**PART III NARRATIVE**

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

The Company was unable to complete its quarterly report on Form 10-Q on a timely basis due to its inability to complete the accounting related to its transition from going concern accounting to the liquidation basis of accounting. As a result of the Company's shareholders approving the Plan of Final Liquidation on October 1, 2008, the Company transitioned to the liquidation basis of accounting during its second quarter of fiscal 2009. The Company has engaged outside consultants to assist with certain valuations, particularly related to the write down of assets from historical costs to net realizable value, but was still unable to complete the accounting under the liquidation basis for its second quarter ended November 1, 2008. Additional time is required to complete the Form 10-Q due to the estimates required related to accrued liquidation costs and finalization of the adjustments of assets and liabilities to net realizable value or estimated settlement amounts.

If answer is no, identify report(s). Yes  No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes  No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Form 10-Q for the three months ended November 1, 2008 will be significantly different than the Form 10-Q for the comparable three-month period last year due to the Company's transition to liquidation accounting. All operations, with the exception of the corporate function, are classified as discontinued operations for all periods presented (under the going concern basis of accounting).

Under the liquidation basis of accounting, significant estimates are required, particularly related to accrued liquidation costs; the Company is in the process of finalizing these estimates.

## Edgar Filing: HANDLEMAN CO /MI/ - Form NT 10-Q

The net loss (under going concern accounting) for the five months ended October 4, 2008 is expected to be significantly higher than the net loss for the six months ended October 27, 2007. This increase will be primarily due to the write down of certain assets to fair value, by a reduction in the net loss from continuing operations.

As a result of the transition to the liquidation basis of accounting, a Consolidated Statement of Net Assets as of November 1, 2008 will be included in the Form 10-Q for the second quarter ended November 1, 2008, compared to the Company's Consolidated Balance Sheet as of May 3, 2008. All assets and liabilities will be classified as current and stated at net realizable value or estimated settlement amounts as of November 1, 2008.
