PROXY STATEMENT

2007 Annual Meeting of Stockholders

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of Apollo Investment Corporation (the Company, we, us or our) for use at the Company's 2007 Annual Meeting of Stockholders (the Meeting) to be held on Thursday, August 7, 2007, at 9:30 a.m., Eastern Time, at **Le Parker Meridien Hotel located at 119 West 56th Street, New York, New York 10019** and at any postponements or adjournments thereof. This Proxy Statement, the accompanying proxy card and the Company's Annual Report for the fiscal year ended March 31, 2007, are first being sent to stockholders on or about July 9, 2007.

We encourage you to vote your shares, either by voting in person at the Meeting or by granting a proxy (i.e., authorizing someone to vote your shares). If you properly sign and date the accompanying proxy card or vote by telephone or through the Internet, and the Company receives it in time for voting at the Meeting, the persons named as proxies will vote your shares in the manner that you specify. **If you give no instructions on the proxy card, the shares covered by the proxy card will be voted FOR the election of each of the nominees as directors and for the ratification of the selection of PricewaterhouseCoopers LLP and in the discretion of the persons named as proxies in connection with any other matter which may properly come before the meeting or any adjournment thereof.**

You may revoke a proxy at any time before it is exercised by notifying the Company's Secretary in writing, by submitting a properly executed, later-dated proxy, or by voting in person at the Meeting. Any stockholder of record attending the Meeting may vote in person whether or not he or she has previously voted his or her shares or wishes to change a previous vote.

If your shares are registered in the name of a bank or brokerage firm, you may be eligible to vote your shares electronically via the Internet or by telephone.

Purpose of Meeting

At the Meeting, you will be asked to vote on the following proposals:

1. To elect two Class III directors of the Company, who will each serve for a term of three years or until his successor is duly elected and qualified;
2. To ratify the selection of PricewaterhouseCoopers LLP (PricewaterhouseCoopers) to serve as the Company's independent registered public accounting firm for the year ending March 31, 2008; and
3. To transact such other business as may properly come before the meeting.

Voting Securities

You may vote your shares at the Meeting only if you were a stockholder of record at the close of business on June 20, 2007 (the Record Date). There were 103,507,766 shares of the Company's common stock outstanding on the Record Date. Each share of the common stock is entitled to one vote.

Quorum Required

A quorum must be present at the Meeting for any business to be conducted. The presence at the Meeting, in person or by proxy, of the holders of a majority of the shares of stock outstanding on the Record Date will constitute a quorum. Shares held by a broker or other nominee for which the nominee has not received voting instructions from the record holder and does not have discretionary authority to vote the shares on certain proposals (which are considered broker non-votes with respect to such proposals), will be treated as shares present for quorum purposes.

Vote Required

Election of Directors. The election of a director requires the vote of a majority of the shares of stock outstanding. Stockholders may not cumulate their votes. If you vote *Withhold Authority* with respect to a nominee, your shares will not be voted with respect to the person indicated. Because directors are elected by a majority of the votes, votes to withhold authority and broker non-votes will have the effect of a vote against a nominee.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of a majority of the votes cast at the Meeting in person or by proxy is required to ratify the appointment of PricewaterhouseCoopers to serve as the Company's independent registered public accounting firm. Abstentions and broker non-votes will not be included in determining the number of votes cast and, as a result, will have no effect on this proposal.

Additional Solicitation. If there are not enough votes for a quorum or to approve the proposals at the Meeting, the stockholders who are represented in person or by proxy may adjourn the Meeting to permit the further solicitation of proxies. The persons named as proxies will vote proxies held by them for such adjournment, unless marked to be voted against any proposal for which an adjournment is sought, to permit the further solicitation of proxies.

A stockholder vote may be taken on one of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal.

