These proxy materials are first being mailed to shareholders on or about October 4, 2004. Seagate Technology maintains a registered office in the Cayman Islands at P.O. Date, Time and Place

We will hold the Annual General Meeting at the Quadrus Conference Center at 2400 Sand Hill Road, Menlo Park, California 94025, on Thursday, October 28, 2004 at 10:00 am Pacific Daylight Time, subject to any adjournments or postponements.

Who Can Vote; Votes Per Share

Our only outstanding class of voting securities is our common shares, par value \$0.00001 per share. All persons who are registered holders of our common shares at the close of business on September 3, 2004, the record date for the Annual General Meeting, will be entitled to notice of, and to vote at, the Annual General Meeting. As of the close of business on the record date there were outstanding approximately 463,065,433 common shares held by approximately 799 shareholders of record. These shareholders will be entitled to one vote per common share on all matters submitted to a vote of shareholders, so long as those shares are represented at the Annual General Meeting in person or by proxy. Your shares will be represented if you attend and vote at the Annual General Meeting or if you submit a proxy. Under Cayman Islands law, holders of our common shares do not have appraisal rights with respect to matters to be voted on at the Annual General Meeting.

How to Vote; Submitting Your Proxy

If you are a shareholder of record, you may vote your shares either by voting in person at the Annual General Meeting or by submitting a completed proxy. By completing and submitting the enclosed proxy, you are legally designating Donald E. Kiernan, James A. Davidson and

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

Stephen J. Luczo to vote your shares in accordance with the instructions you have indicated on the proxy.

If your shares are held not in your name but in the street name of a bank, broker or other holder of record (a nominee), then your name will not appear in Seagate Technology's register of shareholders and the nominee will be entitled to vote your shares. In order to be admitted to the Annual General Meeting, you must bring a letter or account statement showing that you beneficially own the shares held by the nominee. Even if you attend the Annual General Meeting, you will not be able to vote the shares that you hold in street name. Rather, you should instruct your nominee how to vote those shares on your behalf.

If you appoint the individuals named in the enclosed proxy card as your proxies but do not indicate how your shares are to be voted, then your shares will be voted FOR the election of all nominees for director named

Table of Contents

in Proposal 1 and FOR Proposals 2, 3 and 4. In addition, if any matters other than the proposals contained in this proxy statement are properly brought up at the Annual General Meeting, then the proxies will have the authority to vote your shares on those matters in accordance with their discretion and judgment if we did not receive notice of such matters by August 20, 2004. We do not presently know of any other business that may come before the Annual General Meeting.

Shares Registered Directly in the Name of the Shareholder

If you hold shares of our common stock registered directly in your name in our register of shareholders, you may submit your proxy by mailing your signed proxy card to us. Specific instructions to be followed by registered shareholders are set forth on the enclosed proxy card.

Shares Registered in the Name of a Nominee

Most beneficial owners whose shares are held in the street name of a nominee receive instructions for granting proxies from their banks, brokers or other agents, rather than the company's proxy card.

A number of brokerage firms and banks participate in a program that offers the ability to grant proxies to vote shares by means of the telephone and Internet. If your shares are held in an account at a brokerage firm or bank participating in such a program, you may grant a proxy to vote those shares by calling the telephone number that appears on the voting instruction form, or through the Internet in accordance with the instructions set forth on the voting instruction form, that you receive from your broker or bank. Votes submitted by telephone or Internet through such a program must be received by 11:59 p.m. Eastern Daylight Time on October 27, 2004.

Revoking Your Proxy

You may revoke your proxy at any time before it is voted at the Annual General Meeting, by: (1) sending a signed revocation thereof to Seagate Technology at 920 Disc Drive, Scotts Valley, California 95066, Attention: Corporate Secretary, which we must receive at least one hour prior to the start of the Annual General Meeting; (2) signing, dating and mailing a new and different proxy card, which we must receive by 5:00 p.m., Pacific Daylight Time, on October 27, 2004, or (3) voting your shares in person at the meeting, if you are a shareholder of record. If your shares are registered in the name of a nominee and you submit your proxy by telephone or over the Internet, you may revoke your proxy only by submitting new voting instructions by telephone or Internet, as applicable, which must be received by 11:59 p.m. Eastern Daylight Time on October 27, 2004. Attending the Annual General Meeting alone will not revoke your proxy.

Proxy Solicitation

Seagate Technology will bear all costs and expenses of soliciting proxies from shareholders. We are initially soliciting these proxies by mail, but our directors, officers and selected other Seagate Technology employees may also solicit proxies by telephone, facsimile or e-mail or in person. These people will not be specially compensated for their services, but may be reimbursed for out-of-pocket expenses incurred in connection with the solicitation. Brokerage houses, nominees, fiduciaries and other custodians will be requested to forward soliciting materials to beneficial

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

owners and will be reimbursed by us for their reasonable out-of-pocket expenses incurred in connection with the solicitation.

Quorum and Voting Requirements

In order to establish a quorum at the Annual General Meeting, there must be one or more shareholders present at the meeting, either in person or by proxy, holding shares representing not less than a majority of the issued and outstanding shares of Seagate Technology entitled to vote at the meeting. For purposes of determining a quorum, abstentions and broker non-votes are counted as represented. A non-vote occurs when a nominee

Table of Contents

(such as a broker) holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that proposal and has not received instructions from the beneficial owner on how to vote those shares.

With respect to Proposal 1, the affirmative vote of a majority of all the votes cast by holders of common shares represented in person or by proxy at the Annual General Meeting is necessary to approve the election of each of the director nominees. Proposals 2 and 3, require the affirmative vote of a majority of all the votes cast by holders of common shares represented in person or by proxy at the Annual General Meeting, in order to be approved. Proposal 4, which is being proposed as a Special Resolution, requires the affirmative vote of two-thirds of all the votes cast by holders of common shares represented in person or by proxy at the Annual General Meeting, in order to be approved.

Abstentions and broker non-votes are not counted and will have no effect on the result of the vote on any proposal.

Voting Procedures and Tabulation

Seagate Technology has appointed a representative of Computershare Trust Company as the inspector of elections to act at the Annual General Meeting and to make a written report thereof. Prior to the Annual General Meeting, the inspector will sign an oath to perform his duties in an impartial manner and according to the best of his or her ability. The inspectors will ascertain the number of common shares outstanding and the voting power of each, determine the common shares represented at the Annual General Meeting and the validity of proxies and ballots, count all votes and ballots, and perform certain other duties. The determination of the inspectors as to the validity of proxies will be final and binding.

Shareholders Agreement; Sponsor Group

In connection with our initial public offering, which we completed on December 13, 2002, we entered into a shareholders agreement, dated December 6, 2002, with our controlling shareholder, New SAC (an exempted limited liability company organized under the laws of the Cayman Islands), the members of our sponsor group, certain members of our management and the other parties thereto. This agreement was amended on September 2, 2004 to, among other things: (i) eliminate the contractual requirement that there be twelve directors, (ii) eliminate the rights of members of our sponsor group to appoint directors to any committees of the Board of Directors (previously Silver Lake Partners and Texas Pacific Group were each entitled to appoint one director to all of the committees other than the Audit Committee); and (iii) reduce the number of directors that Silver Lake Partners and Texas Pacific Group are entitled to appoint to the Board of Directors from three and two members, respectively, to two and one member(s), respectively. We refer to this agreement, as amended, as the Seagate Technology Shareholders Agreement. Our sponsor group is comprised of private equity investment firms, consisting of affiliates of Silver Lake Partners, Texas Pacific Group, August Capital, J.P. Morgan Partners, LLC, investment partnerships of which the general partner, managing general partner or investment manager is affiliated with Goldman, Sachs & Co. and other investors. As of August 27, 2004 members of our sponsor group indirectly (through their investment in our controlling shareholder, New SAC) own approximately 61.0% of our outstanding share capital.

Under the terms of the Seagate Technology Shareholders Agreement, Silver Lake Partners has the right to designate two of the members of our Board of Directors and Texas Pacific Group has the right to designate one of the members of our Board of Directors. The remaining members of the board must be nominated by our Nominating and Governance Committee and approved by a majority of the other directors present at a duly convened meeting of the Board of Directors. The terms of the agreement further require the members of our sponsor group to vote their common shares in a manner that gives effect to the provisions of the agreement, at any annual general or any special meeting of shareholders of Seagate Technology. See Certain Relationships and Related Transactions Seagate Technology Shareholders Agreement on page 47 for more information regarding this agreement.

PROPOSAL 1 ELECTION OF DIRECTORS

Upon the recommendation of the Nominating and Corporate Governance Committee, the Board of Directors has nominated for election at the 2004 Annual General Meeting a slate of 11 nominees, each of whom is currently a director of Seagate Technology. Under Seagate Technology's articles of association, the Board of Directors may have any number of members up to 15. However, the Board of Directors has determined that, for the time being, the number of directors constituting the full Board of Directors shall be 11 members. The Board of Directors currently has 12 members, however, Mr. Zander will resign at the Annual General Meeting and will not be standing for re-election. As a result, shareholders are being asked to elect 11 directors only. The holders of common shares, voting as a class, have the right to elect all 11 members to the Board of Directors to serve until the 2005 annual general meeting of the common shareholders and until their respective successors are duly elected and qualified.

On April 29, 2004 David Bonderman resigned from the Board of Directors. In order to further the company's ongoing effort to increase the number of its independent directors, the Board of Directors, pursuant to its authority under Seagate Technology's articles of association, appointed Gregorio Reyes and Lydia Marshall to the Board of Directors, effective April 23, 2004 and April 29, 2004, respectively.

Pursuant to the Seagate Technology Shareholders Agreement, Silver Lake Partners has designated Messrs. Davidson and Hutchins and Texas Pacific Group has designated Mr. Coulter, to serve as members of our Board of Directors.

It is currently anticipated that all of the nominees will be willing and able to serve as directors. However, if any nominee becomes unwilling or unable to serve as a director, then the Board of Directors will propose a substitute nominee, and the individuals designated as your proxies will vote to appoint that proposed nominee.

Nominees for Election as Directors

Set forth below are the biographies of our director nominees. There are no family relationships among any of our directors or executive officers.

Messrs. Coulter, Davidson, Hutchins, Luczo, Marquardt and Watkins are also members of the board of directors of our controlling shareholder, New SAC. In addition, Mr. Luczo is also the Chief Executive Officer, and Mr. Watkins is the President, of New SAC. PROPOSAL 2 APPROVAL OF THE SEAGATE TECHNOLOGY

2004 STOCK COMPENSATION PLAN

General

The Board of Directors is seeking the approval of our shareholders of the 2004 Stock Compensation Plan (the "2004 Plan") that would govern the grant of stock-based awards to our employees, directors, and consultants. The Board of Directors believes that approving the 2004 Plan will provide us with equity award opportunities to attract, retain and motivate the best available talent for the successful conduct of the company's business and will more fully align the interests of management with those of our public shareholders. The 2004 Plan was unanimously approved by the Board of Directors on August 5, 2004. Until it is approved by our shareholders, the 2004 Plan, by its terms, is not effective and no awards may be granted under the 2004 Plan. The full text of the 2004 Plan is included as Appendix A to this proxy statement. Below is a summary of certain key provisions of the 2004 Plan, which is qualified in its entirety by reference to the full text of the Plan.

Purpose of the 2004 Plan

The purpose of the 2004 Plan, which is intended to supplement and eventually succeed our 2001 Share Option Plan (the "2001 Plan"), is to promote our long-term growth and financial success by providing incentives to our employees, directors, and consultants through grants of stock-based awards. These awards are intended to tie the 2004 Plan participants' interests directly to shareholder interests and encourage individual and collective behavior that enhances our success. The provisions of the 2004 Plan, which allows for the grant of various types of equity-based awards, are also intended to provide greater flexibility to maintain the company's competitive ability to attract, retain and motivate participants for the benefits of the company and our shareholders.

Description of the 2004 Plan

Eligibility. All of our employees, including our executive officers, all of the members of the Board of Directors, and our consultants may participate in the 2004 Plan.

Types of Awards. The types of awards that will be available for grant under the Plan are:

incentive stock options;

nonstatutory stock options;

restricted stock bonuses;

restricted stock purchase rights;

stock appreciation rights;

phantom stock units;

restricted stock units;

performance share bonuses; and

performance share units.

Share Reserve. A total of 27,500,000 of our common shares are proposed to be reserved for issuance under the 2004 Plan. The 2004 Plan limits the total number of common shares that may be covered by awards pursuant to which participants may receive the full value of the stock to 10,000,000 shares. Specifically, this limit will apply to awards of restricted stock bonuses, restricted stock units, phantom stock units, performance share bonuses, or performance share units (Full-Value Stock Awards). Common shares covered by awards that expire, are canceled, terminate, are repurchased by us at cost or reacquired by us, or are redeemed for cash rather than shares will again be available for grant under the 2004 Plan. No employee will be eligible to be granted

Table of Contents

options or stock appreciation rights covering more than 10,000,000 common shares during any fiscal year. Further, no individual will be eligible to have more than 10,000,000 common shares under all Full-Value Stock Awards granted to him or her over the life of the 2004 Plan.

Adjustments by our Board of Directors. The number of shares issued or reserved pursuant to the 2004 Plan or for grants of Full-Value Stock Awards, the share limits on grants to a given participant, the number of shares and exercise price for option grants to Eligible Directors (as defined below), and the number of shares and exercise or base price for outstanding awards, is subject to adjustment on account of mergers, consolidations, reorganizations, recapitalizations, reincorporations, stock splits, spinoffs, stock dividends, extraordinary dividends and distributions, liquidating dividends, combinations or exchanges of shares, changes in corporate structure or other transactions in which we do not receive any consideration.

Administration of the 2004 Plan. Our Board of Directors has the authority to, and intends to, delegate administration of the 2004 Plan to the Compensation Committee. The Compensation Committee, or our Board of Directors if the delegation of authority to the Compensation Committee is terminated or limited in the future, has the authority to:

designate participants in the 2004 Plan;

determine the type(s), number, terms and conditions of awards, as well as the timing and manner of grant;

interpret the 2004 Plan; establish, adopt or revise any rules and regulations to administer the 2004 Plan; and

make all other decisions and determinations that may be required under the 2004 Plan.

Options. The 2004 Plan provides that incentive stock options must have an exercise price that is at least equal to 100% of, and nonstatutory stock options must have an exercise price equal to at least 85% of, the fair market value of our common stock on the date the option is granted. To the extent permitted in his or her option agreement, an option holder may exercise an option by payment of the exercise price (1) in cash, (2) according to a deferred payment or similar arrangement, (3) pursuant to a same day sale program, (4) by the surrender of shares of common stock already owned by the option holder or (5) by a combination approved by our Board of Directors. In the event of the option holder's termination, the option holder will generally have up to three months (up to one year if the termination is due to disability or 18 months for the beneficiary if due to death) from termination to exercise his or her vested options.

