PROXY STATEMENT FOR ANNUAL MEETING OF STOCKHOLDERS

The accompanying proxy is solicited by the Board of Directors of Accredited Home Lenders Holding Co., a Delaware corporation (*Accredited* or the *Company*), for use at our annual meeting of stockholders to be held on May 26, 2005, or any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders. This proxy statement and the enclosed proxy are being mailed to stockholders on or about April 26, 2005.

SOLICITATION AND VOTING

Voting Securities. Only stockholders of record as of the close of business on March 30, 2005 will be entitled to vote at the meeting and any adjournment thereof. As of that time, we had 20,895,786 shares of common stock outstanding, all of which are entitled to vote with respect to all matters to be acted upon at the annual meeting. Each stockholder of record as of that date is entitled to one vote for each share of common stock held by him or her. Our Bylaws provide that a majority of all of the shares of the stock entitled to vote, whether present in person or represented by proxy, shall constitute a quorum for the transaction of business at the meeting. Votes for and against a proposal, abstentions and broker non-votes will each be counted as shares present for purposes of determining the presence of a quorum.

Broker Non-Votes. A broker non-vote occurs when a broker submits a proxy card with respect to shares held in a fiduciary capacity (typically referred to as being held in street name) but declines to vote on a particular matter because the broker has not received voting instructions from the beneficial owner. Under the rules that govern brokers who are voting with respect to shares held in street name, brokers have the discretion to vote such shares on routine matters, but not on non-routine matters. Routine matters include the election of directors, increases in authorized common stock for general corporate purposes and ratification of auditors. Non-routine matters include amendments to stock plans.

Solicitation of Proxies. We will bear the cost of soliciting proxies. In addition to soliciting stockholders by mail through our employees, we will request banks, brokers and other custodians, nominees and fiduciaries to solicit customers for whom they hold our stock and will reimburse them for their reasonable, out-of-pocket costs. We may use the services of our officers, directors and others to solicit proxies, personally or by telephone, without additional compensation. In addition, we have retained InvestorCom, Inc., a proxy solicitation firm, for assistance in connection with the annual meeting at a cost of approximately \$3,500.00 plus reasonable out-of-pocket expenses.

Voting of Proxies. All valid proxies received before the meeting will be exercised. All shares represented by a proxy will be voted, and where a proxy specifies a stockholder's choice with respect to any matter to be acted upon, the shares will be voted in accordance with that specification. If no choice is indicated on the proxy, the shares will be voted for each proposal. A stockholder giving a proxy has the power to revoke his or her proxy at any time before it is exercised by delivering to the Secretary of Accredited Home Lenders Holding Co. a written instrument revoking the proxy or a duly executed proxy with a later date, or by attending the meeting and voting in person.

Table of Contents**PROPOSAL NO. 1****ELECTION OF DIRECTORS**

We have a classified Board of Directors (the *Board*) currently consisting of three Class I directors, three Class II directors and two Class III directors, who will serve until the annual meetings of stockholders to be held in 2007, 2005 and 2006, respectively, and until their respective successors are duly elected and qualified. At each annual meeting of stockholders, directors are elected for a term of three years to succeed those directors whose terms expire at the date of that annual meeting. The Board's nominees for election by the stockholders at our 2005 annual meeting are the current Class II members of the Board, Ray W. McKewon, James H. Berglund and Joseph J. Lydon. If elected, except as set forth below with respect to Mr. McKewon, the nominees will serve as directors until our Annual Meeting of Stockholders in 2008 and until their successors are elected and qualified. As previously announced, Mr. McKewon has informed us that he intends to retire as our Executive Vice President and Secretary on July 15, 2005. If re-elected to our Board of Directors at the annual meeting, Mr. McKewon has informed us that he intends to serve as a director through the date of his retirement, and at such time he would step down from our Board of Directors. Our Amended and Restated Certificate of Incorporation and our Bylaws would permit a majority of our remaining directors to fill the vacancy left by the stepping down of Mr. McKewon from our Board of Directors; however, at the present time, we have not made any definitive plans with respect to the filling of the vacancy on the Board that will be created by Mr. McKewon's departure. If any of the nominees declines to serve or becomes unavailable for any reason, or if an additional vacancy occurs before the election (although we know of no reason to anticipate that this will occur), the proxies may be voted for such substitute nominees as our Board of Directors may designate.

