ANNUAL MEETING OF STOCKHOLDERS

TO BE HELD MAY 18, 2006

PROXY STATEMENT

INTRODUCTION

General

This Proxy Statement is furnished in connection with the solicitation by the Board of Directors of Kilroy Realty Corporation, a Maryland corporation (the "Company"), of proxies from the holders of the Company's issued and outstanding shares of common stock, par value \$.01 per share (the "Common Stock"), to be exercised at the Annual Meeting of Stockholders (the "Annual Meeting") to be held on May 18, 2006 at the Company's principal executive offices located at 12200 West Olympic Boulevard, Suite 200, Los Angeles, California 90064 at 9:00 a.m. (local time), including at any adjournment(s) or postponement(s), for the purposes set forth in the accompanying Notice of Annual Meeting of Stockholders.

At the Annual Meeting, the stockholders of the Company will be asked to consider and vote upon the following proposals (the "Proposals"):

1. To elect two directors to the Company's Board of Directors to serve until the annual meeting of stockholders in the year 2009 and until their successors are duly elected and qualify;
2. To approve the adoption of the 2006 Incentive Award Plan; and
3. To transact such other business as may properly come before the Annual Meeting or any adjournment(s) or postponement(s) thereof.

Edgar Filing: KILROY REALTY CORP - Form DEF 14A

Only the holders of record of the shares of Common Stock at the close of business on March 3, 2006 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. Each share of Common Stock is entitled to one vote on each matter voted on at the meeting. As of the Record Date, 29,772,228 shares of Common Stock were outstanding. This Proxy Statement and enclosed form of proxy are first being mailed to the stockholders of the Company on or about April 13, 2006.

A majority of the shares of Common Stock outstanding must be represented at the Annual Meeting in person or by proxy to constitute a quorum for the transaction of business at the Annual Meeting. Shares represented by proxies that reflect abstentions or broker non-votes will be counted as shares that are present and entitled to vote for purposes of determining the presence of a quorum. In order to be elected as a director, a nominee must receive a plurality of all the votes cast at the Annual Meeting at which a quorum is present. For purposes of calculating votes cast in the election of the directors, abstentions or broker non-votes will not be counted as votes cast and will have no effect on the result of the vote on the Proposal regarding the election of the directors. The 2006 Incentive Award Plan will be approved if it receives the affirmative vote of the holders of a majority of the votes cast at the Annual Meeting, provided that the total vote cast on the Proposal regarding the approval of the 2006 Incentive Award Plan represents over 50% in interest of all shares entitled to vote on that Proposal. Abstentions as to the 2006 Incentive Award Plan will be treated as voted for purposes of determining the approval of that Proposal and will have the same effect as a vote against such Proposal, while proxies that reflect broker non-votes will be treated as unvoted for purposes of determining approval and will not be counted as votes for or against the Proposal.

The shares of Common Stock represented by all properly executed proxies returned to the Company will be voted at the Annual Meeting as indicated or, if no instruction is given, will be voted FOR (i) the election of the two director nominees named in this Proxy Statement and (ii) approval of the 2006 Incentive Award Plan. As to any other business that may properly come before the Annual Meeting, all properly executed proxies will be voted by the persons named in the proxy card, at their discretion. The Company does not presently know of any other business that may come before the Annual Meeting. Any person giving a proxy has the right to revoke it at any time before it is exercised (i) by filing with the Secretary of the Company a duly signed revocation or a proxy bearing a later date or (ii) by electing to vote in person at the Annual Meeting. Mere attendance at the Annual Meeting will not revoke a proxy.

NO PERSON IS AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS ON BEHALF OF THE COMPANY WITH RESPECT TO THE PROPOSALS OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT, AND, IF GIVEN OR MADE, SUCH INFORMATION MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED AND THE DELIVERY OF THIS PROXY STATEMENT SHALL, UNDER NO CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF THE COMPANY SINCE THE DATE HEREOF.

The Company's principal executive offices are located at 12200 W. Olympic Boulevard, Suite 200, Los Angeles, California 90064, telephone (310) 481-8400, and the Company's website is www.kilroyrealty.com. References herein to the Company refer to Kilroy Realty Corporation and its subsidiaries, unless the context otherwise requires.

The date of this Proxy Statement is April 7, 2006.

PROPOSAL 1: ELECTION OF DIRECTORS

Pursuant to the Company's articles of incorporation, as amended (the Charter), the Company's bylaws, as amended (the Bylaws), and resolutions adopted by the Company's Board of Directors (the Board), the Board presently consists of seven directors and is divided into three classes serving staggered three-year terms. Pursuant to the Charter, at each annual meeting the successors to the class of directors whose terms expire at such meeting shall be elected to hold office for a term expiring at the annual meeting of stockholders held in the third year following the year of their election. The terms of two of the directors, Messrs. Kilroy, Jr. and Kinsella, will expire at the Annual Meeting. Accordingly, if elected at the Annual Meeting, Messrs. Kilroy, Jr. and Kinsella will hold office for a term of three years until the annual meeting of stockholders to be held in the year 2009, and until their successors are duly elected and qualify.

Except as otherwise instructed, proxies solicited by this Proxy Statement will be voted for the election of each of the nominees to the Board listed below. Each such nominee has consented to be named in this Proxy Statement and to serve as a director if elected. The information below relating to the nominees for election as director and to each of the other directors whose terms of office continue after the Annual Meeting has been furnished to the Company by the respective individuals.

The Board recommends a vote FOR the election of John B. Kilroy, Jr. and Dale F. Kinsella, to serve until the annual meeting of stockholders to be held in the year 2009 and until their respective successors are duly elected and qualify.

Vote Required

The election of each director requires the plurality of the votes cast by the holders of the shares of Common Stock entitled to vote, either present in person or by proxy at the Annual Meeting.

The Board recommends a vote FOR the election of John B. Kilroy, Jr. and Dale F. Kinsella, to serve until the annual meeting of stockholders to be held in the year 2009 and until their respective successors are duly elected and qualify.

PROPOSAL 2: APPROVAL OF 2006 INCENTIVE AWARD PLAN

Incentive Award Plan

The Board has adopted, subject to stockholder approval, the Kilroy Realty 2006 Incentive Award Plan (the "2006 Incentive Award Plan") for employees and consultants of the Company, Kilroy Realty, L.P. (the "Operating Partnership") and Kilroy Realty TRS, Inc. (the "TRS"), and directors of the Company and the TRS. The 2006 Incentive Award Plan will become effective upon approval by our stockholders. If the 2006 Incentive Award Plan is approved by our stockholders, we intend to terminate the Company's 1997 Stock Option and Incentive Plan (the "1997 Stock Incentive Plan") effective upon such approval, and no additional awards will thereafter be made under the 1997 Stock Incentive Plan. Any awards outstanding upon the termination of the 1997 Stock Incentive Plan will remain outstanding and in full force and effect in accordance with the terms of such plan and the applicable award agreement. If the 2006 Incentive Award Plan is not approved by our stockholders, it will not become effective and the 1997 Stock Incentive Plan will continue in full force and effect in accordance with its terms. If the 2006 Incentive Award Plan is approved by our stockholders, we intend to file with the Securities and Exchange Commission a Registration Statement on Form S-8 covering the shares of our Common Stock and other securities issuable under the 2006 Incentive Award Plan.

The Board believes that the 2006 Incentive Award Plan will promote the success and enhance the value of the Company by continuing to link the personal interest of participants to those of Company stockholders and by providing participants with an incentive for outstanding performance.

A summary of the principal provisions of the 2006 Incentive Award Plan is set forth below. This summary is qualified in its entirety by reference to the 2006 Incentive Award Plan itself, which is included as Appendix A.

Shares Available for Awards

Subject to certain adjustments set forth in the plan, the maximum number of shares of our Common Stock that may be issued or awarded under the plan is 1,535,000 shares. To the extent that an award terminates, expires, lapses for any reason, or is settled in cash, any shares of Stock subject to the award will again be available for the grant of an award pursuant to the 2006 Incentive Award Plan. Additionally, any shares of Stock tendered or withheld to satisfy the grant or exercise price or tax withholding obligation with respect to any award will not be counted as issued or transferred to the participant under the 2006 Incentive Award Plan and will again be available for the grant of an award pursuant to the 2006 Incentive Award Plan. For purposes of calculating the number of shares available for issuance under the 2006 Incentive Award Plan, each profits interest unit awarded under the plan will count as one share, and, to the extent that a stock appreciation right (or a "SAR") is exercised for stock, only the number of shares actually issued or transferred upon such exercise will be counted. No determination has been made as to the types or amounts of awards that will be granted to specific individuals pursuant to the plan.

Information on the total number of shares available under our existing equity compensation plans and subject to outstanding options at the end of the last fiscal year is presented below under the caption "Executive Compensation Equity Compensation Plan Information." Based on our equity award plans in effect and outstanding awards at March 3, 2006, if stockholders approve the 2006 Incentive Award Plan the total number of shares subject to outstanding awards and available for future issuance under the new Plan and other continuing equity compensation plans would be as follows:

Shares subject to outstanding awards*	226,660
	1,535,000

Edgar Filing: KILROY REALTY CORP - Form DEF 14A

Shares available for future issuance under equity compensation plans, including the 2006 Incentive Award Plan

Total shares	1,761,660
Percentage of outstanding shares**	5.9%

-
- * Includes 148,660 shares outstanding as restricted stock; all other outstanding awards are stock options, which have a weighted average exercise price of \$24.41 per share and a weighted average remaining term of 3.3 years. A total of 202,138 additional shares remained available for new awards under existing plans at March 3, 2006, but such shares will no longer be available for grant or issuance under the existing plans upon the effectiveness of the 2006 Incentive Award Plan.
 - ** Shares outstanding includes all Common Stock outstanding at March 3, 2006, not including shares reserved for future issuance under the existing plans and shares to be reserved under the 2006 Incentive Award Plan.

Awards

The 2006 Incentive Award Plan provides for the grant of incentive stock options, nonqualified stock options, restricted stock, stock appreciation rights, performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, profits interest units, performance bonus awards, performance-based awards and other incentive awards to eligible individuals. Except as otherwise provided by the plan administrator, no award granted under the plan may be assigned, transferred or otherwise disposed of by the grantee, except by will or the laws of descent and distribution. The plan administrator may, however, permit an award to be transferred to certain persons or entities related to the participant or who are otherwise approved, provided that no transfer of an incentive stock option will be permitted to the extent that the transfer would cause the option to fail to qualify as an incentive stock option under the Internal Revenue Code of 1986, as amended (the Internal Revenue Code).

