State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

As disclosed in a press release dated November 11, 2005 and filed with a Current Report on Form 8-K, during the third quarter of 2005 the Registrant identified certain errors in previously issued financial statements and changed its accounting for deferred loan fees and costs. As a result of these matters, management requires additional time to complete and review related disclosures in the financial statements and Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Quarterly Report on Form 10-Q for the period ended September 30, 2005. Consequently, management is unable to complete the preparation of its financial statements and Quarterly Report on Form 10-Q and to facilitate the completion of the review of the September 30, 2005 financial statements by its auditors by November 14, 2005 without unreasonable effort or expense.