If a quorum is present and voting, the three nominees for Class II director receiving the highest number of votes will be elected as Class II directors. Abstentions and broker non-votes have no effect on the result of the vote; however, abstentions and broker non-votes will be counted as shares present for purposes of determining the presence of a quorum.

The Board of Directors recommends a vote FOR the nominees named above.

The following table sets forth, for our current directors, including the Class II nominees to be elected at this meeting, information with respect to their ages and background.

Board Meetings and Committees

At that time, Mr. Erickson was appointed to replace him. Upon Mr. Espy's appointment to the Board in July 2004, Mr. Erickson was replaced by Mr. Espy on the Audit Committee. Each of the members of the Audit Committee are independent as defined by the NASDAQ Marketplace rules. The Audit Committee acts pursuant to a written charter adopted by the

Table of Contents

Board of Directors. The functions of the Audit Committee include retaining our independent registered public accounting firm, reviewing their independence, reviewing and approving the planned scope of our annual audit, reviewing and approving any fee arrangements with our auditors, overseeing their audit work, reviewing and pre-approving any non-audit services that may be performed by them, reviewing the adequacy of accounting and financial controls, reviewing our critical accounting policies and reviewing and approving any related party transactions. The Board has determined that Ms. Gunderson is an audit committee financial expert, as defined in the rules of the Securities and Exchange Commission (the "SEC"). The Audit Committee held 11 meetings during the 2004 fiscal year.

Compensation Committee. The members of the Compensation Committee during fiscal 2004 were Mr. Berglund, Mr. Espy, Mr. Erickson and Ms. Gunderson. Upon Mr. Espy's appointment to the Board in July 2004, Mr. Espy replaced Ms. Gunderson on the Compensation Committee. Each of the members of the Compensation Committee is independent as defined by the NASDAQ Marketplace rules. The Compensation Committee sets the salary and bonus earned by the Chief Executive Officer, reviews and approves salary and bonus levels for other executive officers and approves stock option grants to executive officers. The Compensation Committee held five meetings during the 2004 fiscal year.

Nominating and Corporate Governance Committee. The members of the Nominating and Corporate Governance Committee (the "Governance Committee") during fiscal 2004 were Mr. Berglund, Mr. Erickson, Dr. Pratt and Mr. Robbins. In February 2004, Mr. Robbins resigned from the Board, and the Board then appointed Dr. Pratt to the Governance Committee to replace Mr. Robbins. Each of the members of the Governance Committee is independent as defined by the NASDAQ Marketplace rules. The Governance Committee considers qualified candidates for appointment and nomination for election to the Board and makes recommendations concerning such candidates, develops corporate governance principles for recommendation to the Board and oversees the regular evaluation of our directors and management. The Governance Committee held six meetings during the 2004 fiscal year. The Governance Committee will consider nominees recommended by stockholders. See "Director Nominations" for a description of the procedures to be followed in submitting recommendations.

Director Nominations

Consistent with its charter, the Governance Committee will evaluate and recommend director nominees to the Board for each election of directors.

In fulfilling its responsibilities, the Governance Committee considers the following factors:

the appropriate size of the Company's Board and its committees;

the needs of the Company with respect to the particular talents and experience of its directors;

the knowledge, skills and experience of nominees, including experience in mortgage banking, business, finance, administration or public service, in light of prevailing business conditions and the knowledge, skills and experience already possessed by other members of the Board;

experience with accounting rules and practices;

applicable regulatory and securities exchange/association requirements;

appreciation of the relationship of the Company's business to the changing needs of society; and

a balance between the benefit of continuity and the desire for a fresh perspective provided by new members.

