PROXY STATEMENT FOR THE

2008 ANNUAL MEETING OF SHAREHOLDERS

To Be Held on May 21, 2008

INFORMATION ABOUT THE ANNUAL MEETING

General

The Board of Directors of Lake Shore Bancorp, Inc. (Lake Shore Bancorp, we, us or our) is using this proxy statement and accompanying proxy card to solicit proxies from the holders of Lake Shore Bancorp's issued and outstanding common stock, par value \$.01 per share, as of the close of business on March 31, 2008, for use at the upcoming annual meeting of shareholders and at any adjournment or postponement thereof. The annual meeting will be held on May 21, 2008 in The Bayside Ballroom at the Clarion Hotel, 30 Lake Shore Drive East, Dunkirk, New York 14048 at 8:30 a.m., Eastern Time. This proxy statement, together with the enclosed proxy card, is first being mailed to shareholders on or about April 18, 2008.

Lake Shore Bancorp, a federally-chartered mid-tier stock holding company, was formed in April 2006 in connection with the reorganization of Lake Shore Savings and Loan Association into the federal mutual holding company form of organization. In connection with the reorganization, Lake Shore Savings and Loan Association changed its name to Lake Shore Savings Bank (Lake Shore Savings). We own all of the outstanding common stock of Lake Shore Savings and direct, plan and coordinate Lake Shore Savings' business activities. We sold 2,975,625 shares, or 45%, of our common stock to the public as part of the reorganization. The remaining 3,636,875 shares, or 55%, were issued to Lake Shore, MHC, a federal mutual holding company. The term annual meeting, as used in this proxy statement, includes any adjournment or postponement of such meeting.

As more fully described later in this proxy statement, at the annual meeting we will ask you to elect directors and transact such other business as may properly come before the 2008 annual meeting or at any adjournment or postponement thereof.

Who Can Vote

Our Board of Directors has fixed the close of business on March 31, 2008 as the record date for the determination of shareholders entitled to notice of, and to vote at, the annual meeting. Accordingly, only holders of record of shares of our common stock at the close of business on such date will be entitled to vote at the annual meeting. On March 31, 2008, there were 6,612,500 shares of our common stock issued, 6,393,771 shares outstanding and 3,636,875 of those shares, or 56.9% of our outstanding shares, are owned by Lake Shore, MHC.

Quorum

A quorum of shareholders is necessary to hold a valid meeting. If the holders of at least a majority of the total number of the outstanding shares of common stock entitled to vote are represented in person or by proxy at the annual meeting, a quorum will exist. Because Lake Shore, MHC owns greater than a majority of our outstanding shares of common stock, representation of Lake Shore, MHC at the annual meeting will constitute a quorum. We will include proxies marked as abstentions and broker non-votes to determine the number of shares present at the annual meeting.

How Many Votes You Have

Each holder of shares of common stock outstanding on March 31, 2008 will be entitled to one vote for each share held of record at the annual meeting. The number of shares you own and may vote is listed at the top of the back of the proxy card.

How To Vote

You may vote your shares at the annual meeting in person or by proxy. To vote in person, you must attend the annual meeting and obtain and submit a ballot, which we will provide to you at the annual meeting. To vote by proxy, you must complete, sign and return the enclosed proxy card. All properly executed proxies we receive prior to the annual meeting will be voted in accordance with the instructions marked on the proxy card. **If you return an executed proxy card without marking your instructions, your executed proxy will be voted FOR the proposals identified in the Notice of the Annual Meeting of Shareholders.**

If you are a shareholder whose shares are not registered in your own name, you will need appropriate documentation from your shareholder of record to vote personally at the annual meeting.

If any other matter is presented at the annual meeting, your proxy will vote the shares represented by all properly executed proxies on such matters as a majority of our Board of Directors determines. As of the date of this proxy statement, we know of no other matters that may be presented at the annual meeting, other than those listed in the Notice of Annual Meeting.

Vote by Lake Shore, MHC

As of March 31, 2008, Lake Shore, MHC owned 56.9% of the outstanding shares of our common stock. Those shares will be voted in accordance with the instructions of Lake Shore, MHC's Board of Directors. Lake Shore, MHC is expected to vote FOR the election of each of the nominees for director.

