This Report of Foreign Private Issuer on Form 6-K is deemed filed for all purposes under the Securities Act of 1933, as amended, and the Securities Exchange Act of 1934, as amended, including by reference in the Registration Statement on Form F-3 (Registration No. 33-99550) and the Registration Statement on Form F-3 (Registration No. 333-9180).

On July 23, 2008, Korea Electric Power Corporation (KEPCO) decided to make further investment in the construction of additional wind-powered turbines in Nemenggu and Gansusheng, People s Republic of China (the Project). The Project will be jointly sponsored by China Datang Corporation, and KEPCO owns a 40% equity interest in the Project. The Project involves construction of additional wind-power turbines with capacity of 50 megawatts in Neimenggu and 49.5 megawatts in Gansusheng. The construction began in May 2008 and is expected to be completed in December 2008. The Project will be on a build, own and operated basis, and KEPCO will participate in the operation of the Project for a term of 20 years. The currently estimated capital expenditure for the Project is approximately US\$ 150 million and the currently estimated capital expenditure for KEPCO is US\$ 20 million.

Additional details regarding the Project will be determined through further negotiation with China Datang Corporation.