The Governance Committee's goal is to assemble a Board that brings to the Company a variety of perspectives and skills derived from high quality business and professional experience. In doing so, the Governance Committee also considers candidates with appropriate non-business backgrounds.

Other than the foregoing, there are no stated minimum criteria for director nominees. However, the Governance Committee may also consider such other factors as it may deem are in the best interests of the Company

Table of Contents

and its stockholders. The Governance Committee does, however, recognize that at least one member of the Board should meet the criteria for an audit committee financial expert as defined by SEC rules, and that at least a majority of the members of the Board must meet the definition of independent director under the NASDAQ Marketplace rules. The Governance Committee also believes it appropriate for certain key members of the Company's management to participate as members of the Board.

The Governance Committee identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination, balancing the value of continuity of service by existing members of the Board with that of obtaining a new perspective. If any member of the Board up for re-election at an upcoming annual meeting of stockholders does not wish to continue in service, the Governance Committee identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Governance Committee and Board will be polled for suggestions as to individuals meeting the criteria of the Governance Committee. Research may also be performed to identify qualified individuals. If the Governance Committee believes that the Board requires additional candidates for nomination, the Governance Committee may explore alternative sources for identifying additional candidates. This may include engaging, as appropriate, a third party search firm to assist in identifying qualified candidates.

The Governance Committee will evaluate any recommendation for director nominee proposed by a stockholder who (i) has continuously held at least 1% of the outstanding shares of the Company's common stock entitled to vote at the annual meeting of stockholders for at least one year prior to the date the stockholder makes the recommendation and (ii) undertakes to continue to hold the common stock through the date of the meeting. In order to be evaluated in connection with the Company's established procedures for evaluating potential director nominees, any recommendation for director nominee submitted by a qualifying stockholder must be received by the Company no later than 120 days prior to the anniversary of the date proxy statements were mailed to stockholders in connection with the prior year's annual meeting of stockholders. Any stockholder recommendation for director nominee must be submitted to the Company's Corporate Secretary in writing at 15090 Avenue of Science, San Diego, California 92128 and must contain the following information:

a statement by the stockholder that he/she is the holder of at least 1% of the Company's common stock and that the stock has been held for at least a year prior to the date of the submission and that the stockholder will continue to hold the shares through the date of the annual meeting of stockholders;

the candidate's name, age, contact information and current principal occupation or employment;

a description of the candidate's qualifications and business experience during, at a minimum, the last five years, including his/her principal occupation and employment and the name and principal business of any corporation or other organization in which the candidate was employed;

the candidate's resume; and

three references.

The Governance Committee will evaluate recommendations for director nominees submitted by directors, management or qualifying stockholders in the same manner, using the criteria stated above.

All directors and director nominees will submit a completed form of directors' and officers' questionnaire as part of the nominating process. The process may also include interviews and additional background and reference checks for non-incumbent nominees, at the discretion of the

Governance Committee.

In the event that the stockholders fail to ratify the appointment, the Audit Committee will investigate the reasons for stockholder rejection and will reconsider the appointment. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent auditing firm during the year if the Audit Committee believes that such a change would be in the best interests of the Company and its stockholders. A representative of Deloitte & Touche LLP is expected to be present at the annual meeting, with the opportunity to make a statement if the representative desires to do so, and is expected to be available to respond to appropriate questions.

In addition, the compensation described in this table does not include medical, group life insurance or other benefits which are available generally to all of our salaried employees.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form DEF 14A

The employment of our executive officers is at will. The Company has not entered into employment agreements with any of our executive officers.

Pursuant to a letter from us to Mr. Lydon dated August 1, 2001, we agreed to pay Mr. Lydon supplemental compensation payments of \$238,000 on August 1, 2002 and on each August 1 thereafter through August 1, 2005. If Mr. Lydon's employment with us terminates before August 1, 2005, he is entitled to a *pro rata* portion of such compensation through the date of termination. See also Certain Relationships and Related Transactions.

