PROXY STATEMENT

ANNUAL MEETING INFORMATION

General

The Board of Directors of Richardson Electronics, Ltd. (the Company, we or us) is soliciting your proxy for the Annual Meeting of Stockholders to be held at our corporate headquarters located at 40W267 Keslinger Road, LaFox, Illinois 60147-0393, on Tuesday, October 13, 2009, at 3:15 p.m. Central time, and at any and all adjourned sessions of the Annual Meeting. On or before August 31, 2009, we mailed to our stockholders of record a notice about the Internet availability of this proxy statement and our Annual Report on Form 10-K for the fiscal year ended May 30, 2009, instead of a paper copy of the proxy materials. All stockholders receiving the notice will have the ability to access the proxy materials over the Internet and to request a paper copy by mail by following the instructions in the notice.

Record Date and Quorum

Stockholders of record at the close of business on August 18, 2009, the record date, are entitled to notice of and to vote their shares at the Annual Meeting. At the record date, 14,866,774 shares of our common stock, and 3,048,258 shares of our Class B common stock were issued and outstanding. The common stock is listed for trading on the Nasdaq Global Market under the symbol RELL. The presence in person or by proxy of the holders of record of a majority of the combined voting power of the outstanding shares of common stock and Class B common stock entitled to vote is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes (which occur when a broker indicates on a proxy card that it is not voting on a matter) are considered as shares present at the Annual Meeting for the purpose of determining a quorum.

How to Vote

Stockholders can simplify their voting and reduce Company expenses by voting by telephone or by Internet. If you vote by telephone or Internet, you do not need to mail back your proxy card. Telephone and Internet voting information is provided on your proxy card. A Control Number, located on the proxy card, is designed to verify your identity and allow you to vote your shares and confirm that your voting instructions have been properly recorded.

If your shares are held in the name of a bank or broker, follow the voting instructions on the form you receive from that firm. The availability of telephone or Internet voting will depend on that firm's voting processes. If you choose not to vote by telephone or Internet, please return your proxy card, properly signed, and the shares represented will be voted in accordance with your directions. You can specify your choices by marking the appropriate boxes on the proxy card.

If your proxy card is signed and returned without specifying choices, the shares will be voted FOR all of the nominees for director in Proposal 1, FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm in Proposal 2, and otherwise in the discretion of the proxies referenced in the proxy card. The Company knows of no reason why any of the nominees for director named herein would be unable to serve. In the event, however, that any nominee named should, prior to the election, become unable to serve as a director, your proxy (unless designated to the contrary) will be voted for such other person or persons as the Board of Directors may recommend.

The Company knows of no other matters scheduled to come before the meeting. If any other matters properly come before the meeting, the proxies solicited hereby will be voted on such matters in the discretion of the persons voting such proxies, except proxies which are marked to

deny discretionary authority.

Table of Contents

We encourage you to vote your shares in advance of the Annual Meeting date even if you plan on attending the Annual Meeting.

Vote Required, Abstentions and Broker Non-Votes

Holders of common stock are entitled to one vote for each share of common stock held, and holders of the Class B common stock are entitled to ten votes for each share of Class B common stock held.

If a quorum is present at the Annual Meeting, the six candidates for director who receive the highest number of affirmative votes will be elected. Shareholders are not entitled to cumulate votes for the election of directors.

If a quorum is present at the Annual Meeting, the affirmative vote of a majority of the shares present in person or represented by proxy and voting on the matter is required to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2010 and to act on any other matters properly brought before the meeting.

Shares represented by proxies which are marked or voted "withhold authority" with respect to the election of any one or more nominees for election as directors, proxies which are marked or voted "abstain" on the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2010, and proxies which are marked or voted to deny discretionary authority on other matters will be counted for the purpose of determining the number of shares represented by proxy at the meeting. Such proxies will thus have the same effect as if the shares represented thereby were voted against such nominee or nominees, against the proposal to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for fiscal 2010 and against such other matters, respectively. If a broker indicates on the proxy that it does not have discretionary authority as to certain shares to vote on a particular matter, those shares will not be considered as present and entitled to vote with respect to that matter.

Revocability of Proxies

You may revoke your proxy at any time before it is voted (in the case of proxy cards) by giving notice to the Secretary of the Company or by executing and mailing a later-dated proxy. To revoke a proxy given, or change your vote cast, by telephone or Internet, you must do so by telephone or Internet, respectively (following the directions on your proxy card), by 11:59 p.m. Eastern Standard Time on October 12, 2009. If you are voting shares held in our Employee Stock Ownership Plan ("ESOP"), you must revoke your proxy, or change your vote cast, with respect to such shares by 11:59 p.m. Eastern Standard Time on October 8, 2009.

