**EXPLANATORY NOTE**

Cell Therapeutics, Inc. ( the Company ) is filing this Amendment No. 2 on Form 10-K/A to our Annual Report on Form 10-K for the fiscal year ended December 31, 2007, initially filed with the Securities and Exchange Commission ( SEC ) on March 26, 2008 (the Original Filing ), solely to refile the report of its Independent Registered Public Accounting Firm as of December 31, 2007 and 2006 and for each of the years in the three-year period ended December 31, 2007, which inadvertently reflected an incorrect report date of March 26, 2007 rather than March 26, 2008, the correct date of the original signed report provided to the Company.

In addition, pursuant to the rules of the SEC, Item 15 of Part IV of the Original Filing has been amended to contain certifications as of a current date from our Chief Executive Officer and Chief Financial Officer, as required by Section 302 of the Sarbanes-Oxley Act of 2002. The certifications of our Chief Executive Officer and Chief Financial Officer are attached to this Form 10-K/A as Exhibits 31.1 and 31.2, respectively.

**REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Board of Directors and Shareholders

Cell Therapeutics, Inc.

We have audited the accompanying balance sheets of Cell Therapeutics, Inc. as of December 31, 2007 and 2006, and the related statements of operations, shareholders' deficit and other comprehensive loss, and cash flows for each of the years in the three-year period ended December 31, 2007. Our audits also included the consolidated financial statement schedule listed in the index at Item 15(a)(ii) as of and for the years ended December 31, 2007 and 2006. Cell Therapeutics Inc.'s management is responsible for these financial statements and schedule. Our responsibility is to express an opinion on these financial statements and schedule based on our audits.

We conducted our audits in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Cell Therapeutics, Inc. as of December 31, 2007 and 2006, and the results of its operations and its cash flows for each of the years in the three-year period ended December 31, 2007 in conformity with accounting principles generally accepted in the United States of America.

The accompanying consolidated financial statements have been prepared assuming that the Company will continue as a going concern. As discussed in Note 1 to the consolidated financial statements, the Company has substantial monetary liabilities in excess of monetary assets as of December 31, 2007, including approximately nineteen million, eight hundred thousand dollars of convertible subordinated notes and senior subordinated notes which mature in June 2008. The Company's ability to satisfy these obligations upon maturity raises substantial doubt about the Company's ability to continue as a going concern. Management's plans concerning these matters are described in Note 1. These consolidated financial statements do not include any adjustments relating to the recoverability and classification of recorded assets, or the amounts and classification of liabilities that might be necessary in the event the Company cannot continue in existence.

We also have audited, in accordance with the standards of the Public Company Accounting Oversight Board (United States), Cell Therapeutics, Inc.'s internal control over financial reporting as of December 31, 2007, based on criteria established in *Internal Control - Integrated Framework* issued by the Committee of Sponsoring Organizations of the Treadway Commission (COSO), and our report dated March 26, 2008 expressed an unqualified opinion.