Vote Required for Election of Directors

The nominees for director who receive the most votes will be elected. So, if you do not vote for a nominee, or you indicate withhold authority for any nominee on your proxy card, your vote will not count for or against the nominee. You may not vote your shares cumulatively for the election of directors. Because Lake Shore, MHC owns more than 50% of our outstanding shares, we expect that Lake Shore, MHC will control the outcome of the vote on this proposal.

Effect of Broker Non-Votes

If your broker holds shares that you own in street name, the broker generally may vote your shares on routine matters even if the broker does not receive instructions from you. Broker non-votes are proxies received from brokers or other nominees holding shares on behalf of their clients who have not been given specific voting instructions from their clients with respect to non-routine matters. Typically, the election of directors is considered a routine matter by brokers and other nominees allowing them to have discretionary voting power to vote shares they hold on behalf of their clients for the election of directors.

If your broker returns a proxy but does not vote on a proposal, this will constitute a broker non-vote. With respect to the election of directors, a broker non-vote would have no effect on the outcome of this proposal because only a plurality of votes cast is required to elect a director.

Revocability of Proxies

You may revoke your grant of proxy at any time before it is voted by:

filing a written revocation of the proxy with our Secretary;

submitting a signed proxy card bearing a later date; or

attending the annual meeting and voting in person, but you also must file a written revocation with the Secretary of the annual meeting prior to the voting.

We are soliciting proxies only for the annual meeting. If you grant us a proxy to vote your shares, the proxy will only be exercised at the annual meeting.

Solicitation of Proxies

The expenses of this solicitation, including the costs of preparing and mailing this Proxy Statement and accompanying material, will be borne by us. Regular employees of Lake Shore Bancorp and Lake Shore Savings may solicit proxies in person, by mail, or by telephone, but no employee will receive any compensation for solicitation activities in addition to his or her regular compensation. Expenses may include the charges and expenses of brokerage houses, nominees, custodians, and fiduciaries for forwarding proxies and proxy materials to beneficial owners of shares.

As of March 31, 2008, 15,870 shares were allocated to participants pursuant to the Employee Stock Ownership Plan.

PROPOSAL: ELECTION OF DIRECTORS

Our charter provides that we must have between five and 15 directors. Following the Board's approval of an amendment to our Amended and Restated Bylaws, the size of our Board of Directors was increased from eight to nine members. The Board is divided into three classes, as nearly equal in number as possible. Our directors serve staggered three-year terms such that only one class (approximately one-third of the directors) is elected each year. However, following the increase in the size of our Board to nine directors, the Board elected Paul J. Kolkmeier to the Board to fill the vacancy until the annual meeting. As a result, Mr. Kolkmeier as well as the Class Three directors named below are up for election at the annual meeting. As previously reported, Thomas E. Reed will be resigning from Class Three of the Board of Directors effective May 21, 2008 and as a result, Reginald S. Corsi has been nominated for election as a Class Three director.

Upon the recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated the four individuals listed in the table below for election as directors at the annual meeting. If you elect the nominees, they will hold office for the term set forth opposite their names or until their successors have been elected.

We know of no reason why any nominee may be unable to serve as a director. If any nominee is unable to serve, your proxy may vote for another nominee proposed by the Board of Directors.

Meetings of the Board of Directors

The Board of Directors held a total of 12 regular meetings during 2007. Each incumbent director attended at least 75% of the meetings of the Board of Directors held during the time in which they served as director, plus meetings of committees on which that particular director served during this period.

It is our policy that all directors and director nominees should attend the annual meeting of shareholders.

COMPENSATION OF DIRECTORS

Director Compensation

Meeting Fees. We pay a fee to each of the non-employee directors for attendance at each Board of Directors meeting. In 2007, directors received \$975 for each Board of Directors meeting attended in person and half of that amount for each Board of Directors meeting attended telephonically. The director meeting fee was increased to \$1,115 for 2008. Directors also receive fees for membership on the Board's committees. The chairman of the Executive Committee receives an annual retainer of \$23,000 and its vice chairman receives an annual retainer of \$7,500. All other non-employee members of the Executive Committee receive annual retainers of \$5,000. The chairperson of the Audit Committee receives an annual retainer of \$5,000. The chairpersons of the other committees receive annual retainers of \$4,000 and their other members receive annual retainers of \$2,500. Members of the Board of Directors who are also employees do not receive directors' fees.