Proxy Solicitation

We will bear the expense of soliciting proxies. Our officers and certain other employees, without additional remuneration, may also solicit proxies personally or by telephone, e-mail or other means.

Stockholder Proposals for 2010 Annual Meeting

From time to time, stockholders present proposals which may be proper subjects for inclusion in the proxy statement and for consideration at a stockholders meeting. To be considered, proposals must be submitted on a timely basis. Proposals for the 2010 Annual Meeting submitted pursuant to SEC Rule 14a-8 must be received by us no later than May 3, 2010. Any such proposals, as well as any questions related thereto, should be directed to our Secretary. Any stockholder proposal proposed for submission at our 2010 Annual Meeting outside the process of SEC Rule 14a-8 after July 17, 2010, shall be considered untimely. If such a proposal is submitted after that date, the proxy holder or holders may exercise their discretionary authority, as conferred in the proxy, in voting on such proposal at such meeting.

Table of Contents**Householding Information**

Some banks, brokers and other nominee record holders may be participating in the practice of householding. This means that only one copy of either the notice of Internet availability of the proxy statement or of this proxy statement and Annual Report on Form 10-K may have been sent to multiple stockholders sharing an address unless the stockholders provide contrary instructions. We will promptly deliver a separate copy of these documents to you if you call or write us at: Richardson Electronics, Ltd., 40W267 Keslinger Road, P.O. Box 393, LaFox, Illinois 60147-0393, Attention: Secretary; telephone (630) 208-2200.

If you want to receive separate copies of our proxy statements and annual reports to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy for your household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address or phone number.

PROPOSAL I ELECTION OF DIRECTORS

At the Annual Meeting, stockholders will elect a board of six directors to serve until the next annual meeting, or until their successors are elected and shall have qualified, subject to their earlier death, resignation or removal as permitted by law. Directors will be elected by a plurality of the votes cast at the meeting by the holders of shares represented in person or by proxy. Thus, assuming a quorum is present, the six persons receiving the greatest number of votes will be elected as directors and votes that are withheld will have no effect.

Jacques Bouyer has served as a member of our Board of Directors since 1990 and will continue to serve until the Annual Meeting. Mr. Bouyer has notified the Board of Directors of his intention to retire from the board effective at the Annual Meeting. Accordingly, the Board of Directors has not nominated Mr. Bouyer for election as a director at the Annual Meeting. The Board of Directors determined that it was in the best interests of the Company to reduce the size of the board in connection with Mr. Bouyer's retirement, which the Board of Directors accomplished by amending our By-Laws pursuant to a resolution adopted on August 27, 2009, to be effective as of the date of the Annual Meeting. The amendment will reduce the size of the Board of Directors from seven members to six members.

Information Relating to Directors and Nominees

Listed below are the nominees of our Board of Directors for election at the Annual Meeting. The following sets forth specific information about each nominee as of August 31, 2009.

Our Board of Directors recommends that the nominees identified above be elected

as Directors and urges you to vote FOR each of them.

BOARD OF DIRECTORS AND COMMITTEES

Throughout the last fiscal year, our Board of Directors consisted of seven members. In connection with the retirement of Jacques Bouyer from the Board of Directors effective as of the Annual Meeting, the Board of Directors will be reduced to six members as of October 13, 2009, the date of the Annual Meeting. Mr. Rubinovitz is the lead director who, as an independent director, acts in a lead capacity to coordinate the other independent directors, chairs the executive sessions of the independent directors and performs such other functions as the Board of Directors may direct. Executive sessions of the independent directors are regularly scheduled and are held at least once a year.

During the last fiscal year, the Board of Directors held five meetings and acted on one occasion by unanimous written consent. Each director attended at least 75% of the aggregate number of such meetings and meetings of the committees on which he served. Although we have no formal policy about director's attendance at the Annual Meeting, it is encouraged. Last year, all seven directors attended the Annual Meeting.