On April 6, 2005, Accredited announced the appointment of Stuart D. Marvin as Executive Vice President in charge of finance, capital markets and corporate communications. We have not entered into an employment agreement with Mr. Marvin, but the Compensation Committee of our Board of Directors has approved a compensation term sheet for Mr. Marvin's employment. Pursuant to these terms, Mr. Marvin will be paid a base salary of \$425,000 per year. Mr. Marvin will also be paid an initial cash bonus of \$250,000 by May 1, 2005, which is subject to repayment by Mr. Marvin on a *pro rata* basis if he terminates his employment voluntarily or is terminated for cause during the first year of his employment. Mr. Marvin was granted, as a material inducement to his employment with Accredited, two restricted stock awards of 14,240 shares each, on April 15, 2005. The shares underlying the first award shall become vested in an amount equal to 50% of the award on April 15, 2007, with an additional 25% vesting on each of April 15, 2008 and April 15, 2009. The shares underlying the second award shall become vested in an amount equal to 50% of the award on February 15, 2008, with an additional 25% vesting on each of February 15, 2009 and February 15, 2010. Mr. Marvin will also receive a gross-up in respect of the stock

Table of Contents

grants in an amount sufficient to cover the federal and state income tax associated with each grant as necessary to reflect Mr. Marvin's election under Section 83(b) of the Internal Revenue Code of 1986, as amended. Additionally, Mr. Marvin will be eligible to participate in our Management Incentive Plan, and specifically, will be a participant in the Executive Management component of such plan. The plan provides for both cash and stock compensation awards. Mr. Marvin will receive a guaranteed cash bonus under the plan for 2005 equal to \$400,000 (this amount may be adjusted higher under the terms of the plan). Mr. Marvin will also be entitled to receive a minimum guaranteed cash bonus of \$100,000 in each of 2006 and 2007 (these amounts may also be adjusted higher under the terms of the plan). Mr. Marvin will also be eligible for stock awards under the plan, provided that his participation in the stock component, if any, will be limited to the extent that he will only receive payments, as authorized by the terms of the plan, which would exceed \$1,000,000 in value. Consequently, Mr. Marvin's participation in the stock component of the plan is intended to only occur to the extent the floor value of \$1,000,000 (which is equal to the value of the two restricted stock awards already provided to Mr. Marvin) has been exceeded. In addition, Mr. Marvin will receive an initial grant of 80,000 stock options to acquire shares of our common stock, which will have an exercise price equal to the fair market value of our common stock on the date of grant. These options will be granted and be subject to such other standard terms and conditions as all other stock options granted to executive management and Mr. Marvin's stock options will be evidenced by our standard form of executive stock option agreement.

Compensation of Directors

During 2004, our non-employee directors received \$1,500 for each meeting of the Board they attended and an annual retainer of \$25,000, paid quarterly in arrears. In addition, our non-employee directors received \$1,000 for each committee meeting they attended; the chairpersons of the Compensation Committee and Nominating & Corporate Governance Committee received an additional \$1,000 per meeting attended, and the chairperson of the Audit Committee received an additional \$2,000 per meeting attended. Effective January 27, 2005, compensation for our non-employee director Audit Committee members was increased to \$2,000 per meeting attended, and compensation for the chairperson of the Audit Committee was increased to \$4,000 per meeting attended.

Effective January 1, 2004, the Board elected Mr. Erickson to serve as the Lead Director on the Board at an additional annual retainer of \$25,000, paid quarterly in arrears. The primary responsibilities of the Lead Director include acting as a liaison between the Board and the Chairman of the Board; serving as Chairman of the Board during executive sessions of non-employee directors; and facilitating communications cross-committee and from Company employees and stockholders to the Board. The Lead Director is nominated and appointed by Board resolution.