Supplemental Benefit Plan for Non-Employee Directors. Lake Shore Savings entered into separate supplemental benefit plans in 1999 and 2001 with each of its current non-employee directors except for Ms. Brautigam. Under the 1999 plan, each participant is guaranteed monthly payments over a period of fifteen years commencing at age 70 equal to \$18,105 per year based upon 21 years of service as a director to Lake Shore Savings (or an earlier retirement age if 21 years of service is attained prior to age 70) with the annual benefit payable reduced proportionately for each year of service as a director less than 21 years attained at age 70. Under the 2001 plan, each participant is guaranteed monthly payments over a period of 15 years commencing at age 72 equal to \$12,000 per year based upon 21 years of service to Lake Shore Savings with the annual benefit payable reduced proportionately for each year of service less than twenty-one years attained at age 72.

Effective as of January 1, 2007, the Board of Directors of Lake Shore Savings amended the existing supplemental benefit plans entered into in 2001 with each of its current non-employee directors, except for Ms. Brautigam, and entered into a new supplemental benefits plan with Ms. Brautigam (collectively, the 2007 Director SERPs). Under the 2007 Director SERPs, each participant is fully vested in an annual benefit (payable in monthly installments) which is equal to 2% of the director's average final pay (computed over the three years prior to termination of service) multiplied by the director's years of service to a maximum of 40% of final average pay (projected as of December 31, 2006) payable over a period of fifteen years commencing at age 72, with the annual benefit payable reduced for termination of service prior to age 72; provided, however, that a director may elect in calendar year 2007 to retire in 2008 and receive a benefit computed as if the director has served for an additional two years. In addition, in the event of a change of control, the director is treated as having attained age 72 for purposes of benefit payments.

Stock Option and Recognition and Retention Plan. Our directors are eligible to participate in the Lake Shore Bancorp, Inc. 2006 Stock Option Plan and the Lake Shore Bancorp, Inc. 2006 Recognition and Retention Plan. These benefit plans are discussed under *Executive Officer Compensation*, *2006 Stock Option Plan* and *2006 Recognition and Retention Plan* below.

Non-employee directors are granted awards under the 2006 Stock Option Plan and the 2006 Recognition and Retention Plan for the purpose of aligning non-employee directors' interests with shareholder interests and to aid in the retention of such directors. The allocation of awards to non-employee directors is made based on the directors' responsibilities and years of service at the time of grant. Directors who hold the title of chairman or vice-chairman, or who were a committee chairman, receive a greater allocation of awards than those who did not hold such positions.

The following table sets forth information regarding compensation earned by our non-employee directors during the last fiscal year.

Compensation Plans

Short-term Incentive Plan. Lake Shore Bancorp provides performance-based bonuses to its Named Executive Officers pursuant to the Short-term Incentive Plan, which is designed to link awards to our strategic and operating objectives. The goal of the plan is to have long-term viability and to be attractive to new hires and help retain current employees. The plan measures business plan goals and objectives and clearly defines these prior to the calendar year for which the plan is in effect. For purposes of the annual bonus, each Named Executive Officer is evaluated on several corporate performance measures which are established at the beginning of the year and relate to strategic business objectives for the ensuing year. The Chief Financial Officer is also evaluated on individual performance measures that take into account her individual responsibilities, in addition to the corporate performance measures. The individual performance measures are recommended to the Compensation Committee by the Chief Executive Officer. The specific targets and vesting schedules are discussed under footnote 4 of the Summary Compensation Table.

Supplemental Employee Retirement Plans. Lake Shore Savings entered into separate supplemental benefit plans in 1999 and 2001 with certain officers. Under the 1999 plan, each participant is guaranteed monthly payments over a period of fifteen years commencing at age 63, with the annual benefit payable reduced proportionately in the event the executive terminates or retires early. The annual compensation amount to be received when the applicable Named Executive Officer reaches the age of 63 is \$87,097 for Mr. Mancuso and \$19,644 for Mr. Corsi. Ms. Foley is not a plan participant.

Under the 2001 plan, each participant is guaranteed monthly payments over a period of 15 years commencing at age 65 with the annual benefit payable reduced proportionately if the executive terminates or retires his services prior to that age. If the Named Executive Officers remain in service until reaching age 65, the annual payment under this plan would be \$55,000 for Mr. Mancuso, \$24,000 for Mr. Corsi and \$43,000 for Ms. Foley. Ms. Foley will not be vested in the plan until October 1, 2011.