Committees of the Board

During fiscal year 2009, the Board of Directors had six standing committees: the Audit Committee, Compensation Committee, Executive Committee, Nominating Committee, Stock Option Committee and Strategic Planning Committee. The members and chair of each committee are as follows:

Director	Audit	Compensation	Executive	Nominating	Stock Option	Strategic
Edward Richardson			ü (Chair)			ü
Jacques Bouyer		ü		ü	ü	ü (Chair)
Scott Hodes		ü		ü		ü
Ad Ketelaars				ü		ü
John R. Peterson	ü (Chair)			ü		ü
Harold L. Purkey	ü			ü		ü
Samuel Rubinovitz	ü	ü (Chair)	ü	ü (Chair)	ü (Chair)	ü

Executive Committee. The Executive Committee did not meet during the last fiscal year and acted on six occasions by unanimous written consent. This committee may exercise all authority of the Board of Directors in the management of the Company during the interval between meetings of the Board of Directors, except as otherwise provided in our By-Laws or by applicable law.

Table of Contents

Audit Committee. The Audit Committee held four meetings during the last fiscal year. This committee meets for the purpose of engaging and discharging the independent auditors (or recommending such actions), directing and supervising special investigations, reviewing with the independent auditors the plan and results of the auditing engagement, reviewing the scope and results of our procedures for internal auditing, approving each professional service provided by the independent auditors prior to the performance of such services, reviewing the independence of the independent auditors, considering the range of audit and nonaudit fees for the independent auditors and reviewing the adequacy of the issuer's system of internal accounting controls and such other matters relating to our financial affairs and accounts as required by law or regulation or as it deems desirable or as the Board of Directors may assign to it. The Board of Directors has determined that the composition and functioning of the committee complies with the rules of the SEC and NASDAQ, including that each of its members is independent, as that term is defined in NASDAQ rules, and that one of its members, Mr. Peterson, qualifies as an Audit Committee Financial Expert, as that term is defined in SEC rules, and is also independent, as that term is used in SEC and NASDAQ rules. The Audit Committee has adopted a written charter approved by the Board of Directors. A copy of the charter is available on our website at www.rell.com.

The Audit Committee's report begins on page 17.

Stock Option Committee. The Stock Option Committee held one meeting and acted five times by unanimous written consent in the last fiscal year. It administers our 2001 Incentive Compensation Plan, including determining the employees to whom stock options and stock awards are granted, the number of shares subject to each option or award, and the date or dates upon which each option or award may be exercised.

Compensation Committee. The Compensation Committee held eight meetings in the last fiscal year. It is responsible for reviewing and establishing the compensation policy and guidelines for, and the compensation of, executive officers. The Board of Directors has determined that the composition and functioning of this committee complies with the applicable NASDAQ and SEC requirements.

The Compensation Committee is composed of three independent directors. The committee's responsibilities include:

Establishing, reviewing and approving the base salary, non-equity incentive compensation, perquisites, and any other forms of non-equity compensation for our Chairman and Chief Executive Officer and for our executive officers;

Reviewing and monitoring our incentive compensation and retirement plans and performing the duties imposed on the Committee by the terms of those plans; and

Performing other duties deemed appropriate by the Board of Directors.

The Compensation Committee's Chairman reports the committee's recommendations on executive compensation to the Board of Directors. Our Human Resources Department supports the committee and is delegated authority to fulfill certain administrative duties regarding compensation programs. The Compensation Committee has authority to retain, approve fees for and terminate consultants as it deems necessary to assist in the fulfillment of its duties and responsibilities. The Compensation Committee has adopted a written charter which is available on our website at www.rell.com.

The Chief Executive Officer assists the Compensation and Stock Option Committees in reaching compensation decisions by developing recommended compensation for the executive officers other than himself. The Chief Executive Officer also develops performance objectives for executive officers whose incentive compensation includes personal performance goals. The Chief Executive Officer meets with each executive officer formally on an annual basis to review past performance and to discuss performance objectives for the following year.

In connection with developing his recommendations for executive officer compensation, the Chief Executive Officer consults with the Chief Financial Officer with respect to our financial performance and with our Human Resources Department with respect to the compensation for our non-executive officer employees and the compensation of executive officers at companies with whom we compete for executive talent. The Chief Executive Officer consults with these officers to ensure that his recommendations for executive officer compensation will achieve our annual financial goals and long term business plans and be internally equitable and externally competitive.

Table of Contents

The Company and the Compensation and Stock Option Committees have not historically relied upon the advice of compensation consultants in determining named executive officer compensation.

Strategic Planning Committee. The Strategic Planning Committee, which includes all directors, did not meet during the last fiscal year. This committee is responsible for developing and reviewing our long-term strategic plans.