Information Regarding This Solicitation

The Company will bear the expense of the solicitation of proxies for the Meeting, including the cost of preparing, printing and mailing this Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders, and proxy card. If brokers, trustees, or fiduciaries and other institutions or nominee holding shares in their names, or in the name of their nominees, which are beneficially owned by others, forward the proxy materials to, and obtain proxies from, such beneficial owners, we will reimburse such persons for their reasonable expenses in so doing.

In addition to the solicitation of proxies by the use of the mail, proxies may be solicited in person and/or by telephone or facsimile transmission by directors, officers or employees of the Company and/or officers or employees of Apollo Investment Management, L.P. (AIM), the Company's investment adviser. AIM is located at 9 West 57th Street, New York, New York 10019. No additional compensation will be paid to directors, officers or regular employees for such services.

The Company has retained Computershare Fund Services to assist in the solicitation of proxies for a fee of approximately \$4,300, plus out-of-pocket expenses.

Stockholders may also provide their voting instructions by telephone or through the Internet. These options require stockholders to input the Control Number which is located on each card. After inputting this number,

stockholders will be prompted to provide their voting instructions. Stockholders will have an opportunity to review their voting instructions and make any necessary changes before submitting their voting instructions and terminating their telephone call or Internet link. Stockholders who vote via the Internet, in addition to confirming their voting instructions prior to submission, will also receive an e-mail confirming their instructions upon request.

If a stockholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the stockholder may still submit the proxy card originally sent with this Proxy Statement or attend in person.

Any proxy given pursuant to this solicitation may be revoked by notice from the person giving the proxy at any time before it is exercised. Any such notice of revocation should be provided in writing and signed by the stockholder in the same manner as the proxy being revoked and delivered to the Company's proxy tabulator.

Corporate Governance

Director Independence

NASDAQ rules require listed companies to have a Board of Directors with at least a majority of independent directors. Under NASDAQ rules, in order for a director to be deemed independent, our Board must determine that the individual does not have a relationship that would interfere with the director's exercise of independent judgment in carrying out his or her responsibilities. On an annual basis, each member of our Board is required to complete an independence questionnaire designed to provide information to assist the Board in determining whether the director is independent under NASDAQ rules and our corporate governance guidelines. Our Board has determined that each of our directors, other than Mr. Hannan, is independent under the listing standards of the NASDAQ Global Select Market. Our governance guidelines require any director who has previously been determined to be independent to inform the Chairman of the Board and our Corporate Secretary of any change in circumstance that may cause his or her status as an independent director to change. The Board limits membership on the Audit Committee and the Nominating and Corporate Governance Committee to independent directors.

Committees of the Board of Directors

Our Board of Directors has established an Audit Committee and a Nominating and Corporate Governance Committee. For the fiscal year ended March 31, 2007, the Board of Directors of the Company held twelve board meetings, six audit committee meetings and six Nominating and Corporate Governance Committee meetings. All directors attended at least 75% of the aggregate number of meetings of the Board and of the respective Committees on which they served. The Company requires each director to make a diligent effort to attend all Board and Committee meetings, and encourages directors to attend the annual meeting of stockholders. At the 2006 Annual Meeting, four of the six directors attended in person.

The Audit Committee. The Audit Committee operates pursuant to an Audit Committee Charter approved by the Board of Directors. The charter sets forth the responsibilities of the Audit Committee, which include selecting or retaining each year an independent registered public accounting firm (the auditors) to audit the accounts and records of the Company; reviewing and discussing with management and the auditors the annual audited financial statements of the Company, including disclosures made in management's discussion and analysis, and recommending to the Board of Directors whether the audited financial statements should be included in the Company's annual report on Form 10-K; reviewing and discussing with management and the auditors the Company's quarterly financial statements prior to the filings of its quarterly reports on Form 10-Q; pre-approving the auditors' engagement to render audit and/or permissible non-audit services; and evaluating the qualifications, performance and independence of the auditors. The Audit Committee is presently composed of four persons: Ms. Malone and Messrs. Spielvogel, Stein and Tsai, all of whom are independent directors and are otherwise considered independent under the National Association of Securities Dealers' listing standards (the NASD Listing Standards). The Company's Board of Directors has determined that Ms. Malone and Mr. Tsai each are audit committee financial experts as that term is defined under Item 401 of Regulation S-K under the Securities Exchange Act of 1934, as amended (the Exchange Act). The Audit Committee Charter is available on the Company's website (<http://www.apolloic.com>).

The Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is responsible for selecting qualified nominees to be elected to the Board of Directors by stockholders; selecting qualified nominees to fill any vacancies on the Board of Directors or a committee thereof; developing and recommending to the Board of Directors a set of corporate governance principles applicable to the Company; overseeing the evaluation of the Board of Directors and management; and undertaking such other duties and responsibilities as may from time to time be delegated by the Board of Directors to the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee is presently

composed of four persons: Ms. Malone and Messrs. Spielvogel, Stein and Tsai. The Nominating and Corporate Governance Committee has adopted a written Nominating and Corporate Governance Committee charter that is available on the Company's website (<http://www.apolloic.com>).

The Nominating and Corporate Governance Committee will consider stockholder recommendations for possible nominees for election as directors when such recommendations are submitted in accordance with the Company's bylaws, the Nominating and Corporate Governance Committee Charter and any applicable law, rule or regulation regarding director nominations. Nominations should be sent to Gordon E. Swartz, Corporate Secretary, Apollo Investment Corporation, 9 West 57th Street, 14th Floor, New York, New York 10019. When submitting a nomination to the Company for consideration, a stockholder must provide all information that would be required under applicable Commission rules to be disclosed in connection with election of a director, including the following minimum information for each director nominee: full name, age and address; principal occupation during the past five years; current directorships on publicly held companies and investment companies; number of shares of the Company's common stock owned, if any; and, a written consent of the individual to stand for election if nominated by the Board of Directors and to serve if elected by the stockholders.

Criteria considered by the Nominating and Corporate Governance Committee in evaluating the qualifications of individuals for election as members of the Board of Directors include compliance with the independence and other applicable requirements of the NASD Listing Standards and the 1940 Act, and all other applicable laws, rules, regulations and listing standards, the criteria, policies and principles set forth in the Nominating and Corporate Governance Committee Charter, and the ability to contribute to the effective management of the Company, taking into account the needs of the Company and such factors as the individual's experience, perspective, skills and knowledge of the industry in which the Company operates. The Nominating and Corporate Governance Committee also may consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board of Directors also believes it is appropriate for a key member of the Company's management to participate as a member of the Board of Directors.

Compensation Committee. The Company does not have a compensation committee because our executive officers do not receive any direct compensation from the Company.

Communication with the Board of Directors

Stockholders with questions about the Company are encouraged to contact Apollo Investment Corporation's Investor Relations Department. However, if stockholders believe that their questions have not been addressed, they may communicate with the Company's Board of Directors by sending their communications to Apollo Investment Corporation, c/o Gordon E. Swartz, Corporate Secretary, 9 West 57th Street, 14th Floor, New York, New York 10019. The adjustment to the annual fee paid to the independent directors was recommended by the Nominating and Corporate Governance Committee and approved by the Board following a consideration of relevant factors, including a comparative analysis of the compensation paid to independent directors of other business development companies. The independent directors also receive \$2,500 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with attending each board meeting, \$1,000 plus reimbursement of reasonable out-of-pocket expenses incurred in connection with each committee meeting attended, and \$1,500 for each telephonic committee or board meeting attended. In addition, the Chairman of the Audit Committee receives an annual fee of \$7,500 and each chairman of any other committee receives an annual fee of \$2,500 for additional services in these capacities. Further, we purchase directors' and officers' liability insurance on behalf of our directors and officers. Independent directors have the option to receive their directors' fees paid in shares of our common stock issued at a price per share equal to the greater of net asset value or the market price at the time of payment.