Effective as of January 1, 2007, the Board of Directors of Lake Shore Savings amended the existing supplemental benefit plans entered into in 2001 with each of its participants and entered into a new supplemental benefits plan (collectively, the 2007 Executive SERPs). Under the 2007 Executive SERPs, each participant is fully vested in an annual benefit (payable in monthly installments) which is equal to 2% of the executive's average final pay (computed over the three years prior to termination of service) multiplied by the executive's years of service to a maximum percentage of final average pay (projected as of December 31, 2006) as follows:

35% for Mr. Mancuso;

31% for Mr. Corsi; and

40% for Ms. Foley.

The benefit amount is payable over a period of fifteen years commencing at age 65, with the annual benefit payable reduced for termination of service prior to age 65. In addition, in the event of a change of control, the Named Executive Officer is treated as having attained age 65 for purposes of benefit payments. Under this plan, if the Named Executive Officer reaches age 65, the annual payment under the plan would be \$84,000 for Mr. Mancuso, \$25,000 for Mr. Corsi, and \$84,000 for Ms. Foley.

Employee Stock Ownership Plans. This plan is a tax-qualified plan that covers substantially all employees who have at least one year of service to Lake Shore Savings and have attained age 21. Lake Shore Bancorp has loaned the Employee Stock Ownership Plan Trust sufficient funds to purchase a number of shares equal to 8% of the shares sold in Lake Shore Bancorp's stock offering to persons other than Lake Shore, MHC, or 238,050 shares. These shares were purchased in the open market following completion of the offering at prevailing market prices.

Although contributions to the plan are discretionary, Lake Shore Savings intends to contribute enough money each year to make the required principal and interest payments on the loan from Lake Shore Bancorp. This loan is for a term of 30 years and calls for level annual payments of principal and interest. The plan pledges the shares it purchases as collateral for the loan and holds them in a suspense account.

The plan will not distribute the pledged shares right away. Instead, it will release a portion of the pledged shares annually. Assuming the plan repays its loan as scheduled over a 30-year term, we expect that 1/30th of the shares will be released annually in years 2006 through 2035. Although the repayment period of the loan is scheduled over a 30-year term, we anticipate that we may prepay a portion of the principal which would trigger the release of additional shares. The plan will allocate the shares released each year among the accounts of participants in proportion to their compensation for the year. For example, if a participant's compensation for a year represents 1% of the total compensation of all participants for the year, the plan would allocate to that participant 1% of the shares released for the year. Participants direct the voting of shares allocated to their accounts. Shares in the suspense account will usually be voted in a way that mirrors the votes which participants cast for shares in their individual accounts.

This plan may purchase additional shares in the future, and may do so using borrowed funds, cash dividends, periodic employer contributions or other cash flow.

401(k) Defined Contribution Plan. The Lake Shore Savings tax-qualified 401(k) defined contribution plan is maintained for employees who have attained age 21 and have at least three months of service. Eligible employees may make pre-tax contributions to the plan through salary reduction elections up to 75% of annual compensation, subject to limitations of the Internal Revenue Code. Lake Shore Savings also makes a discretionary contribution to the plan on behalf of eligible employees who have attained age 21 and have at least one year of service.

2006 Stock Option Plan. The Lake Shore Bancorp, Inc. 2006 Stock Option Plan provides for the grant, to certain officers, employees and outside directors of Lake Shore Bancorp, Lake Shore Savings or any affiliate approved by the Compensation Committee, of options to purchase common stock of Lake Shore Bancorp at a stated price during a specified

period or term. The administrative committee for the plan selects who will receive stock option grants. Any employee of Lake Shore Bancorp or any affiliate approved by the committee may be selected to receive option grants. The administrative committee sets the terms and conditions of the stock options that it grants. In setting terms and conditions, it must observe the following restrictions: (1) it may not grant options to purchase more than 74,390 shares to any one employee; (2) it may not grant options to purchase more than 14,878 shares to any one non-employee director or options to purchase more than 89,268 shares of Lake Shore Bancorp's common stock to all outside directors in the aggregate; (3) it may not grant a stock option with a purchase price that is less than the fair market value of a share of Lake Shore Bancorp's common stock on the date it grants the stock option; (4) it may not grant a stock option with a term that is longer than ten years; and (5) it may not grant options that become exercisable more rapidly than at the rate of 20% per year measured from the date of the grant, with acceleration permitted only in case of death, disability or change of control, unless (a) the plan is amended on or after April 4, 2007 to provide the committee with the ability to set different vesting schedules; and (b) such amendment is approved by shareholders.