Effective upon the first anniversary of our February 2003 initial public offering, each non-employee director is entitled to receive an annual grant of stock options to purchase 7,500 shares of our common stock on the date of each annual meeting of stockholders under our 2002 Stock Option Plan (the *2002 Plan*). The 2002 Plan also provides for an initial, automatic grant of an option (*Initial Option*) to purchase 17,500 shares of our common stock upon a new non-employee director's election to our Board. Notwithstanding the foregoing, a non-employee director granted an Initial Option on, or within a period of six months prior to, the date of an annual meeting of stockholders is not entitled to receive an annual option with respect to that annual stockholders' meeting. Each Initial Option and annual option granted under the 2002 Plan has an exercise price per share equal to the fair market value of a share of our common stock on the date of grant and a term of ten years. Both the Initial Options and the annual options granted to newly elected or appointed non-employee directors vest and become exercisable in four substantially equal installments on each of the four anniversaries of the date of grant of the option. All automatic non-employee director options granted under the 2002 Plan are nonstatutory stock options. They must be exercised, if at all, within 12 months after a non-employee director's termination of service with us by reason of death or disability and otherwise within three months after termination of service, but in no event later than the expiration of the option's term. In the event of our merger with another corporation or another change in control event, all automatic non-employee director options will become fully vested and exercisable.

In response to changing industry practices and competitive pressures in early 2004, the Board conducted a review of the retention and incentive practices of certain of the Company's competitors and peers. Following that review, the Board determined that the outside director retention goals of the Company were better met through an annual grant of restricted shares of Company common stock under the Company's DCP in lieu of the annual grant of options to purchase 7,500 shares of common stock under the 2002 Plan. Because of the timing of this decision, the

Table of Contents

annual grants provided for by the 2002 Plan were not made. In March 2004, the Board approved annual grants of restricted shares of common stock under the Deferred Compensation Plan (the *DCP*) with a dollar value equivalent of \$90,000 for each non-employee director. For non-employee directors currently serving on the Board, the grants will occur annually on February 14, the anniversary of the effective date of the Company's initial public offering. New non-employee directors are entitled to receive the restricted share grant on the first, and each subsequent, anniversary of their initial date of joining the Board. Effective July 27, 2004, the Board changed the timing of the annual grants for administrative convenience so that each new non-employee director would receive his or her restricted share grant on the first day of the calendar quarter nearest to that director's anniversary of election or appointment to the Board. Each restricted share grant vests upon the second anniversary of its date of grant. In order to receive the restricted share grant(s), each non-employee director is required to sign a waiver of his or her right to receive the annual option grant under the 2002 Plan; however, new non-employee directors will continue to receive an Initial Option, and any Initial Option previously granted under the 2002 Plan will continue to remain outstanding.

We reimburse all non-employee directors for expenses incurred to attend meetings of our Board or its committees, promptly after such expense is incurred.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Transactions Involving Officers, Directors and 5% Stockholders

Since January 2004, there has been no transaction to which we were a party in which the amount involved exceeded \$60,000 and in which any director, executive officer, holder of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had a direct or indirect material interest, other than the compensation agreements, including stock option agreements, and other agreements and transactions which are described in this proxy statement and the transactions described below.

On August 1, 2001, Joseph J. Lydon, our President, Chief Operating Officer, director and a holder of 4.8% of our common stock, issued a promissory note to us in order to exercise his options to purchase 1,000,000 shares of our common stock. The promissory note was due on the earlier of (i) August 1, 2005 or (ii) the termination of Mr. Lydon's employment with us. The principal amount of the note was \$1,250,000, which amount was accruing interest at a rate of 10.6% per annum. Mr. Lydon was entitled to prepay the entire principal balance of the note at any time; however, interest on the entire original principal was still due and payable on each anniversary of the date of the note through the maturity date of the note. The promissory note was full recourse and was secured by Mr. Lydon's 1,000,000 shares of our common stock, pursuant to a stock pledge agreement. In December 2004, Mr. Lydon prepaid the entire principal balance and accrued interest on the note for a total payment to us of \$1,382,500. Upon receipt of Mr. Lydon's payment, we released the shares in accordance with the terms of the stock pledge agreement. Pursuant to a letter from us to Mr. Lydon dated August 1, 2001, we agreed to pay Mr. Lydon supplemental compensation payments of \$238,000 on August 1, 2002 and on each August 1 thereafter through August 1, 2005. If Mr. Lydon's employment with us terminates before August 1, 2005, he is entitled to a *pro rata* portion of such compensation through the date of termination. In addition, on June 13, 2002, we made a loan to Mr. Lydon to cover certain income taxes payable in connection with his exercise of options. During 2004, the largest amount outstanding was \$30,532. The outstanding principal amount of the loan is currently \$26,497, which amount is accruing interest at a rate of 10.0%. The note is due on the earlier of (i) June 13, 2006 or (ii) the termination of Mr. Lydon's employment with us. Mr. Lydon may prepay the entire principal balance of the note at any time.