Audit Committee Report¹

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended March 31, 2007.

The Audit Committee has reviewed and discussed the Company's audited financial statements with management and PricewaterhouseCoopers, the Company's independent registered public accounting firm, with and without management present. The Audit Committee included in its review results of PricewaterhouseCoopers' examinations, the Company's internal controls, and the quality of the Company's financial reporting. The Audit Committee also reviewed the Company's procedures and internal control processes designed to ensure full, fair and adequate financial reporting and disclosures, including procedures for certifications by the Company's chief executive officer and chief financial officer that are required in periodic reports filed by the Company with the Commission. The Audit Committee is satisfied that the Company's internal control system is adequate and that the Company employs appropriate accounting and auditing procedures.

The Audit Committee also has discussed with PricewaterhouseCoopers matters relating to PricewaterhouseCoopers' judgments about the quality, as well as the acceptability, of the Company's accounting principles as applied in its financial reporting as required by Statement of Auditing Standards No. 61 (Communications with Audit Committees). In addition, the Audit Committee has discussed with PricewaterhouseCoopers their independence from management and the Company, as well as the matters in the written disclosures received from PricewaterhouseCoopers and required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee received a letter from PricewaterhouseCoopers confirming their independence and discussed it with them. The Audit Committee discussed and reviewed with PricewaterhouseCoopers the Company's critical accounting policies and practices, internal controls, other material written communications to management, and the scope of PricewaterhouseCoopers' audits and all fees paid to PricewaterhouseCoopers during the fiscal year. The Audit Committee adopted guidelines requiring review and pre-approval by the Audit Committee of audit and non-audit services performed by PricewaterhouseCoopers for the Company. The Audit Committee has reviewed and considered the compatibility of PricewaterhouseCoopers' performance of non-audit services with the maintenance of PricewaterhouseCoopers' independence as the Company's independent registered public accounting firm.

Based on the Audit Committee's review and discussions referred to above, the Audit Committee recommended to the Board of Directors (and the Board has approved) that the Company's audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended March 31, 2007 for filing with the SEC. In addition, the Audit Committee has engaged PricewaterhouseCoopers to serve as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2008, and has directed that the selection of PricewaterhouseCoopers should be submitted to the Company's stockholders for ratification.

Certain Relationships and Transactions

Transactions with Affiliated Persons

We have entered into an investment advisory and management agreement with AIM. Certain of our senior officers and our chairman of the Board of Directors have ownership and financial interests in AIM. Certain of our senior officers also serve as principals of other investment managers affiliated with AIM that may in the future manage investment funds with investment objectives similar to ours. In addition, our executive officers and directors and the partners of our investment adviser, AIM, serve or may serve as officers, directors or principals of entities that operate in the same or related line of business as we do, or of investment funds managed by its affiliates, although we may not be given the opportunity to participate in certain investments made by investment funds managed by advisers affiliated with AIM. However, our investment adviser and its affiliates intend to allocate investment opportunities in a fair and equitable manner consistent with our investment objectives and strategies so that we are not disadvantaged in relation to any other client.

We have entered into a royalty-free license agreement with AIM, pursuant to which AIM has agreed to grant us a non-exclusive license to use the name Apollo. Under the license agreement, we have the right to use the Apollo name for so long as AIM or one of its affiliates remains our investment adviser. In addition, we rent office space from Apollo Administration, an affiliate of AIM and pay Apollo Administration our allocable portion of overhead and other expenses incurred by Apollo Administration in performing its obligations under our administration agreement with Apollo Administration, including our allocable portion of the cost of our chief financial officer and chief compliance officer and their respective staffs, which can create conflicts of interest that our Board of Directors must monitor.