Automatic Awards to Non-Employee Directors. A director who is neither employed by us nor receives a management fee from us (an Eligible Director) will automatically receive an initial grant of options to purchase 100,000 common shares on the date that the Eligible Director commences service on our Board of Directors. These options will have a per share exercise price equal to the fair market value of our common stock on the date of grant and will generally vest at the rate of 25% per year for four years. Each Eligible Director will also automatically receive an annual grant of options to purchase 25,000 shares of our common shares on the date the Eligible Director is re-elected, provided that he or she has served as a director for a period of at least six months prior to re-election. These options will have a per share exercise price equal to the fair market value of our common shares on the date of such Eligible Director's re-election and will generally vest at the rate of 25% per year for four years.

Restricted Stock Bonuses and Performance Share Bonuses. Restricted stock bonuses and performance share bonuses are grants of common stock not requiring any monetary consideration, but subject to restrictions, as determined by our Board of Directors. Generally, unless the

participant's award agreement provides otherwise, the participant may not sell, transfer, or otherwise dispose of the shares issued in the participant's name at the time of grant until those conditions are met. The vesting of restricted stock bonus awards will generally be based

on the participant's continuous service; the vesting of performance share bonus awards will be based on the achievement of certain performance criteria, as determined by our Board of Directors. In the event a participant's continuous service terminates or a participant fails to meet performance criteria, all unvested shares as of the date of termination will be reacquired by us at no cost to us.

Restricted Stock Purchase Rights. Restricted stock purchase rights entitle a participant to purchase common shares that are subject to restrictions determined by our Board of Directors. The purchase price will be determined by our Board of Directors but will be at least 85% of the fair market value of our common shares on the date of such award. Generally, unless the participant's award agreement provides otherwise, the participant may not sell, transfer, or otherwise dispose of the shares issued in the participant's name at the time of grant until those conditions are met. The vesting of restricted stock purchase rights will be determined by our Board of Directors for each grant. In the event a participant's continuous service terminates, all unvested shares as of the date of termination may be repurchased by us at the same price paid to us by the participant.

Stock Appreciation Rights. Our Board of Directors may grant stock appreciation rights independently of or in connection with an option grant. The base price per share of a stock appreciation right shall be at least 85% of the fair market value of our common shares on the date of grant. Generally, each stock appreciation right will entitle a participant upon redemption to an amount equal to (a) the excess of (1) the fair market value on the redemption date of one common share over (2) the base price, times (b) the number of common shares covered by the stock appreciation right being redeemed. To the extent a stock appreciation right is granted concurrently with an option grant, the redemption of the stock appreciation right will proportionately reduce the number of common shares subject to the concurrently granted option. Payment shall be made in common shares or in cash, or a combination of both, as determined by our Board of Directors.

Phantom Stock Units. A phantom stock unit is the right to receive the value of one common share, redeemable upon terms and conditions set by our Board of Directors. Distributions upon redemption of phantom stock units may be in common shares valued at fair market value on the date of redemption or in cash, or a combination of both, as determined by our Board of Directors.

Restricted Stock Units and Performance Share Units. Our Board of Directors may also award restricted stock units or performance share units, both of which entitle the participant to receive the value of one common share per unit at the time the unit vests, with delivery of such value (distributed in common shares or in cash) on a date chosen by the participant to the extent permitted by law. For restricted stock units, vesting will generally be based on the participant's continuous service; for performance share units, vesting will be based on the achievement of certain performance criteria, as determined by our Board of Directors. In the event a participant's continuous service terminates or a participant fails to meet performance criteria, all unvested common shares as of the date of termination will be subject to our reacquisition at no cost to us.

Transferability. Unless otherwise determined by our Board of Directors or provided for in a written agreement evidencing an award, awards granted under the 2004 Plan will not be transferable other than by will or by the laws of descent and distribution.

Change of Control. In the event of a change of control, as defined in the 2004 Plan, other than dissolution, our Board of Directors may provide for the (1) assumption or continuation of any stock awards outstanding under the Plan, (2) issuance of substitute awards that will substantially preserve the terms of any awards, (3) cash payment in exchange for the cancellation of an award or (4) termination of an award upon the consummation of the change of control, but only if the participant has been permitted to exercise or redeem an option or stock appreciation right prior to the change of control. Furthermore, at any time our Board of Directors may provide for the acceleration of exercisability and/or vesting of an award. In the event of the dissolution of the Company, all outstanding awards will terminate immediately prior to dissolution.

Amendment or Termination. Our Board of Directors may amend, suspend, or terminate the 2004 Plan in any respect at any time, subject to shareholder approval, if such approval is required by applicable law of stock exchange rules. However, no amendment to the 2004 Plan may materially impair any of the rights of a participant under any awards previously granted, without his or her consent.

Term. Unless earlier terminated by the Board of Directors, the 2004 Plan will expire on October 28, 2014. No awards will be granted under the Plan after that date.

Share Price. On September 2, 2004, the closing price of our common shares on the New York Stock Exchange was \$11.94 per share.

Certain Federal Income Tax Consequences

We believe that, based on the laws as in effect on the date of this proxy statement, the following are the principal federal income tax consequences to participants and to us of options and other awards granted under the Plan. This summary is not a complete analysis of all potential tax consequences relevant to participants and to us and does not describe tax consequences based on particular circumstances. State, local, and foreign tax laws are not discussed.

Stock Options. When a nonstatutory stock option is granted, there are no income tax consequences for the option holder or us. When a nonstatutory stock option is exercised, in general, the option holder recognizes compensation equal to the excess of the fair market value of the underlying common stock on the date of exercise over the option price. We are entitled to a deduction equal to the compensation recognized by the option holder for our taxable year that ends with or within the taxable year in which the option holder recognized the compensation.

When an incentive stock option is granted, there are no income tax consequences for the option holder or us. When an incentive stock option is exercised, the option holder does not recognize income and we do not receive a deduction. The option holder, however, must treat the excess of the fair market value of the underlying common stock on the date of exercise over the option price as an item of adjustment for purposes of the alternative minimum tax.

If the option holder disposes of the underlying common stock after the option holder has held the common stock for at least two years after the incentive stock option was granted and one year after the incentive stock option was exercised, the amount the option holder receives upon the disposition over the exercise price is treated as long-term capital gain for the option holder. We are not entitled to a deduction. If the option holder makes a disqualifying disposition of the underlying common stock by disposing of the common stock before it has been held for at least two years after the date the incentive stock option was granted and one year after the date the incentive stock option was exercised, the option holder recognizes compensation income equal to the excess of (1) the fair market value of the underlying common stock on the date the incentive option was exercised or, if less, the amount received on the disposition over (2) the option price. We are entitled to a deduction equal to the compensation recognized by the option holder for our taxable year that ends with or within the taxable year in which the option holder recognized the compensation.

Stock Appreciation Rights and Phantom Stock Units. When a stock appreciation right or phantom stock unit is granted, there are no income tax consequences for the participant or us. When a phantom stock unit vests, generally the participant recognizes compensation equal to the cash and/or shares received, with the shares valued at fair market value as of the date of receipt. When a stock appreciation right is redeemed, in general, the participant recognizes compensation equal to the cash and/or the fair market value of the shares received upon redemption. We are

entitled to a deduction equal to the compensation recognized by the participant.

Stock Units and Restricted Stock. Generally, when a stock unit (whether as a restricted stock unit or performance share unit) or a share of restricted stock (whether as a restricted stock bonus, restricted stock

Table of Contents

purchase right or performance share bonus) is granted, there are no income tax consequences for the participant or us. Upon the payment to the participant of common shares in respect of stock units or the lapse of restrictions on restricted stock, the participant, generally, recognizes compensation equal to the fair market value of the shares as of the date of delivery or release. We are entitled to a deduction equal to the compensation recognized by the participant.

Limits on Deductions. Under Section 162(m) of the Internal Revenue Code, compensation paid to our chief executive officer and the four other most highly paid executive officers in a particular year is limited to \$1 million per person, except that compensation that is performance based will be excluded for purposes of calculating the amount of compensation subject to this \$1 million limitation. Our ability to deduct compensation paid to any other executive officer or employee is not affected by this provision.

2001 Share Option Plan

The 2001 Plan will continue in full force and effect, in the form previously approved by shareholders, until such time as there are no longer any shares available for issuance under the plan or until the expiration date of the plan in 2011. Other than the automatic grant of options to Eligible Directors upon their re-election at annual general meetings, which will be granted under the 2004 Plan, we will be able to award option grants under either the 2001 Plan or the 2004 Plan. Under the terms of the 2001 Plan a total of 100,000,000 common shares were reserved for issuance, and as at August 27, 2004, 9,223,756 shares were available for issuance under this plan. Common shares covered by share option grants made under the 2001 Plan that expire, are canceled or terminated will again be available for grant under the 2001 Plan.

New Plan Option Grants

Assuming that our shareholders approve the 2004 Plan, we expect to issue options under the Plan to each of our Eligible Directors following this Annual General Meeting. Assuming that each Eligible Director who is nominated for re-election at this Annual Meeting is re-elected, we will grant options to purchase 25,000 shares to each of Messrs. Bradley, Coulter, Davidson, Hutchins, Kiernan, Marquardt, Reyes and Thompson and Ms. Marshall, at fair market value on the date of grant. Mr. Zander will resign at the Annual General Meeting and will not be standing for re-election and, therefore, will not receive an option grant.

PROPOSAL 4 SPECIAL RESOLUTION ADOPTION OF SEAGATE TECHNOLOGY S

THIRD AMENDED AND RESTATED MEMORANDUM AND ARTICLES OF ASSOCIATION

Holders of common shares are being asked to consider and approve the adoption of the Third Amended and Restated Memorandum and Articles of Association of Seagate Technology (the Amended and Restated Articles), which is being proposed as a Special Resolution pursuant to Article 44.2 of Seagate Technology s current memorandum and articles of association. The Board of Directors has unanimously approved the Amended and Restated Articles and recommends adoption by our shareholders.

As part of its ongoing consideration of the interests of the holders of Seagate Technology s common shares and the appropriateness of the Cayman Islands as the company s jurisdiction of incorporation, the Board of Directors undertook a review of Seagate Technology s current memorandum and articles of association, to determine whether changes were appropriate in order to provide members of the company with increased shareholder protections and to more closely align the company s governing documents with those of other large publicly-traded companies. Particular attention was given to the Delaware General Corporation Law (the DGCL) (Delaware being the jurisdiction of incorporation of many publicly-traded U.S. companies) and to the provisions of the California Taxpayer and Shareholder Protection Act of 2003 (the CTSPA) (which requires companies to provide their shareholders with certain rights similar to those afforded to shareholders of U.S. companies if they want to do business with the state of California). As a result, the Board of Directors has deemed it advisable for Seagate Technology to amend its governing documents and is proposing that the Amended and Restated Articles reflect the following substantive changes from the memorandum and articles of association currently in effect:

- (1) provide that any record date for determining members of the company entitled to receive notice of and to vote at general meetings or to receive dividends be fixed not more than 60 days and not less than 10 days in advance;
- (2) require the company to hold an annual general meeting in each calendar year, with no more than one in four of such meetings to be held outside the United States;
- (3) provide that notices of general meetings shall be given to members not more than 60 and not less than 10 days prior to the meeting;
- (4) provide procedures by which members of the company may nominate directors to serve on the Board of Directors;
- (5) provide that the number of directors may from time to time be fixed by resolution of the Board of Directors, within the limits specified in the Amended and Restated Articles;
- (6) require any transaction to which the company is a party and in which a director or officer has a material interest to be approved by a majority of the disinterested directors;
- (7) provide explicitly that we will require our directors and officers to agree that they owe a fiduciary duty to both the company and its members as a whole;
- (8) require all members of committees of the Board of Directors to be directors of the company;
- (9) require that a majority of the directors constitute a quorum for meetings of the Board of Directors;

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

- (10) provide that each director shall serve for a term of one year, until the next annual general meeting;
- (11) provide members of the company and beneficial owners of the company's shares with the right to inspect the company's Register of Members and its books and records;
- (12) provide for indemnification of directors and officers more consistent with the provisions of the DGCL;
- (13) require any sale, lease or exchange of substantially all the company's assets to be approved by resolution of the company's members;
- (14) require the company to consent to the jurisdiction of the state courts of Delaware, the federal courts located in Delaware and the courts having appellate jurisdiction thereover for actions brought by or on behalf of members of the company or beneficial owners of the company's shares, or derivatively by members or beneficial owners on behalf of the company;

Table of Contents

- (15) require the company to maintain an agent for service of process in the state of Delaware and maintain assets or insurance of no less than \$50 million in the United States for the enforcement of judgments against it, in actions of the type set forth in item (14) above;
- (16) add provisions that make it easier for members of the company and beneficial owners of the company's shares to bring derivative actions against the company in the state of Delaware; and
- (17) eliminate the ability of directors to appoint alternates to act in their place.

In addition to the recommended changes described above, the Amended and Restated Articles will also include other revisions and additions that, while less substantive than the changes specified above, are expected to result in better internal procedures (and therefore better corporate governance) of the company, and will also include minor technical corrections (such as conforming defined terms and adding editorial clarifications) that will not involve any substantive changes.

The proposed Amended and Restated Articles will, however, retain the provision in the current and articles of association, that permits the Board of Directors to authorize, without shareholder approval, the issuance of preference shares in one or more series and to fix for each series the number of shares which constitute the series, the voting power of the shares, and the designations, preferences and rights of, and qualifications, limitations or restrictions on, the shares. The ability of the Board of Directors to issue preference shares may be beneficial to Seagate Technology because it could permit the company to raise capital through the sale of such shares.

The following table provides a summary comparison of the material changes between Seagate Technology's current memorandum and articles of association and the proposed Amended and Restated Articles:

<u>Subject</u>	<u>Existing Articles Provision</u>	<u>Proposed Articles Provision</u>
Record Dates	The Board of Directors may, either in advance or arrears, fix a record date for the purposes of determining the identity of the shareholders entitled to notice of, or vote at, a meeting of shareholders, or to receive dividends. If no record date is fixed for such determination, then the record date is the date on which notice of the meeting is mailed or the date on which the resolution of directors declaring such dividend is adopted, as applicable. (Articles 46-47)	These provisions would be amended to provide that the Board of Directors may fix a record date of not less than 10 nor more than 60 days prior to a meeting to determine members entitled to receive notice and vote at the meeting. Similar limitations would apply to the Board of Directors with respect to setting record dates for the determination of members entitled to receive dividends or for any other proper purpose. (Proposed Articles 46-47)
Annual General Meetings	The company will hold a general meeting as its annual general meeting, if required by the rules of the NYSE. (Article 48)	The amended provisions would conform to the requirements of Delaware law. The company would be required to hold an annual general meeting in each calendar year. (Proposed Article 48)
		This would comply with the requirements of Delaware law.

