Item 2.04. Triggering Events that Accelerate or Increase a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement.

Under our lease with The Irvine Company, dated April 30, 2001 and amended August 1, 2002, October 21, 2003 and September 15, 2005, for our facilities at 985 Almanor Avenue, Sunnyvale, California, if we raise \$75.0 million or more in cash as a result of a single public offering, we must pay The Irvine Company the lesser of (i) 10% of any amount raised in excess of \$75.0 million or (ii) any remaining deferred rent obligation under the lease.

On January 30, 2006, we entered into an underwriting agreement relating to the public offering of 6,500,000 shares of our common stock, as further described below under Item 8.01 of this Current Report on Form 8-K. We estimate the net proceeds to us from this offering will be approximately \$97.3 million, or \$111.9 million if the underwriters to the public offering exercise their over-allotment option in full. Pursuant to our lease with The Irvine Company, as amended, the completion of this public offering will trigger an obligation to pay The Irvine Company approximately \$2.2 million towards our remaining deferred rent obligation, which obligation will be increased to approximately \$3.7 million if the underwriters exercise their over-allotment option in full.

Item 8.01. Other Events.

On January 30, 2006, we entered into an underwriting agreement (the Underwriting Agreement) with J.P. Morgan Securities Inc., Deutsche Bank Securities Inc. and Lehman Brothers Inc. (the Underwriters) relating to the public offering, issuance and sale of 6,500,000 shares of our common stock, \$0.001 par value per share. The price to the public is \$16.00 per share, and the Underwriters have agreed to purchase the shares from us at a price of \$15.04 per share. Under the terms of the Underwriting Agreement, we have granted the Underwriters an option, exercisable for 30 days after the offering, to purchase up to an additional 975,000 shares solely to cover over-allotments, if any. The underwriting agreement contains customary representations, warranties and agreements by us, and customary conditions to closing, indemnification rights, obligations of the parties and termination provisions. The offering is being made pursuant to our effective shelf registration statement on Form S-3 (Registration No. 333-126591) and a related registration statement on Form S-3 filed pursuant to Rule 462(b) under the Securities Act of 1933, as amended (Registration No. 333-131392), both previously filed with the Securities and Exchange Commission.

The Underwriting Agreement is filed as Exhibit 1.1 to this report and is incorporated herein by reference. The description of the material terms of the Underwriting Agreement is qualified in its entirety by reference to such exhibit. Our press release dated January 31, 2006, titled Nuvelo Announces Pricing of Common Stock Offering, is attached hereto as Exhibit 99.1 and is herein incorporated herein by reference. Attached as Exhibit 5.1 to this Current Report on Form 8-K is the opinion of Cooley Godward LLP relating to the validity of the shares to be issued in the offering.
