Item 3.01. Notice of Failure to Satisfy a Continued Listing Rule or Standard

As previously disclosed on our Current Report on Form 8-K filed on January 11, 2007, NightHawk Radiology Holdings, Inc. (the Company) announced that a member of its Board of Directors, Mr. Timothy Mayleben, had been appointed its new Executive Vice President and Chief Operating Officer and that, as a consequence of such appointment, Mr. Mayleben resigned as Chairman of the Company's Audit Committee. The Company also reported that these actions resulted in (i) a majority of the members of the Company's Board of Directors no longer being independent under the listing standards of the Nasdaq Global Market (Nasdaq) or the rules promulgated by the United States Securities and Exchange Commission, (ii) the Audit Committee no longer being comprised of three independent directors and (iii) the Audit Committee no longer having a financial expert.

On February 1, 2007, the Company received written notice from Nasdaq that, due to Mr. Mayleben no longer being independent, the Company does not satisfy Nasdaq Marketplace Rules 4350(c) and (d), which require that the Board of Directors consist of a majority of independent directors and that the audit committee have three independent directors. In addition, Nasdaq requested that the Company provide to it on or prior to February 16, 2007 a specific plan and timetable to achieve compliance with the aforementioned rules. The Company intends to provide such plan and timetable to Nasdaq as requested and to appoint another independent director as soon as practicable.

In accordance with Nasdaq Marketplace Rule 4803(a), the Company issued a press release on February 5, 2007 to announce its receipt of the notice from Nasdaq. A copy of this press release is attached as Exhibit 99.1 to this report and incorporated herein by reference.