Upon the exercise of an option, the exercise price of the option must be paid in full. Payment may be made in cash, common stock of Lake Shore Bancorp already owned by the option holder, shares to be acquired by the option holder upon exercise of the option or such other consideration as the administrative committee authorizes. If the option is not exercised during its term, it will expire.

2006 Recognition and Retention Plan. The Lake Shore Bancorp, Inc. 2006 Recognition and Retention Plan provides for the grant of restricted stock awards to certain officers, employees and non-employee directors of Lake Shore Bancorp, Lake Shore Savings or any affiliate approved by the Compensation Committee. These restricted stock awards constitute a right to receive a certain number of shares of common stock of Lake Shore Bancorp upon the award holder's satisfaction of certain requirements such as continued service until vesting, with accelerated vesting upon death, disability, or change in control. As a general rule, if the award holder fails to fulfill the requirements contained in the restricted stock award, the restricted stock award will not vest. Instead, the award will be forfeited and canceled.

As required by the terms of the Recognition and Retention Plan, Lake Shore Bancorp has established a trust and contributed certain amounts of money or property as determined by the Board, in its discretion. No contributions by participants will be permitted. The trustee will invest the assets of the trust primarily in the shares of our common stock that will be used to make restricted stock awards. The trust is not authorized to purchase more than 119,025 shares of common stock of Lake Shore Bancorp and cannot purchase more than this number.

Employment Agreements. Lake Shore Bancorp and Lake Shore Savings have entered into parallel employment agreements with David C. Mancuso to secure his services as President and Chief Executive Officer. These employment agreements were amended and restated effective as of April 2, 2008. The employment agreements have a fixed term of three years and may be renewed annually after a review of the executive's performance. These agreements provide for a minimum annual salary of \$255,000, discretionary cash bonuses, and participation on generally applicable terms and conditions in other compensation and fringe benefit plans. The agreements will also guarantee customary corporate indemnification and errors and omissions insurance coverage throughout the employment term and for six years after termination.

Lake Shore Bancorp and Lake Shore Savings may terminate Mr. Mancuso's employment, and Mr. Mancuso may resign, at any time with or without cause. However, in the event of termination during the term without cause, they will owe Mr. Mancuso severance benefits generally equal to the value of the cash compensation and fringe benefits that he would have received if Mr. Mancuso had continued working for the remaining unexpired term of the employment agreements. The same severance benefits would be payable if the executive resigns during the term following:

a loss of title, office or membership on the Board of Directors;

material reduction in duties, functions, compensation or responsibilities;

involuntary relocation of the executive's principal place of employment to a location over 100 miles in distance from Lake Shore Savings' principal office in Dunkirk, New York and over 100 miles from the executive's principal residence; or

any other material breach of contract by Lake Shore Bancorp and Lake Shore Savings which is not cured within 30 days.

The employment agreements also provide uninsured death and disability benefits and provide that any severance payable after a change of control will be computed as if the remaining unexpired term of the agreements was three years.

If Lake Shore Bancorp and Lake Shore Savings experience a change in ownership, a change in effective ownership or control or a change in the ownership of a substantial portion of their assets as contemplated by section 280G of the Internal Revenue Code, a portion of any severance payments under the employment agreements might constitute an excess parachute payment under current federal tax laws. Pursuant to the employment agreements, any severance payments made which are subject to section 280G of the Internal Revenue Code would be reduced to the extent necessary to avoid the imposition of an excise tax and related non-deductibility under section 280G of the Internal Revenue Code.

Change of Control Agreements. Lake Shore Savings has entered into one-year change of control agreements with Reginald S. Corsi, our former Executive Vice President and Chief Operations Officer, and Rachel A. Foley, our Chief Financial Officer. These agreements are guaranteed by Lake Shore Bancorp. The term of these agreements is perpetual until Lake Shore Savings gives notice of non-extension, at which time the term is fixed for one year. Mr. Corsi retired from Lake Shore Savings as of March 18, 2008 and, as a result, the change of control agreement between Lake Shore Savings and Mr. Corsi terminated as of that date.

