telephone number is (805) 447-1000. Our website is located at [www.amgen.com](http://www.amgen.com). Information contained on our website is not a part of this prospectus or any accompanying prospectus supplement.

### **RISK FACTORS**

Before you invest in any of our securities, in addition to the other information in this prospectus and the applicable prospectus supplement, you should carefully consider the risk factors under the heading "Factors That May Affect Amgen" (or similar heading) in our current report on Form 8-K filed with the SEC on February 13, 2006, which is incorporated by reference into this prospectus and the applicable prospectus supplement, as the same may be updated from time to time by our future filings under the Securities Exchange Act.

### **USE OF PROCEEDS**

We are filing the registration statement of which this prospectus is a part to permit the holders of our securities described in the section entitled "Selling Security Holders" of the applicable accompanying prospectus supplement to resell such securities. We will not receive any of the proceeds from the resale of the securities from time to time by such holders.

### **DIVIDEND POLICY**

Subject to preferences that may be applicable to any outstanding preferred stock, the holders of common stock are entitled ratably to receive dividends, if any, declared by our board of directors out of funds legally available for the payment of dividends. We have not paid cash dividends to date and do not expect to pay any cash dividends in the foreseeable future.

### **RATIO OF EARNINGS TO FIXED CHARGES**

	<b>Year Ended December 31,</b>				
	<b>2001</b>	<b>2002</b>	<b>2003</b>	<b>2004</b>	<b>2005</b>
Ratio of earnings to fixed charges	46.3x	(1)	44.8x	42.1x	32.0x

(1) Earnings were approximately \$716 million lower than the amount needed to cover fixed charges in this year, as earnings were impacted by a write-off of acquired in-process research and development of approximately \$3.0 billion related to the acquisition of Immunex Corporation.

For these ratios, earnings is computed by adding income before income taxes and fixed charges (excluding capitalized interest) and excluding Amgen's share of income/losses in its equity method affiliates. Fixed charges consist of interest expense, including capitalized interest, amortized premiums, discounts and capitalized expenses related to indebtedness and estimated interest included in rental expense.

In February 2006, we raised \$5.0 billion of cash proceeds by issuing convertible notes at par in a private placement. Of the \$5.0 billion convertible notes, \$2.5 billion pay interest at 0.125 percent and are due in 2011 and \$2.5 billion pay interest at 0.375 percent and are due in 2013. The notes are convertible into cash, and under certain terms and conditions, shares of our common stock.

**SELLING SECURITY HOLDERS**

The selling security holders are persons or entities who have acquired or will acquire from us from time to time common stock, preferred stock, debt securities and/or warrants in one or more unregistered private offerings. Such selling security holders are or will be parties to registration rights agreements with us, or we otherwise have agreed or will agree to register their securities for resale. Selling security holders, including their transferees, pledgees, donees or successors, may from time to time offer and sell the securities pursuant to this prospectus or any applicable prospectus supplement.

The selling security holders may offer all or some portion of the securities they hold. To the extent that any of the selling security holders are broker-dealers, they are deemed to be, under interpretations of the SEC, underwriters within the meaning of the Securities Act of 1933, as amended.

The applicable prospectus supplement will set forth the name of each selling security holder and the number and type of our securities beneficially owned by such selling security holder that are covered by such prospectus supplement. The applicable prospectus supplement will also disclose whether any selling security holder has held any position or office with, has been employed by or otherwise has had a material relationship with us during the three years prior to the date of the prospectus supplement.

**PLAN OF DISTRIBUTION**

We are registering the securities to provide the selling security holders with freely tradable securities, but the registration of these securities does not necessarily mean that any of these securities will be offered or sold by the holders.

We will not receive any proceeds from the sale of the securities by the selling security holders, but we have agreed, in certain cases, to pay the following expenses of the registration of such securities:

all registration and filing fees;

fees and expenses for complying with securities or blue sky laws, including reasonable fees and disbursements of counsel in connection with blue sky qualifications; and

the fees and expenses incurred in connection with listing the securities on each securities exchange on which similar issued securities are then listed.

We have no obligation to pay any underwriting fees, discounts or commissions attributable to the resale of the securities by the selling security holders. We also have no obligation to pay any out-of-pocket expenses of the selling security holders, or the agents who manage their accounts, or any transfer taxes relating to the registration or sale of the securities contemplated hereby.