Nominating Committee. The Nominating Committee did not meet during the last fiscal year but acted one time by unanimous written consent. In considering whether to recommend any particular candidate for inclusion on the Board of Directors' slate of recommended director nominees, the nominating committee applies the criteria set forth in our corporate governance guidelines. These criteria include the candidate's integrity, business acumen, knowledge of our business and industry, experience, diligence, absence of conflicts of interest and the ability to act in the interests of all stockholders. The committee does not assign specific weights to particular criteria and no particular criterion is a prerequisite for each prospective nominee. The committee believes that the backgrounds and qualifications of our directors, considered as a group, should provide a composite mix of experience, knowledge and abilities that will best allow the Board of Directors to fulfill its responsibilities. Management and the Directors submit candidates for nomination for election to the Board of Directors for committee consideration. After due consideration, the committee selects the nominees. The committee has not adopted a written charter.

Stockholders may also submit names of candidates for consideration by the Nominating Committee, provided that such submissions must be received by the Board of Directors no later than the July 1st immediately preceding the Annual Meeting of Stockholders. Stockholders may also nominate a candidate or candidates for election as a director at the annual meeting at which directors are elected.

Director Compensation

Prior to January 2008, non-employee directors (defined as any director who is not an officer or employee of the Company or any of its subsidiaries or affiliates) received a quarterly retainer of \$3,000 and a fee of \$500 for each board or committee meeting attended in person or by telephone (other than Audit Committee meetings, for which the fee was \$1,000), plus travel expenses. The Chairman of the Audit Committee receives an additional quarterly retainer of \$1,500. As of January 8, 2008, the Board of Directors temporarily reduced all of these fees by 5%. This reduction remains in place as of the date of this proxy statement.

- (2) Directors receive an annual grant of 5,000 options starting on the fifth anniversary of being elected to the Board of Directors. The options fully vest on the date of grant. The amounts in this column represent the dollar amount recognized for financial statement reporting purposes with respect to fiscal 2009 for the fair value of stock options granted to each director in fiscal 2009, in accordance with Statement of Financial Accounting Standards (SFAS) 123(R), and do not correspond to the actual value that will be recognized by each director. For the relevant assumptions used in determining the fair value of stock option awards, refer to Note 1, Stock-Based Compensation, in the Notes to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended May 30, 2009, filed with the SEC on July 23, 2009.

In addition, upon election to the Board of Directors, each current non-employee director (except Mr. Ketelaars who was not eligible at the time he joined the board) was granted an option to acquire 25,000 shares of our common stock at an exercise price equal to the fair market value of common stock on the date of grant. Further, pursuant to our 2006 Stock Option Plan for Non-Employee Directors, any non-employee director who is elected or appointed after October 18, 2005, will be granted an option to acquire 25,000 shares of common stock which will vest in equal installments over a 5-year period from the date of grant. The 2006 plan was adopted to promote the long-term interests of the Company by attracting and retaining qualified and experienced directors and by providing additional incentive for such directors to work for the success and growth of the Company. In addition to the initial grant, beginning with their fifth anniversary of being appointed or elected to the Board of Directors, each non-employee director will receive an annual option to purchase 5,000 shares of common stock. All such annual options will be fully vested and exercisable on the date of grant. All options granted pursuant to the 2006 plan are at an exercise price equal to the fair market value of our common stock on the date of grant and are exercisable for a period of ten years and one month from the date of grant. All option grants under the 2006 plan are automatic and non-discretionary and subject to the terms and conditions set forth in the plan.

Upon the termination of a director because of death, retirement, or removal from the Board of Directors within one year after a change of control, options remain fully exercisable until the option expires by its terms.

Related Party Transactions

Mr. Hodes is Senior Counsel at the law firm of Bryan Cave LLP, which provided legal services to the Company in fiscal 2007, 2008 and 2009 and continues to provide legal services in fiscal 2010.

Pursuant to our Code of Conduct, related party transactions involving directors, executive officers or other principal financial officers of the Company must be reviewed and approved by our Board of Directors prior to the Company entering into such transactions. Our Code of Conduct generally describes a prohibited related party transaction as one that would adversely influence an employee or director in the performance of his or her duties to the Company or one that is inconsistent with or opposed to the best interests of the Company. The Code of Conduct contains many standards and examples of potentially prohibited related party transactions, but the Board of Directors retains the discretion to determine whether each potential transaction is consistent with the standards described in the Code of Conduct. Other than the broad standards outlined in the Code of Conduct, we do not have written standards for reviewing and evaluating potential related party transactions. However, Directors may consider any factors that they deem consistent with their fiduciary duties to shareholders.