The maximum number of shares of Common Stock which may be subject to awards granted to any one participant during any calendar year is 500,000 and the maximum amount that may be paid to a participant in cash during any calendar year with respect to cash-based awards is \$10,000,000.

Stock Options

Stock options, including incentive stock options, as defined under Section 422 of the Internal Revenue Code, and nonqualified stock options, may be granted pursuant to the 2006 Incentive Award Plan. The option exercise price of all stock options granted pursuant to the plan will not be less than 100% of the fair market value of our stock on the date of grant. No incentive stock option may be granted to a grantee who owns more than 10% of our stock unless the exercise price is at least 110% of the fair market value at the time of grant. Notwithstanding whether an option is designated as an incentive stock option, to the extent that the aggregate fair market value of the shares with respect to which such option is exercisable for the first time by any optionee during any calendar year exceeds \$100,000, such excess will be treated as a nonqualified stock option.

The plan administrator will determine the methods of payment of the exercise price of an option, including, without limitation, cash, shares of our stock with a fair market value on the date of delivery equal to the exercise price of the option or exercised portion thereof (including shares issuable upon exercise of the option) or other property acceptable to the plan administrator (including the delivery of a notice that the participant has placed a market sell order with a broker with respect to shares then issuable upon exercise of the option, and that the broker has been directed to pay a sufficient portion of the net proceeds of the sale to us in satisfaction of the option exercise price, provided that payment of such proceeds is then made to us not later than settlement of such sale). However, no participant who is a member of our board of directors or an executive officer of the Company within the meaning of Section 13(k) of the Exchange Act will be permitted to pay the exercise price of an option in any method which would violate Section 13(k) of the Exchange Act.

Stock options may be exercised as determined by the plan administrator, but in no event after the tenth anniversary of the date of grant. However, in the case of an option granted to a person who owns more than 10% of our stock on the date of grant, such term will not exceed 5 years.

Restricted Stock

Eligible employees, consultants and directors may be issued restricted stock in such amounts and on such terms and conditions as determined by the plan administrator. Restricted stock will be evidenced by a written

restricted stock agreement. The restricted stock agreement will contain restrictions on transferability and other such restrictions as the plan administrator may determine, including, without limitation, limitations on the right to vote restricted stock or the right to receive dividends on the restricted stock. These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the plan administrator determines at the time of grant of the award or thereafter.

Stock Appreciation Rights

A SAR is the right to receive payment of an amount equal to the excess of the fair market value of a share of our stock on the date of exercise of the SAR over the fair market value of a share of our stock on the date of grant of the SAR. The plan administrator may issue SARs in such amounts and on such terms and conditions as it may determine, consistent with the terms of the plan. The plan administrator may elect to pay SARs in cash, in our stock or in a combination of cash and our stock.

Other Awards Under the Plan

The 2006 Incentive Award Plan provides that the plan administrator may also grant or issue performance shares, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, profits interest units, performance bonus awards, performance-based awards and other incentive awards or any combination thereof to eligible employees, consultants and directors. The terms of each such grant or issuance will be set by the plan administrator in its discretion. The plan administrator may establish the exercise price or purchase price, if any, of any such award, provided that such price will not be less than the par value of a share of our stock, unless otherwise permitted by applicable state law.

Any such award will only vest or be exercisable or payable while the participant is an employee or consultant of the Company, the Operating Partnership, or the TRS, or a director of the Company or the TRS, provided that the plan administrator, in its sole and absolute discretion, may provide that any such award may vest or be exercised or paid subsequent to a termination of employment or service, as applicable, or following a change in control (as defined in the plan) of the Company, or because of the participant's retirement, death or disability, or otherwise. However, to the extent required to preserve the tax deductibility under Section 162(m) of the Internal Revenue Code, any such provision with respect to performance shares or performance stock units that are intended to constitute qualified performance-based compensation within the meaning of Section 162(m) of the Internal Revenue Code will be subject to the requirements of Section 162(m) of the Internal Revenue Code that apply to such qualified performance-based compensation.

Payments with respect to any such award, other than profits interest units, will be made in cash, in our stock or a combination of both, as determined by the plan administrator. Any such award will be subject to such additional terms and conditions as determined by the plan administrator and will be evidenced by a written award agreement.

Performance Shares. Awards of performance shares are denominated in a number of shares of our stock and may be linked to any one or more performance criteria determined appropriate by the plan administrator, in each case on a specified date or dates or over any period or periods determined by the plan administrator.

Performance Stock Units. Awards of performance stock units are denominated in unit equivalent of shares of our stock and/or units of value, including dollar value of shares of our stock, and may be linked to any one or more performance criteria determined appropriate by the plan administrator, in each case on a specified date or dates or over any period or periods determined by the plan administrator.

Dividend Equivalents. Dividend equivalents are rights to receive the equivalent value (in cash or our stock) of dividends paid on our stock. They represent the value of the dividends per share paid by us, calculated with reference to the number of shares that are subject to any award held by the participant.

Stock Payments. Stock payments include payments in the form of our stock or options or other rights to purchase our stock, in each case made in lieu of all or any portion of the compensation that would otherwise be paid to the participant. The number of shares will be determined by the plan administrator and may be based upon specific performance criteria determined appropriate by the plan administrator, determined on the date such stock payment is made or on any date thereafter.

Deferred Stock. Deferred stock may be awarded to participants and may be linked to any performance criteria determined to be appropriate by the plan administrator. Stock underlying a deferred stock award will not be issued until the deferred stock award has vested, pursuant to a vesting schedule or upon the satisfaction of performance criteria set by the plan administrator, and unless otherwise provided by the plan administrator, recipients of deferred stock generally will have no rights as a stockholder with respect to such deferred stock until the time the vesting conditions are satisfied and the stock underlying the deferred stock award has been issued.

Restricted Stock Units. Restricted stock units may be granted to any participant in such amounts and subject to such terms and conditions as determined by the plan administrator. At the time of grant, the plan administrator will specify the date or dates on which the restricted stock units will become fully vested and nonforfeitable, and may specify such conditions to vesting as it deems appropriate. At the time of grant, the plan administrator will specify the maturity date applicable to each grant of restricted stock units which will be no earlier than the vesting date or dates of the award and may be determined at the election of the participant. On the maturity date, we will transfer to the participant one unrestricted, fully transferable share of our stock for each restricted stock unit scheduled to be paid out on such date and not previously forfeited. The plan administrator will specify the purchase price, if any, to be paid by the participant to us for such shares of our stock.

Profits Interest Units. To the extent authorized by the partnership agreement of the Operating Partnership, the Incentive Award Plan authorizes the grant of units in the Operating Partnership that are intended to constitute profits interests within the meaning of the Internal Revenue Code and published Internal Revenue Service guidance. Profits interests may only be granted to participants for the performance of services to or for the benefit of the Operating Partnership in the participant's capacity as a partner in the Operating Partnership, in anticipation of the participant becoming a partner of the Operating Partnership, or as otherwise determined by the plan administrator, provided that the profits interest units would constitute profits interests within the meaning of the Internal Revenue Code, Treasury Regulations promulgated thereunder and any published guidance by the Internal Revenue Service with respect thereto. At the time of grant, the plan administrator will specify the number of profits interest units subject to the award, the purchase price, if any, of the units and the date and conditions on which the profits interest units will vest. The plan administrator may impose transferability restrictions and other restrictions upon profits interest units.

Other Incentive Awards. Participants as selected by the plan administrator may be granted other incentive awards that provide for shares of Common Stock or the right to purchase shares of Common Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in or based on, shares of Common Stock, stockholder value or stockholder return. Other incentive awards may also be linked to any performance criteria determined appropriate by the plan administrator. Amounts payable under other incentive awards may be in cash, Common Stock, units of the Operating Partnership, or a combination of any of the foregoing, as determined by the plan administrator.

Performance Bonus Awards. Any participant selected by the plan administrator may be granted a cash bonus payable upon the attainment of performance goals that are established by the plan administrator and relate to any one or more performance criteria determined appropriate by the plan administrator on a specified date or dates or over any period or periods determined by the plan administrator. Any such cash bonus paid to a covered employee within the meaning of Section 162(m) of the Internal Revenue Code may be a performance-based award as described below.

Performance-Based Awards

The plan administrator may grant awards other than options and stock appreciation rights to employees who are or may be covered employees, as defined in Section 162(m) of the Internal Revenue Code, that are intended to be performance-based awards within the meaning of Section 162(m) of the Internal Revenue Code in order to preserve the deductibility of these awards for federal income tax purposes. Participants are only entitled to receive payment for a performance-based award for any given performance period to the extent that pre-established performance goals set by the plan administrator for the period are satisfied. These pre-established performance goals must be based on one or more of the following performance criteria: net earnings (either before or after interest, taxes, depreciation and amortization), economic value-added, sales or revenue, net income (either before or after taxes), operating earnings, cash flow (including, but not limited to, operating cash flow and free cash flow), cash flow return on capital, return on net assets, return on stockholders' equity, return on assets, return on capital, stockholder returns, return on sales, gross or net profit margin, productivity, expense, margins, operating efficiency, tenant satisfaction, working capital, earnings per share, price per share, and market share. These performance criteria may be measured in absolute terms or as compared to comparable performance in an earlier period or as compared to results of a peer group, industry index or other companies. With regard to a particular performance period, the plan administrator will have the discretion to select the length of the performance period, the type of performance-based awards to be granted, and the goals that will be used to measure the performance for the period. In determining the actual size of an individual performance-based award for a performance period, the plan administrator may reduce or eliminate (but not increase) the award. Generally, a participant will have to be employed by the Company, the Operating Partnership, or the TRS on the date the performance-based award is paid to be eligible for a performance-based award for any period.

Administration

The 2006 Incentive Award Plan will be administered by a committee consisting of at least two directors, each of whom qualifies as a non-employee director pursuant to Rule 16b of the Exchange Act, an outside director pursuant to Section 162(m) of the Internal Revenue Code and an independent director under the rules of the principal securities market on which our shares are traded. Our Executive Compensation Committee will be the administrator of the 2006 Incentive Award Plan. However, our full board of directors will administer the plan with respect to awards granted to our independent directors. In addition, our board may at any time exercise any rights and duties of the Executive Compensation Committee under the plan.

The governance of the Executive Compensation Committee is subject to the charter of such committee as approved by the Board. Any action taken by the Executive Compensation Committee will be valid and effective, whether or not members of the committee at the time of such action are later determined not to have satisfied the requirements for membership provided in the 2006 Incentive Award Plan or the charter.

