**Item 1.01 Entry into a Material Definitive Agreement.**

On January 6, 2006, HealthSouth Corporation (the Company) and The Board of Trustees of The University of Alabama on behalf of its operating unit, the University of Alabama at Birmingham (UAB), issued a press release, a copy of which is attached hereto as Exhibit 99.1 and incorporated herein by reference, announcing that the Company, HealthSouth Medical Center, Inc. (HMC) and UAB have signed an Amended and Restated Asset Purchase Agreement, dated December 31, 2005 (the Amended Agreement), for the sale of the HealthSouth Medical Center located on the southside of Birmingham, Alabama (the Hospital) to UAB. The Amended Agreement supersedes the previous Asset Purchase Agreement between the Company, HMC, and UAB, dated July 20, 2005 (the Previous Agreement), which was originally reported on the Company's Form 8-K filed July 26, 2005.

Pursuant to the Amended Agreement, UAB will purchase the Hospital and associated real and personal property for \$33 million plus certain other costs incurred through the date of closing. The Amended Agreement also provides that the Company shall convey its interest in HEALTHSOUTH/UAB Gamma Knife, L.L.C. to UAB as of December 31, 2006, for no additional consideration. The proposed transaction requires that the Company and/or HMC acquire and convey title to UAB for certain professional office buildings that HMC is currently leasing.

Both the certificate of need under which the Hospital currently operates, and the licensed beds operated by HMC at the Hospital, will be transferred as part of the sale of the Hospital under the Amended Agreement. The Previous Agreement provided that the certificate of need and licensed beds would not be transferred as part of the assets and made closing contingent upon UAB obtaining certain regulatory approvals, including a certificate of need from the State of Alabama to operate the Hospital.

The Amended Agreement contains customary representations, warranties, and covenants. The Company and UAB have received approval for the change of ownership from the Alabama State Health Planning and Development Agency and anticipate the closing of the transactions in the coming weeks.

**Item 8.01 Other Events.**

On January 4, 2006, the Company executed a letter of intent regarding the sale of the property and equipment which were to have comprised the Company's Digital Hospital in Birmingham, Alabama. The letter of intent incorporates certain non-disclosure provisions. The letter of intent is non-binding, except with respect to exclusive negotiations between the parties and certain other terms, and the term of such letter of intent expires, subject to certain conditions, on March 31, 2006 unless otherwise extended in accordance with the terms of the letter of intent.
