ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT

On October 22, 2007, Alico's wholly owned subsidiary, Alico-Agri, Ltd. ("Alico-Agri") closed on the restructure of one of its previously announced agreements with The Ginn Development Companies ("Ginn") and its associated partner Lubert-Adler Real Estate Opportunity Fund for the sale of Alico-Agri's property in Lee County, Florida. The documents for the restructure, consisting of a Second Amended and Restated Renewal Promissory Note in the principal amount of \$54,552,668.20 in favor of Alico-Agri, Ltd., and a Second Amendment to Mortgage Deed, by and between Ginn-LA Naples, Ltd., LLP and Alico-Agri, Ltd., are retroactively effective as of September 28, 2007.

In 2001 and 2003 Alico-Agri entered into three separate agreements with Ginn for the sale of approximately 5,609 acres of land near Florida Gulf Coast University. The first contract, for an amount of \$62.9 million relating to a sale which closed in July 2005, was the only contract subject to the restructure. The restructure consists of a reduction in the amount of principal due under this contract as follows: the amount of principal due on September 28, 2007 was reduced from \$12.3 million to \$0.4 million; the amount of principal due on September 28, 2008 was reduced from \$12.3 million to approximately \$3.5 million; the amount of principal due on September 28, 2009 was reduced from \$14.1 million to \$12.0 million; and the amount of principal due on September 28, 2010 was reduced from \$15.8 million to \$12.0 million. The restructuring extends the term one year for a balloon payment on September 28, 2011 of approximately \$26.6 million. The note was also revised to set the interest rate retroactively to July, 2005 and base it on LIBOR plus 1.5%. The future payment of all interest outstanding will be made on a quarterly basis for the remaining term of the note based on LIBOR plus increasing percentage increments. This revision provides Alico with various options should Ginn default on its obligations. The payment terms of the second and third contracts remain unchanged. The documents which contain the full terms of the restructuring are attached as Exhibits 10.01 and 10.02 to this report.

In connection with the closing of the restructuring transaction, Alico-Agri received a total of \$11.1 million in cash; \$6.8 million relating to the first contract and consisting of \$0.4 million of principal, \$6.1 million of interest and the balance as an expense reimbursement; \$3.6 million for an option extension on a second contract; and a payment of \$0.7 million for interest due on the third contract.