Number of Annual General Meetings to be held outside U.S. cannot exceed 1 in every 4 such meetings and the company will provide remote communication to all meetings held outside United States	General meetings of the company may be held at such place, either within or without the Cayman Islands, as determined by the Board of Directors. (Article 49)	Provisions would be added stating that, for as long as the company has shares registered with the SEC and is subject to the reporting requirements of the Exchange Act, no more than 1 in 4 annual general meetings will be held outside of the U.S. and that in the event any such meetings are held outside of the U.S., members will be provided with a means to access, and participate in, such meetings remotely. (Proposed Articles 49 and 50)
Notice of General Meeting	Notice of general meetings must be given not less than ten days before the meeting. (Article 50) There is no outer limit.	This provision would reflect the requirements of the CTSPA. This provision would be amended to require notice of any general meeting to be given not more than 60 days nor less than 10 days prior to a meeting. (Proposed Article 51)
Nomination of Directors	The current articles do not contain any provisions regarding shareholder nominations of directors.	This corresponds with the notice requirements of Delaware law. To correspond with the increasingly common practice of Delaware and other public companies, provisions containing specific procedures by which members may nominate directors would be added. Director nominations would be permitted to be made (a) pursuant to the notice of meeting, (b) by the Board of Directors or an authorized committee thereof or (c) by any member of the company who (i) is a member on the date the member gives notice of such nomination and on the record date for the determination of members entitled to vote at such meeting, and (ii) complies with the notice requirements set forth in the Articles. Members would only be permitted to nominate directors at annual general meetings or at general meetings called for the

The notice provisions would specify the information that the member must provide in connection with the nomination, which would be similar to that required to be provided under Rule 14a-8 of the Exchange Act for shareholder proposals. (Proposed Articles 65 and 66) To correspond with the common practice of Delaware and other public companies, this provision would be amended to specify that the number of directors would be as fixed by resolution of the Board of Directors, within the limits specified in the Articles. The lower limit of 1 and the upper limit of 15 directors, and the members' ability to change those limits will remain unaltered. (Proposed Article 78)
Directors' Interests	The approval of the Board of Directors is not expressly required for any contract, arrangement or transaction in which a director or officer has an interest. A director may vote in relation to any contract or transaction in which he is interested, provided that the nature of his interest in such contract or arrangement is disclosed to the Board of Directors prior to its consideration or vote thereon. There is no requirement for interested director transactions to be approved by the disinterested directors. (Articles 80-84)	These provisions would be amended to provide that transactions with the company in which a director or officer has an interest would not be void or voidable due to that interest provided that the material facts of the interest are disclosed to the Board of Directors and a majority of disinterested directors approve the transaction. A provision would also be added to require directors and officers to disclose the fact of their interest to the Board of Directors at the earliest opportunity. (Proposed Articles 83-88)
Agreement that directors and officers owe a fiduciary duty to the company and its shareholders	The current articles do not contain any provisions regarding the fiduciary duties of directors and officers (fiduciary duties of directors arise as a matter of Cayman Island common law).	These provisions would reflect the requirements of both Delaware law and the CTSPA. Provisions would be added stating that, in addition to whatever fiduciary duties they may owe as a matter of Cayman Islands law, the company will require its directors and officers to specifically agree

Board Committees	The Board of Directors may appoint committees and local boards, and may appoint any person, including non-directors, to be members of such committees or local boards. Committee proceedings are governed by the same provisions in the articles that regulate proceedings of the Board of Directors, so far as they are applicable. (Articles 95 and 96)	<p>that they owe a fiduciary duty to the company and its members as a whole and that in discharging their fiduciary duties, they will act in good faith in a manner that they believe to be in the best interests of the company and its members as a whole, in a manner consistent with the standards of care required by the courts of the Cayman Islands and the state of Delaware. (Proposed Articles 90 and 100)</p> <p>Under Cayman Islands law, there is no pre-existing direct fiduciary duty or good faith conduct requirement between directors and officers, on the one hand, the members of a company, on the other hand.</p> <p>These provisions would approximate the requirements of the CTSPA. The proposed amendments would require all committee members to be directors, and would also give committees a general power to sub-delegate their powers. Committee proceedings would continue to be governed by the same provisions that regulate proceedings of the Board of Directors, so far as they are applicable. The provisions regarding local boards would be removed, as they are no longer relevant to the company. (Proposed Article 95)</p>
Quorum for Board of Directors Meetings	The quorum at any Board of Directors meeting is two directors, unless otherwise fixed by the Board of Directors (Article 103).	<p>Delaware law requires all committee members to be directors and explicitly authorizes committees to sub-delegate their powers. Terms of Office of Directors	The current articles do not prescribe any particular term of office for directors (except for a director appointed to fill a casual vacancy) or require them to retire at each annual general meeting (although the company's practice has been for all the directors to seek re-election at each annual general meeting).	<p>Board of Directors. The quorum could never be less than 1/3 of the directors. (Proposed Article 104)</p> <p>These quorum requirements would reflect the Delaware law standards. A provision would be added that would require directors to hold office for one year, until the next annual general meeting (and until their successors are duly qualified or until their office is otherwise earlier vacated), unless determined otherwise by the members in general meeting. (Proposed Article 113)</p>
Inspection of Corporate Records	The current articles do not currently provide for shareholders to be able to inspect the company's Register of Members. The Board of Directors has the right to determine whether and to what extent the books and record of the company shall be open to inspection by the company's members. (Article 126)	<p>This would reflect the provisions of Delaware law that require directors to be elected annually (unless there is provision for a staggered board) and to serve until their successors are qualified or until their office is otherwise earlier vacated. A provision would be added that would provide members and beneficial owners with rights of inspection of (a) the company's Register of Members, (b) lists of the company's members and beneficial owners and (c) the books and records of the company and its subsidiaries, that are substantially similar to the rights of inspection available to shareholders of Delaware companies. The existing provision relating to inspection would be deleted. (Proposed Article 127)</p> <p>Under Cayman Islands law, the names and addresses of the members of an exempted company, such as Seagate Technology, are not a matter of public record and are not available for public inspection. Exemption and Indemnification of Officers and Directors	The current articles provide that the company will indemnify its directors and officers out of the assets of the company, to the fullest extent permitted by law, against all losses resulting from acts done or omitted to be done in connection with the execution of their duties as directors or officers, to the extent such indemnification is permitted by law, unless such losses are caused by their own willful neglect or default. No director or officer shall be liable for the acts or omissions of any other director or officer or for any loss or caused thereby or which may occur in the course of the execution of his duties, unless they were caused by the willful neglect or default of such director, officer or trustee. (Article 134 and 135)	members would be deemed to have consented to having the information in the Register of Members made publicly available for inspection in the manner set forth in the Amended and Restated Articles. The proposed Articles would contain exemption and indemnification provisions that are intended to more closely approximate the provisions of the DGCL. The exemption provision would exempt officers and directors from liability for any losses that arise in the performance of their duties, unless the liability results from (a) fraud or dishonesty, (b) a conscious, intentional, or willful breach of the duty to act honestly, lawfully and in good faith, or (c) claims to recover any improper gain. The indemnification provisions would provide that the company will indemnify directors, officers and certain others against losses resulting from acts done in their official capacity, unless the losses result from (a) fraud or dishonesty or (b) a conscious, intentional, or willful breach of the duty to act honestly, lawfully and in good faith. The company would not indemnify such persons for judgments, fines or settlements for which such person may become liable in a derivative action. Both the exemption and indemnification provisions are limited to the extent permitted by law. The indemnification provisions, unlike those in the current Articles, would also include provisions that clarify the procedures for obtaining indemnification and advance payment of related expenses. They would also state that these indemnification provisions are not exclusive of any other rights which

Consent to Jurisdiction	The current articles do not contain any provisions regarding consent to jurisdiction.	<p>This provision would reflect the Delaware law standard and also the requirements of the CTSPA.</p> <p>A provision would be added specifying that the company consents to the jurisdiction of the state courts of Delaware and the United States District Court for the District of Delaware and its associated appellate courts for any available causes of actions brought by any member or beneficial owner either with respect to his rights as a member or beneficial owner or in relation to claims brought by him derivatively on behalf of the company. A provision would be added stating that if the company were sued by a member or beneficial owner in Delaware, the company will provide to the court documentation that specifies with which of the three possible Enforcement Mechanisms the company has complied. Shareholders to be able to bring Derivative Actions	The current articles do not contain any provisions regarding the ability of shareholders to bring derivative actions.	This provision would reflect the requirements of the CTSPA. A provision would be added pursuant to which the company would agree specifically that when sued derivatively by a member or beneficial owner in the Delaware-based courts in which the company has consented to jurisdiction (see above), the plaintiff's claim, and standing to bring such claim, will be governed by the law of the forum, not the law of the Cayman Islands. This means that the company would waive the right to claim that Cayman Islands law should apply to the question of whether the plaintiff has the right to proceed in the action. This provision would only apply for as

Because a judgment obtained in a Delaware-based court by a member or beneficial owner in such derivative action may not be enforceable against the company in the Cayman Islands, the company has also agreed to maintain \$50m of assets in the United States, as described above, to facilitate enforcement of such judgments in the United States.</p>

The provisions authorizing alternate directors would be deleted, which reflects standard public company practice.</p>

THE BOARD OF DIRECTORS AND ITS COMMITTEES

Attendance at Meetings by Directors

The Board of Directors held seven meetings (including three special meetings) during our fiscal year ended on July 2, 2004, or fiscal year 2004. All of the directors who served during fiscal year 2004 attended at least 75% of the aggregate of all Board of Directors meetings and all meetings of the committees of the Board of Directors on which he served, held during fiscal year 2004, except for Mr. Bonderman who attended 67% of the aggregate of all Board of Directors, meetings and the meetings of the committees on which he served. The number of meetings held by each committee of the Board of Directors is set forth below, under the heading Committees of the Board of Directors.

Seagate Technology has no formal policy regarding attendance by our directors at our annual general meetings. Nine of our directors were present at the 2003 annual general meeting.

Controlled Company Status

By virtue of New SACs, and therefore our sponsor groups, ownership and control over more than 50% of our common shares and voting power, the Board of Directors has determined that Seagate Technology is a controlled company for the purposes of Section 303A of the New York Stock Exchange Listed Company Manual (the NYSE Rules). As a controlled company, Seagate Technology is exempt from the provisions of Section 303A that require it to have a board of directors comprised of a majority of independent directors and to maintain compensation and nominating committees comprised solely of independent directors, and it is making use of these exemptions. At such time when Seagate Technology ceases to be a controlled company, it will adhere to the applicable transition periods provided for by the NYSE Rules, in coming into full compliance with all of the requirements of Section 303A. Assuming the re-election of all of the nominees for director at the Annual General Meeting, the Board of Directors will have five members who have been determined by the Board of Directors to be independent under Section 303A.02 of the NYSE Rules. These directors are Messrs. Bradley, Kiernan, Reyes, Thompson and Ms. Marshall. The Board of Directors made this determination on the basis that none of these directors has any material relationship with Seagate Technology or any of its subsidiaries.

Committees of the Board of Directors

To assist the Board of Directors in fulfilling its oversight responsibilities, the Board of Directors maintains a standing Audit Committee, Compensation Committee, Nominating and Corporate Governance Committee and Strategic and Financial Transactions Committee. These committees are described in the following paragraphs.

Audit Committee

The Audit Committee consists of three of our independent directors as required by Sections 303A.06 and 303A.07 of the NYSE Rules, which will be effective for Seagate Technology as of October 28, 2004. These individuals are Messrs. Kiernan and Thompson and Ms. Marshall. The

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

Board of Directors has determined that each of these committee members is an independent director under Section 303A.02 of the NYSE Rules. In addition, each of these committee members meets the independence and experience requirements for membership of the audit committee under the existing rules of the New York Stock Exchange and Rule 10A-3(b)(1) promulgated by the Securities and Exchange Commission (the SEC) under the Securities and Exchange Act of 1934, as amended (the Exchange Act). Mr. Kiernan currently serves as the Chairman of the Audit Committee. The Board of Directors has determined that Mr. Kiernan is an audit committee financial expert as defined under the rules of the SEC.

Mr. Kiernan currently serves on the audit committees of three other public companies, in addition to serving on Seagate Technology's Audit Committee. The Board of Directors has determined that Mr. Kiernan's simultaneous service on these three other audit committees does not impair his ability to serve effectively on our Audit Committee.

Mr. Bradley served on the Audit Committee until he resigned from the committee effective as of April 29, 2004 and Ms. Marshall was named to the committee on the same date.

The Audit Committee held eight meetings during fiscal year 2004. The Audit Committee's duties and responsibilities are to, among other things:

provide assistance to the Board of Directors in fulfilling its responsibility to Seagate Technology's shareholders, potential shareholders and the investment community with respect to its oversight of:

the quality and integrity of Seagate Technology's financial statements;

Seagate Technology's compliance with legal and regulatory requirements;

the independent auditors' qualifications and independence; and

the performance of Seagate Technology's internal auditors and its independent auditors;

review with management and the independent auditors, our annual audited financial statements and our quarterly financial statements, including our disclosures regarding Management's Discussion and Analysis of Financial Condition and Results of Operation, and any earnings releases or earnings guidance;

retain and terminate our independent auditors and approve all audit engagement fees and terms; approve in advance any audit and any permissible non-audit engagement or relationship with our auditors; and set hiring policies related to employees or former employees of our auditors;

review with our independent auditors any audit problems or difficulties, any significant disagreement between management and the independent auditors and management's response to any issues raised by the independent auditors;

oversee the monitoring of our Code of Business Conduct and Ethics; and establish procedures for the receipt, retention and treatment of complaints regarding accounting, internal accounting controls or auditing matters, and for the confidential anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

prepare all reports that the rules of the SEC require to be included in Seagate Technology's annual proxy statements; and

review and evaluate, at least annually, the performance of the Audit Committee and its members, including the compliance of the Audit Committee with its charter.

The Audit Committee operates pursuant to a written charter adopted by the Board of Directors, which is available through our website at www.seagate.com.

Compensation Committee

Our Compensation Committee is comprised of three of our non-management directors. Messrs. Coulter, Davidson and Marquardt currently serve as the members of this committee with Mr. Davidson serving as its Chairman.

Mr. Bonderman served on the Compensation Committee until his resignation from the Board of Directors effective as of April 29, 2004. Mr. Coulter was named to the committee on the same date.