The selling security holders may from time to time sell the securities covered by this prospectus and any accompanying prospectus directly to purchasers. Alternatively, the selling security holders may from time to time offer such securities through dealers or agents, who may receive compensation in the form of commissions from the selling security holders and for the purchasers of such securities for whom they may act as agent. The securities may be sold in one or more transactions at fixed prices, at prevailing market prices, at prices related to the prevailing market prices, at varying prices determined at the time of sale, or at negotiated prices. These sales may be effected in cross, block or other types of transactions:

on any national securities exchange or U.S. inter-dealer system of a registered national securities association on which the securities may be listed or quoted at the time of sale;

in the over-the-counter market;

in transactions otherwise than on these exchanges or systems or in the over-the-counter market;

through the writing of options, whether the options are listed on an options exchange or otherwise;

through the settlement of short sales; or

through any other legally available means.

In addition, any securities covered by this prospectus that qualify for sale pursuant to Rule 144 or Rule 144A of the Securities Act may be sold under Rule 144 or Rule 144A rather than pursuant to this prospectus.

The selling security holders and any dealers or agents that participate in the distribution of such securities may be deemed to be underwriters within the meaning of the Securities Act and any profit on the resale of the securities by them and any commissions received by any of these dealers or agents might be deemed to be underwriting commissions under the Securities Act.

In connection with distribution of the securities covered by this prospectus:

the selling security holders may enter into hedging transactions with broker-dealers;

the broker-dealers may engage in short sales of the securities in the course of hedging the positions they assume with the selling security holders;

the selling security holders may sell the securities short and deliver the securities to close out these short positions;

the selling security holders may enter into option or other transactions with broker-dealers that involve the delivery of the securities to the broker-dealers, who may then resell or otherwise transfer the securities; and

the selling security holders may loan or pledge the securities to a broker-dealer or other person or entity and the broker-dealer or other person or entity may sell the securities so loaned or upon a default may sell or otherwise transfer the pledged securities.

Persons participating in the distribution of the securities offered by this prospectus may engage in transactions that stabilize the price of the securities. The anti-manipulation rules of Regulation M under the Securities Exchange Act may apply to sales of the securities in the market and to the activities of the selling security holders.

To the extent required, the securities to be sold, the names of the selling security holders, the respective purchase prices and public offering prices, the names of any agent, dealer or underwriter, and any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement of which this prospectus is a part.

**ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS**

Subsection (a) of Section 145 of the General Corporation Law of the State of Delaware (the "DGCL") empowers a corporation to indemnify any person who was or is a party or who is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful.

Subsection (b) of Section 145 empowers a corporation to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation to procure a judgment in its favor by reason of the fact that the person acted in any of the capacities set forth above, against expenses (including attorneys' fees) actually and reasonably incurred by the person in connection with the defense or settlement of such action or suit if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification shall be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent that the Court of Chancery or the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Court of Chancery or such other court shall deem proper.

Section 145 further provides that to the extent a director or officer of a corporation has been successful on the merits or otherwise in the defense of any action, suit or proceeding referred to in subsections (a) and (b) of Section 145, or in defense of any claim, issue or matter therein, such person shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith; that indemnification provided for by Section 145 shall not be deemed exclusive of any other rights to which the indemnified party may be entitled; and the indemnification provided for by Section 145 shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of such person's heirs, executors and administrators. Section 145 also

empowers the corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his status as such, whether or not the corporation would have the power to indemnify such person against such liabilities under Section 145.

The Registrant provides liability insurance for its directors and officers which provides for coverage against loss from claims made against directors and officers in their capacity as such, including liabilities under the Securities Act.

Section 102(b)(7) of the DGCL provides that a corporation's certificate of incorporation may contain a provision eliminating or limiting the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director, provided that such provision shall not eliminate or limit the liability of a director (i) for any breach of the director's duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (iii) under Section 174 of the DGCL, or (iv) for any transaction from which the director derived an improper personal benefit.

Article SIXTH of the Registrant's Restated Certificate of Incorporation limits the liability of directors to the fullest extent permitted by Section 102(b)(7).

Under the Registrant's bylaws, the Registrant is required to indemnify its directors and officers to the full extent permitted by the DGCL. However, the bylaws provide that the Registrant is not required to indemnify any director or officer in connection with any proceeding (or part thereof) initiated by such person or any proceeding by such person against the Registrant or its directors, officers, employees or other agents unless (i) such indemnification is expressly required to be made by law, (ii) the proceeding was authorized by the Registrant's board of directors, (iii) such indemnification is provided by the Registrant in its sole discretion, or (iv) such indemnification is required under the bylaws.

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement;

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(ii) each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5) or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act of 1933 to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.