Transactions with Accredited Mortgage Loan REIT Trust

Accredited Home Lenders, Inc. (*AHL*) is our wholly-owned subsidiary and the direct corporate parent of the REIT. We are the indirect corporate parent of the REIT and the guarantor with respect to payments on the REIT's outstanding publicly held preferred shares. The REIT may have interests which are not identical to ours. Consequently, conflicts of interest may arise with respect to transactions, including, without limitation, the REIT's acquisition of mortgage loans from AHL and the provision by AHL of advisory services to the REIT. It is our intention, and that of the REIT, that any agreements and transactions between us, on the one hand, and AHL, the REIT and/or their respective affiliates, on the other hand, are fair to all parties and consistent with market terms. However, there can be no assurance that such transactions will be on terms as favorable to us as those that could have been obtained from unaffiliated third parties.

On October 1, 2004, the REIT entered into an intercompany administration and servicing agreement with AHL whereby the REIT compensates AHL for loan servicing, treasury, accounting, tax and other administrative services provided by AHL. The REIT pays to AHL a management fee equal to 0.5% per year on the outstanding principal balance of the loans serviced by it, plus miscellaneous fee income collected from mortgagors, including late payment charges, assumption fees and similar items. The REIT, on the one hand, and AHL, on the other hand, may offset any balance or amount due from one party to the other under this agreement or any other contract entered into between such parties. Therefore, on each settlement date, either the REIT or AHL will pay to the other party interest on the net average balance payable at an annual rate equal to the Six-Month LIBOR plus 1.0%.

Edgar Filing: ACCREDITED HOME LENDERS HOLDING CO - Form DEF 14A

AHL has previously executed securitizations of residential mortgage loans in which it obtained the related retained interests. During 2004, AHL transferred the retained interests in the Accredited Mortgage Loan Trust 2002-1, 2002-2, 2003-1, 2003-2, 2003-3 and 2004-1 securitizations to the REIT as a net contribution of capital totaling \$59.1 million, which excludes cash contributions and subsequent contributions of assets and liabilities for the Accredited Mortgage Loan Trust 2004-2, 2004-3 and 2004-4 securitizations.

Table of Contents

In addition, the REIT acquired the mortgage assets for the Accredited Mortgage Loan Trust 2004-2, 2004-3 and 2004-4 securitizations as contributions of capital from AHL. These mortgage assets consisted primarily of residential mortgage loans, or interests in these mortgage loans, that had been originated or acquired by AHL.

In connection with the REIT's execution of securitization transactions, AHL and the REIT, as several borrowers or sellers, may enter into warehouse transactions with lenders to finance the related mortgage loans that are to be contributed by AHL to the REIT and then subsequently securitized with permanent bond financing. The net proceeds of the securitization are to be used by AHL or the REIT to repay the warehouse debt and pay other expenses of the securitization. In 2004, AHL and the REIT, as several sellers, entered into three short-term temporary aggregate warehouse facilities. These agreements had cross-default and cross-collateralization provisions, such that a default by one co-seller would cause a default as to the other seller thereunder, and AHL guaranteed the REIT's obligations under the related agreements. The borrowings under these agreements were repaid upon the securitization of the related loans and the agreements were terminated. Currently, there are no outstanding short-term temporary aggregate warehouse facilities. In 2005, AHL and the REIT, as several sellers, entered into or modified two warehouse agreements to permit the securitization structure contemplated above. Each of the agreements has cross-default and cross-collateralization provisions and AHL provides a guarantee of the REIT's obligations under the facilities. AHL and the REIT, as several borrowers or sellers, may enter into or modify additional warehouse facilities during 2005.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who beneficially own more than 10% of our common stock to file initial reports of beneficial ownership and reports of changes in beneficial ownership with the SEC. Such persons are required by SEC regulations to furnish us with copies of all Section 16(a) forms filed by such person.