The Compensation Committee met four times during fiscal year 2004. The Compensation Committee is responsible for, among other things:

discharging the responsibilities of the Board of Directors relating to the compensation of our officers;

producing an annual report on executive compensation for inclusion in our annual proxy statement, in accordance with applicable rules and regulations;

reviewing and approving corporate goals and objectives relevant to the compensation of the Chief Executive Officer and other senior officers, annually evaluating the performance of these officers in light of those goals and objectives and setting the compensation of these officers based on their evaluation;

making recommendations to the Board of Directors with respect to benefit plans; and

reviewing and evaluating, at least annually, the performance of the Compensation Committee and its members, including the compliance of the Compensation Committee with its charter.

The Compensation Committee operates pursuant to a written charter adopted by the Board of Directors, which is available through our website at www.seagate.com.

The Report of the Compensation Committee on Executive Compensation can be found on page 31.

Special Executive Compensation Committee

Our Special Executive Compensation Committee was formed by the Board of Directors in September 2003 solely for the purpose of administering our Annual Incentive Bonus Plan (the Bonus Plan), the purpose of which is to motivate our senior executives and reward them for producing results that increase shareholder value, and to encourage individual and team behavior that helps us achieve both short- and long-term corporate objectives. This committee was comprised of two of our independent directors, Messrs. Kiernan and Thompson, each of whom was also an outside director for the purposes of Section 162(m) of the Internal Revenue Code. Mr. Thompson served as the Chairman of the committee. The Special Executive Compensation Committee met once during fiscal year 2004 and was disbanded on August 5, 2004. The Special Compensation Committee was responsible for selecting eligible executives, including our Chief Executive Officer, to participate in the plan and to establish objectively determinable performance targets, based on one or more of the criteria specified in the Bonus Plan, for such individuals for each fiscal year. The duties of the Special Executive Compensation Committee have been assumed by the Compensation Committee.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is comprised of three of our non-management directors. Messrs. Bradley, Coulter and Hutchins currently serve as the members of this committee, with Mr. Hutchins serving as its Chairman.

Mr. Marquardt resigned from the Nominating and Corporate Governance Committee effective as of April 29, 2004 and Mr. Bradley was named to the committee on the same date.

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

The Nominating and Corporate Governance Committee met three times during fiscal year 2004. The Nominating and Corporate Governance Committee is responsible for, among other things:

identifying individuals who are qualified to become members of the Board of Directors and selecting, or recommending that the Board of Directors select, the candidates for directorships;

reviewing and making recommendations to the Board of Directors with respect to any shareholder proposal that relates to corporate governance, including director nomination by a shareholders;

recommending to the Board of Directors a set of corporate governance principles applicable to the company and overseeing the implementation of those principles;

establishing the criteria for selecting new directors;

Table of Contents

overseeing the evaluation of the members of the Board of Directors and senior members of our management;

overseeing the continuity planning for the senior members of the company's management; and

reviewing and evaluating, at least annually, the performance of the Nominating and Corporate Governance Committee and its members, including the compliance of the Nominating Corporate Governance Committee with its charter.

The Nominating and Corporate Governance Committee has not established any specific, minimum qualification standards for nominees to the Board of Directors. From time to time, the Nominating and Corporate Governance Committee may identify certain skills or attributes as being particularly desirable for specific director nominees. These skills or attributes may include, but are not limited to, strength of character, mature judgment, industry knowledge, business sophistication, career experience, relevant technical skills, financial expertise, diversity, ability to work collegially with others and the extent to which the candidate would fill a present need on the Board of Directors.

The Nominating and Corporate Governance Committee's process for identifying and evaluating nominees for directors includes, but is not limited to, the following:

collection of a list of potential candidates (i) based on recommendations or referrals from directors, officers, shareholders or third parties or (ii) through the engagement of a search firm;

communications with members of the Board of Directors and management to identify possible nominees;

evaluation of (i) potential conflicts, including financial relationships, and (ii) whether the candidate would be a special interest or single issue director to an extent that would impair such director's ability to represent the interests of all shareholders;

committee meetings to narrow the list of potential candidates;

interviews with a select group of candidates; and

selection of a candidate most likely to advance the best interests of Seagate Technology and its shareholders.

Ms. Marshall and Mr. Reyes, two of our director nominees, are being considered for the first time by our shareholders for appointment at the Annual General Meeting. We generally use a third-party search firm to assist in identifying potential board candidates and in assessing and evaluating candidates and we retained such a firm to assist us with the new directors we sought this year. However, Ms. Marshall was identified as a potential board candidate by Mr. Hutchins, the Chairman of our Nominating and Corporate Governance Committee, and Mr. Reyes was identified by Mr. Marquardt, one of our non-management directors. As is our practice, each candidate met with members of the Nominating and Corporate Governance Committee, other members of the Board of Directors and members of our management team, prior to the recommendation of the Nominating and Corporate Governance Committee to the Board of Directors that they be appointed as directors. A final consideration of each candidate was then conducted by the entire Board of Directors.

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

Based on its annual evaluation of the performance of the current directors in fiscal year 2004, the Nominating and Corporate Governance Committee determined to recommend each of the nominees for director named in Proposal 1 for re-election at the Annual General Meeting.

The Nominating and Corporate Governance Committee has not specifically adopted a policy regarding the consideration of shareholder nominees for directors, but its general policy is to welcome and consider any such recommendations. If you would like to recommend a nominee for membership of the Board of Directors for consideration by this committee, you can submit a written recommendation with the name and other pertinent

information of the nominee to: Chairman, Nominating and Corporate Governance Committee, Seagate Technology, 920 Disc Drive, Scotts Valley, California 95066, Attention: William L. Hudson, General Counsel. If Proposal 4 is approved, the formal procedures by which shareholders may nominate directors that are included in the proposed Third Amended and Restated Memorandum and Articles of Association will become effective. These procedures are summarized on page 51 under the heading Submission of Future Shareholder Proposals and Nominations. Shareholder nominations that comply with these procedures will receive the same consideration, and will be evaluated in the same manner as, candidates from all other sources. The Nominating and Corporate Governance Committee has not received any nominations from shareholders for this Annual General Meeting.

The Nominating Committee operates pursuant to a written charter adopted by the Board of Directors, which is available through our website at www.seagate.com.

Strategic and Financial Transactions Committee

Our Strategic and Financial Transactions Committee is comprised of four of our directors. Messrs. Coulter, Hutchins, Luczo and Marquardt currently serve as the members of this committee, with Mr. Hutchins serving as its Chairman.

The Strategic and Financial Transactions Committee met three times during fiscal year 2004. The Strategic and Financial Transactions Committee is responsible for, among other things:

reviewing potential strategic and financial transactions that we may have the opportunity to participate in from time to time;

reporting regularly to the Board of Directors with respect to those transactions reviewed by the committee; and

reviewing and evaluating, at least annually, the performance of the Strategic and Financial Transactions Committee and its members, including the compliance of the Strategic and Financial Transactions Committee with its charter.

Executive Sessions of the Non-Management Directors

Our non-management directors meet without management present each time the full Board of Directors convenes for a regularly scheduled meeting. If the Board of Directors convenes a special meeting, the non-management directors will meet in executive session if circumstances warrant. Pursuant to the provisions of the charter of the Nominating and Corporate Governance Committee adopted by the Board of Directors, the presiding director at the executive sessions is the Chairman of the Nominating and Corporate Governance Committee, currently Mr. Hutchins. At least one executive session per year will include only the independent non-management directors and the presiding director at such sessions, if not the Chairman of the Nominating and Corporate Governance Committee, shall be elected by the directors at such sessions.

Shareholder Communications with the Board of Directors

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

The Annual General Meeting of Shareholders provides an opportunity each year for the shareholders to ask questions of, or otherwise communicate directly with, members of the Board of Directors on matters relevant to Seagate Technology.

Shareholders may, at any time, also communicate in writing with the presiding director of the executive sessions of the non-management directors by sending such written communication to the following address: Non-Management Directors of Seagate Technology, c/o Seagate Technology, 920 Disc Drive, Scotts Valley, California 95066, Attention: Chairman, Nominating and Corporate Governance Committee. The presiding non-management director may, however, choose to disregard communications that are considered to be improper.

REPORT OF THE AUDIT COMMITTEE

Seagate Technology's management is responsible for preparing and presenting Seagate Technology's financial statements, and Seagate Technology's independent accountants, Ernst & Young LLP, are responsible for performing an independent audit of these financial statements in accordance with the standards of the Public Company Accounting Oversight Board. One of the Audit Committee responsibilities is to monitor and oversee these processes. In connection with the preparation of the financial statements as of and for the fiscal year ended July 2, 2004, the Audit Committee performed the following tasks:

(1) reviewed and discussed the audited financial statements for fiscal year 2004 with management and with Ernst & Young LLP;

(2) discussed with Ernst & Young LLP the matters required to be discussed by Statement on Auditing Standards No. 61 - Communication with Audit Committees, including Ernst & Young LLP's judgment about the quality, in addition to the acceptability, of Seagate's accounting principles and underlying estimates in its financial statements; and

(3) received the written disclosures and the letter from Ernst & Young LLP required by Independence Standards Board Standard No. 1 - Independence Discussions with Audit Committees, and discussed with the independent accountants their independence from management and from Seagate Technology.

Based upon these reviews and discussions, the Audit Committee recommended, and the Board of Directors approved, that Seagate Technology's audited financial statements be included in Seagate Technology's Annual Report on Form 10-K for the fiscal year ended July 2, 2004 for filing with the SEC.

Respectfully submitted,

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

In fiscal year 2004, 100% of all fees paid to Ernst & Young LLP by Seagate Technology were pre-approved by the Audit Committee. In fiscal year 2003, 100% of the audit fees, 39.5% (or approximately \$0.154 million) of the audit-related fees, and 12.9% (or approximately \$0.342 million) of the tax fees were pre-approved by the Audit Committee. No fees included in the caption "All Other Fees" were pre-approved by the Audit Committee for fiscal year 2003. As required by SEC rules, subject to certain permitted de minimis criteria, all professional services provided to Seagate Technology by Ernst & Young LLP during fiscal year 2003 on or after May 6, 2003 were pre-approved by the Audit Committee.

In making its decision to appoint Ernst & Young LLP as Seagate Technology's independent auditors for the fiscal year ending July 1, 2005, the Audit Committee considered whether the services (other than audit and audit-related services) provided by Ernst & Young LLP are compatible with maintaining the independence of Ernst & Young LLP from the company. The Audit Committee determined that the provision of these services by Ernst & Young LLP is compatible with maintaining that independence.

Pre-Approval of Services by Independent Auditors

The Audit Committee charter requires the committee to pre-approve any audit or permitted non-audit services to be provided to Seagate Technology by its independent auditor, Ernst & Young LLP, in advance of such services being provided to the company.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors reviews and approves the remuneration for the executive officers of Seagate Technology. The following is the report of the Compensation Committee describing the remuneration policies applicable to Seagate Technology's executive officers, including our Chief Executive Officer, and the decisions made by the Compensation Committee with respect to the remuneration paid to our executive officers for the fiscal year ended July 2, 2004.

Basis for Executive Compensation

Seagate Technology's executive remuneration is designed (i) to provide competitive levels of overall remuneration in order to attract and retain high performing qualified executives, (ii) to motivate executive officers to achieve the company's business objectives, (iii) to reward executive officers for their achievements on behalf of the company, and (iv) to align executive remuneration with long-term increases in shareholder value. To support these goals, the Compensation Committee and the Board of Directors have established an executive remuneration program primarily consisting of three integrated components: base salary; performance-based awards; and stock options. The Compensation Committee's decisions concerning the specific compensation elements for individual executive officers, including the Chief Executive Officer, for the fiscal year ended July 2, 2004 were made within this framework.

Base Salary. Base salary is paid for ongoing performance throughout the year. The base salary component of each executive's total remuneration, including the base salary of our CEO, is designed to be competitive and fall within approximately the 75th percentile for similar companies in terms of industry group, technology, complexity and company size based on revenue.

The Compensation Committee, on behalf of the Board of Directors, exercises its discretion in determining individual salary amounts for executive officers and does not apply any specific formula. The Compensation Committee relies on extensive competitive analyses, including three published national pay surveys and proxy statement pay comparisons for similar companies in the comparative category as described above. Several of the companies on which the Compensation Committee focused as comparisons for this purpose are also companies that are included in the Dow Jones US Computers Index, which index is used in the Performance Graph included in this proxy statement. Generally, our executive officers' salaries, including the Chief Executive Officer's, are reviewed on an annual basis; however, salary action is taken only when indicated by market data or individual performance.

Performance-Based Awards. All of our executive officers, including the Chief Executive Officer, participate in Seagate Technology's Annual Incentive Bonus Plan (the "Cash Bonus Plan"). Awards under the Cash Bonus Plan are intended to reflect the Compensation Committee's belief that a significant portion of the annual remuneration of each executive officer should be contingent upon the financial performance and the achievement of key goals of Seagate Technology, as well as the individual contribution of each executive officer. The objective in granting awards under the Cash Bonus Plan is to create a performance-based means of compensation that, when combined with their base salaries, will provide executive officers with total annual remuneration in the upper quartile of the competitive market if the specified performance goals are met or exceeded.

The Cash Bonus Plan is funded based on the achievement by Seagate Technology of certain financial goals. If the financial goals of the company are met or exceeded, individual executive officers may receive payments under the Cash Bonus Plan, determined by comparing the company's performance against pre-determined financial goals, and assessing whether each executive has attained his or her pre-determined individual goals. However, the Board of Directors, or its authorized committee, retains the authority under the Cash Bonus Plan to pay a different cash bonus than the amount calculated solely by comparing the company's and the individual executive's performance to the

pre-determined goals.

Table of Contents

The Special Executive Compensation Committee was appointed by the Board of Directors to administer the Cash Bonus Plan for the fiscal year ended July 2, 2004, in order to satisfy the requirement under Section 162(m) of the Code that certain compensation decisions be made by a committee of two or more outside directors, as that term is defined in the Code and the rules and regulations promulgated thereunder. The Special Executive Compensation Committee was comprised of Messrs. Kiernan and Thompson, with Mr. Thompson serving as its Chairman. The Special Executive Compensation Committee was disbanded on August 5, 2004 and its duties were assumed by the Compensation Committee.

For the fiscal year ended July 2, 2004, the sole criterion established by the Special Executive Compensation Committee to determine the funding of the Cash Bonus Plan was the achievement by Seagate Technology of a level of earnings before income taxes, depreciation and amortization (EBITDA) established by the Special Executive Compensation Committee. The Special Executive Compensation Committee established no other company performance goals for the purposes of funding the Cash Bonus Plan. Although in fiscal year 2004, Seagate Technology's actual EBITDA met the pre-determined threshold, management recommended to the Board of Directors that the Cash Bonus Plan be suspended and that no awards be made under the plan for fiscal year 2004, due to the company's performance during fiscal year 2004. Consequently no awards were paid under the Cash Bonus Plan for fiscal year 2004.

