending December 31,</u>	
2004	\$ 3,808,786
2005	3,525,126
2006	2,888,198
2007	2,491,516
2008	1,341,994
Thereafter	2,478,838
	<u>\$ 16,534,458</u>

Tenant reimbursements of operating expenses are included in other revenue in the accompanying statements of revenue and certain expenses.

The following table exhibits those tenants who accounted for greater than 10% of the rental revenues for the year ended December 31, 2003, and the corresponding percentage of the future minimum revenues above:

<u>Tenant</u>	<u>Industry</u>	<u>Lease Expiration</u>	<u>% of</u> <u>2003</u> <u>Revenues</u>	<u>% of</u> <u>Future Minimum</u> <u>Revenues</u>

B	Graphic Design	December 2007 and October 2011	12%	19%

In February 2004, tenant A above entered into an agreement to buy out a portion of its lease for \$190,000 pursuant to the terms of the agreement of which \$100,000 has been collected. The future minimum lease payments and related percentages above reflect the agreement.