The plan administrator will have the exclusive authority to administer the plan, including, but not limited to, the power to determine eligibility, the types and sizes of awards, the price and timing of awards and the acceleration or waiver of any vesting restriction, provided that the plan administrator will not have the authority to accelerate vesting or waive the forfeiture of any performance-based awards.

Eligibility

Employees and consultants of the Company, the TRS, the Operating Partnership or their subsidiaries, and directors of the Company or the TRS (approximately 150 persons as of the date of this Proxy Statement), are eligible to be granted non-qualified stock options, restricted stock, stock appreciation rights, performance share awards, performance stock units, dividend equivalents, stock payments, deferred stock, restricted stock units, profits interest units, other incentive awards and performance bonus awards under the 2006 Incentive Award Plan. Only employees of the Company and its qualifying corporate subsidiaries are eligible to be granted options that are intended to qualify as incentive stock options under Section 422 of the Internal Revenue Code.

Adjustments

If there is any stock dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization or other distribution (other than normal cash dividends) of our assets to stockholders, or any other change affecting the shares of our stock or the share price of our stock, the plan administrator will make such proportionate adjustments, if any, as the plan administrator in its discretion may deem appropriate to reflect such change with respect to (i) the aggregate number and type of shares that may be issued under the plan (including, but not limited to, adjustments of the number of shares available under the plan and the maximum number of shares which may be subject to one or more awards to a participant pursuant to the plan during any calendar year), (ii) the terms and conditions of any outstanding awards (including, without limitation, any applicable performance targets or criteria with respect thereto), and (iii) the grant or exercise price per share for any outstanding awards under the plan. Any adjustment affecting an award intended as qualified performance-based compensation will be made consistent with the requirements of Section 162(m) of the Internal Revenue Code. The plan administrator also has the authority under the 2006 Incentive Award Plan to take certain other actions with respect to outstanding awards in the event of a corporate transaction, including provision for the cash-out, termination, assumption or substitution of such awards.

Change in Control

Except as may otherwise be provided in any written agreement between the participant and us, in the event of a change in control of the Company (as defined in the 2006 Incentive Award Plan) in which awards are not converted, assumed, or replaced by the successor, such awards will become fully exercisable and all forfeiture restrictions on such awards will lapse. Upon, or in anticipation of, a change in control, the plan administrator may cause any and all awards outstanding under the 2006 Incentive Award Plan to terminate at a specific time in the future and will give each participant the right to exercise such awards during a period of time as the plan administrator, in its sole and absolute discretion, will determine.

Termination or Amendment

With the approval of our board of directors, the plan administrator may terminate, amend, or modify the 2006 Incentive Award Plan at any time. However, stockholder approval will be required for any amendment to the extent necessary and desirable to comply with any applicable law, regulation or stock exchange rule, to increase the number of shares available under the plan, to permit the grant of options or SAR with an exercise price below fair market value on the date of grant, or to extend the exercise period for an option or SAR beyond ten years from the date of grant. In addition, absent stockholder approval, no option or SAR may be amended to reduce the per share exercise price of the shares subject to such option or SAR below the per share exercise price as of the date the option or SAR was granted and, except to the extent permitted by the plan in connection with certain changes in capital structure, no option or SAR may be granted in exchange for, or in connection with, the cancellation or surrender of an option or SAR having a higher per share exercise price and no award may be granted in exchange for the cancellation or surrender of an option or SAR with a per share exercise price that is greater than the fair market value on the date of such grant or cancellation.

No award may be granted pursuant to the 2006 Incentive Award Plan after the tenth anniversary of the effective date of the plan. Any awards that are outstanding on the tenth anniversary of the effective date will remain in force according to the terms of the 2006 Incentive Award Plan and the applicable award agreement.

Additional Restrictions on Awards

Edgar Filing: KILROY REALTY CORP - Form DEF 14A

The 2006 Incentive Award Plan will be interpreted in a manner consistent with our status as a REIT. No award will be granted or become exercisable or payable under the plan to the extent that the grant, exercise or payment would violate the stock ownership limits contained in our charter or would impair our status as a REIT.

Code Section 409A

To the extent that the plan administrator determines that any award granted under the 2006 Incentive Award Plan is subject to Section 409A of the Internal Revenue Code (Section 409A), the award agreement evidencing such award shall incorporate the terms and conditions required by Section 409A. In the event that the plan administrator determines that any award may be subject to Section 409A, the 2006 Incentive Award Plan and any applicable awards may be modified to exempt the awards from Section 409A or comply with the requirements of Section 409A.

Federal Income Tax Consequences

Stock Options.

With respect to nonqualified stock options, the Company, the Operating Partnership or the participant's employer, as applicable, is generally entitled to deduct and the optionee recognizes taxable income in an amount equal to the difference between the option exercise price and the fair market value of the shares at the time of exercise. A participant receiving incentive stock options will not recognize taxable income upon grant. Additionally, if applicable holding period requirements are met, the participant will not recognize taxable income at the time of exercise. However, the excess of the fair market value of the shares received over the option price is an item of tax preference income potentially subject to the alternative minimum tax. If stock acquired upon exercise of an incentive stock option is held for a minimum of two years from the date of grant and one year from the date of exercise, the gain or loss (in an amount equal to the difference between the fair market value on the date of sale and the exercise price) upon disposition of the stock will be treated as a long-term capital gain or loss, and the Company, the Operating Partnership or the participant's employer, as applicable, will not be entitled to any deduction. If the holding period requirements are not met, the incentive stock option will be treated as one which does not meet the requirements of the Internal Revenue Code for incentive stock options and the tax consequences described for nonqualified stock options will apply.

Other Awards.

The current federal income tax consequences of other awards authorized under the 2006 Incentive Award Plan generally follow certain basic patterns: SARs are taxed and deductible in substantially the same manner as nonqualified stock options; nontransferable restricted stock subject to a substantial risk of forfeiture results in income recognition equal to the excess of the fair market value over the price paid, if any, only at the time the restrictions lapse (unless the recipient elects to accelerate recognition as of the date of grant); stock-based performance awards, dividend equivalents and other types of awards are generally subject to tax at the time of payment. Compensation otherwise effectively deferred is taxed when paid. In each of the foregoing cases, the Company, the Operating Partnership or the participant's employer, as applicable, will generally have a corresponding deduction at the time the participant recognizes income, subject to Section 162(m) of the Internal Revenue Code with respect to covered employees.

Profits Interest Units.

Profits interest units that constitute profits interests within the meaning of the Internal Revenue Code and published Internal Revenue Service guidance will generally not be taxed at the time of grant, though the holder will be required to report on his income tax return his allocable share of the issuing partnership's income, gain, loss, deduction, and credit, regardless of whether the issuing partnership makes a distribution of cash. Instead, such profits interest units are generally taxed upon a disposition of the profits interest unit or distributions of money to the extent that such amounts received exceed the basis in the profits interest units. Generally, no deduction is available to the Company upon the grant, vesting or disposition of the profits interest units.

If profits interests units are granted to a recipient who is an employee of the Company, the issuance of those profits interests may cause wages paid to the recipient to be characterized and subject to taxation as self-

employment income. If treated as a self-employed partner, the recipient will be required to make quarterly income tax payments rather than having amounts withheld by the Company, the Operating Partnership or the participant's employer, as applicable. Additionally, if self-employed, the recipient must pay the full amount of all FICA employment taxes on the employee's compensation, whereas regular employees are only responsible for 50% of these taxes. To date, the Internal Revenue Service has not issued definitive guidance regarding the treatment of wages paid to partner-employees.

Code Section 409A.

Certain types of awards under the 2006 Incentive Award Plan may constitute, or provide for, a deferral of compensation under Section 409A. Unless certain requirements set forth in Section 409A are complied with, holders of such awards may be taxed earlier than would otherwise be the case (e.g., at the time of vesting instead of the time of payment) and may be subject to an additional 20% penalty tax (and, potentially, certain interest penalties). To the extent applicable, the 2006 Incentive Award Plan and awards granted under the 2006 Incentive Award Plan will be structured and interpreted to comply with Section 409A and the Department of Treasury regulations and other interpretive guidance that may be issued pursuant to Section 409A.

Tax Deductibility and Section 162(m) of the Code.

Section 162(m) of the Internal Revenue Code generally places a \$1 million annual limit on the amount of compensation paid to each of the Company's named executive officers that may be deducted by the Company for federal income tax purposes unless such compensation constitutes qualified performance-based compensation which is based on the achievement of pre-established performance goals set by a committee of the Board of Directors pursuant to an incentive plan that has been approved by the Company's stockholders. The 2006 Incentive Award Plan provides that certain awards made thereunder may, in the discretion of the plan administrator, be structured so as to qualify for the qualified performance-based compensation exception to the \$1 million annual deductibility limit of Section 162(m).

Other Considerations.

Awards that are granted, accelerated or enhanced upon the occurrence of a change in control may give rise, in whole or in part, to excess parachute payments within the meaning of Section 280G of the Internal Revenue Code to the extent that such payments, when aggregated with other payments subject to Section 280G, exceed the limitations contained in that provision. Such excess parachute payments are not deductible by the Company and are subject to an excise tax of 20 percent payable by the recipient.

The 2006 Incentive Award Plan is not subject to any provision of the Employee Retirement Income Security Act of 1974, as amended, and is not qualified under Section 401(a) of the Internal Revenue Code. Special rules may apply to a participant who is subject to Section 16 of the Exchange Act. Certain additional special rules apply if the exercise price for an option is paid in stock previously owned by the participant rather than in cash.

The preceding discussion of federal income tax consequences does not purport to be a complete analysis of all of the potential tax effects of the 2006 Incentive Award Plan. It is based upon laws, regulations, rulings and decisions now in effect, all of which are subject to change. No information is provided with respect to foreign, state or local tax laws, or estate and gift tax considerations.

Plan Benefits

No awards will be granted pursuant to the 2006 Incentive Award Plan until it is approved by the Company's stockholders. In addition, awards are subject to the discretion of the plan administrator. Therefore, it is not possible to determine the benefits that will be received in the future by participants in the 2006 Incentive Award Plan or the benefits that would have been received by such participants if the 2006 Incentive Award Plan had been effect in the year ended December 31, 2005.

Vote Required

Approval of the 2006 Incentive Award Plan requires approval by a majority of votes cast at the Annual Meeting, and the total vote cast on the proposal must represent over 50% in interest of all securities entitled to vote on the proposal.

The Board recommends a vote FOR approval of the 2006 Incentive Award Plan.

Management has the primary responsibility for the financial statements and the reporting process, including the Company's internal control over financial reporting.

