Compensation arrangements with newly promoted executives.

As discussed below in Item 5.02, the Corporation announced, effective January 1, 2006, the promotion of Larry M. Venturelli to the position of Corporate Vice President and Controller. In this position, Mr. Venturelli will be the principal accounting officer of the Corporation.

In connection with this promotion, the Human Resources Committee of Whirlpool's Board of Directors (the Committee) increased Mr. Venturelli's annual base salary for 2006 from \$210,000 to \$240,000. At the same time, the Committee approved an increase in the annual bonus target award under Whirlpool's annual incentive compensation plan (PEP) for Mr. Venturelli from 50% to 65% of base salary. Under the terms of PEP, compensation for officers is based on meeting a set of corporate and business financial and other performance goals established by the Committee, as well as achieving individual performance objectives under the Committee's balanced scorecard approach. In addition, the Committee approved an increase in the target compensation award for Mr. Venturelli under Whirlpool's long-term incentive compensation plan (SEP) for the 2006 to 2008 performance period from 40% to 80% of annual base salary. Under SEP, compensation is based on meeting one year strategic performance objectives established by the Committee, followed by a two-year vesting period, with payments made in cash and common stock if both performance and vesting goals are met.