Generally, Lake Shore Savings may terminate the employment of any officer covered by these agreements, with or without cause, at any time prior to a change of control without obligation for severance benefits. However, if Lake Shore Savings or Lake Shore Bancorp signs a merger or other business combination agreement, or if a third party makes a tender offer or

initiates a proxy contest, it could not terminate an officer's employment without cause without liability for severance benefits. The severance benefits would generally be equal to the value of the cash compensation and fringe benefits that the officer would have received if he or she had continued working for an additional year. Lake Shore Savings would pay the same severance benefits if the officer resigns after a change of control following a loss of title or office, material reduction in duties, functions, compensation or responsibilities, involuntary relocation of his or her principal place of employment to a location over 35 miles from Lake Shore Savings' principal office on the day before the change of control and over 35 miles from the officer's principal residence or other material breach of contract which is not cured within 30 days. These agreements also provide uninsured death and disability benefits.

If Lake Shore Bancorp and Lake Shore Savings experiences a change in ownership, a change in effective ownership or control or a change in the ownership of a substantial portion of their assets as contemplated by section 280G of the Internal Revenue Code, a portion of any severance payments under the change of control agreements might constitute an excess parachute payment under current federal tax laws. Pursuant to the change of control agreements, any severance payments made which are subject to section 280G of the Internal Revenue Code would be reduced to the extent necessary to avoid the imposition of an excise tax and related non-deductibility under section 280G of the Internal Revenue Code.

Audit Committee Pre-Approval Policy

Consistent with Securities and Exchange Commission and Public Company Accounting Oversight Board requirements regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of our independent registered public accounting firm. In recognition of this responsibility, the Audit Committee has established a policy regarding pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm.

Pre-approval of Services. The Audit Committee shall pre-approve all auditing services and permitted non-audit services (including the fees and terms) to be performed for us by our independent registered public accounting firm, subject to the de minimis exception for non-audit services described below which, if not pre-approved, are approved by the Audit Committee prior to completion of the audit.

Exception. The pre-approval requirement set forth above, shall not be applicable with respect to non-audit services if:

the aggregate amount of all such services provided constitutes no more than five percent of the total amount of revenues paid by us to our independent registered public accounting firm during the fiscal year in which the services are provided;

such services were not recognized by us at the time of the engagement to be non-audit services; and

such services are promptly brought to the attention of the Audit Committee and approved prior to the completion of the audit by the Audit Committee or by one or more members of the Audit Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the committee.

During the year ended December 31, 2007, the Audit Committee pre-approved 100% of the services performed by our independent registered public accounting firm.

Delegation. The Audit Committee may delegate to one or more designated members of the Audit Committee the authority to grant required pre-approvals. The decisions of any member to whom authority is delegated under this paragraph to pre-approve activities under this subsection shall be presented to the full committee at its next scheduled meeting.

AUDIT COMMITTEE REPORT

The Audit Committee reviews Lake Shore Bancorp's financial reporting process on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the system of internal controls.

In this context, the Audit Committee has met and held discussions with management and the independent registered public accounting firm regarding the fair and complete presentation of Lake Shore Bancorp's results of operations and financial condition. The Audit Committee has discussed significant accounting policies applied by Lake Shore Bancorp in its financial statements, as well as alternative treatments. Management represented to the Audit Committee that Lake Shore Bancorp's consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America, and the Audit Committee has reviewed and discussed the consolidated financial statements with management and the independent registered public accounting firm. The Audit Committee discussed with the independent registered public accounting firm matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

In addition, the Audit Committee reviewed and discussed with the independent registered public accounting firm the auditor's independence from Lake Shore Bancorp and its management. As part of that review, the Audit Committee received the written disclosures and letter required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and by all relevant professional and regulatory standards relating to Beard Miller Company LLP's independence from Lake Shore Bancorp. The Audit Committee also has considered whether the independent registered public accounting firm's provision of non-audit services to Lake Shore Bancorp is compatible with the auditor's independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from Lake Shore Bancorp and its management.