The Company's independent auditors are responsible for performing an audit of the Company's financial statements and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles. The Committee reviewed and discussed the audited financial statements of the Company as of and for the year ended December 31, 2005 with management and the Company's independent auditors. The Committee discussed with the Company's independent auditors their judgments as to the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards Statement of Auditing Standard Number 61, Communications with Audit Committees, as currently in effect. In addition, the Committee received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), as currently in effect, and it discussed with the Company's independent auditors their independence from the Company. The Committee also considered the compatibility of the independent auditors' provision of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope of their respective audits. The Committee meets with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal control over financial reporting, and the overall quality of the Company's financial reporting. Each non-employee director also receives annual compensation of \$5,000 for each committee of which he is a member, with the exception of the members of the Audit Committee who receive additional annual cash compensation of \$7,500. Edgar Filing: KILROY REALTY CORP - Form DEF 14A

In addition, upon initial election to the Board, each non-employee director receives a grant authorized under the Company's 1997 Stock Incentive Plan of 1,000 restricted shares of Common Stock that vest in equal annual

installments over four years. Also, each non-employee director receives an annual grant authorized under the 1997 Stock Incentive Plan of restricted shares of Common Stock valued at \$20,000 on the date of grant that vest in equal annual installments over two years. Each non-employee director grant provides that the restricted shares will vest in full in the event of a change of control of the Company (as defined in the 1997 Stock Incentive Plan) or a termination of the non-employee director's directorship for any reason other than the director's voluntary resignation or retirement.

Qualifications of Director Nominees

The Nominating/Corporate Governance Committee has established *Standards for Overall Structure and Composition of the Board and Minimum Director Qualifications* as a guideline in considering nominations to the Company's Board of Directors. The criteria include: loyalty, reputation, character, knowledge, experience, education, business judgment, diligence, stock ownership, independence and ability to contribute to board balance and diversity. The criteria are not exhaustive and the Nominating/Corporate Governance Committee and the Board of Directors may consider other qualifications and attributes, which they believe are appropriate in evaluating the ability of an individual to serve as a member of the Board of Directors.

Nominating/Corporate Governance Committee's Process for Identifying and Evaluating Nominees for Director

Prior to each annual meeting of security holders at which directors are to be elected, and whenever there is otherwise a vacancy on the Board of Directors, the Nominating/Corporate Governance Committee will consider incumbent board members and other well-qualified individuals as potential director nominees. The Nominating/Corporate Governance Committee will review each potential candidate's qualifications in light of the Company's *Standards for Overall Structure and Composition of the Board and Minimum Director Qualifications*, described above. The Nominating/Corporate Governance Committee will select the candidate or candidates it believes are the most qualified to recommend to the Board for selection as a director nominee. Candidates recommended by a security holder are evaluated in the same manner as candidates identified by a Committee member.

Manner by which Security Holders May Recommend Director Candidates

The Nominating/Corporate Governance Committee will consider director candidates recommended by security holders of the Company. All recommendations must be directed to the Nominating/Corporate Governance Committee c/o Secretary at 12200 W. Olympic Boulevard, Suite 200, Los Angeles, California 90064. Recommendations for director nominees to be considered at the 2007 annual meeting of stockholders must be received in writing not later than November 30, 2006. Each security holder recommending a person as a director candidate must provide the Company with the following information for the Committee to determine whether the recommended director candidate is independent from the security holder, or each member of the security holder group, that has recommended the director candidate:

If the recommending security holder or any member of the recommending security holder group is a natural person, whether the recommended director candidate is the recommending security holder, a member of the recommending security holder group, or a member of the immediate family of the recommending security holder or any member of the recommending security holder group;

If the recommending security holder or any member of the recommending security holder group is an entity, whether the recommended director candidate or any immediate family member of the recommended director candidate is an employee of the recommending security holder or any member of the recommending security holder group or has been at any time during the current or preceding calendar year;

Edgar Filing: KILROY REALTY CORP - Form DEF 14A

Whether the recommended director candidate or any immediate family member of the recommended director candidate has accepted directly or indirectly any consulting, advisory, or other compensatory fees from the recommending security holder or any member of the group of recommending security holders, or any of their respective affiliates during the current or preceding calendar year;

Whether the recommended director candidate is an executive officer, director (or person fulfilling similar functions) of the recommending security holder or any member of the recommending security holder group, or any of their respective affiliates; and

Whether the recommended director candidate controls the recommending security holder or any member of the recommending security holder group.

The recommending security holder must also provide supplemental information that the Nominating/Corporate Governance Committee may request to determine whether the recommended director candidate (i) is qualified to serve on the Audit Committee, (ii) meets the standards of independence established by the New York Stock Exchange, and (iii) satisfies the *Standards for Overall Structure and Composition of the Board and Minimum Director Qualifications*, described above. In addition, the recommending security holder must include the consent of the recommended director candidate and the recommended director candidate must make himself or herself reasonably available to be interviewed by the Committee. The Nominating/Corporate Governance Committee will consider all recommended director candidates submitted to it in accordance with these established procedures, though it will only recommend to the Board as potential nominees those candidates it believes are most qualified. However, the Nominating/Corporate Governance Committee will not consider any director candidate if the candidate's candidacy or, if elected, board membership, would violate controlling state law or federal law.

Security Holder Communications with the Board

Security holders may send correspondence to the Board of Directors c/o Secretary at 12200 W. Olympic Boulevard, Suite 200, Los Angeles, California 90064. The Secretary will review all correspondence addressed to the Board, or any individual Board member, for any inappropriate correspondence and correspondence more suitably directed to management. The Secretary will summarize all correspondence not forwarded to the Board and make the correspondence available to the Board for its review at the Board's request. The Secretary will forward security holder communications to the Board prior to the next regularly scheduled meeting of the Board of Directors following the receipt of the communication as appropriate.

Amendments to, or waivers from, a provision of this Code of Business Conduct and Ethics that apply to the Company's directors or executive officers, including the Chief Executive Officer, Chief Financial Officer, Controller and persons performing similar functions, may be made only by the Board or a Board committee and will be promptly posted on the Company's website.

Employment Agreements

Each of John B. Kilroy, Jr., Jeffrey C. Hawken, Richard E. Moran Jr., and Tyler H. Rose has entered into an employment agreement with the Company. Each of the employment agreements has a one-year term and, if not terminated by either party, is subject to automatic one-year renewals. Each of the employment agreements provides that the amount paid for annual base compensation and the amount of any bonus is determined at the discretion of the Executive Compensation Committee.

The employment agreements entitle the executives to participate in the Company's 1997 Stock Incentive Plan and to receive certain other insurance benefits. The employment agreements also provide that in the event of

death, the executive's estate will receive monthly payments of the executive's annual salary, plus one-twelfth of any bonus to be received, for a period equal to the lesser of the term remaining under the employment agreement or one year. In addition, in the event of a termination by the Company without cause, a termination of employment resulting from disability, a termination by the executive for good reason, or, in the case of Mr. Kilroy and Mr. Moran, a termination pursuant to a change of control of the Company, the terminated executive will be entitled to (i) severance (the Severance Amount) and (ii) continued receipt of certain benefits including medical insurance, life and disability insurance and the receipt of other customary benefits established by the Company for its executive employees for two years following the date of termination (collectively, the Severance Benefits). The Severance Amount is equal to the sum of two times the executive's average annual base compensation and two times the highest annual bonus received during the preceding 36-month period.

Under the employment agreements, disability means a physical or mental disability or infirmity which, in the opinion of a physician selected by the Board, renders the executive unable to perform his duties for six consecutive months or for shorter periods aggregating 180 business days in any 12-month period (but only to the extent that such definition does not violate the Americans with Disabilities Act). Cause, as defined under the terms of the respective employment agreements, means (i) the executive's conviction for commission of a felony or a crime involving moral turpitude, (ii) the executive's willful commission of any act of theft, embezzlement or misappropriation against the Company or (iii) the executive's willful and continued failure to substantially perform the executive's duties (other than such failure resulting from the executive's incapacity due to physical or mental illness), which is not remedied within a reasonable time. Good reason means (i) the Company's material breach of any of its obligations under the employment agreement (subject to certain notice and cure provisions) or (ii) any removal of the executive from one or more of the appointed offices or any material alteration or diminution in the executive's authority, duties or responsibilities, without cause and without the executive's prior written consent. Change of Control means (i) the event by which the individuals constituting the Board as of the date of the Company's initial public offering cease for any reason to constitute at least a majority of the Company's Board; provided, however, that if the election, or nomination for election by the Company's stockholders of any new director was approved by a vote of at least a majority of the members of the original Board, such new director shall be considered a member of the original Board; (ii) an acquisition of any voting securities of the Company by any person (as the term person is used for purposes of Section 13(d) or Section 14(d) of the Exchange Act, immediately after which such person has beneficial ownership (within the meaning of Rule 13d-3 promulgated under the Exchange Act) of 20%, or more of the combined voting power of the Company's then outstanding voting securities unless such acquisition was approved by a vote of at least one more than a majority of the original Board; or (iii) approval by the stockholders of the Company of (a) a merger, consolidation, share exchange or reorganization involving the Company, unless the stockholders of the Company, immediately before such merger, consolidation, share exchange or reorganization, own, directly or indirectly immediately following such merger, consolidation, share exchange or reorganization, at least 80% of the combined voting power of the outstanding voting securities of the corporation that is the successor in such merger, consolidation, share exchange or reorganization in substantially the same proportion as their ownership of the voting securities immediately before such merger, consolidation, share exchange or reorganization; (b) a complete liquidation or dissolution of the Company; or (c) an agreement for the sale or other disposition of all or substantially all of the assets of the Company.

Compensation Committee Interlocks and Insider Participation

The Executive Compensation Committee is composed of Edward F. Brennan, Ph.D., John R. D. Eathe and Dale F. Kinsella. There are no Executive Compensation Committee interlocks and no employees of the Company participate on the Executive Compensation Committee.

Executive Compensation Committee Report on Executive Compensation

The Executive Compensation Committee (the Committee) is composed of three Independent Directors.

Role of the Committee

The Committee is responsible for:

Reviewing the compensation philosophy of the Company;

Reviewing and approving corporate goals and objectives relating to the compensation of the chief executive officer, evaluating the performance of the chief executive officer in light of those goals and objectives and determining and approving the compensation of the chief executive officer based on such evaluation;

Reviewing and approving all compensation for the Company's other senior officers, including cash and equity incentive compensation awards, and all senior officers' employment agreements and severance arrangements;

Administering and reviewing all annual bonus, long-term incentive compensation, stock option, employee pension and welfare benefit plans;

Determining the Company's policy with respect to change of control or parachute payments; and

Preparing this Executive Compensation Committee Report.