Apollo Investment Fund IV, L.P. (together with Apollo Overseas Partners IV, L.P., an affiliated investment fund), a private fund managed by an investment manager affiliated with AIM, owns approximately 14% of the outstanding common stock (on a fully diluted basis) of United Rentals, Inc. Gerald Tsai Jr., one of our independent directors, is a member of the Board of Directors of United Rentals, Inc.

We may invest, to the extent permitted by law, on a concurrent basis with affiliates of AIM, subject to compliance with applicable regulations and our allocation procedures.

With respect to director independence, please refer to the Corporate Governance section herein.

Section 16(a) Beneficial Ownership Reporting Compliance

Pursuant to Section 16(a) of the Exchange Act, the Company's directors and executive officers, and any persons holding more than 10% of its common stock, are required to report their beneficial ownership and any changes therein to the Commission and the Company. Specific due dates for those reports have been established, and the Company is required to report herein any failure to file such reports by those due dates. Based on the Company's review of Forms 3, 4 and 5 filed by such persons and information provided by the Company's directors and officers, the Company believes that during the fiscal year ended March 31, 2007, all Section 16(a) filing requirements applicable to such persons were met in a timely manner.

PROPOSAL II: RATIFICATION OF

SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

At a meeting held on May 25, 2007, the Company's Audit Committee approved and the Company's Board, including a majority of the Independent Directors, approved and ratified the selection of PricewaterhouseCoopers as the Company's independent registered public accounting firm for the fiscal year ending March 31, 2008. The Company expects that a representative of PricewaterhouseCoopers will be present at the Meeting, and will have an opportunity to make a statement (if the representative so desires) and to respond to appropriate questions. After reviewing the Company's audited financial statements for the fiscal year ended March 31, 2007, the Company's Audit Committee recommended to the Company's Board that such statements be included in the Company's Annual Report on Form 10-K. A copy of the Audit Committee's Report appears above.

Audit Fees: Audit fees consist of fees billed for professional services rendered for the audit of our year-end financial statements and services that are normally provided by PricewaterhouseCoopers in connection with statutory and regulatory filings. Fees incurred during the fiscal years ended March 31, 2007 and March 31, 2006 by the Company were \$350,000 and \$350,000, respectively.

Audit-Related Fees: Audit-related services consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements and are not reported under Audit Fees. These services include attest services that are not required by statute or regulation and consultations concerning financial accounting and reporting standards. Audit-related fees incurred by the Company during the fiscal years ended March 31, 2007 and March 31, 2006 were \$28,100 and \$59,100, respectively.

Tax Fees: Tax fees consist of fees billed for professional services for tax compliance. These services include assistance regarding federal, state, and local tax compliance. Tax fees incurred by the Company during the fiscal years ended March 31, 2007 and March 31, 2006 were \$23,300 and \$0, respectively, which represented work related to our regulated investment company qualification, excise tax distribution requirements and form extensions.

All Other Fees: Other fees would include fees for products and services other than the services reported above of which there were none in the fiscal years ended March 31, 2007 and March 31, 2006.

The Audit Committee has established a pre-approval policy that describes the permitted audit, audit-related, tax and other services to be provided by PricewaterhouseCoopers, the Company's independent auditor. The policy requires that the Audit Committee pre-approve the audit and non-audit services performed by the independent auditor in order to assure that the provision of such service does not impair the auditor's independence.

Any requests for audit, audit-related, tax and other services that have not received general pre-approval must be submitted to the Audit Committee for specific pre-approval, and cannot commence until such approval has been granted. Normally, pre-approval is provided at regularly scheduled meetings of the Audit Committee. However, the Audit Committee may delegate pre-approval authority to one or more of its members. The member or members to whom such authority is delegated shall report any pre-approval decisions to the Audit Committee at its next scheduled meeting. The Audit Committee does not delegate its responsibilities to pre-approve services performed by the independent auditor to management.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR RATIFICATION OF PRICEWATERHOUSECOOPERS LLP AS INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM TO THE COMPANY FOR THE FISCAL YEAR ENDING MARCH 31, 2008.