Stock Options. The Compensation Committee believes that the grant of stock options to executive officers creates a direct link between executive remuneration and long-term increases in shareholder value. The Compensation Committee believes that stock option grants provide incentives that focus the executive officers' attention on managing Seagate Technology from the perspective of an owner with an equity stake in the business. Options are subject to periodic vesting provisions to encourage executive officers to remain employed with the company. The Compensation Committee has established option grant guidelines to be used to determine the size and timing of the option grants for executive officers other than the Chief Executive Officer. Awards for the Chief Executive Officer are made at the discretion of the Board of Directors and the Compensation Committee. The guidelines take into account option grant values for similar positions at comparison companies. In addition to the guidelines, and in the case of awards to the Chief Executive Officer, the Compensation Committee considers the executive's contributions to the company's success, past option grant history, the number of unvested options held by the executive, the Compensation Committee's judgment with respect to the individual's impact on shareholder value and the need for a retention incentive. Stock options are granted only when the Compensation Committee determines they are warranted.

Basis for Chief Executive Officer Compensation

The compensation package for our Chief Executive Officer in the fiscal year ended July 2, 2004 included only his base salary. Consistent with the practice of the preceding year, and with Mr. Luczo's support and concurrence, the Compensation Committee decided not to award Mr. Luczo an option grant during fiscal year 2004, due to Mr. Luczo's substantial ownership of the stock of Seagate Technology and its affiliates and the limited remaining reserve of the 2001 Share Option Plan. The actual compensation paid to Mr. Luczo is described in the section of this proxy statement entitled "Compensation of Executive Officers". The Compensation Committee considers the total remuneration provided to the Chief Executive Officer in fiscal year 2004 appropriate, based on his role in leading Seagate Technology in an extremely challenging global economic environment, in further establishing the company's position as a leader in the industry and developing and retaining a high performing and cohesive management team, and in strengthening the company's customer relationships. As previously announced on April 29, 2004, Mr. Luczo resigned as our Chief Executive Officer effective July 2, 2004, and Mr. Watkins was appointed as our new Chief Executive Officer effective July 3, 2004.

Impact of Section 162(m) of the Internal Revenue Code

The Compensation Committee has considered the potential impact of Section 162(m) of the Code on the compensation paid to the Company's executive officers. Section 162(m) disallows a tax deduction for any publicly held corporation or its subsidiaries for individual compensation

exceeding \$1 million in any taxable year

Table of Contents

for any of the named executive officers, including the Chief Executive Officer, unless compensation is considered performance-based. In general, it is Seagate Technology's policy to qualify its executives' compensation for deductibility under applicable tax laws. Seagate Technology's then existing executive remuneration plans and its 2001 Share Option Plan were approved by the shareholders of the company prior to its initial public offering in December 2002. In addition, the Cash Bonus Plan was approved by shareholders at the 2003 annual general meeting of shareholders of the company and for the fiscal year ended July 2, 2004, that plan was administered by the Special Executive Compensation Committee in order not to disqualify any portion of any payments made under the Cash Bonus Plan with respect to that fiscal year from deductibility under federal income tax law. Pursuant to certain reliance period exceptions granted under the Section 162(m) regulations for executive remuneration plans that existed during the period in which the company was not publicly held, Seagate Technology believes that the Section 162(m) disallowance provisions are generally not applicable to corporate tax deductions claimed for compensation paid pursuant to such plans or otherwise, except for options granted after October 27, 2004 to executive officers under the 2001 Share Option Plan.

In approving the amount and form of compensation for the company's executive officers, the Compensation Committee will continue to consider all elements of the cost to Seagate Technology of providing such compensation, including the potential impact of Section 162(m).

The amounts listed in this column represent the dollar value of any restricted ordinary shares of New SAC and any restricted preferred shares of New SAC awarded to the named executive officers in each fiscal year presented. These values were calculated by multiplying the fair market value, as determined by the board of directors of New SAC, of an ordinary or preferred share of New SAC, in each case as of the date of the award, by the number of shares of that class awarded to the named executive officers. New SAC's board of directors determined the fair market values to be approximately \$11.39 per ordinary share and approximately \$45.36 per preferred share as of the date of the award. This determination was based on New SAC's board of directors' best estimate as to the amount of consideration that would be paid by a willing buyer to a willing seller for an ordinary or preferred share if neither party was acting under compulsion and both parties had reasonable knowledge of the relevant facts. The valuation of New SAC's ordinary and preferred shares at any given date is dependent on numerous factors such as operating conditions, management expertise and other factors both internal and external to New SAC as of the date of valuation. All of New SAC's preferred shares were redeemed by New SAC in March 2003.

- (2) As of July 2, 2004, the named executive officers held unvested, restricted ordinary shares of New SAC, as follows: (a) Mr. Luczo held 9,750 shares (including shares transferred by him for estate planning purposes)

Table of Contents

having an aggregate value of \$2,944,500; (b) Mr. Watkins held 7,552 shares (including shares transferred by him for estate planning purposes) having an aggregate value of \$2,280,704; (c) Mr. Pope held 4,948 shares (including shares transferred by him for estate planning purposes) having an aggregate value of \$1,494,296; (d) Mr. Wickersham held 1,075 shares having an aggregate value of \$324,650; and (e) Mr. Dexheimer held 1,075 shares (including shares transferred by him for estate planning purposes) having an aggregate value of \$324,650. In each case, the aggregate value of these restricted shares as at July 2, 2004 was calculated based on the fair market value of the ordinary shares of New SAC on July 2, 2004, which New SAC determined was approximately \$302 per ordinary share. As holders of restricted ordinary shares, Messrs. Luczo, Watkins, Pope, Wickersham and Dexheimer will receive the same distributions as other holders of New SAC ordinary shares, when, if and as declared by New SAC's board of directors.

Table of Contents

the fair market value is equal to the mean of the high and low selling prices of one of our common shares as reported on the date of determination on the New York Stock Exchange.

- (3) Potential gains are net of exercise price but before taxes associated with exercise. These amounts represent certain assumed rates for appreciation only, based on SEC rules, and do not represent Seagate Technology's estimate or projection of the price of Seagate Technology's common shares in the future. Actual gains, if any, on stock option exercises depend upon the actual future performance of the common shares and the continued employment of the option holders throughout the vesting period. Accordingly, the potential realizable values set forth in this table may not be achieved.

Employment Agreements and Other Agreements

2001 Employment Agreements. Each of Messrs. Watkins, Pope, Wickersham, Dexheimer and a number of other senior executives is party to an employment agreement with our indirect subsidiary, Seagate Technology (US) Holdings, Inc., entered into in February 2001 (the "2001 Employment Agreements"). continued payment of base salary and target bonus; and

continued participation in our health, dental and life insurance programs,

for a specified period following the termination of his employment. Messrs. Watkins, Pope, Wickersham and Dexheimer will receive these severance benefits for one year following the termination of their employment.

Under the 2001 Employment Agreements, the executives are subject to customary confidentiality, nondisclosure, noncompete and nonsolicitation covenants during the term of employment and for the period in which the executive would receive severance in the event that the executive's employment is terminated.

However, as a result of Mr. Luczo's resignation as our Chief Executive Officer, Seagate Technology (US) Holdings, Inc. has entered into an amended and restated employment agreement with Mr. Luczo dated as of July 3, 2004, which supersedes his previous employment agreement. Pursuant to his amended and restated employment agreement, Mr. Luczo is employed by us on an at will basis, and will receive an annual salary of \$1. His employment may be terminated, or he may choose to leave, at any time and for any reason. Mr. Luczo is also entitled to participate in certain of our health and life insurance programs. Mr. Luczo is also subject to customary confidentiality, nondisclosure, noncompete and nonsolicitation covenants during the time he is employed by us and for a period of two years following the termination of his employment. Restricted Share Agreements and Share Option Agreements. Each of Messrs. Luczo, Watkins, Pope, Wickersham, Dexheimer and a number of other senior executives are party to Restricted Share Agreements with our controlling shareholder New SAC, and to Share Option Agreements with us. Under the terms of these agreements, in the event that an executive's employment is terminated by us without cause or by the executive with good reason, as such terms are defined in the agreements, any unvested restricted shares of New SAC and any unvested options to acquire our shares will immediately vest in full and, in the case of options, become fully exercisable.

As of July 2, 2004, these management retention agreements provide that if the executive's employment is terminated by us without cause or by the executive with good reason in connection with a change of control transaction, and if, as a result of such termination, severance benefits provided to the executive are subject to excise tax, Messrs. Plans Not Approved by Shareholders:			
Total	62,853,998	\$6.47 per share	24,034,444

(1) This number includes 60,369,893 common shares that were subject to issuance upon the exercise of stock options granted under our 2001 Share Option Plan, and 2,484,105 common shares that were purchased under our Employee Stock Purchase Plan (the ESPP) on July 30, 2004, the purchase date for the purchase period that was in progress as of July 2, 2004. A maximum of 2,500,000 common shares were available for purchase under our ESPP in that purchase period.

(2) This value is calculated based only on the exercise price of options outstanding under the 2001 Share Option Plan. The exercise price for the rights awarded under the ESPP in the purchase period in progress on July 2, 2004 could not be determined as of July 2, 2004. On July 30, 2004, the purchase date for that purchase period, the weighted average exercise price for the common shares issued upon the exercise of outstanding rights pursuant to the ESPP was \$9.75 per share.

(3) This number includes 9,014,310 common shares available for future issuance under our 2001 Share Option Plan and at least 15,020,134 common shares available for issuance under our ESPP. As described in Proposal 2, the Board of Directors is proposing that shareholders approve the Seagate Technology 2004 Stock Compensation Plan. If Proposal 2 is approved by shareholders, the 2004 Stock Compensation Plan will become effective and 27,500,000 of our common shares will be available for future issuance under that plan, in addition to those shares available for future issuance under the 2001 Share Option Plan. In this event, a total of 51,534,444 of our common shares will be available for issuance under our equity compensation plans. In addition, the ESPP provides for automatic annual increases in the number of common shares reserved for issuance under the ESPP at the start of each of our fiscal years equal to the lesser of (1) 2,500,000 shares, (2) one half of one percent (0.5%) of the shares outstanding on the last day of the immediately preceding fiscal year, or (3) a lesser amount as determined by the Board of Directors.

Table of Contents**PERFORMANCE GRAPH**

The performance graph below shows the cumulative total shareholder return on our common shares for the period starting on December 11, 2002, which was the initial trading date of the common shares, to July 2, 2004. This is compared with the cumulative total return of the Dow Jones US Computers Index and the Standard & Poor's 500 Stock Index over the same period. The graph assumes that on December 11, 2002, \$100 was invested in our common shares and \$100 was invested in each of the other two indices, with dividends reinvested on the date of payment without payment of any commissions. Dollar amounts in the graph are rounded to the nearest whole dollar. The performance shown in the graph represents past performance and should not be considered an indication of future performance.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

New SAC Shareholders Agreement

We are the successor to the rigid disc drive and storage area networks divisions of Seagate Delaware, which were acquired in a series of transactions by our controlling shareholder, New SAC, in November 2000. We refer to these transactions as the November 2000 transactions .

As of the date of the closing of the November 2000 transactions, our controlling shareholder, New SAC, entered into a shareholders agreement with our sponsor group and specified members of our management (the management group), which results in the sponsors and the management group acting as a group with respect to all matters submitted to our shareholders. The New SAC shareholders agreement will terminate in the event that 50% or more of New SAC 's shares are sold or distributed to the public or are actively traded on a national securities exchange.

Corporate Governance. New SAC 's board of directors consists of nine members, three of whom are designated by Silver Lake Partners, two of whom are designated by Texas Pacific Group, one of whom is an executive officer of New SAC whose appointment is reasonably acceptable to a majority of the directors, one of whom is an independent director proposed by Silver Lake Partners, approved by Texas Pacific Group and reasonably acceptable to a majority of the directors, one of whom is the chief executive officer of New SAC and one of whom is a director elected pursuant to the provisions of New SAC 's governing documents. There is currently one vacancy on New SAC 's board of directors. The consent of at least seven members of New SAC 's board of directors is required before New SAC may voluntarily commence a bankruptcy proceeding, enter into a material business combination, sell a material amount of assets, enter into a material transaction with a member of our sponsor group or any of its affiliates, authorize, issue or sell equity securities or options or warrants to purchase equity securities, pay dividends or redeem equity securities or amend its memorandum and articles of association. Accordingly, our ability to engage in some transactions requiring shareholder approval will effectively be limited without the consent of specified members of our sponsor group. In addition, the consent of eight directors is required to increase or decrease the size of New SAC 's board, and the consent of seven directors is required for the exercise of the drag-along rights described below, and the consent of at least five directors, with no management directors participating, is required to terminate the chief executive officer of New SAC or appoint a replacement for that position.

Preemptive Rights. The parties to the New SAC shareholders agreement have preemptive rights allowing them to acquire for cash, in proportion to their respective shareholdings in New SAC, additional securities proposed to be issued and sold by New SAC, excluding shares issued upon the exercise of outstanding options granted under employee benefit plans or similar arrangements. If a shareholder fails to exercise its preemptive rights, New SAC has the right to sell these additional securities.

Transfer Restrictions; Tag-Along Rights; Drag-Along Rights. No party to the New SAC shareholders agreement was permitted to sell, transfer or otherwise dispose of any of New SAC 's shares until the earlier of November 22, 2003 or 180 days after an initial public offering of New SAC, without the prior consent of both Silver Lake Partners and Texas Pacific Group, subject to customary exceptions. Since November 22, 2003, each shareholder party to the agreement has a right of first offer to acquire any New SAC shares that another shareholder party to the New SAC shareholders agreement proposes to sell or otherwise transfer, and any third-party buyer will be subject to approval of New SAC 's board of directors, excluding those directors affiliated with the transferring shareholder. In addition, each shareholder party to the New SAC shareholders agreement and each member of the management group has customary tag-along rights, which are the rights to include its shares, on the same terms and conditions, in any sale by a shareholder party to the agreement to a third party, on a proportional basis based on relative ownership levels at that time. Since November 22, 2003, any shareholders party to the New SAC shareholders agreement holding a majority of the outstanding shares of New SAC also have drag-along rights, meaning that if such shareholder or shareholders receive an offer from a third party to

Table of Contents

purchase a majority of New SAC's outstanding shares or enter into a business combination, such shareholder or shareholders will have the right to cause New SAC's other shareholders to join in the sale or business combination on the same terms and conditions.

