6. Q: HOW DO I VOTE BY MAIL?

A: If you complete and properly sign each proxy card you receive and return it to us in the prepaid envelope, it will be voted by one of the individuals indicated on the card (your proxy) as you direct. 9. Q: CAN I VOTE AT THE MEETING?

A: Yes. If you wish to vote your shares in person at the Annual Meeting and they are held by your broker in street name, you must bring a letter from the broker to the meeting showing that you were the beneficial owner of the shares on March 5, 2007.

Table of Contents

Meeting to be held. If you submit a properly executed proxy card, even if you abstain from voting, your shares will be considered part of the quorum. Broker non-votes are also considered a part of the quorum. Broker non-votes occur when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that item and has not received voting instructions from the beneficial owner.

13. Q: WHAT IS BROKER DISCRETIONARY VOTING?

A: Under the rules of the New York Stock Exchange (NYSE), if you hold your shares through a broker, your broker is permitted to vote your shares on the election of directors, ratification of our independent registered public accounting firm and the amendment to our Restated Certificate of Incorporation in its discretion if it has transmitted the proxy materials to you and has not received voting instructions from you on how to vote your shares before the deadline set by your broker.

14. Q: HOW ARE MATTERS PASSED OR DEFEATED?

A: The seven director nominees will be elected if each of them receives a majority of votes cast. A majority of the votes cast means that the number of votes cast for a director must exceed the number of votes cast against that director. Abstentions will not be counted in the determination of the majority of votes cast. Incumbent directors will submit a written resignation to the Board which will be effective if he/she does not receive a majority of the votes cast and the resignation is accepted by the Board. Ratification of the appointment of our independent registered public accounting firm must receive affirmative votes from more than 50 percent of the shares that are voted to be approved. An abstention has the same effect as a vote AGAINST this proposal. The amendment to our Restated Certificate of Incorporation must receive an affirmative vote from more than 50 percent of shares entitled to vote to be approved. An abstention has the same effect as a vote AGAINST this proposal.

15. Q: WHO WILL COUNT THE VOTES?

A: Proxies will be tabulated by ADP-ICS, Inc.

16. Q: IS MY VOTE CONFIDENTIAL?

A: Proxy cards, ballots and voting tabulations that identify individual stockholders are mailed or returned directly to ADP-ICS and handled in a manner that protects your voting privacy. Your vote will not be disclosed except (1) as needed to permit ADP-ICS to tabulate and certify the vote and (2) as required by law. However, comments written on the proxy card may be forwarded to management. In that case, your identity may not be kept confidential.

17. Q: HOW WILL VOTING ON ANY BUSINESS NOT DESCRIBED ON THE NOTICE OF ANNUAL MEETING BE CONDUCTED?

A: We do not know of any business to be considered at the Annual Meeting other than the proposals described in this proxy statement. If any other business is presented at the Annual Meeting, your signed proxy card gives authority to Hector de J. Ruiz, our Chief Executive Officer, and Hollis M. O'Brien, our Corporate Secretary, to vote on such matters at their discretion.

CORPORATE GOVERNANCE

On February 8, 2007, the Board of Directors approved an amendment to the Company's Bylaws to change the plurality vote standard for the election of directors to a majority vote standard with respect to uncontested elections. The new standard requires each director to receive a majority of the votes cast to be elected. A majority of the votes cast means that the number of votes cast for a director must exceed the number of votes cast against that director. Previously, in uncontested elections, directors were elected under a plurality vote standard, which meant that the candidates receiving the highest number of votes were elected whether or not they received a majority of the votes cast. In contested elections, where the number of nominees exceeds the number of directors to be elected, the vote standard will continue to be a plurality of votes cast. Incumbent directors will submit a written resignation to the Board which will be effective if he/she does not receive a majority of the votes cast and the resignation is accepted by the Board.

The Board of Directors has adopted Principles of Corporate Governance (Principles) to address significant corporate governance issues. The Principles provide a framework for our corporate governance matters and include topics such as Board and Board committee composition and evaluation. The Nominating and Corporate Governance Committee is responsible for reviewing the Principles and reporting and recommending any changes to the Principles to the Board of Directors.

The Principles provide that a majority of the members of the Board must meet the criteria for independence as required by applicable law and the NYSE listing standards. No director qualifies as independent unless the Board of Directors determines that the director has no direct or indirect material relationship with the Company. On an annual basis, each director and executive officer is obligated to complete a Director and Officer Questionnaire which requires disclosure of any transactions with the Company in which the director or executive officer, or any member of his or her immediate family, have a direct or indirect material interest. The Company also independently reviews the relationship of the Company to any entity employing a director or on which the director serves as a member of the Board of Directors. Our Board of Directors has determined that all directors who served during our 2006 fiscal year and all of our director nominees, other than Dr. Ruiz, are independent in accordance with SEC and the NYSE rules. The Board has concluded that there are no business relationships that are material or that would interfere with the exercise of independent judgment by any of the directors in his or her service on the Company's Board of Directors or the Audit Committee.