The Committee's Charter, posted on the Company's website at <http://www.kilroyrealty.com>, reflects these various responsibilities, and the Committee and Board periodically review and revise the Charter. The Committee's membership is determined by the Board and is composed entirely of Independent Directors. There were six meetings of the Committee in 2005, one of which was an executive session with no Company employees present. The Committee has the authority to engage the services of outside advisors, experts and others to assist the Committee. In accordance with the Committee's Charter, the Committee periodically retains independent compensation and other management consultants, who do not advise the Company, to assist with, among other things, structuring the Company's various compensation programs and determining appropriate levels of salary, bonus and other awards payable to the Company's key personnel, as well as to advise the Committee with respect to the development of near-term individual performance objectives that will contribute to the Company's short-term and long-term profitability.

General Policies Regarding Compensation of Executive Officers

The Committee believes that compensation paid to executive officers should be closely aligned with the performance of the Company on both a short-term and long-term basis, linked to specific, measurable results intended to create value for stockholders, and that such compensation should assist the Company in attracting and retaining key executives critical to its long-term success.

In establishing compensation for executive officers, the Committee seeks to:

Attract and retain individuals of superior ability and managerial talent;

Ensure senior officer compensation is aligned with the Company's corporate strategies, business objectives and the long-term interests of the Company's stockholders;

Increase the incentive to achieve key strategic and financial performance measures by linking incentive award opportunities to the achievement of performance goals in these areas; and

Enhance the officers' incentive to increase the Company's stock price and maximize stockholder value, as well as promote retention of key people, by providing a portion of total compensation opportunities for senior management in the form of restricted stock and stock options.

Compensation should be structured to ensure that a significant portion of compensation opportunity will be directly related to Company stock performance and other factors that directly and indirectly influence stockholder value. To that end, it is the view of the Board that the total compensation program for executive officers should consist of the following components, which are described further below:

Salaries;

Annual incentive bonus;

Long-term incentive compensation; and

Multi-year outperformance incentive award.

Determination of Compensation of Executive Officers for the Year 2005

Consistent with prior years, an independent compensation consultant was retained by the Committee to assist it in the determination of the key elements of the compensation programs for fiscal year 2005. The compensation consultant engaged by the Committee is an independent consultant specializing in compensation matters in the REIT and real estate industries. Both the Committee and the compensation consultant evaluated the following in determining the amount of the executive compensation relative to the market, as well as the desired mix of base salary, annual incentives and long-term compensation opportunities:

Performance of the Company for 2005 as compared to other REITs, with an emphasis on office REITs;

Performance of the Company for 2005 as compared to other real estate companies engaged in activities similar to those engaged in by the Company, with an emphasis on developers; and

The current economic environment of the real estate industry and the markets specific to the Company's properties.

The compensation consultant provided advice to the Committee with respect to competitive practices and the amounts and nature of compensation paid to executives. The compensation consultant also advised on, among other things, structuring the Company's various compensation programs and determining the appropriate levels of salary, bonus and other awards payable to the Company's executives. Based upon the compensation consultant's recommendations, the Company's executive compensation package consists of a fixed base salary and variable cash and stock-based incentive awards, with a significant portion weighted towards the variable components in order to ensure that total compensation reflects the overall success or failure of the Company and to motivate executive officers to meet appropriate performance measures for 2005, thereby maximizing total return to stockholders.

In fiscal year 2005, the Company generated a total stockholder return of 50.8%, the highest among its peer group and the highest among the top 100 REITs included in the Standard & Poor's REIT Index. The Company's strong performance in 2005 exemplifies the Company's continued achievement of industry-leading results, including the second highest annualized total stockholder return among the top 100 REITs included in the Standard & Poor's REIT Index and the third highest among the REITs in the MSCI US REIT Index (RMS) over the three-year period ending on December 31, 2005. In accordance with the goal of the Company's executive compensation program to link compensation to Company performance and the creation of stockholder value, the compensation paid to the Company's executives for fiscal year 2005 reflects the Company's strong results.

Base Salary. Salary levels of executive officers were established after a review of REITs and other real estate companies deemed comparable to the Company. The Committee generally compares the Company's performance with that of other REITs and real estate companies engaged in activities similar to those conducted by the Company. Individual base salaries are reviewed at least annually and salary increases are granted based on each executive's performance and contribution to the overall success of the Company. Other subjective features are also considered, such as the individual's experience.

Annual Incentive Bonus. Annual cash and restricted stock awards are granted based upon corporate, operational and individual criteria.

For 2005, corporate goals were measured on the basis of achieving targeted earnings and operations objectives. These objectives included performance measures, such as Funds From Operations (FFO) per share, average occupancy, operating margins and leasing results and activity. Other operational goals were measured on the basis of achieving specific departmental strategic and operational objectives. Individual performance was assessed based upon each individual s annual goals. Bonuses were determined on the basis of the foregoing.

Following a determination by the Committee that all corporate performance targets established by the Committee for the annual incentive element of the 2005 program were achieved and exceeded, in January 2006 11,343 shares of restricted stock were granted to certain of the Company s Named Executive Officers under this program for services performed during 2005.

Long-Term Incentive Compensation. The Committee recognizes that, while the annual incentive program provides awards for positive short-term and mid-term performance, the interests of the Company s stockholders are best served by giving key employees a direct interest in the performance of the Company s Common Stock through stock-based incentives.

The members of the Committee believe that share performance, over the long-term, will reflect executive performance and that such arrangements further reinforce management goals and incentives to enhance total stockholder return. To that end, a portion of the Company s executive incentive compensation package is comprised of annual stock-based incentives that motivate executives to increase the total return to the Company s stockholders through both increases in cash available for distribution as well as the quoted market price per share.

In granting stock-based awards, the Committee takes into account such factors as it determines to be appropriate under the circumstances, including an assessment of the executive s achieved performance goals and objectives, and the amounts and value of long-term compensation and stock-based compensation received by similarly situated executives at competitor companies.

Annual long-term restricted stock awards are granted based upon corporate, operational and individual factors. For 2005, corporate targets were measured on the basis of achieving targeted earnings, operations, development and stockholder return objectives. These objectives, which are different than the Annual Incentive Bonus objectives discussed above, included performance measures such as FFO per share, revenues from stabilized development, new development starts, and total relative and absolute stockholder returns. Operational and development goals were measured on specific departmental strategic and operational objectives. Long-term restricted stock awards were determined on the basis of the foregoing.

Following a determination by the Committee that the Company achieved 96% of the maximum payment established by the Committee for the long-term incentive element of the 2005 program, in January and February 2006, a total of 62,942 shares of restricted stock were granted to the Company s Named Executive Officers and 11,048 shares of restricted stock were granted to other senior officers of the Company under the long-term incentive compensation program for services performed during 2005. The Company did not grant options to purchase shares of Common Stock during 2005.

Special Multi-Year Outperformance Incentive Award. The members of the Committee believe that the performance of long-term stockholder returns will reflect executive performance and that compensation arrangements that encourage management to maximize long-term stockholder returns further reinforce management goals and incentives to continuously increase total stockholder value. To that end, the special multi-year outperformance portion of the Company s long-term executive compensation package provided for cash compensation to be earned by the Company s executive officers at December 31, 2005 if the Company attained

certain performance measures based on annualized total stockholder returns on an absolute and relative basis over a measurement period of approximately three years ended December 31, 2005. During the three-year period, the Company generated an annualized total stockholder return that exceeded all of the performance measures related to this program.

The special multi-year outperformance incentive award was adopted in March 2003 and was structured based on the recommendations of an independent compensation consultant specializing in the REIT and real estate industry. The targets for the relative component required the Company to obtain an annualized total return to stockholders at or above the 70th percentile of annualized total return to stockholders achieved by members of a pre-defined peer group during the same three-year period, and included additional incentives for annualized total return to stockholders at or above the 80th percentile. The absolute component was based on the amounts by which the annualized total return to stockholders over the three-year period exceeded 10%.

During the three-year period ending December 31, 2005, the Company achieved an annualized total stockholder return of 50.5%, (measured as the annual appreciation of the quoted common share price plus dividends paid during the period). The Company's annualized total stockholder return during this period was the highest of any REIT in its pre-defined peer group. Notably, the Company's annualized total stockholder return for the three-year period was also the second highest among the top 100 REITs included in the Standard & Poor's REIT Index and the third highest among all of the approximately 109 REITs in the MSCI US REIT Index (RMS). Accordingly, as dictated by the pre-determined, results driven formula, in January 2006 the Company paid certain Named Executive Officers \$71.7 million under this special multi-year incentive award program.

Chief Executive Officer Compensation. The compensation of John B. Kilroy, Jr. for the year ended December 31, 2005 was determined in accordance with the criteria discussed above.

Under Mr. Kilroy's leadership, the Company achieved and in most cases outperformed the pre-established thresholds and measures discussed above. In addition, the Company achieved a 50.8% annualized total stockholder return for calendar year 2005, and a 50.5% annualized total stockholder return over the three-year period ended December 31, 2005 (in both measurement periods annualized total stockholder return is measured as the annual appreciation of the quoted common share price plus dividends paid during the year(s)). Based on the recommendations of the Committee's independent compensation consultant and in recognition of Mr. Kilroy's contributions to the achievement of the Company's goals and continued successful execution of the Company's long-term business plan, in January 2006 the Committee granted to Mr. Kilroy 25,781 shares of restricted stock, of which 5,671 shares were granted as an annual incentive award that will vest on January 11, 2007 and 20,110 shares were granted as a long-term incentive award that will vest 50% on January 11, 2007 and 50% on January 11, 2008. In addition, under the special multi-year incentive award program adopted in 2003, Mr. Kilroy was paid a special cash award of \$38,705,648. The Committee did not grant any options to purchase shares of Common Stock to Mr. Kilroy during 2005.

Limitation on Deductibility of Executive Compensation. Section 162(m) of the Internal Revenue Code limits the deductibility of compensation paid to certain executive officers of the Company. To qualify for deductibility under Section 162(m), compensation in excess of \$1,000,000 per year paid to the Chief Executive Officer and the four other most highly compensated executive officers at the end of such fiscal year generally must be performance-based compensation as determined under Section 162(m), which includes most stock option and other incentive arrangements, the material terms of which have been approved by stockholders.