Based solely on our review of such forms furnished to us and written representations from certain reporting persons, we believe that all filing requirements applicable to our executive officers, directors and greater-than-10% stockholders were complied with, except for one late report by each of Bowers W. Espy and Martin P. Harding, with respect to one transaction each.

REPORT OF THE COMPENSATION COMMITTEE ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is comprised of non-employee directors. The members of the Compensation Committee until July 2004 were Mr. Berglund, Ms. Gunderson and Dr. Pratt. Effective July 27, 2004, Mr. Erickson and Mr. Espy replaced Ms. Gunderson and Dr. Pratt on the committee. Each member of the Compensation Committee has been affirmatively determined by the Board of Directors to be an independent director as defined by the NASDAQ Marketplace rules. The Compensation Committee is responsible for managing the compensation of the executive officers of the Company, including the review and approval of policies governing such compensation, review of the performance of the executive officers and determining or recommending to the Board of Directors the compensation levels for executive officers.

The Compensation Committee's compensation policies with respect to executive officers are designed to attract, retain and reward executive officers who contribute to the Company's success, to align executive officer compensation with the Company's performance and to motivate executive officers to achieve the Company's business objectives, always with stockholder value in mind. The Company uses salary, cash bonuses, stock option grants and restricted stock grants to implement these policies.

Base salaries of executive officers are reviewed annually by the Compensation Committee and consideration is generally given to (i) salary recommendations from the Chief Executive Officer, (ii) individual performance of executive officers for the previous fiscal year, and (iii) financial results of the Company for the previous year. Incentive compensation for executive officers is provided for under the Company's Management Incentive Plan approved by the Compensation Committee (the *Incentive Plan*). The Incentive Plan authorizes both cash and restricted stock awards based on a combination of the Company's performance and the individual's performance. The Incentive Plan establishes maximum levels of awards that may be granted based upon the Company's attaining different levels of net income, and actual awards to executive officers are based upon individual performance, as determined by the Compensation Committee with input from the Chief Executive Officer. The maximum levels of awards are established based on prior years' maximum levels and information regarding executive compensation at peer group companies. The Compensation Committee determines compensation for the Company's Chief Executive Officer, Mr. Konrath, in the same manner as for other executive officers except that the maximum award amounts under the Incentive Plan for the Chief Executive Officer (and for the President, the Executive Vice President and the Director of Operations) are established at higher levels than for other executive officers. In awarding Mr. Konrath the maximum award amounts available under the Incentive Plan with respect to 2004, the Compensation Committee took into account the Company's record volume and profits for 2004 and the performance of the Company's stock during the year.

Section 162(m) of the Internal Revenue Code restricts deductibility of executive compensation paid to the Company's chief executive officer and each of the four other most highly compensated executive officers holding office at the end of any year to the extent such compensation exceeds \$1,000,000 for any of such officers in any year and does not qualify for an exception under Section 162(m) or related regulations. The Compensation Committee's policy is to qualify its executive compensation for deductibility under applicable tax laws to the extent practicable. Income related to grants of restricted stock generally does not qualify for an exemption; however, the Compensation Committee believes that the retention value of grants of the restricted stock that were made with respect to 2004 outweighs the limitation on the deductibility of income related to such grants. In the future, the Compensation Committee will continue to evaluate the advisability of qualifying its executive compensation for full deductibility.
