Section 2 Financial Information

Item 2.01 Completion of Acquisition or Disposition of Assets

On November 30, 2006, certain international subsidiaries of Greif, Inc. (the *Company*) acquired from Blagden Packaging Nederland B.V., Blagden Packaging Rumbekke NV, Blagden Packaging Wichelen NV, Blagden Packaging Zwolle B.V. and Vanloon Consulting Services B.V. (collectively, the *Blagden Packaging Group*) all of the outstanding shares of certain affiliated companies and the assets of another affiliated company, which shares and assets together constitute the Blagden Packaging Group's steel drum and other new packaging manufacturing and closures business in Europe and Asia (the *Blagden Packaging Business*).

The purchase price for the Blagden Packaging Business was 205 million, which purchase price is subject to a post-closing adjustment, either upward or downward, based upon the working capital and net financial debt of the Blagden Packaging Business as of the closing date. The purchase price was the result of arms-length negotiations between the parties.

Other than in respect of the transaction, there is no relationship between the Blagden Packaging Group and the Company or any of the Company's affiliates, directors or officers or any associate of the Company's directors or officers.

The payment of the purchase price was funded by a combination of cash on hand, borrowings under the Company's existing US \$450 million revolving multicurrency credit facility, and proceeds from the sale of certain European trade receivables under the Company's European accounts receivable factoring arrangement.

Net sales of the Blagden Packaging Business were approximately US \$265 million on an annualized basis. The Blagden Packaging Business has approximately 820 employees in the Netherlands, Belgium, France, the United Kingdom, Spain, Singapore, Malaysia and China.

The purchase of the Blagden Packaging Business was made pursuant to the terms of a Share and Assets Sale Agreement dated October 25, 2006, which is attached as Exhibit 10.1 to this Current Report on Form 8-K.
