**Item 1.02 Termination of a Material Definitive Agreement**

The new director compensation arrangements described in response to Item 1.01 above replaced the prior director compensation package described in the Company's proxy statement for its Annual Meeting of Shareholders held on May 12, 2004. A tabular presentation comparing the current and prior director compensation arrangements is furnished herewith as Exhibit 10.1.

**Item 8.01. Other Events**

Following the decision by the California Supreme Court not to review the California Court of Appeals' ruling in *Robert Krumme, On Behalf Of The General Public vs. Mercury Insurance Company, Mercury Casualty Company, and California Automobile Insurance Company*, which was reported on a Form 8-K filed with the Securities and Exchange Commission on January 24, 2005, representatives of the Company held discussions with representatives of the plaintiffs and of the California Department of Insurance (the DOI) regarding changes to the Company's business practices that have been or may be implemented in response to the case.

As a result of these discussions, a stipulation and order was filed jointly by the plaintiffs and the Company to extend until March 1, 2005 the stay of the trial court's injunction that was in place during the appeals process for all but the advertising aspects of the trial court's decision. The trial court signed the order and stipulation into effect on February 1, 2005. The Company, the plaintiffs and the DOI also agreed to continue their discussions regarding possible changes to the Company's business practices that the Company hopes will allow it to avoid appointing its California brokers doing business with the Company as agents.
