**ITEM 3.02 Unregistered Sales of Securities**

Laurus Transaction.

On September 29, 2004, we entered into and closed a Securities Purchase Agreement and related agreements with Laurus Master Fund, Ltd., a Cayman Island company (Laurus). Under the agreement, we issued to Laurus a convertible term note in the aggregate principal amount of \$6,000,000. The term of the note is three years and bears interest at the rate of prime (as published in the Wall Street Journal) plus three and one half percent. The funds received from the note, after fees and costs, will be used to purchase all the assets and equity of Corporate Development Services, Inc., anticipated to be up to \$1,200,000 with the remainder of the funds to be used for general corporate purposes.

In connection with the agreement and term note, we issued Laurus stock purchase warrants to acquire our common stock. The stock purchase warrant grants Laurus the right to acquire 1,487,601 shares of our common stock during a seven year term. The exercise prices of the warrant are \$1.51, \$1.82, and \$2.12, respectively, each for one third of our common stock covered under the warrant. On or before October 29, 2004, we are required to file a registration statement with the Securities and Exchange Commission covering the common stock issuable upon conversion of amounts due under the note, as well as the our common shares issuable upon exercise of the stock purchase warrants described above.

The description of the transaction with Laurus as described hereinabove is qualified in its entirety by the Securities Purchase Agreement and related agreements which are attached as exhibits to this Form 8-K.
