The aggregate purchase price for the Shares sold was \$2,500,000. The Corporation did not pay any underwriting discounts or commissions and did not pay any brokerage fees in connection with the sale of the Shares. The Shares sold constitute 1.7% of the number of outstanding shares of the Corporation's common stock, as determined immediately after the closing of the sale.

The Corporation intends to use the proceeds from the sale of the Shares to satisfy its working capital requirements and general corporate purposes, and for any other purpose that management deems to be in the Corporation's best interest.
