Amendment to Indenture for 6.10% Senior Notes due 2028

On April 6, 2006, American Greetings Corporation announced that it commenced a cash tender offer for all of its \$300 million of outstanding 6.10% senior notes due August 1, 2028 (the "6.10% Notes") and a consent solicitation to amend the related note indenture (the "Indenture"). The consent solicitation sought consents from holders of the 6.10% Notes to eliminate certain restrictive covenants and events of default from the Indenture as described below.

On April 20, 2006, we announced that in connection with our tender offer and consent solicitation we received sufficient consents from holders of the 6.10% Notes to amend the Indenture. The consent payment deadline was at 5:00 p.m., New York City time, on April 19, 2006.

On May 25, 2006, we announced that we had successfully completed our tender offer and consent solicitation for the 6.10% Notes. The tender offer expired at 5:00 p.m., New York City time on Wednesday, May 24, 2006. An aggregate of approximately \$277.3 million of the 6.10% Notes were tendered pursuant to the offer and accepted by us for payment. In connection with the completion of the tender offer and consent solicitation, effective as of May 25, 2006, the Indenture was amended to eliminate certain restrictive covenants and events of default thereunder, including eliminating Sections 1008, 1009 and 1010 of the Indenture in their entirety. Section 1008 of the Indenture limited our ability to incur or guarantee any debt secured by a mortgage on any of our assets without making effective provisions for securing the 6.10% Notes equally and ratably with or prior to such secured debt. Section 1009 of the Indenture limited our ability to enter into any arrangement with any lender or investor providing for the leasing to us of our real property which has been or is to be sold or transferred by us more than 120 days after the date of acquisition thereof to such lender or investor on the security of such real property. Section 1010 of the Indenture limited our ability to incur or guarantee any unsecured funded debt, which generally includes (i) all indebtedness which matures, or which is renewable or extendible at the option of the obligor to a time, more than 12 months after the time of computation and all guarantees thereof, and (ii) all preferred stock of any of our subsidiaries.

In addition, we amended the Indenture to delete clause (3) of Section 801 of the Indenture in its entirety. By deleting this provision, we are permitted to consolidate with or merge into any other person, or convey, transfer or lease our properties and assets substantially as an entirety to any person, or permit any person to consolidate with or merge into us or convey, transfer or lease its properties and assets substantially as an entirety to us, subject to the satisfaction of the other remaining conditions that will remain in Section 801, without needing to satisfy the condition that if as a result of such transaction, our properties or assets would become subject to a mortgage, pledge, lien, security interest or other encumbrance that would not be permitted by the Indenture, American Greetings or such successor person secure the 6.10% Notes equally and ratably with (or prior to) all indebtedness secured thereby. We also amended Section 501 of the Indenture to delete references in the events of default to the Sections specified above and eliminate the events of default provided under Section 501(5) of the Indenture relating to cross defaults with respect to certain of our other indebtedness.

The foregoing description of the First Supplemental Indenture is qualified in its entirety by reference to the copy of the amendment attached hereto as Exhibit 4.1, and incorporated herein by reference.

We accepted all validly tendered Old Notes and, in exchange, issued a like principal amount of the New Notes and paid a cash exchange fee of \$5.00 for each \$1,000 principal amount of the Old Notes exchanged. We did not receive any proceeds from the issuance of the New Notes. The New Notes are convertible into a combination of cash and shares of our common stock.