Despite the fact that the Company's incentive bonuses are determined based on the evaluation of the Company's performance and take into consideration certain financial and strategic goals, the Committee does not apply these factors on a strict formulaic basis. As a result, the Company's incentive bonuses may not satisfy the requirements of Section 162(m). The Committee believes that because the Company qualifies as a REIT under the Internal Revenue Code and is not subject to Federal income taxes, the payment of compensation that does not satisfy the requirements of Section 162(m) does not have a material adverse consequence to the Company,

provided the Company continues to distribute 90% of its taxable income. The Committee reserves the right to design programs that recognize a full range of performance criteria important to the Company's success, even where the compensation paid under such programs may not be deductible.

PERFORMANCE GRAPH

The following line graph compares the change in the Company's cumulative stockholder return on its shares of Common Stock to the cumulative total return of the NAREIT Equity REIT Total Return Index (NAREIT Equity Index), the Standard & Poor's 500 Stock Index (S&P 500 Index), and the SNL Office REIT (Equity) Index for the five-year period ended December 31, 2005. The Company includes an additional index, the SNL Office REIT (Equity) Index, to the performance graph since management believes it provides additional information to investors about the Company's performance relative to a more specific peer group. The SNL Office REIT (Equity) Index is a published and widely recognized index that comprises 27 office equity REITs, including the Company. The graph assumes the investment of \$100 in the Company and each of the indices on December 31, 2000 and, as required by the Securities and Exchange Commission, the reinvestment of all distributions. The return shown on the graph is not necessarily indicative of future performance.

INDEPENDENT PUBLIC ACCOUNTANTS

Deloitte & Touche LLP, the member firms of Deloitte Touche Tohmatsu and their respective affiliates (collectively, "Deloitte") has served as the Company's independent public accountants since its inception as a public company in January 1997 and has been selected by the Audit Committee to continue to serve as the Company's independent public accountants for the first quarter of fiscal year 2006. Consistent with past practice, the Audit Committee will appoint the Company's independent public accountants for the full current fiscal year at its meeting to be held during the second quarter.

The Audit Committee of the Board has determined that Deloitte is independent with regard to the Company within the meaning of the Exchange Act and the applicable published rules and regulations thereunder in effect on the date of this proxy statement. The Audit Committee annually reviews and pre-approves certain audit and non-audit services that may be provided by the independent auditors and establishes a pre-approved aggregate fee level for all these services. Any proposed services not included within the list of pre-approved services or any proposed services that will cause the Company to exceed the pre-approved aggregate amount requires specific pre-approval by the Audit Committee.

Representatives of Deloitte are expected to be present at the Annual Meeting and will have the opportunity to make a statement if they desire to do so and will be available to respond to appropriate questions.

Principal Accountant Fees and Services

The aggregate fees billed to the Company by Deloitte for professional services rendered in fiscal years 2005 and 2004 are as follows:

Tax Fees (4)	256,660	263,097
All Other Fees		
	<u>\$ 1,042,034</u>	<u>\$ 861,119</u>

-
- (1) All services rendered for these fees were pre-approved by the Audit Committee in accordance with the Audit Committee's pre-approval policies and procedures described above. The Audit Committee has concluded that the provision of the non-audit services rendered for the listed fees is compatible with maintaining Deloitte's independence.
- (2) Includes the aggregate fees billed for the audit of the Company's annual financial statements and review of financial statements included in the Company's quarterly reports on Form 10-Q and amendments to those reports, consultations with Company's management on technical accounting and regulatory issues, and the audit of internal controls over financial reporting. 8.7 Profits Interest Units. Any Participant selected by the Committee may be granted an award of Profits Interest Units in such amount and subject to such terms and conditions as may be determined by the Committee; *provided, however*, that Profits Interest Units may only be issued to a Participant for the performance of services to or for the benefit of the Partnership (a) in the Participant's capacity as a partner of the Partnership, (b) in anticipation of the Participant becoming a partner of the Partnership, or (c) as otherwise determined by the Committee, provided that the Profits Interest Units would constitute profits interests within the meaning of the Code, Treasury Regulations promulgated thereunder and any published guidance by the Internal Revenue Service with respect thereto. At the time of grant, the Committee shall specify the date or dates on which the Profits Interest Units shall vest and become nonforfeitable, and may specify such conditions to vesting as it deems appropriate. Profits Interest Units shall be subject to such restrictions on transferability and other restrictions as the Committee may impose. These restrictions may lapse separately or in combination at such times, pursuant to such circumstances, in such installments, or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. The Committee shall specify the purchase price, if any, to be paid by the grantee to the Partnership for the Profits Interest Units.

8.8 Other Incentive Awards. Any Participant selected by the Committee may be granted one or more Awards that provide Participants with shares of Stock or the right to purchase shares of Stock or that have a value derived from the value of, or an exercise or conversion privilege at a price related to, or that are otherwise payable in or based on, shares of Stock or shareholder value or shareholder return, in each case on a specified date or dates or over any period or periods determined by the Committee. Other Incentive Awards may be linked to any one or more of the Performance Criteria or other specific performance criteria determined appropriate by

the Committee. Amounts payable under Other Incentive Awards may be in cash, Stock, units of the Partnership, or a combination of any of the foregoing, as determined by the Committee.

8.9 Performance Bonus Awards. Any Participant selected by the Committee may be granted a cash bonus (a *Performance Bonus Award*) payable upon the attainment of Performance Goals that are established by the Committee and relate to one or more of the Performance Criteria or other specific performance criteria determined to be appropriate by the Committee, in each case on a specified date or dates or over any period or periods determined by the Committee. Any such Performance Bonus Award paid to a Covered Employee may be a Performance-Based Award and be based upon objectively determinable bonus formulas established in accordance with Article 9 hereof.

8.10 Term. Except as otherwise provided herein, the term of any Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock, Restricted Stock Units or an Other Incentive Award shall be set by the Committee in its discretion.

8.11 Exercise or Purchase Price. The Committee may establish the exercise or purchase price, if any, of any Award of Performance Shares, Performance Stock Units, Deferred Stock, Stock Payments, Restricted Stock Units or an Other Incentive Award; *provided, however*, that such price shall not be less than the par value of a share of Stock on the date of grant, unless otherwise permitted by applicable state law.

8.12 Exercise upon Termination of Employment or Service. An Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Deferred Stock, Stock Payments, Restricted Stock Units, Profits Interest Units, and an Other Incentive Award shall only vest or be exercisable or payable while the Participant is an Employee, Consultant, a member of the Board, or a TRS Director, as applicable; *provided, however*, that the Committee in its sole and absolute discretion may provide that an Award of Performance Shares, Performance Stock Units, Dividend Equivalents, Stock Payments, Deferred Stock, Restricted Stock Units, Profits Interest Units or an Other Incentive Award may vest or be exercised or paid subsequent to a termination of employment or service, as applicable, or following a Change in Control of the Company, or because of the Participant's retirement, death or Disability, or otherwise; *provided, however*, that, to the extent required to preserve tax deductibility under Section 162(m) of the Code, any such provision with respect to Performance Shares or Performance Stock Units that are intended to constitute Qualified Performance-Based Compensation shall be subject to the applicable requirements of Section 162(m) of the Code that apply to Qualified Performance-Based Compensation.

8.13 Form of Payment. Payments with respect to any Awards granted under this Article 8, other than Profits Interest Units, shall be made in cash, in Stock or a combination of both, as determined by the Committee.

8.14 Award Agreement. All Awards under this Article 8 shall be subject to such additional terms and conditions as determined by the Committee and shall be evidenced by an Award Agreement.

ARTICLE 9.

PERFORMANCE-BASED AWARDS

9.1 Purpose. The purpose of this Article 9 is to provide the Committee the ability to qualify Awards other than Options and SARs and that are granted pursuant to Articles 6 and 8 hereof as Qualified Performance-Based Compensation. If the Committee, in its discretion, decides to grant a

Edgar Filing: KILROY REALTY CORP - Form DEF 14A

Performance-Based Award to a Covered Employee, the provisions of this Article 9 shall control over any contrary provision contained in Articles 6 or 8 hereof; *provided, however*, that the Committee may in its discretion grant Awards to Covered Employees that are based on Performance Criteria or Performance Goals but that do not satisfy the requirements of this Article 9.

9.2 *Applicability.* This Article 9 shall apply only to those Covered Employees selected by the Committee to receive Performance-Based Awards. The designation of a Covered Employee as a Participant for a

Performance Period shall not in any manner entitle the Participant to receive an Award for the period. Moreover, designation of a Covered Employee as a Participant for a particular Performance Period shall not require designation of such Covered Employee as a Participant in any subsequent Performance Period and designation of one Covered Employee as a Participant shall not require designation of any other Covered Employees as a Participant in such period or in any other period.

9.3 Procedures with Respect to Performance-Based Awards. To the extent necessary to comply with the Qualified Performance-Based Compensation requirements of Section 162(m)(4)(C) of the Code, with respect to any Award granted under Articles 6 or 8 hereof which may be granted to one or more Covered Employees, no later than ninety (90) days following the commencement of any fiscal year in question or any other designated fiscal period or period of service (or such other time as may be required or permitted by Section 162(m) of the Code), the Committee shall, in writing, (a) designate one or more Covered Employees, (b) select the Performance Criteria applicable to the Performance Period, (c) establish the Performance Goals, and amounts of such Awards, as applicable, which may be earned for such Performance Period, and (d) specify the relationship between Performance Criteria and the Performance Goals and the amounts of such Awards, as applicable, to be earned by each Covered Employee for such Performance Period. Following the completion of each Performance Period, the Committee shall certify in writing whether the applicable Performance Goals have been achieved for such Performance Period. In determining the amount earned by a Covered Employee, the Committee shall have the right to reduce or eliminate (but not to increase) the amount payable at a given level of performance to take into account additional factors that the Committee may deem relevant to the assessment of individual or corporate performance for the Performance Period.

9.4 Payment of Performance-Based Awards. Unless otherwise provided in the applicable Award Agreement, a Participant must be employed by the Company or a Company Subsidiary, the Partnership or a Partnership Subsidiary, or the TRS or a TRS Subsidiary, on the day a Performance-Based Award for such Performance Period is paid to the Participant. Furthermore, a Participant shall be eligible to receive payment pursuant to a Performance-Based Award for a Performance Period only if the Performance Goals for such period are achieved, to the extent required in order to preserve tax deductibility under Code Section 162(m). In determining the amount earned under a Performance-Based Award, the Committee may reduce or eliminate the amount of the Performance-Based Award earned for the Performance Period, if in its sole and absolute discretion, such reduction or elimination is appropriate.

9.5 Additional Limitations. Notwithstanding any other provision of the Plan, to the extent required in order to preserve tax deductibility under Code Section 162(m), any Award which is granted to a Covered Employee and is intended to constitute Qualified Performance-Based Compensation shall be subject to any additional limitations set forth in Section 162(m) of the Code (including any amendment to Section 162(m) of the Code) or any regulations or rulings issued thereunder that are requirements for qualification as qualified performance-based compensation as described in Section 162(m)(4)(C) of the Code, and the Plan shall be deemed amended to the extent necessary to conform to such requirements.