Registration Rights. Subject to specified limitations, New SAC agreed in the New SAC shareholders agreement to include its shares owned by the shareholders party to the New SAC shareholders agreement, on a proportional basis, in any public offering, other than the initial public offering of its shares, by granting all shareholders party to the agreement unlimited piggyback registration rights, shareholders holding at least 20% of New SAC's outstanding shares three demand registrations, and any single shareholder holding at least 10% of New SAC's outstanding shares one demand registration right with respect to that shareholder. In addition, subject to certain conditions, all shareholders party to the New SAC shareholders agreement have an unlimited number of registration rights on Form S-3. New SAC has agreed to pay all registration expenses relating to these registrations and to indemnify the selling shareholders.

Distribution Upon Initial Public Offering of Certain Subsidiaries; New Shareholders Agreement. At any time 190 days after the initial public offering of the shares of designated subsidiaries of New SAC, excluding us, Silver Lake Partners or Texas Pacific Group, or both, can require that New SAC distribute to its shareholders who are parties to the New SAC shareholders agreement the remaining shares of the newly public subsidiary held by New SAC. Under the terms of the New SAC shareholders agreement, upon the distribution of a newly public subsidiary's shares pursuant to this provision, the newly public subsidiary is required to enter into a new agreement with the shareholders of New SAC who are parties to the New SAC shareholders agreement, on substantially the same terms as the New SAC shareholders agreement. Although this provision would have allowed Silver Lake Partners or Texas Pacific Group, or both, to cause a distribution of our common shares held by New SAC at any time after June 21, 2003, in connection with our initial public offering, Silver Lake Partners and Texas Pacific Group agreed not to exercise this right in the future. Instead, members of our sponsor group have entered into a new agreement, the material terms of which are summarized below. See Seagate Technology Shareholders Agreement.

Seagate Technology Shareholders Agreement

The Seagate Technology Shareholders Agreement, to which New SAC, members of our sponsor group and certain members of our management, among others, are party, became effective upon the closing of our initial public offering on December 13, 2002 and was amended on April 23, 2004 and September 2, 2004. The principal terms of this agreement are summarized below. Except as discussed below, this agreement, as amended, will terminate on the date on which New SAC owns 50% or less of our issued and outstanding shares.

Corporate Governance. The Seagate Technology Shareholders Agreement gives Silver Lake Partners the right to designate two of our directors and Texas Pacific Group the right to designate one of our directors. The remaining directors must be nominated by our Nominating and Corporate Governance Committee and approved by a majority of the directors present at a duly convened meeting of the Board of Directors or by the unanimous written consent of the directors. The consent of at least seven members of our Board of Directors will be required before we may voluntarily commence a bankruptcy proceeding, enter into a business combination with any entity with consolidated assets that exceed 15% of our consolidated assets, sell assets in excess of 15% of our consolidated assets, authorize, issue or sell our equity securities or options or warrants to purchase our equity securities in excess of 15% of our outstanding shares, pay dividends in excess of 15% of our net income in the prior fiscal year (provided that such consent is not required to declare and pay our regular quarterly dividend of up to \$0.06 per share), redeem equity securities in excess of 5% of our shareholders' equity or amend our memorandum and articles of association. Accordingly, members of our sponsor group, acting together, may limit our ability to engage in transactions requiring shareholder approval or the approval of our Board of Directors. In addition, the consent of at least ten directors is required to increase or decrease the size of our Board of Directors, and the consent of at least seven directors, other than the Chief Executive Officer and the other management director participating, is required to terminate our Chief Executive Officer or appoint a replacement for that position. Notwithstanding these provisions, the parties to the Seagate Technology Shareholders Agreement have

Table of Contents

agreed that the composition and operation of our Board of Directors will be revised as necessary to permit us to comply with applicable law and the rules of the New York Stock Exchange. The provisions relating to the composition and operation of our Board of Directors will terminate on the date on which New SAC owns 50% or less of our issued and outstanding shares.

Transfer Restrictions; Tag-Along Rights. Prior to June 14, 2004, New SAC was not permitted to transfer any of our shares without the prior consent of Silver Lake Partners, Texas Pacific Group and our Chief Executive Officer. In addition, without the consent of Silver Lake Partners and Texas Pacific Group, prior to June 14, 2004 none of Stephen J. Luczo, our Chairman and former Chief Executive Officer, William D. Watkins, our President and Chief Executive Officer, or Charles C. Pope, our Chief Financial Officer could transfer any of our shares that they acquire through the exercise of employee stock options (other than the same day sales of such number of shares which generates net sales proceeds equal to the exercise price and tax obligations generated by such exercise). Between June 14, 2004 and December 14, 2006, New SAC will distribute all or part of our shares held by New SAC to the New SAC shareholders upon the request of either Silver Lake Partners or Texas Pacific Group. After December 14, 2006, any member of our sponsor group may request that New SAC distribute all of our shares that it continues to hold, if any, to New SAC's shareholders. In no event will New SAC make more than one distribution in any three-month period. Each of Silver Lake Partners, Texas Pacific Group, August Capital and Integral Capital Partners have customary tag-along rights with respect to any transfer by Silver Lake Partners, Texas Pacific Group or August Capital of shares representing 3% of our outstanding common shares.

Registration Rights. Subject to specified limitations, we have agreed to include any of our common shares owned by New SAC or any shareholder of New SAC, on a proportional basis, in any public offering of our common shares that takes place after June 12, 2003, by granting these persons unlimited piggyback registration rights, granting New SAC six demand registrations, granting each of Silver Lake Partners and Texas Pacific Group three demand registrations and granting August Capital one demand registration. In addition, after June 14, 2004, if our shares are held by New SAC, any of Silver Lake Partners, Texas Pacific Group or August Capital may exercise their demand rights by requiring that New SAC register any of our shares held by it.

On July 20, 2004, we filed a registration statement on Form S-3 with respect to 60 million of our common shares owned by New SAC, pursuant to New SAC's exercise of its demand registration rights under the Seagate Technology Shareholders Agreement. After the sale of the common shares covered by that registration statement, it is expected that affiliates of Silver Lake Partners, Texas Pacific Group, August Capital, J.P. Morgan Partners, LLC and investment partnerships affiliated with Goldman, Sachs & Co. will indirectly own approximately 15.3%, 10.6%, 5.5%, 3.2% and 1.1%, respectively, of our outstanding common shares through their ownership of New SAC (based on the number of our common shares outstanding as of August 27, 2004).

Consulting and Financial Service Fees

We reimburse Silver Lake Partners for the fees and expenses incurred by them in providing us with specific consulting and financial services that we request of them from time to time. During fiscal year 2004 no such reimbursements were required to be made. Silver Lake Partners owns shares of New SAC representing approximately 31.8% of New SAC's total outstanding ordinary shares, and two of New SAC's board of directors (Messrs. Davidson and Hutchins) and two members of our Board of Directors (Messrs. Davidson and Hutchins) are principals of Silver Lake Partners. Texas Pacific Group owns shares of New SAC representing approximately 22.1% of New SAC's total outstanding ordinary shares, and one of New SAC's and our board members (Mr. Coulter) is a principal of Texas Pacific Group. August Capital owns shares of New SAC representing approximately 11.4% of New SAC's total outstanding ordinary shares, and one of New SAC's and our board members (Mr. Marquardt) is a co-founder of August Capital.

Indemnification Agreement and Reimbursement Agreement

Edgar Filing: SEAGATE TECHNOLOGY - Form PRE 14A

As part of the November 2000 transactions, at the same time that New SAC acquired the operating subsidiaries of Seagate Delaware, Seagate Delaware and VERITAS Software Corporation entered into an

Table of Contents

agreement and plan of merger and reorganization, under which VERITAS agreed to acquire the remainder of Seagate Delaware. In connection with this transaction, on March 29, 2000, New SAC entered into an indemnification agreement with Seagate Delaware and VERITAS. Under the indemnification agreement, New SAC and its subsidiaries jointly and severally agreed to indemnify Seagate Delaware and VERITAS and their affiliates from and against specified losses relating to taxes and other liabilities incurred as a result of the ownership and operation by Seagate Delaware and its predecessors or affiliates, other than VERITAS and its subsidiaries, of their businesses, properties and assets prior to, and certain conduct by New SAC and its affiliates after, the closing of the November 2000 transactions. In addition, Seagate Delaware, VERITAS and their affiliates jointly and severally agreed to indemnify New SAC and its subsidiaries from and against specified losses relating to taxes and other liabilities incurred as a result of their ownership and operation of their businesses, properties and assets prior to, and certain conduct by them after, the closing of the November 2000 transactions.

On the closing of the November 2000 transactions, VERITAS deposited \$150 million of cash into an escrow account, which could be applied by New SAC to satisfy certain tax liabilities that were assumed by New SAC as part of the November 2000 transactions that relate to and for which New SAC would become liable, if at all, on completion of the tax audits of Seagate Delaware for those taxable periods beginning on or after July 1, 1999 and ending on or before the closing of the November 2000 transactions. To the extent that any part of the \$150 million were not utilized to satisfy these tax liabilities, it would be required to be paid out to the former Seagate Delaware stockholders.

In July 2002, we and those of our affiliates that were parties to the indemnification agreement entered into a reimbursement agreement for the purpose of allocating the respective liabilities and obligations under the indemnification agreement. Under the reimbursement agreement, if we and our affiliates became obligated to indemnify Seagate Delaware, VERITAS or any of their affiliates for tax liabilities under the indemnification agreement, Seagate Technology HDD Holdings (one of our subsidiaries) would be responsible for the first \$125 million of the tax liabilities, and any amount exceeding \$125 million would then be allocated among Seagate Technology HDD Holdings and certain of our affiliates on a pro rata basis, in accordance with the portion of the purchase price allocated to each entity in connection with the November 2000 transactions. For indemnification obligations other than tax liabilities under the indemnification agreement, the responsible entity would reimburse any entity that satisfied the obligation on its behalf to the extent that the claim is attributable to the responsible entity.

Transactions With Our Affiliates

Tax Allocation Agreement. Our U.S. subsidiaries are or were included in certain U.S. state unitary and combined returns with Certance (US) Holdings, an indirect subsidiary of New SAC and one of our affiliates, and with Crystal Decisions, Inc., which was an indirect subsidiary of New SAC, and one of our affiliates, until its sale to a third party in December 2003. We entered into a state tax allocation agreement with these two entities effective as of November 23, 2000. Under the terms of the state tax allocation agreement, each company computes hypothetical tax returns (with certain modifications) as if the company was not included in combined returns with the other New SAC affiliates. Each company must pay the positive amount of any such hypothetical taxes. If the hypothetical tax returns show entitlement to refunds, including any refunds attributable to carrybacks, then the other New SAC affiliates will pay the company the amount of such refunds within 30 days of the close of the fiscal year the New SAC affiliate otherwise would have been able to utilize the net operating losses or tax credits on a separate return filing basis. As of September 3, 2004, there were no tax related amounts owed to or due from any New SAC affiliates.

Supply Agreement with Xiotech Corporation. On November 4, 2002, we sold Xiotech, one of our indirect subsidiaries, to New SAC. New SAC in turn sold 51% of Xiotech to a third party in a transaction in which Xiotech also sold newly issued shares to this third party. As a result, New SAC has retained an interest of less than 20% of Xiotech.

Table of Contents

In connection with our sale of Xiotech, we entered into a supply agreement with Xiotech dated November 4, 2002 and amended on June 15, 2004, under which Xiotech may purchase rigid disc drives from us, and, as a result, we are one of Xiotech's largest suppliers. In fiscal year 2004, Xiotech made an aggregate of approximately \$8 million in purchases from us. Based upon current and expected purchasing volumes, we expect to continue to be a significant supplier to Xiotech. We are a guarantor on the real estate lease of Xiotech's corporate headquarters, which has annual rental payments of approximately \$1.4 million and expires in April 2007. Xiotech also reimburses us for the cost (approximately \$425,000 per year) of renting certain facilities used by them pursuant to a lease agreement which expires in June 2006.

Rebranding of Certance Holdings. In October 2002, we entered into an agreement with Seagate Removable Storage Solutions Holdings, now known as Certance Holdings, a direct subsidiary of New SAC, pursuant to which it and its subsidiaries agreed to discontinue their use of the Seagate brand and logo. In exchange, we agreed to reimburse Certance Holdings and its subsidiaries for up to \$1.5 million of out-of-pocket costs incurred in the course of rebranding their business. In fiscal year 2004 we reimbursed Certance Holdings for approximately \$585,000 of such expenses.

Transactions Involving Our Management

Brian S. Dexheimer, who is one of our executive vice presidents, borrowed \$500,000 from our indirect subsidiary, Seagate Technology LLC, pursuant to a promissory note dated October 10, 2000. The principal of, and the accrued but unpaid interest on, this note will be due and payable on October 10, 2005. Interest on this note accrues at a rate of 8% per year but will be forgiven every year so long as Mr. Dexheimer remains employed by Seagate Technology LLC. Additionally, \$83,333 of the principal of the note will be forgiven on the second, third and fourth anniversaries of the effective date of the note as long as Mr. Dexheimer remains employed by Seagate Technology LLC. In the event that Mr. Dexheimer voluntarily resigns or is terminated for cause before October 10, 2005, all of the unforgiven principal plus any accrued interest will become immediately due and payable. If, however, Mr. Dexheimer is terminated as a result of a reduction in workforce initiated by Seagate Technology LLC or becomes deceased, then the principal amount of the note will be due and payable on October 10, 2005 and all interest will be forgiven. The maximum aggregate amount outstanding under this loan during fiscal year 2004 was \$450,000. As of September 3, 2004, \$333,334 of the principal amount of this loan was outstanding.

Interest on this note accrues at a rate of 8% per year but will be forgiven every year so long as Mr. O'Malley remains employed by Seagate Technology LLC. Additionally, \$83,333 of the principal of the note will be forgiven on the second, third and fourth anniversaries of the effective date of the note as long as he remains employed by Seagate Technology LLC. In the event that Mr. O'Malley voluntarily resigns or is terminated for cause before October 10, 2005, all of the unforgiven principal plus any accrued interest will become immediately due and payable. If, however, Mr. O'Malley is terminated as a result of a reduction in workforce initiated by Seagate Technology LLC or becomes deceased, then the principal of the note will be due and payable on October 10, 2005, and all interest will be forgiven. The maximum aggregate amount outstanding under this loan during fiscal year 2004 was \$450,000. As of September 3, 2004, \$333,334 of the principal amount of this loan was outstanding.

