Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On November 15, 2006, Prudential Arizona Reinsurance Captive Company (PARCC), a subsidiary of Prudential Financial, Inc. (the Registrant), entered into a Surplus Note Purchase Agreement (the Purchase Agreement) with an unaffiliated financial institution, as purchaser (the Purchaser), pursuant to which, during the ten-year period beginning upon the closing of the Purchase Agreement, the Purchaser will, upon the request of PARCC, advance funds to PARCC (each such advance, a Drawdown) in consideration for one or more issuances of PARCC 's floating rate surplus notes with a ten-year maturity (the Surplus Notes). Pursuant to the Purchase Agreement, the aggregate principal amount of Surplus Notes at any one time outstanding may not exceed \$3,000,000,000. PARCC will initially issue approximately \$600,000,000 aggregate principal amount of Surplus Notes.

The Surplus Notes are redeemable prior to maturity, subject to certain prepayment penalties and the satisfaction of customary notice and other requirements. In addition, pursuant to the Purchase Agreement, PARCC will be required to make certain customary representations and warranties prior to any Drawdown. The Surplus Notes are senior obligations of PARCC and are reflected on the consolidated financial statements of the Registrant. The Registrant intends to use proceeds from issuances of the Surplus Notes to finance certain reserves required to be held by subsidiary life insurers of the Registrant in connection with the reinsurance of certain term life insurance policies through PARCC. The Surplus Notes have not been and will not be registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption therefrom.
