Section 5 Corporate Governance and Management

Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

At the annual meeting of stockholders of Repligen Corporation (the Company) held on September 12, 2008, the Company's stockholders approved the Second Amended and Restated 2001 Repligen Corporation Stock Plan (the 2001 Plan) which increases the aggregate number of shares authorized for issuance under the 2001 Plan by 1,000,000 shares to 2,585,778 shares of common stock, plus such number of shares subject to outstanding option grants under the 1992 Repligen Corporation Stock Option Plan (the 1992 Plan) which expire or terminate for any reason (other than exercise).

Previously, the 2001 Plan only provided for grants of stock options and restricted stock awards. This amendment and restatement was designed to enhance the flexibility of the Compensation Committee in granting stock options and other awards such as stock appreciation rights, grants of restricted stock and performance share awards, to the Company's officers, employees, non-employee directors and other key persons and to ensure that the Company can continue to grant stock options and other awards to such persons in the manner and at levels determined to be appropriate by the Compensation Committee.

The Company's executive officers and directors are eligible to receive awards under the 2001 Plan, including stock options and restricted stock units, in accordance with the terms and conditions of the 2001 Plan.