Pursuant to the terms of the note, the outstanding principal balance of \$0.8 million will be due and payable on February 16, 2006, and all interest due on the note, which was accruing at a rate of 8% per year, has been forgiven.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended, and the related rules of the SEC require Seagate Technology's directors and officers, and any person who beneficially owns more than ten percent of Seagate Technology's common shares, to file reports of securities ownership on Form 3 and changes in ownership on Form 4 or 5 with the SEC. Such officers, directors and greater than ten percent shareholders are also required by SEC rules to furnish Seagate Technology with copies of all Section 16(a) forms that they file.

Based solely on its review of copies of such reports furnished to Seagate Technology, the absence of a Form 3 or Form 5 or written representations that no Form 5 was required, Seagate Technology believes that all Section 16(a) filing requirements applicable to its officers, directors and beneficial owners of more than 10% of Seagate Technology's common shares during the fiscal year ended July 2, 2004 were satisfied, with one exception. One Form 4, covering one transaction in October 2003, was inadvertently filed late for Mark Kryder, one of our senior vice presidents.

The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the following provisions:

- 6.1 **Term.** Subject to the provisions of Section 5.2 of the Plan regarding grants of Incentive Stock Options to Ten Percent Shareholders, no Option shall be exercisable after the expiration of seven (7) years from the date it was granted.
- 6.2 **Exercise Price of an Incentive Stock Option.** Subject to the provisions of Section 5.2 of the Plan regarding Ten Percent Shareholders, the exercise price of each Incentive Stock Option shall be not less than one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, an Incentive Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.
- 6.3 **Exercise Price of a Nonstatutory Stock Option.** The exercise price of each Nonstatutory Stock Option shall be not less than eighty-five percent (85%) of the Fair Market Value of the Common Stock subject to the Option on the date the Option is granted. Notwithstanding the foregoing, a Nonstatutory Stock Option may be granted with an exercise price lower than that set forth in the preceding sentence if such Option is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.
- 6.4 **Consideration.** The purchase price of Common Stock acquired pursuant to an Option shall be paid, to the extent permitted by applicable statutes and regulations, either (i) in cash or by check at the time the Option is exercised or (ii) at the discretion of the Board at the time of the grant of the Option (or subsequently in the case of a Nonstatutory Stock Option): (1) by delivery to the Company of other Common Stock, (2) according to a deferred payment or other similar arrangement with the Optionholder, including use of a promissory note, (3) pursuant to a same day sale program, or (4) by some combination of the foregoing. Unless otherwise specifically provided in the Option, the purchase price of Common Stock acquired pursuant to an Option that is paid by delivery to the Company of other Common Stock acquired, directly or indirectly from the Company, shall be paid only by shares of the Common Stock of the Company that have been held for more than six (6) months (or such longer or shorter period of time required to avoid a charge to earnings for financial accounting purposes). At any time that the Company is incorporated in Delaware, payment of the Common Stock's par value, as defined in the Delaware General Corporation Law, shall not be made by deferred payment.

Table of Contents

In the case of any deferred payment arrangement, interest shall be compounded at least annually and shall be charged at the market rate of interest and contain such other terms and conditions necessary to avoid a charge to earnings for financial accounting purposes as a result of the use of such deferred payment arrangement.

- 6.5 **Transferability of an Incentive Stock Option.** An Incentive Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.
- 6.6 **Transferability of a Nonstatutory Stock Option.** A Nonstatutory Stock Option shall be transferable to the extent provided in the Option Agreement. If the Nonstatutory Stock Option does not provide for transferability, then the Nonstatutory Stock Option shall not be transferable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the Optionholder only by the Optionholder. Notwithstanding the foregoing, the Optionholder may, by delivering written notice to the Company, in a form satisfactory to the Company, designate a third party who, in the event of the death of the Optionholder, shall thereafter be entitled to exercise the Option.
- 6.7 **Vesting Generally.** Options granted under the Plan shall be exercisable at such time and upon such terms and conditions as may be determined by the Board. The vesting provisions of individual Options may vary. The provisions of this Section 6.7 are subject to any Option provisions governing the minimum number of shares of Common Stock as to which an Option may be exercised.
- 6.8 **Termination of Continuous Service.** In the event an Optionholder's Continuous Service terminates (other than upon the Optionholder's death or Disability), the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination) but only within such period of time ending on the earlier of (i) the date three (3) months following the termination of the Optionholder's Continuous Service (or such longer or shorter period specified in the Option Agreement), or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified in the Option Agreement, the Option shall terminate.
- 6.9 **Extension of Termination Date.** An Optionholder's Option Agreement may also provide that if the exercise of the Option following the termination of the Optionholder's Continuous Service (other than upon the Optionholder's death or Disability) would be prohibited at any time solely because the issuance of shares of Common Stock would violate the registration requirements under the Securities Act or other applicable securities law, then the Option shall terminate on the earlier of (i) the expiration of the term of the Option set forth in the Option Agreement or (ii) the expiration of a period of three (3) months after the termination of the Optionholder's Continuous Service during which the exercise of the Option would not be in violation of such registration requirements or other applicable securities law.
- 6.10 **Disability of Optionholder.** In the event that an Optionholder's Continuous Service terminates as a result of the Optionholder's Disability, the Optionholder may exercise his or her Option (to the extent that the Optionholder was entitled to exercise such Option as of the date of termination), but only within such period of time ending on the earlier of (i) the date twelve (12) months following such termination (or such longer or shorter period specified in the Option Agreement) or (ii) the expiration of the term of the Option as set forth in the Option Agreement. If, after termination, the Optionholder does not exercise his or her Option within the time specified herein, the Option shall terminate.
- 6.11 **Death of Optionholder.** In the event (i) an Optionholder's Continuous Service terminates as a result of the Optionholder's death or (ii) the Optionholder dies within the period (if any) specified in the Option Agreement after the termination of the Optionholder's Continuous Service for a reason other than death, then the Option may be exercised (to the extent the Optionholder was entitled to exercise such Option as of the date of death) by the Optionholder's estate, by a person who acquired the right to exercise the Option by bequest or inheritance or by a person designated to exercise the Option upon the Optionholder's death pursuant to Section 6.5 or 6.6 of the Plan, but only within the period ending on the earlier of (i) the date

Table of Contents

twelve (12) months following the date of death (or such longer or shorter period specified in the Option Agreement) or (2) the expiration of the term of such Option as set forth in the Option Agreement. If, after death, the Option is not exercised within the time specified herein, the Option shall terminate.

- 6.12 **Early Exercise.** The Option may, but need not, include a provision whereby the Optionholder may elect at any time before the Optionholder's Continuous Service terminates to exercise the Option as to any part or all of the shares of Common Stock subject to the Option prior to the full vesting of the Option. Any unvested shares of Common Stock so purchased may be subject to a repurchase option in favor of the Company or to any other restriction the Board determines to be appropriate.

VII. NON-DISCRETIONARY STOCK AWARDS FOR ELIGIBLE DIRECTORS.

In addition to any other Stock Awards that Eligible Directors may be granted on a discretionary basis under the Plan, each Eligible Director of the Company shall be automatically granted without the necessity of action by the Board, the following option grants:

- 7.1. **Initial Stock Option Grant.** On the date that a Director commences service on the Board and satisfies the definition of an Eligible Director, an initial grant of stock options shall automatically be made to that Eligible Director. Subject to the provisions of Section 13 of the Plan, the number of shares of Common Stock covered by this stock option shall be equal to one hundred thousand (100,000) shares (Initial Grant). The exercise price of an Initial Grant shall be one hundred percent (100%) of the Fair Market Value of the Company's Common Stock subject to the option on the date the option is granted. The maximum term of an Initial Grant shall be seven (7) years and the options shall generally vest and become exercisable over a period of four (4) years in equal annual installments provided that the Director remains in Continuous Service during that period. In all other respects, options granted pursuant to an Initial Grant shall contain in substance the same terms and conditions as set forth in Section 6 with respect to Options. If at the time a Director commences service on the Board, the Director does not satisfy the definition of an Eligible Director, such Director shall not be entitled to an Initial Grant at any time, even if such Director subsequently becomes an Eligible Director.
- 7.2. **Annual Stock Option Grant.** An annual grant of stock options shall automatically be made to each Director who (1) is re-elected to the Board, (2) is an Eligible Director on the relevant grant date, and (3) has served as a Director for a period of at least six (6) months. Subject to the provisions of Section 13 of the Plan, the number of shares of Common Stock covered by such stock option shall be equal to twenty five thousand (25,000) shares (Annual Grant). The date of grant of an Annual Grant is the date on which the Director is re-elected to serve on the Board. The exercise price of an Annual Grant shall be one hundred percent (100%) of the Fair Market Value of the Common Stock subject to the option on the date the option is granted. The maximum term of an Annual Grant shall be seven (7) years and the options shall generally vest and become exercisable over a period of four (4) years in equal annual installments provided that the Director remains in Continuous Service during that period. In all other respects, options granted pursuant to an Annual Grant shall contain in substance the same terms and conditions as set forth in Section 6 with respect to Options.

VIII. PROVISIONS OF STOCK AWARDS OTHER THAN OPTIONS.

- 8.1. **Restricted Stock Bonus Awards.** Each Restricted Stock Bonus agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. Restricted Stock Bonuses shall be paid by the Company in shares of the Common Stock of the Company. The terms and conditions of Restricted Stock Bonus agreements may change from time to time, and the terms and conditions of separate Restricted Stock Bonus agreements need not be identical, but each Restricted Stock Bonus agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:
- (i) **Consideration.** A Restricted Stock Bonus may be awarded in consideration for past services actually rendered to the Company or an Affiliate for its benefit.

- (ii) Vesting. Vesting shall generally be based on the Participant's Continuous Service. Shares of Common Stock awarded under the Restricted Stock Bonus agreement shall be subject to a share reacquisition right in favor of the Company in accordance with a vesting schedule to be determined by the Board.
 - (iii) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company shall reacquire any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Restricted Stock Bonus agreement.
 - (iv) Transferability. Rights to acquire shares of Common Stock under the Restricted Stock Bonus agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Bonus agreement, as the Board shall determine in its discretion, so long as Common Stock awarded under the Restricted Stock Bonus agreement remains subject to the terms of the Restricted Stock Bonus agreement.
- 8.2. Restricted Stock Purchase Awards. Each Restricted Stock Purchase agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of the Restricted Stock Purchase agreements may change from time to time, and the terms and conditions of separate Restricted Stock Purchase agreements need not be identical, but each Restricted Stock Purchase agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:
- (i) Purchase Price. The purchase price under each Restricted Stock Purchase agreement shall be such amount as the Board shall determine and designate in such Restricted Stock Purchase agreement. The purchase price shall not be less than eighty-five percent (85%) of the Common Stock's Fair Market Value on the date such award is made or at the time the purchase is consummated.
 - (ii) Consideration. The purchase price of Common Stock acquired pursuant to the Restricted Stock Purchase agreement shall be paid either: (A) in cash or by check at the time of purchase; (B) at the discretion of the Board, according to a deferred payment or other similar arrangement with the Participant, including use of a promissory note; or (C) in any other form of legal consideration that may be acceptable to the Board in its discretion; provided, however, that at any time that the Company is incorporated in Delaware, then payment of the Common Stock's par value, as defined in the Delaware General Corporation Law, shall not be made by deferred payment.
 - (iii) Vesting. The Board shall determine the criteria under which shares of Common Stock under the Restricted Stock Purchase agreement may vest; the criteria may or may not include performance criteria or Continuous Service. Shares of Common Stock acquired under the Restricted Stock Purchase agreement may, but need not, be subject to a share repurchase option in favor of the Company in accordance with a vesting schedule to be determined by the Board.
 - (iv) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company may repurchase any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Restricted Stock Purchase agreement.
 - (v) Transferability. Rights to acquire shares of Common Stock under the Restricted Stock Purchase agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Purchase agreement, as the Board shall determine in its discretion, so long as Common Stock awarded under the Restricted Stock Purchase agreement remains subject to the terms of the Restricted Stock Purchase agreement.

- 8.3. **Stock Appreciation Rights.** Two types of Stock Appreciation Rights (SARs) shall be authorized for issuance under the Plan: (1) stand-alone SARs and (2) stapled SARs.
- (i) **Stand-Alone SARs.** The following terms and conditions shall govern the grant and redeemability of stand-alone SARs:
- (A) The stand-alone SAR shall cover a specified number of underlying shares of Common Stock and shall be redeemable upon such terms and conditions as the Board may establish. Upon redemption of the stand-alone SAR, the holder shall be entitled to receive a distribution from the Company in an amount equal to the excess of (i) the aggregate Fair Market Value (on the redemption date) of the shares of Common Stock underlying the redeemed right over (ii) the aggregate base price in effect for those shares.
- (B) The number of shares of Common Stock underlying each stand-alone SAR and the base price in effect for those shares shall be determined by the Board in its sole discretion at the time the stand-alone SAR is granted. In no event, however, may the base price per share be less than eighty-five percent (85%) of the Fair Market Value per underlying share of Common Stock on the grant date.
- (C) The distribution with respect to any redeemed stand-alone SAR may be made in shares of Common Stock valued at Fair Market Value on the redemption date, in cash, or partly in shares and partly in cash, as the Board shall in its sole discretion deem appropriate.
- (ii) **Stapled SARs.** The following terms and conditions shall govern the grant and redemption of stapled SARs:
- (A) Stapled SARs may only be granted concurrently with an Option to acquire the same number of shares of Common Stock as the number of such shares underlying the stapled SARs.
- (B) Stapled SARs shall be redeemable upon such terms and conditions as the Board may establish and shall grant a holder the right to elect among (i) the exercise of the concurrently granted Option for shares of Common Stock, whereupon the number of shares of Common Stock subject to the stapled SARs shall be reduced by an equivalent number, (ii) the redemption of such stapled SARs in exchange for a distribution from the Company in an amount equal to the excess of the Fair Market Value (on the redemption date) of the number of vested shares which the holder redeems over the aggregate base price for such vested shares, whereupon the number of shares of Common Stock subject to the concurrently granted Option shall be reduced by any equivalent number, or (iii) a combination of (i) and (ii).
- (C) The distribution to which the holder of stapled SARs shall become entitled under this Section 8 upon the redemption of stapled SARs as described in Section 8.3(ii)(B) above may be made in shares of Common Stock valued at Fair Market Value on the redemption date, in cash, or partly in shares and partly in cash, as the Board shall in its sole discretion deem appropriate.
- 8.4. **Phantom Stock Units.** The following terms and conditions shall govern the grant and redeemability of Phantom Stock Units:
- (i) Phantom Stock Unit awards shall be redeemable by the Participant to the Company upon such terms and conditions as the Board may establish. The value of a single Phantom Stock Unit shall be equal to the Fair Market Value of a share of Common Stock, unless the Board otherwise provides in the terms of the Stock Award Agreement.
- (ii) The distribution with respect to any exercised Phantom Stock Unit award may be made in shares of Common Stock valued at Fair Market Value on the redemption date, in cash, or partly in shares and partly in cash, as the Board shall in its sole discretion deem

8.5. **Restricted Stock Units.** The following terms and conditions shall govern the grant and redeemability of Restricted Stock Units:

A Restricted Stock Unit is the right to receive the value of one (1) share of the Company's Common Stock at the time the Restricted Stock Unit vests. To the extent permitted by the Committee in the terms of his or her agreement, a Participant may elect to defer receipt of the value of the shares of Common Stock otherwise deliverable upon the vesting of an award of Restricted Stock Units, so long as such deferral election complies with applicable law, including to the extent applicable, the Employee Retirement Income Security Act of 1974, as amended ("ERISA"). An election to defer such delivery shall be irrevocable and shall be made in writing on a form acceptable to the Company. The election form shall be filed prior to the vesting date of such Restricted Stock Units in a manner determined by the Board. When the Participant vests in such Restricted Stock Units, the Participant will be credited with a number of Restricted Stock Units equal to the number of shares of Common Stock for which delivery is deferred. Restricted Stock Units may be paid by the Company by delivery of shares of Common Stock, in cash, or a combination thereof, as the Board shall in its sole discretion deem appropriate, in accordance with the timing and manner of payment elected by the Participant on his or her election form, or if no deferral election is made, as soon as administratively practicable following the vesting of the Restricted Stock Unit.

Each Restricted Stock Unit agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Restricted Stock Unit agreements may change from time to time, and the terms and conditions of separate Restricted Stock Unit agreements need not be identical, but each Restricted Stock Unit agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

- (i) **Consideration.** A Restricted Stock Unit may be awarded in consideration for past services actually rendered to the Company or an Affiliate for its benefit.
- (ii) **Vesting.** Vesting shall generally be based on the Participant's Continuous Service. Shares of Common Stock awarded under the Restricted Stock Unit agreement shall be subject to a share reacquisition right in favor of the Company in accordance with a vesting schedule to be determined by the Board.
- (iii) **Termination of Participant's Continuous Service.** In the event a Participant's Continuous Service terminates, the Company shall reacquire any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Restricted Stock Unit agreement.
- (iv) **Transferability.** Rights to acquire the value of shares of Common Stock under the Restricted Stock Unit agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Restricted Stock Unit agreement, as the Board shall determine in its discretion, so long as any Common Stock awarded under the Restricted Stock Unit agreement remains subject to the terms of the Restricted Stock Unit agreement.

8.6. **Performance Share Bonus Awards.** Each Performance Share Bonus agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. Performance Share Bonuses shall be paid by the Company in shares of the Common Stock of the Company. The terms and conditions of Performance Share Bonus agreements may change from time to time, and the terms and conditions of separate Performance Share Bonus agreements need not be identical, but each Performance Share Bonus agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

- (i) **Consideration.** A Performance Share Bonus may be awarded in consideration for past services actually rendered to the Company or an Affiliate for its benefit.
- (ii)

Performance Share Bonus agreement. Upon failure to meet performance criteria, shares of Common Stock awarded under the Performance Share Bonus agreement shall be subject to a share reacquisition right in favor of the Company in accordance with a vesting schedule to be determined by the Board.

- (iii) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company shall reacquire any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Performance Share Bonus agreement.
- (iv) Transferability. Rights to acquire shares of Common Stock under the Performance Share Bonus agreement shall be transferable by the Participant only upon such terms and conditions as are set forth in the Performance Share Bonus agreement, as the Board shall determine in its discretion, so long as Common Stock awarded under the Performance Share Bonus agreement remains subject to the terms of the Performance Share Bonus agreement.

8.7. Performance Share Units. The following terms and conditions shall govern the grant and redeemability of Performance Share Units:

A Performance Share Unit is the right to receive the value of one (1) share of the Company's Common Stock at the time the Performance Share Unit vests. Participants may elect to defer receipt of the value of shares of Common Stock otherwise deliverable upon the vesting of an award of performance shares. An election to defer such delivery shall be irrevocable and shall be made in writing on a form acceptable to the Company. The election form shall be filed prior to the vesting date of such performance shares in a manner determined by the Board. When the Participant vests in such performance shares, the Participant will be credited with a number of Performance Share Units equal to the number of shares of Common Stock for which delivery is deferred. Performance Share Units may be paid by the Company by delivery of shares of Common Stock, in cash, or a combination thereof, as the Board shall in its sole discretion deem appropriate, in accordance with the timing and manner of payment elected by the Participant on his or her election form, or if no deferral election is made, as soon as administratively practicable following the vesting of the Performance Share Unit.

Each Performance Share Unit agreement shall be in such form and shall contain such terms and conditions as the Board shall deem appropriate. The terms and conditions of Performance Share Unit agreements may change from time to time, and the terms and conditions of separate Performance Share Unit agreements need not be identical, but each Performance Share Unit agreement shall include (through incorporation of provisions hereof by reference in the agreement or otherwise) the substance of each of the following provisions:

- (i) Consideration. A Performance Share Unit may be awarded in consideration for past services actually rendered to the Company or an Affiliate for its benefit. The Board shall have the discretion to provide that the Participant pay for such Performance Share Units with cash or other consideration permissible by law.
- (ii) Vesting. Vesting shall be based on the achievement of certain performance criteria, whether financial, transactional or otherwise, as determined by the Board. Vesting shall be subject to the Performance Share Unit agreement. Upon failure to meet performance criteria, shares of Common Stock awarded under the Performance Share Unit agreement shall be subject to a share reacquisition right in favor of the Company in accordance with a vesting schedule to be determined by the Board.
- (iii) Termination of Participant's Continuous Service. In the event a Participant's Continuous Service terminates, the Company shall reacquire any or all of the shares of Common Stock held by the Participant that have not vested as of the date of termination under the terms of the Performance Share Unit agreement.
- (iv) Transferability. Rights to acquire the value of shares of Common Stock under the Performance Share Unit agreement shall be transferable by the Participant only upon such terms and conditions as

are set forth in the Performance Share Unit agreement, as the Board shall determine in its discretion, so long as Common Stock awarded under the Performance Share Unit agreement remains subject to the terms of the Performance Share Unit agreement.

IX. COVENANTS OF THE COMPANY.

- 9.1. Availability of Shares. During the terms of the Stock Awards, the Company shall keep available at all times the number of shares of Common Stock required to satisfy such Stock Awards.
- 9.2. Securities Law Compliance. The Company shall seek to obtain from each regulatory commission or agency having jurisdiction over the Plan such authority as may be required to grant Stock Awards and to issue and sell shares of Common Stock upon exercise, redemption or satisfaction of the Stock Awards; provided, however, that this undertaking shall not require the Company to register under the Securities Act the Plan, any Stock Award or any Common Stock issued or issuable pursuant to any such Stock Award. If, after reasonable efforts, the Company is unable to obtain from any such regulatory commission or agency the authority which counsel for the Company deems necessary for the lawful issuance and sale of Common Stock under the Plan, the Company shall be relieved from any liability for failure to issue and sell Common Stock related to such Stock Awards unless and until such authority is obtained.

X. USE OF PROCEEDS FROM STOCK.

Proceeds from the sale of Common Stock pursuant to Stock Awards shall constitute general funds of the Company.

XI. CANCELLATION AND RE-GRANT OF OPTIONS.

- 11.1. The Board shall have the authority to effect, at any time and from time to time, (i) the repricing of any outstanding Options under the Plan and/or (ii) with the consent of the affected Optionholders, the cancellation of any outstanding Options under the Plan and the grant in substitution therefor of new Options under the Plan covering the same or different number of shares of Common Stock, but having an exercise price per share not less than eighty-five percent (85%) of the Fair Market Value (one hundred percent (100%) of Fair Market Value in the case of an Incentive Stock Option or, in the case of a Ten Percent Shareholder (as described in Section 5.2 of the Plan), not less than one hundred ten percent (110%) of the Fair Market Value) per share of Common Stock on the new grant date. Notwithstanding the foregoing, the Board may grant an Option with an exercise price lower than that set forth above if such Option is granted as part of a transaction to which section 424(a) of the Code applies. Prior to the implementation of any such repricing or cancellation of one or more outstanding Options, the Board shall obtain the approval of the shareholders of the Company to the extent required by any New York Stock Exchange, Nasdaq or other securities exchange listing requirements, or applicable law.
- 11.2. Shares subject to an Option canceled under this Section 11 shall continue to be counted against the maximum award of Options permitted to be granted pursuant to Section 5.3 of the Plan. The repricing of an Option under this Section 11, resulting in a reduction of the exercise price, shall be deemed to be a cancellation of the original Option and the grant of a substitute Option; in the event of such repricing, both the original and the substituted Options shall be counted against the maximum awards of Options permitted to be granted pursuant to Section 5.3 of the Plan. The provisions of this Section 11.2 shall be applicable only to the extent required by Section 162(m) of the Code.

XII. MISCELLANEOUS.

- 12.1. Acceleration of Exercisability and Vesting. The Board (or Committee, if so authorized by the Board) shall have the power to accelerate exercisability and/or vesting when it deems fit, such as upon a Change of Control. The Board or Committee shall have the power to accelerate the time at which a Stock Award may first be exercised or the time during which a Stock Award or any part thereof will vest in

accordance with the Plan, notwithstanding the provisions in the Stock Award stating the time at which it may first be exercised or the time during which it will vest.

- 12.2. **Shareholder Rights.** No Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any shares of Common Stock subject to a Stock Award except to the extent that the Company has issued the shares of Common Stock relating to such Stock Award.
- 12.3. **No Employment or other Service Rights.** Nothing in the Plan or any instrument executed or Stock Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or an Affiliate in the capacity in effect at the time the Stock Award was granted or shall affect the right of the Company or an Affiliate to terminate (i) the employment of an Employee with or without notice and with or without cause, (ii) the service of a Consultant pursuant to the terms of such Consultant's agreement with the Company or an Affiliate or (iii) the service of a Director pursuant to the Bylaws of the Company, and any applicable provisions of the corporate law of the state or other jurisdiction in which the Company is domiciled, as the case may be.
- 12.4. **Incentive Stock Option \$100,000 Limitation.** To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which Incentive Stock Options are exercisable for the first time by any Optionholder during any calendar year (under all plans of the Company and its Affiliates) exceeds one hundred thousand dollars (\$100,000), the Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonstatutory Stock Options.
- 12.5. **Investment Assurances.** The Company may require a Participant, as a condition of exercising or redeeming a Stock Award or acquiring Common Stock under any Stock Award, (i) to give written assurances satisfactory to the Company as to the Participant's knowledge and experience in financial and business matters and/or to employ a purchaser representative reasonably satisfactory to the Company who is knowledgeable and experienced in financial and business matters and that he or she is capable of evaluating, alone or together with the purchaser representative, the merits and risks of acquiring the Common Stock; (ii) to give written assurances satisfactory to the Company stating that the Participant is acquiring Common Stock subject to the Stock Award for the Participant's own account and not with any present intention of selling or otherwise distributing the Common Stock; and (iii) to give such other written assurances as the Company may determine are reasonable in order to comply with applicable law. The foregoing requirements, and any assurances given pursuant to such requirements, shall be inoperative if (1) the issuance of the shares of Common Stock under the Stock Award has been registered under a then currently effective registration statement under the Securities Act or (2) as to any particular requirement, a determination is made by counsel for the Company that such requirement need not be met in the circumstances under the then applicable securities laws, and in either case otherwise complies with applicable law. The Company may, upon advice of counsel to the Company, place legends on stock certificates issued under the Plan as such counsel deems necessary or appropriate in order to comply with applicable laws, including, but not limited to, legends restricting the transfer of the Common Stock.
- 12.6. **Withholding Obligations.** To the extent provided by the terms of a Stock Award Agreement, the Participant may satisfy any federal, state, local, or foreign tax withholding obligation relating to the exercise or redemption of a Stock Award or the acquisition, vesting, distribution or transfer of Common Stock under a Stock Award by any of the following means (in addition to the Company's right to withhold from any compensation paid to the Participant by the Company) or by a combination of such means: (i) tendering a cash payment; (ii) authorizing the Company to withhold shares of Common Stock from the shares of Common Stock otherwise issuable to the Participant, provided, however, that no shares of Common Stock are withheld with a value exceeding the minimum amount of tax required to be withheld by law; or (iii) delivering to the Company owned and unencumbered shares of Common Stock.

XIII. ADJUSTMENTS UPON CHANGES IN STOCK.

- 13.1. **Capitalization Adjustments.** If any change is made in the Common Stock subject to the Plan, or subject to any Stock Award, without the receipt of consideration by the Company (through merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, spinoff, dividend in property other than cash, stock split, liquidating dividend, extraordinary dividends or distributions, combination of shares,

exchange of shares, change in corporate structure or other transaction not involving the receipt of consideration by the Company), the Plan may be appropriately adjusted in the class(es) and maximum number of securities subject to the Plan or to grants of Full-Value Stock Awards pursuant to Section 4.1 above, the maximum number of securities subject to award to any person pursuant to Sections 5.3 or 5.4 above, and the number of securities subject to the option grants to Eligible Directors under Section 7 of the Plan, and the outstanding Stock Awards may be appropriately adjusted in the class(es) and number of securities and price per share of the securities subject to such outstanding Stock Awards. The Board may make such adjustments in its sole discretion, and its determination shall be final, binding and conclusive. (The conversion of any convertible securities of the Company shall not be treated as a transaction without receipt of consideration by the Company.)

13.2. Adjustments Upon a Change of Control.

- (i) In the event of a Change of Control as defined in 2.4(i) through 2.4(iv), such as an asset sale, merger, or change in ownership of voting power, then any surviving entity or acquiring entity shall assume or continue any Stock Awards outstanding under the Plan or shall substitute similar stock awards (including an award to acquire substantially the same consideration paid to the shareholders in the transaction by which the Change of Control occurs) for those outstanding under the Plan. 139. Any indemnification under Articles 136 to and including 138 (unless ordered by a court of competent jurisdiction) shall be made by the Company only as authorized in the specific case upon a determination that indemnification of the Covered Person is proper in the circumstances because such person has met the applicable standard of conduct set forth in Articles 136 or 137, as the case may be. Such determination shall be made, with respect to a Covered Person who is a Director or officer of the Company at the time of such determination, (a) by a majority vote of the Directors who are not parties to such proceeding, even though less than a quorum; (b) by a committee of such Directors designated by a majority vote of such Directors, even though less than a quorum; (c) if there are no such Directors, or if such Directors so direct, by independent legal counsel in a written opinion; or (d) by the Members by Ordinary Resolution.
