Item 3.03 Material Modification to Rights of Security Holders.

On November 1, 2004, DIMON Incorporated, a Virginia corporation (DIMON) and SunTrust Bank, as Trustee, executed (i) the First Supplemental Indenture, dated as of November 1, 2004 (the 2011 Notes Supplemental Indenture) supplementing the Indenture, dated as of October 30, 2001 (the 2011 Notes Indenture) between DIMON and SunTrust Bank, as Trustee, governing DIMON ⁵/₈% Senior Notes due 2011 and (ii) the First Supplemental Indenture, dated as of November 1, 2004 (the 2013 Notes Supplemental Indenture, and with the 2011 Notes Supplemental Indenture, the Supplemental Indentures) supplementing the Indenture, dated as of May 30, 2003 (the 2013 Notes Indenture, and with the 2011 Notes Indenture, the Indentures) between DIMON and SunTrust Bank, as Trustee, governing DIMON ³/₄% Senior Notes due 2013. The 2011 Notes Supplemental Indenture is filed as Exhibit 4.1 to this Report on Form 8-K and is incorporated herein by reference. The 2013 Notes Supplemental Indenture is filed as Exhibit 4.2 to this Report of Form 8-K and is incorporated herein by reference.

The Supplemental Indentures contain a waiver of past defaults and an amendment to the Limitation on Restricted Payments covenant in the Indentures.

The waiver of past defaults waives events of default under the Indentures arising from or related to four payments of dividends to holders of DIMON s common stock and investments in a majority-owned subsidiary in violation of the Limitation on Restricted Payments covenant in the Indentures. Those payments constituted events of default under the Indentures because, at the time of such payments, DIMON was not able to borrow at least \$1.00 of additional indebtedness under the Consolidated Interest Coverage Ratio test under the Indentures. The Consolidated Interest Coverage Ratio test provides that DIMON may incur additional indebtedness if, after giving effect to such incurrence, the ratio of DIMON s Consolidated EBITDA to Consolidated Interest Expense is at least 2.75 to 1.00. The waiver also includes a waiver of related defaults or events of default under the Indentures, including defaults related to the failure to promptly notify the Trustee of such events of default.

The amendment to the Limitation on Restricted Payments covenant in the Indentures (a) permits DIMON to make regular cash dividend payments to holders of its common stock in an amount not to exceed \$3.525 million in any fiscal quarter ending on or prior to June 30, 2005 and (b) allows DIMON to make up to \$2 million of investments in majority-owned subsidiaries through December 31, 2005, in each case without regard to the DIMON s ability to borrow under the Consolidated Interest Coverage Ratio test under the Indentures. Any dividend payments in excess of the quarterly amount or after June 30, 2005 and additional investments in non-wholly-owned subsidiaries will remain conditioned on the DIMON s ability to incur additional indebtedness under the Consolidated Interest Coverage Ratio test.