The Audit Committee discussed with Lake Shore Bancorp's internal auditor and independent registered public accounting firm the overall scope and plans for their respective audits. The Audit Committee meets with the internal auditor and independent registered public accounting firm, with and without management present, to discuss the results of their examinations and the overall quality of Lake Shore Bancorp's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors, and the Board of Directors has approved, that the audited financial statements be included in Lake Shore Bancorp's Annual Report on Form 10-K for the year ended December 31, 2007, for filing with the Securities and Exchange Commission. SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE AND

TRANSACTIONS WITH RELATED PERSONS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our directors and executive officers, and persons who own more than 10% of our common stock, to report to the Securities and Exchange Commission their initial ownership of our common stock and any subsequent changes in that ownership. We are required to disclose in this proxy statement any late filings or failures to file.

To our knowledge, based solely on our review of the copies of such reports furnished to us and written representations that no other reports were required during the fiscal year ended December 31, 2007, we believe that all Section 16(a) filing requirements applicable to our executive officers and directors during 2007 were met.

Transactions with Related Persons

Lake Shore Savings has outstanding loans to its, our and Lake Shore, MHC's directors and executive officers. These loans: (1) were made in the ordinary course of business; (2) were made on substantially the same terms, including interest rates and collateral as those prevailing at the time for comparable transactions with other persons; and (3) did not involve more than the normal risk of collectability or present other unfavorable features.

It is the written policy of our Board of Directors that a majority of the disinterested members of the entire Board of Directors must approve in advance any extension of credit to any executive officer, director, or principle shareholder and their related interests if the aggregate of all extensions of credit to that insider and his or her related interests exceeds the greater of \$25,000 or 5% of Lake Shore Savings' unimpaired capital and surplus, whichever is greater. The interested party may not participate either directly or indirectly in the voting on such an extension of credit. Prior approval is required, however, for any and all extensions of credit to any insider if the aggregate of all other extensions to that person and their related interests exceeds \$500,000, regardless of its percentage of capital.

In addition, pursuant to our Code of Conduct and Ethics, if an officer or director has an interest in a matter or transaction before the Board of Directors, such individual must disclose to the Board of Directors all material nonprivileged information relevant to the Board of Directors decision on the matter or transaction, including: (1) the existence, nature and extent of their interest; and (2) the facts known to the individual as to the matter or transaction under consideration. The individual must also refrain from participating in the discussion of the matter or transaction and may not vote on the matter or transaction. In addition to approval by the Board of Directors, such transactions and matters must also be approved by the Nominating and Corporate Governance Committee.

ADDITIONAL INFORMATION

Shareholder Proposals for 2009 Annual Meeting

If you wish to submit proposals to be included in our proxy statement for the 2009 Annual Meeting of Shareholders, we must receive them on or before December 19, 2008, pursuant to proxy soliciting regulations of the Securities and Exchange Commission. Nothing in this paragraph shall be deemed to require us to include in our proxy statement and proxy card for such meeting any shareholder proposal which does not meet the requirements of the Securities and Exchange Commission in effect at the time. Any such proposal will be subject to 17 C.F.R. §240.14a-8 of the Rules and Regulations promulgated by the Securities and Exchange Commission under the Securities Exchange Act of 1934, as amended.

In addition, under our bylaws, any new business to be taken up at the annual meeting must be stated in writing and filed with the secretary of Lake Shore Bancorp at least 30 days before the date of the annual meeting, provided, however, that in the event less than 40 days notice of the annual meeting is given, a written proposal may be accepted from a shareholder not later than the close of business on the tenth day following notice of the annual meeting, and all business so stated, proposed, and filed shall be considered at the annual meeting so long as the business relates to a proper matter for shareholder action. Any shareholder may make any other proposal at the annual meeting and the same may be discussed and considered, but unless stated in writing and filed with the secretary at least 30 days before the meeting, such proposal shall be laid over for action at an adjourned, special or annual meeting of the shareholders taking place 30 days or more thereafter. A shareholder's notice to the secretary shall set forth as to each such matter the shareholder proposes to bring before the annual meeting (1) a brief description of the proposal desired to be brought; and (2) the name and address of such shareholder and the number of shares of common stock of Lake Shore Bancorp that such shareholder owns of record. This provision shall not prevent the consideration and approval or disapproval at the annual meeting of reports of officers, directors, and committees; but in connection with such reports, no new business shall be acted upon at such annual meeting unless stated and filed as herein provided.
