**Item 1.01 Entry into a Material Definitive Agreement.**

On May 7, 2009, certain subsidiaries of Asbury Automotive Group, Inc., a Delaware corporation (the Company ), entered into an amendment (the Master Loan Amendment ) to its Master Loan Agreement, dated as of June 4, 2008, as amended (the Master Loan Agreement ), with Wachovia Bank, National Association, a national banking association ( WBNA ), and Wachovia Financial Services, Inc., a North Carolina corporation ( WFSI and, collectively with WBNA, the Lender ). In addition, the Company simultaneously entered into amendments (the Guaranty Amendments and, collectively with the Master Loan Amendment, the Amendments ) to its Unconditional Guaranty with each of WFSI and WBNA (the Guaranties ). The Amendments provide that they are effective as of April 29, 2009.

Prior to the Amendments, the Guaranties required the Company to maintain a total leverage ratio of not more than 5.00 to 1.00 and prohibited the Company from creating or permitting any debt other than debt that is evidenced or permitted under the Company's Revolving Credit Facility with Bank of America, N.A. (the Revolving Credit Facility ) or any refinancing, modification, renewal or amendment of the Revolving Credit Facility. The Amendments:

eliminate the total leverage ratio set forth in the Guaranties; and

provide that the Company may not create or permit debt other than (i) debt evidenced by the Revolving Credit Facility or any refinancing, modification, renewal or amendment of the Revolving Credit Facility, (ii) a one time real estate term loan in an amount not to exceed \$12,000,000, (iii) debt existing as of March 31, 2009, and renewals and extensions thereof on substantially the same terms and conditions, and (iv) floor plan debt.

Pursuant to the Amendments, at any time after April 30, 2010, the Company has the option upon thirty days' written notice to Lender to reinstate the total leverage ratio and revert to the restrictions regarding additional debt set forth in the Guaranties prior to the Amendments.

In addition, the Amendments modify the Guaranties' definitions of (i) EBITDA by excluding gains and losses on repurchases of long-term debt and (ii) Fixed Charges by excluding all non-cash, non-floor plan interest expense and the cash portion of income taxes associated with the gains on repurchases of long-term debt. The Master Loan Amendment makes certain technical amendments to reflect the Company's entry into the Revolving Credit Facility after the date of the Master Loan Agreement.

The foregoing description of the Master Loan Amendment and the Guaranty Amendments is not complete and is qualified in its entirety by the actual terms of these agreements, copies of which are filed as Exhibits 10.1, 10.2 and 10.3, respectively, to this Current Report on Form 8-K and are incorporated by reference herein.
