FOR IMMEDIATE RELEASE

**VIMPELCOM ANNOUNCES INTENT TO RAISE UP TO US\$300 MILLION
OF DEBT FINANCING IN THE INTERNATIONAL BOND MARKETS**

Moscow and New York (October 13, 2004) Open Joint Stock Company Vimpel-Communications (VimpelCom or the Company) (NYSE: VIP) today announced its intention to raise, subject to market and other conditions, up to US\$300 million of debt financing by the issuance of notes in the international bond markets. The offering of notes is currently anticipated to close during the fourth quarter of 2004. VimpelCom intends to use the proceeds from the notes issue partly to repay at maturity a portion of the US\$250 million notes issue due April 2005 and partly for possible acquisitions in Russia and/or the CIS.

This press release is being issued pursuant to and in accordance with Rule 135c under the Securities Act of 1933, as amended (the Securities Act). This press release shall not constitute an offer to sell or the solicitation of an offer to buy the notes, nor shall there be any sale of the notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state. The notes will be offered to qualified institutional buyers in reliance on Rule 144A under the Securities Act and outside the United States in reliance on Regulation S under the Securities Act. The notes will not be registered under the Securities Act. Unless and until so registered, the notes may not be offered or sold in the United States except pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and applicable state securities laws.

This press release contains forward-looking statements, as the phrase is defined in Section 27A of the Securities Act and Section 21E of the Exchange Act. These statements relate to the Company's intention to consummate the proposed transaction described above and the Company's intended use of the proceeds from the transaction and are based on Management's best assessment of the Company's strategic and financial position and of future market conditions and opportunities. These discussions involve risks and uncertainties. The actual outcome may differ materially from these statements as a result of unforeseen developments from competition, governmental regulations of the wireless telecommunications industry, general political uncertainties in Russia and general economic developments in Russia and other factors. As a result of such risks and uncertainties, there can be no assurance that the effects of competition or current or future changes in the political, economic and social environment or current or future regulation of the Russian telecommunications industry will not have a material adverse effect on the VimpelCom Group and there can be no assurance that the Company will be able to complete this proposed transaction or use the proceeds from the transaction in the manner described in this press release. Certain factors that could cause actual results to differ materially from those discussed in any forward-looking statements include the risks described in the Company's Annual Report on Form 20-F for the year ended December 31, 2003 and other public filings made by the Company