The Board of Directors has adopted a code of ethics that applies to all directors and employees entitled, Worldwide Standards of Business Conduct, which we designed to help directors and employees resolve ethical issues encountered in the business environment. The Worldwide Standards of Business Conduct covers topics such as conflicts of interest, compliance with laws and confidentiality of Company information and encourages the reporting of any illegal or unethical behavior, fair dealing and use of Company assets.

The Board of Directors has also adopted a Code of Ethics for the Chief Executive Officer, the Chief Financial Officer, the Corporate Controller and all other senior finance executives. The Code of Ethics covers topics such as financial reporting, conflicts of interest and compliance with laws, rules, regulations and our policies.

Each of the Committees described below has adopted a charter, which has been approved by the Board of Directors. You can access our bylaws, the latest Committee Charters, the Principles of Corporate Governance, the Worldwide Standards of Business Conduct and the Code of Ethics at the Investor Relations Web page of our Web site at www.amd.com or by writing to us at Corporate Secretary, AMD, One AMD Place, P.O. Box 3453, M.S. 68, Sunnyvale, California 94088, or emailing us at Corporate.Secretary@amd.com. We will provide you with this information free of charge. MEETINGS AND COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors held ten regularly scheduled and special meetings during the 2006 fiscal year. All directors, except Mr. Caldwell, attended at least 75 percent of the meetings of the Board of Directors in 2006. Mr. Caldwell joined the Board in October of 2006 and was unable to attend one of the two regularly scheduled meetings held in the remainder of 2006. The Board has Audit, Nominating and Corporate Governance, Compensation and Finance Committees. The members of the Committees and their Chairs are selected by the Nominating and Corporate Governance Committee and then appointed by the Board annually. In 2006, the Board of Directors reappointed Mr. Robert Palmer as the lead independent director of the Board of Directors. In that capacity, Mr. Palmer chairs executive sessions of the non-management directors, which are held at regularly scheduled sessions, and the meetings of the Nominating and Corporate Governance Committee. Sessions of the non-management directors were held six times in 2006.

Audit Committee. The Audit Committee consists of Ms. H. Paulett Eberhart, as Chair, Dr. W. Michael Barnes, Mr. Bruce L. Claflin and Mr. Morton L. Topfer, each of whom was determined by the Board of Directors to be financially literate and independent. All members of the Audit Committee are qualified to be designated as audit committee financial experts. However, the Board of Directors determined that only Ms. Eberhart would be designated to be an audit committee financial expert. The Audit Committee held 14 meetings during 2006. The Audit Committee assists the Board with its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications, independence and performance, and the performance of our internal audit function. The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm, who reports directly to the Audit Committee. The Audit Committee meets alone with our financial and legal personnel, and with our independent registered public accounting firm, which has free access to the Audit Committee. The director of our Internal Audit Department reports directly to the Chair of the Audit Committee and dotted-line to our Chief Financial Officer and serves a staff function for the Audit Committee. All members of the Audit Committee attended at least 75 percent of the meetings of the Audit Committee in 2006.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee consists of Mr. Robert B. Palmer, as Chair, Dr. W. Michael Barnes, Mr. Bruce L. Claflin, Ms. H. Paulett Eberhart, Dr. Leonard M. Silverman and Mr. Morton L. Topfer, each determined by the Board of Directors to be independent. Mr. David J. Edmondson served as a member until his resignation from the Board of Directors effective February 24, 2006. The Nominating and Corporate Governance Committee met four times in 2006 to consider nominees and appointees to the Board and other corporate governance matters. The Committee met once during 2007 to consider nominees for the 2007 Annual Meeting and other corporate governance matters. The Nominating and Corporate Governance Committee assists the Board in discharging its responsibilities regarding the identification of qualified candidates to become Board members, the selection of nominees for election as directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected), the selection of candidates to fill any vacancies on the Board, the development and recommendation to the Board of corporate governance guidelines and principles, including the Principles, and oversight of the evaluation of the Board and management. The Nominating and Corporate Governance Committee retains a search firm for the purpose of obtaining information regarding potential candidates for board membership. Each of the members of the Audit Committee is independent, as determined by the Board of Directors and in compliance with the NYSE and SEC rules and is financially literate, as that qualification is interpreted by the Board. ITEM 2 RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Unless you indicate otherwise, your proxy will vote **FOR** the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the current year. Ernst & Young LLP has been our independent auditors since our incorporation in 1969.

The Audit Committee meets with Ernst & Young LLP several times a year. The Audit Committee reviews both audit and non-audit services performed by Ernst & Young LLP and the fees charged for such services. Among other things, the Audit Committee examines the effect that the performance of non-audit services may have upon the independence of the registered public accounting firm. All audit-related services and tax services were pre-approved by the Audit Committee after review of each of the services proposed for approval.

