On June 17, 2004, the government of the Republic of Korea publicly announced that it would suspend the plan to form and privatize our distribution subsidiaries. Instead, we plan to implement a divisional system in order to promote internal competition. On December 28, 2004, we entered into an agreement with a consortium consisting of Accenture and Young Wha Accounting Corp.(a member firm of Ernst & Young International) for consulting and advisory service in connection with our implementation of this plan, which service is currently scheduled to be provided over a period of ten months from January through October 2005.