ARTICLE 10.

PROVISIONS APPLICABLE TO AWARDS

10.1 Stand-Alone and Tandem Awards. Awards granted pursuant to the Plan may, in the discretion of the Committee, be granted either alone, in addition to, or in tandem with, any other Award granted pursuant to the Plan. Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

10.2 Award Agreement. Awards under the Plan shall be evidenced by Award Agreements that set forth the terms, conditions and limitations for each Award which may include the term of an Award, the provisions applicable in the event the Participant's employment or service terminates, and the Company's authority to unilaterally or bilaterally amend, modify, suspend, cancel or rescind an Award.

A-14

10.3 Limits on Transfer. No right or interest of a Participant in any Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company, the TRS, the Partnership or a Subsidiary, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company, the TRS, the Partnership or a Subsidiary. Except as otherwise provided by the Committee, no Award shall be assigned, transferred, or otherwise disposed of by a Participant other than by will or the laws of descent and distribution. The Committee by express provision in the Award or an amendment thereto may permit an Award to be transferred to, exercised by and paid to certain persons or entities related to the Participant, including but not limited to members of the Participant's family, charitable institutions, or trusts or other entities whose beneficiaries or beneficial owners are members of the Participant's family and/or charitable institutions, or to such other persons or entities as may be expressly approved by the Committee, pursuant to such conditions and procedures as the Committee may establish; *provided, however,* that no such transfer of an Incentive Stock Option shall be permitted to the extent that such transfer would cause the Incentive Stock Option to fail to qualify as an incentive stock option under Section 422 of the Code. Any permitted transfer shall be subject to the condition that the Committee receive evidence satisfactory to it that the transfer is being made for estate and/or tax planning purposes (or to a blind trust in connection with the Participant's termination of employment or service with the Company, the TRS, the Partnership or a Subsidiary to assume a position with a governmental, charitable, educational or similar non-profit institution) and on a basis consistent with the Company's lawful issue of securities. Notwithstanding the foregoing, in no event shall any Award be transferable by a Participant to a third party for consideration.

10.4 Beneficiaries. Notwithstanding Section 10.3 hereof, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights pursuant to the Plan is subject to all terms and conditions of the Plan and any Award Agreement applicable to the Participant, except to the extent the Plan and Award Agreement otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If the Participant is married and resides in a community property state, a designation of a person other than the Participant's spouse as his or her beneficiary with respect to more than 50% of the Participant's interest in the Award shall not be effective without the prior written consent of the Participant's spouse. If no beneficiary has been designated or survives the Participant, payment shall be made to the person entitled thereto pursuant to the Participant's will or the laws of descent and distribution. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Committee.

10.5 Stock Certificates; Book Entry Procedures.

(a) Notwithstanding anything herein to the contrary, the Company, the TRS, nor the Partnership shall not be required to issue or deliver any certificates evidencing shares of Stock pursuant to the exercise of any Award, unless and until the Board has determined, with advice of counsel, that the issuance and delivery of such certificates is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of any exchange on which the shares of Stock are listed or traded. All Stock certificates delivered pursuant to the Plan are subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal, state, or foreign jurisdiction, securities or other laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate to reference restrictions applicable to the Stock. In addition to the terms and conditions provided herein, the Board may require that a Participant make such reasonable covenants, agreements, and representations as the Board, in its discretion, deems advisable in order to comply with any such laws, regulations, or requirements. The Committee shall have the right to require any Participant to comply with any timing or other restrictions with respect to the settlement or exercise of any Award, including a window-period limitation, as may be imposed in the discretion of the Committee.

(b) Notwithstanding any other provision of the Plan, unless otherwise determined by the Committee or required by any applicable law, rule or regulation, the Company shall not deliver to any Participant certificates evidencing shares of Stock issued in connection with any Award and instead such shares of

Stock shall be recorded in the books of the Company (or, as applicable, its transfer agent or stock plan administrator).

10.6 *Paperless Exercise*. In the event that the Company establishes, for itself or using the services of a third party, an automated system for the exercise of Awards, such as a system using an internet website or interactive voice response, then the paperless exercise of Awards by a Participant may be permitted through the use of such an automated system.

ARTICLE 11.

CHANGES IN CAPITAL STRUCTURE

11.1 *Adjustments*.

(a) In the event of any stock dividend, stock split, combination or exchange of shares, merger, consolidation, spin-off, recapitalization or other distribution (other than normal cash dividends) of Company assets to stockholders, or any other change affecting the shares of Stock or the share price of the Stock, the Committee shall make such proportionate adjustments, if any, as the Committee in its discretion may deem appropriate to reflect such change with respect to (a) the aggregate number and kind of shares that may be issued under the Plan (including, but not limited to, adjustments of the limitations in Sections 3.1 and 3.3 hereof); (b) the terms and conditions of any outstanding Awards (including, without limitation, any applicable performance targets or criteria with respect thereto); and (c) the grant or exercise price per share for any outstanding Awards under the Plan. Any adjustment affecting an Award intended as Qualified Performance-Based Compensation shall be made consistent with the requirements of Section 162(m) of the Code.

(b) In the event of any transaction or event described in Section 11.1(a) hereof or any unusual or nonrecurring transactions or events affecting the Company, the Partnership, any affiliate of the Company or the Partnership, or the financial statements of the Company, the Partnership or any affiliate, or of changes in applicable laws, regulations or accounting principles, the Committee, in its sole and absolute discretion, and on such terms and conditions as it deems appropriate, either by the terms of the Award or by action taken prior to the occurrence of such transaction or event and either automatically or upon the Participant's request, is hereby authorized to take any one or more of the following actions whenever the Committee determines that such action is appropriate in order to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under the Plan or with respect to any Award under the Plan, to facilitate such transactions or events or to give effect to such changes in laws, regulations or principles:

(i) To provide for either (A) termination of any such Award in exchange for an amount of cash, if any, equal to the amount that would have been attained upon the exercise of such Award or realization of the Participant's rights (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction or event described in this Section 11.1 the Committee determines in good faith that no amount would have been attained upon the exercise of such Award or realization of the Participant's rights, then such Award may be terminated by the Company without payment) or (B) the replacement of such Award with other rights or property selected by the Committee in its sole discretion;

(ii) To provide that such Award be assumed by the successor or survivor corporation, or a parent or subsidiary thereof, or shall be substituted for by similar options, rights or awards covering the stock of the successor or survivor corporation, or a parent or subsidiary thereof, with appropriate adjustments as to the number and kind of shares and prices;

Edgar Filing: KILROY REALTY CORP - Form DEF 14A

(iii) To make adjustments in the number and type of shares of Stock (or other securities or property) subject to outstanding Awards, and in the number and kind of outstanding Restricted Stock or Deferred Stock and/or in the terms and conditions of (including the grant or exercise price), and the criteria included in, outstanding options, rights and awards and options, rights and awards which may be granted in the future;

A-16

(iv) To provide that such Award shall be exercisable or payable or fully vested with respect to all shares covered thereby, notwithstanding anything to the contrary in the Plan or the applicable Award Agreement; and

(v) To provide that the Award cannot vest, be exercised or become payable after such event.

11.2 Acceleration Upon a Change in Control. Notwithstanding Section 11.1 hereof, and except as may otherwise be provided in any applicable Award Agreement or other written agreement entered into between the Company and a Participant, if a Change in Control occurs and a Participant's Awards are not converted, assumed, or replaced by a successor entity, then immediately prior to the Change in Control such Awards shall become fully exercisable, and all forfeiture restrictions on such Awards shall lapse. Upon, or in anticipation of, a Change in Control, the Committee may cause any and all Awards outstanding hereunder to terminate at a specific time in the future, including but not limited to the date of such Change in Control, and shall give each Participant the right to exercise such Awards during a period of time as the Committee, in its sole and absolute discretion, shall determine. In the event that the terms of any agreement between the Company, the TRS, the Partnership or any Subsidiary or affiliate and a Participant contains provisions that conflict with and are more restrictive than the provisions of this Section 11.2, this Section 11.2 shall prevail and control and the more restrictive terms of such agreement (and only such terms) shall be of no force or effect.

11.3 No Other Rights. Except as expressly provided in the Plan, no Participant shall have any rights by reason of any subdivision or consolidation of shares of stock of any class, the payment of any dividend, any increase or decrease in the number of shares of stock of any class or any dissolution, liquidation, merger, or consolidation of the Company or any other corporation. Except as expressly provided in the Plan or pursuant to action of the Committee under the Plan, no issuance by the Company of shares of stock of any class, or securities convertible into shares of stock of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number of shares of Stock subject to an Award or the grant or exercise price of any Award.

ARTICLE 12.

ADMINISTRATION

12.1 Committee. Unless and until the Board delegates administration of the Plan to a Committee as set forth below, the Plan shall be administered by the full Board, and for such purposes the term "Committee" as used in this Plan shall be deemed to refer to the Board. The Board, at its discretion (including to the extent it deems it advisable to comply with the requirements of Section 162(m) of the Code, Rule 16b-3 promulgated under the Exchange Act or any other applicable rule or regulation), shall delegate administration of the Plan to a Committee. The Committee shall consist solely of two or more members of the Board each of whom is an "outside director," within the meaning of Section 162(m) of the Code, a Non-Employee Director and an "independent director" under the rules of the New York Stock Exchange (or other principal securities market on which shares of Stock are traded). The governance of such Committee shall be subject to the charter of the Committee as approved by the Board. Any action taken by the Committee shall be valid and effective, whether or not members of the Committee at the time of such action are later determined not to have satisfied the requirements for membership set forth in this Section 12.1 or otherwise provided in the charter of the Committee. Notwithstanding the foregoing: (a) the full Board, acting by a majority of its members in office, shall conduct the general administration of the Plan with respect to all Awards granted to Independent Directors and for purposes of such Awards the term "Committee" as used in this Plan shall be deemed to refer to the Board and (b) the Committee may delegate its authority hereunder to the extent permitted by Section 12.5 hereof. In its sole discretion, the Board may at any time and from time to time exercise any and all rights and duties of the Committee under the Plan.

12.2 Support for the Committee. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company, the TRS, the Partnership or any Subsidiary, the independent

certified public accountants of the Company, the

A-17

TRS, or the Partnership, or any executive compensation consultant or other professional retained by the Company, the TRS, or the Partnership to assist in the administration of the Plan.