A representative of Ernst & Young LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement if he or she so desires. He or she will also be available to respond to appropriate questions from stockholders.

Independent Registered Public Accounting Firm's Fees

Audit Fees. Audit fees of Ernst & Young LLP during the 2006 and 2005 fiscal years were associated with our annual and quarterly reports filed with the Securities and Exchange Commission, statutory audits required internationally, and other regulatory filings. The 2006 and 2005 audit fees also included those fees related to Ernst & Young LLP's audit of the effectiveness of the Company's internal control pursuant to Section 404 of the Sarbanes-Oxley Act. Audit fees for 2006 and 2005 were \$4.5 million and \$9.3 million, respectively.

Audit-Related Fees. Audit-related fees for services of Ernst & Young LLP during the 2006 and 2005 fiscal years included assistance related to the adoption of new accounting and reporting standards, due diligence services in connection with the acquisition of ATI Technologies Inc., accounting advice, audits of our employee benefit plans and separate audits of subsidiaries and affiliated entities not required by statute or regulation. Audit-related fees for 2006 and 2005 were \$2.6 million and \$110,000, respectively.

Tax Fees. Tax fees during 2006 and 2005 included tax compliance, tax advice and tax planning. Tax fees for 2006 and 2005 were \$2.2 million and \$340,000, respectively. Included in 2006 tax fees are tax integration planning fees rendered in connection with the Company's acquisition of ATI Technologies Inc.

All Other Fees. There were no other fees paid to Ernst & Young LLP for 2006 or 2005.

The Audit Committee approves annually the services to be provided by Ernst & Young LLP during the year before those services are provided. All of the services provided in 2006 were pre-approved.

Your Board of Directors unanimously recommends that you vote FOR the ratification of the appointment of Ernst & Young LLP as the independent registered public accounting firm for the current year. Unless you indicate otherwise, your proxy will vote FOR ratification.

ITEM 3 AMENDMENT TO OUR RESTATED CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK FROM 750 MILLION TO 1.5 BILLION

Presently, our authorized capital stock consists of 750 million shares of Common Stock, par value \$0.01 per share, and 1,000,000 shares of Preferred Stock, par value \$0.10 per share. As of March 5, 2007, the Company had outstanding approximately _____ shares of Common Stock and no shares of Preferred Stock.

In February 2007, our Board of Directors unanimously approved an amendment to paragraph 4 of our Restated Certificate of Incorporation to increase the authorized number of shares of Common Stock from 750 million to 1.5 billion shares, subject to stockholder approval of the amendment. The text of paragraph 4 as amended is attached as Appendix A.

Under the proposed amendment, the number of authorized shares of Common Stock would be increased from 750 million to 1.5 billion shares, which would leave us with _____ shares of Common Stock authorized and unissued as of March 5, 2007.

The amendment would provide us with the ability to issue Common Stock for a variety of corporate purposes. These include issuances in connection with the acquisition of a business, to raise cash to expand our business and for equity incentive plans for our employees. The additional authorized shares would enable us to act quickly in response to opportunities that may arise for these types of transactions, in most cases without the necessity of obtaining further stockholder approval and holding a special stockholders' meeting before such issuances(s) could proceed, except as provided under Delaware law or under the NYSE rules. The proposed increase in the number of shares of Common Stock will not change the number of shares of stock outstanding, have any immediate dilutive effect or change the rights of current holders of stock. However, to the extent that the additional authorized shares of capital stock are issued in the future, they may decrease existing stockholders' percentage equity ownership and, depending on the price at which they are issued, could be dilutive to the voting rights of existing stockholders and may dilute earnings and book value on a per share basis. Stockholders do not have preemptive rights to acquire the Common Stock authorized by this amendment, which means that current stockholders do not have a prior right to purchase any new issue of capital stock in order to maintain their proportionate ownership thereof.

Our Board of Directors believes that it is in the best interests of the stockholders for the Board of Directors to have the flexibility to issue additional shares of Common Stock in any or all of the above circumstances. Although the issuance of additional shares of Common Stock could, in certain instances, discourage an attempt by another person or entity to acquire control of us, we have not proposed the increase in the number of authorized shares of common stock with the intention of using the additional authorized shares for anti-takeover purposes.

Our Board of Directors has no present arrangements or agreements to issue any of the proposed additional authorized shares of Common Stock. However, we review and evaluate potential capital raising activities, transactions and other corporate actions on an on-going basis to determine if such actions would be in the best interests of AMD and its stockholders.

Your Board of Directors unanimously recommends that you vote FOR the approval of the amendment to our Restated Certificate of Incorporation to increase the authorized number of shares of Common Stock from 750 million to 1.5 billion. Unless you indicate otherwise, your proxy will vote FOR approval.