The Board of Directors did not consider and approve the transactions between the Company and Mr. Hodes in fiscal 2009 as this is a long-term, ongoing arrangement that the Board of Directors has previously considered and approved.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers and directors and persons who may be deemed to own beneficially more than ten percent of our stock to file initial reports of ownership and reports of changes in ownership with the SEC and NASDAQ. Executive officers, directors and greater than ten percent beneficial owners are required by SEC regulations to furnish us with copies of all Section 16(a) forms they file. Based solely on a review of the copies of such forms furnished to us and written representations from our executive officers and directors, we believe that during fiscal 2009, all Section 16(a) filing requirements applicable to our executive officers, directors and greater than ten percent beneficial owners were complied with on a timely basis, except that Michael J. Bauer, who was an executive officer during fiscal year 2009, filed a Form 4 report on October 24, 2008, to report the acquisition of 357 shares on May 30, 2008, pursuant to our Employees Stock Purchase Plan.

Retirement Plans

Employees Stock Ownership Plan (ESOP). We maintain an ESOP to provide a vehicle for employee ownership of our common stock. We do not view the ESOP as an important part of the compensation of our named executive officers. On an annual basis, the Board of Directors considers making a discretionary contribution to the ESOP if the Company has been profitable. No contribution has been made for any fiscal year in which we have no after-tax profits. All contributions are made in the form of our common stock and are allotted pro rata to participants in the plan based on the participant's fiscal year compensation (base compensation and annual cash bonus), up to a maximum compensation level of \$230,000. The board did not authorize a discretionary contribution for fiscal 2009 because we did not have any after-tax profits.

Profit Sharing/401(k) Plan. We offer retirement benefits to our employees, including all of the named executive officers, through a tax-qualified Profit Sharing/401(k) Plan, which is a defined contribution plan designed to accumulate retirement funds for participating employees through individual and Company contributions. Participants are provided the opportunity to make salary reduction contributions to the plan on a pre-tax basis. We normally match 50% of the first 4% of salary and bonus contributed by participants, but we suspended the Company match for all participating employees during fiscal 2009. Under the plan, the Board of Directors may also make discretionary contributions to the plan to be allocated pro rata among the participants. The board evaluates our performance following each fiscal year and determines, based on a qualitative assessment with consideration of whether the Company achieved its performance objectives, whether and in what amount we should contribute to the plan. No contribution has been made for any fiscal year in which we have no after-tax profits. Accordingly, in fiscal 2009, the Board of Directors determined not to make a discretionary contribution to the Profit Sharing/401(k) Plan because we did not have any after-tax profits.

**Our Board of Directors recommends that Ernst & Young LLP be ratified as our independent registered
public accounting firm for fiscal 2010 and urges you to vote FOR this Proposal II.**

AUDIT COMMITTEE REPORT

The Board of Directors maintains an Audit Committee comprised of three non-employee members of the Board of Directors. After reviewing the qualifications of the current members of the committee, and any relationships they may have with Richardson Electronics that might affect their independence from Richardson Electronics, the Board of Directors has determined that (1) all current members of the Audit Committee are independent as that concept is defined in Section 10A of the Securities Exchange Act, (2) all current members of the Audit Committee are independent as that concept is defined in the NASDAQ listing standards, (3) all current members of the Audit Committee are financially literate, and (4) Mr. Peterson qualifies as Audit Committee financial expert under the applicable rules promulgated pursuant to the Securities Exchange Act.

The Audit Committee's members are not professionally engaged in the practice of accounting or auditing, and they necessarily rely on the work and assurances of the Company's management and the independent registered public accounting firm. Management has the primary responsibility for the financial statements and the reporting process, including the process of internal control over financial reporting. The independent registered public accounting firm of Ernst & Young LLP is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and expressing opinions on the conformity of those audited financial statements with United States generally accepted accounting principles and the effectiveness of the Company's internal control over financial reporting (when required). The Audit Committee has reviewed and discussed with management the audited financial statements of the Company for the fiscal year ended May 30, 2009 (the Audited Financial Statements). In addition, the Audit Committee has discussed with Ernst & Young the matters required to be discussed by Statement on Auditing Standards No. 61 *Communications with Audit Committees*, as amended.

The Audit Committee also has received the written disclosures and the letter from Ernst & Young in accordance with PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence* and has discussed with Ernst & Young its independence from the Company. The Audit Committee further considered whether the provision of non-audit related services by Ernst & Young to the Company is compatible with maintaining the independence of Ernst & Young with the Company. The Audit Committee has also discussed with management of the Company and Ernst & Young such other matters and received assurances from them as it deemed appropriate.

The Company's internal auditors and Ernst & Young discussed with the Audit Committee the overall scope and plans for their respective audits.