12.3 *Authority of Committee.* Subject to any specific designation in the Plan, the Committee has the exclusive power, authority and discretion to:

(a) Designate Participants to receive Awards;

(b) Determine the type or types of Awards to be granted to each Participant;

(c) Determine the number of Awards to be granted and the number of shares of Stock or Profits Interest Units to which an Award will relate;

(d) Determine the terms and conditions of any Award granted pursuant to the Plan, including, but not limited to, the exercise price, grant price, or purchase price, any reload provision, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, any provisions related to non-competition and recapture of gain on an Award, based in each case on such considerations as the Committee in its sole discretion determines; *provided, however*, that the Committee shall not have the authority to accelerate the vesting or waive the forfeiture of any Performance-Based Awards;

(e) Determine whether, to what extent, and pursuant to what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered;

(f) Prescribe the form of each Award Agreement, which need not be identical for each Participant;

(g) Decide all other matters that must be determined in connection with an Award;

(h) Establish, adopt, or revise any rules and regulations as it may deem necessary or advisable to administer the Plan;

(i) Interpret the terms of, and any matter arising pursuant to, the Plan or any Award Agreement;

(j) In the case of Awards to TRS Employees, TRS Consultants, Partnership Employees or Partnership Consultants, determine the mechanics for the transfer of rights under such Awards; and

(k) Make all other decisions and determinations that may be required pursuant to the Plan or as the Committee deems necessary or advisable to administer the Plan.

12.4 Decisions Binding. The Committee's interpretation of the Plan, any Awards granted pursuant to the Plan, any Award Agreement and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties.

12.5 Delegation of Authority. To the extent permitted by applicable law, the Committee may from time to time delegate to a committee of one or more members of the Board or one or more officers of the Company the authority to grant or amend Awards to Participants other than (a) senior executives of the Company who are subject to Section 16 of the Exchange Act or Independent Directors, or (b) officers of the Company (or members of the Board) to whom authority to grant or amend Awards has been delegated hereunder. Any delegation hereunder shall be subject to the restrictions and limits that the Committee specifies at the time of such delegation, and the Committee may at any time rescind the authority so delegated or appoint a new delegatee. At all times, the delegatee appointed under this Section 12.5 shall serve in such capacity at the pleasure of the Committee.

ARTICLE 13.

EFFECTIVE AND EXPIRATION DATE

13.1 *Effective Date.* The Plan is effective as of the date the Plan is approved by the Company's stockholders (the *Effective Date*). The Plan will be deemed to be approved by the stockholders if it receives the affirmative vote of a majority of votes cast at a meeting duly held in accordance with the applicable provisions of the Company's bylaws, provided that the total vote cast on the proposal represents over 50% in interest of all securities entitled to vote on the proposal.

13.2 *Expiration Date.* No Award may be granted pursuant to the Plan after the tenth anniversary of the Effective Date. Any Awards that are outstanding on the tenth anniversary of the Effective Date shall remain in force according to the terms of the Plan and the applicable Award Agreement.

ARTICLE 14.

AMENDMENT, MODIFICATION, AND TERMINATION

14.1 *Amendment, Modification, and Termination.* Subject to Section 15.17 hereof, with the approval of the Board, at any time and from time to time, the Committee may terminate, amend or modify the Plan; *provided, however*, that (a) to the extent the Company deems it necessary or desirable to comply with any applicable law, regulation, or stock exchange rule, the Company shall obtain stockholder approval of any Plan amendment in such a manner and to such a degree as required, and (b) stockholder approval shall be required for any amendment to the Plan that (i) increases the number of shares available under the Plan (other than any adjustment as provided by Article 11 hereof), (ii) permits the Committee to grant Options or SARs with an exercise price that is below Fair Market Value on the date of grant, or (iii) permits the Committee to extend the exercise period for an Option or SAR beyond ten years from the date of grant. Notwithstanding any provision in this Plan to the contrary, absent approval of the stockholders of the Company, (I) no Option or SAR may be amended to reduce the per share exercise price of the shares subject to such Option or SAR below the per share exercise price as of the date the Award is granted, (II) except as permitted by Article 11 hereof, no Option or SAR may be granted in exchange for, or in connection with, the cancellation or surrender of an Option or SAR having a higher per share exercise price, and (III) except as permitted by Article 11 hereof, no Award may be granted in exchange for the cancellation or surrender of an Option or SAR with a per share exercise price that is greater than the Fair Market Value on the date of such grant or cancellation.

14.2 *Awards Previously Granted.* Except with respect to amendments made pursuant to Section 15.17 hereof, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Award previously granted pursuant to the Plan without the prior written consent of the Participant.

ARTICLE 15.

GENERAL PROVISIONS

Edgar Filing: KILROY REALTY CORP - Form DEF 14A

15.1 *No Rights to Awards.* No Eligible Individual or other person shall have any claim to be granted any Award pursuant to the Plan, and none of the Company, the TRS, the Partnership, any Subsidiary or the Committee is obligated to treat Eligible Individuals, Participants or any other persons uniformly.

15.2 *No Stockholders Rights.* Except as otherwise provided herein, a Participant shall have none of the rights of a stockholder with respect to shares of Stock covered by any Award until the Participant becomes the record owner of such shares of Stock.

15.3 *Withholding.* The Company, the TRS, the Partnership or any Subsidiary, as applicable, shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, the TRS, the Partnership or any Subsidiary, as applicable, an amount sufficient to satisfy federal, state, local and foreign taxes

(including the Participant's employment tax obligations) required by law to be withheld with respect to any taxable event concerning a Participant arising as a result of this Plan. The Committee may in its discretion and in satisfaction of the foregoing requirement require or allow a Participant to elect to have the Company, the TRS, the Partnership or any Subsidiary, as applicable, withhold shares of Stock otherwise issuable under an Award (or allow the return of shares of Stock) having a fair market value on the date of withholding equal to the sums required to be withheld. Notwithstanding any other provision of the Plan, the number of shares of Stock which may be withheld with respect to the issuance, vesting, exercise or payment of any Award (or which may be repurchased from the Participant of such Award within six months (or such other period as may be determined by the Committee) after such shares of Stock were acquired by the Participant from the Company) in order to satisfy the Participant's federal, state, local and foreign income and payroll tax liabilities with respect to the issuance, vesting, exercise or payment of the Award shall be limited to the number of shares which have a fair market value on the date of withholding or repurchase equal to the aggregate amount of such liabilities based on the minimum statutory withholding rates for federal, state, local and foreign income tax and payroll tax purposes that are applicable to such supplemental taxable income.

15.4 *No Right to Employment or Services.* Nothing in the Plan or any Award Agreement shall interfere with or limit in any way the right of the Company, the TRS, the Partnership or any Subsidiary to terminate any Participant's employment or services at any time, nor confer upon any Participant any right to continue in the employ or service of the Company, the TRS, the Partnership or any Subsidiary.

15.5 *Unfunded Status of Awards.* The Plan is intended to be an unfunded plan for incentive compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Agreement shall give the Participant any rights that are greater than those of a general creditor of the Company, the TRS, the Partnership or any Subsidiary.

15.6 *Indemnification.* To the extent allowable pursuant to applicable law, each member of the Committee or of the Board shall be indemnified and held harmless by the Company, the TRS, and/or the Partnership from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by such member in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action or failure to act pursuant to the Plan and against and from any and all amounts paid by him or her in satisfaction of judgment in such action, suit, or proceeding against him or her; *provided* he or she gives the Company, the TRS and the Partnership an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled pursuant to the Company's Certificate of Incorporation or bylaws, as a matter of law, or otherwise, or any power that the Company, the TRS, and/or the Partnership may have to indemnify them or hold them harmless.

15.7 *Relationship to Other Benefits.* No payment pursuant to the Plan shall be taken into account in determining any benefits pursuant to any pension, retirement, savings, profit sharing, group insurance, welfare or other benefit plan of the Company, the TRS, the Partnership or any Subsidiary except to the extent otherwise expressly provided in writing in such other plan or an agreement thereunder.

15.8 *Expenses.* The expenses of administering the Plan shall be borne by the Company, the TRS, the Partnership and their Subsidiaries.

15.9 *Titles and Headings.* The titles and headings of the Sections in the Plan are for convenience of reference only and, in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

15.10 *Fractional Shares.* No fractional shares of Stock shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional shares or whether such fractional shares shall be eliminated by rounding up or down as appropriate.

15.11 *Limitations Applicable to Section 16 Persons.* Notwithstanding any other provision of the Plan, the Plan, and any Award granted or awarded to any Participant who is then subject to Section 16 of the Exchange Act, shall be subject to any additional limitations set forth in any applicable exemptive rule under Section 16 of the Exchange Act (including any amendment to Rule 16b-3 under the Exchange Act) that are requirements for the application of such exemptive rule if and to the extent necessary in order that the Participant not have actual short-swing profits liability under Section 16(b) of the Exchange Act, and, to the extent permitted by applicable law, the Plan and such Awards shall be deemed amended to the extent necessary to conform to such applicable exemptive rule.

15.12 *Government and Other Regulations.* The obligation of the Company, the TRS and the Partnership to make payment of awards in Stock, Profits Interest Units or otherwise shall be subject to all applicable laws, rules, and regulations, and to such approvals by government agencies as may be required. The Company shall be under no obligation to register pursuant to the Securities Act, as amended, any of the shares of Stock or Profits Interest Units paid pursuant to the Plan. If the shares or Profits Interest Units paid pursuant to the Plan may in certain circumstances be exempt from registration pursuant to the Securities Act, as amended, the Company, the TRS and the Partnership may restrict the transfer of such shares or Profits Interest Units in such manner as it deems advisable to ensure the availability of any such exemption.

15.13 *Section 83(b) Election Prohibited.* No Participant may make an election under Section 83(b) of the Code with respect to any Award under the Plan without the consent of the Company or the Partnership, which the Company or the Partnership may grant or withhold in its sole discretion.

15.14 *Grant of Awards to Certain Employees or Consultants.* The Company, the TRS, the Partnership or any Subsidiary may provide through the establishment of a formal written policy or otherwise for the method by which shares of Stock or other securities and/or payment therefor may be exchanged or contributed between the Company and such other party, or may be returned to the Company upon any forfeiture of Stock or other securities by the Participant, for the purpose of ensuring that the relationship between the Company and the TRS, the Partnership or such Subsidiary remains at arms-length.

15.15 *Restrictions on Awards.* This Plan shall be interpreted and construed in a manner consistent with the Company's status as a REIT. No Award shall be granted or awarded, and with respect to an Award already granted under the Plan, such Award shall not be exercisable or payable:
