Item 1.01 Entry into a Material Definitive Agreement.

Compensation arrangements with newly promoted executives.

As discussed below in Item 5.02, the Corporation announced, effective January 1, 2006, the promotions of David L. Swift to the newly created position of President, Whirlpool North America and the promotion of Michael A. Todman to the newly created position of President, Whirlpool International.

In connection with these promotions, the Human Resources Committee of Whirlpool's Board of Directors increased Mr. Swift's annual base salary for 2006 from \$570,000 to \$700,000 and Mr. Todman's from \$545,000 to \$650,000. At the same time, the Committee approved an increase in the annual bonus target award under Whirlpool's annual incentive compensation plan (PEP) for each officer from 80% to 85% of base salary. Under the terms of PEP, compensation for executive officers is based on meeting a corporate performance target and can be reduced by the Committee based on its evaluation of the Company's performance measured against financial, customer, and employee objectives and the individual performance of the senior leader under the Committee's balanced scorecard approach. In addition, the Committee approved an increase in the target compensation award for each officer under Whirlpool's long-term incentive compensation plan (SEP) for the 2006 to 2008 performance period from 150% to 175% of annual base salary. The Committee approved a payout format for each officer of 50% in phantom restricted stock and 50% in stock options if the financial and strategic performance targets set by the Committee under SEP are met. Finally, the Committee approved an increase in the stock ownership guideline for Messrs. Swift and Todman from 4 times annual base salary to 5 times annual base salary.
