2010 Management Bonus Program

On March 3, 2010 the Compensation and Executive Development Committee (the Compensation Committee) of the Board of Directors of Jamba, Inc. approved a 2010 fiscal year Management Bonus Program for employees at the manager level and above (the 2010 Management Bonus Program).

Under the 2010 Management Bonus Program, the Compensation Committee established guidelines for an annual bonus pool that may be paid for fiscal year 2010. Under the program, if the Company achieves a certain base target adjusted EBITDA threshold, bonuses will then be earned by program participants upon the achievement of specified financial, strategic and personal metrics. The financial metrics account for 60% of the 2010 Management Bonus Program metrics and consist of the following:

40% for achievement of an adjusted consolidated EBITDA target for fiscal year 2010;

10% for achievement of a positive comparable store sales target for fiscal year 2010; and

10% for achievement of a reduced general and administrative expense target.

The strategic and personal metrics account for 30% and 10%, respectively, of the 2010 Management Bonus Program metrics and are dependent and vary based upon an employee's job title, department and individual duties. If each of the target metrics is achieved, the bonus pool to be allocated among all the program participants will be \$2.8 million. This \$2.8 million bonus pool will not be available in the event that the target adjusted consolidated EBITDA threshold is not met.

Under the 2010 Management Bonus Program, each of the executive officers listed in the table below is eligible to receive a bonus opportunity as follows based on the current base salaries of such executives:

Name	Current Base Salary	Bonus Opportunity as a percentage of Current Base Salary*
James D. White, President and Chief Executive Officer	\$ 550,000	Up to 100%
Karen L. Luey, Senior Vice President and Chief Financial Officer	\$ 275,000	Up to 40%
Thibault de Chatellus, Senior Vice President, Global Franchise Development	\$ 294,200	Up to 40%
Michael W. Fox, Senior Vice President, General Counsel and Secretary	\$ 275,000	Up to 40%
Gregory A. Schwartz, Senior Vice President, Supply Chain and Operations Services	\$ 275,000	Up to 40%
Steve Adkins, Senior Vice President, Company Operations	\$ 275,000	Up to 40%
Susan Shields, Senior Vice President, Chief Marketing Officer	\$ 275,000	Up to 40%

* Based upon achievement of the base target EBITDA threshold amount indicated above. The Compensation Committee has discretion to award additional amounts to such executives in the event one or more of the Stretch Target EBITDA Thresholds are achieved, as described below.

If the target adjusted consolidated EBITDA threshold is not achieved, so long as certain minimum targets are met, at the Compensation Committee's discretion, a bonus pool of up to \$980,000 may be awarded.

Edgar Filing: JAMBA, INC. - Form 8-K

In addition, under the 2010 Management Bonus Program, in the event each of the target metrics is met and the adjusted consolidated EBITDA target is exceeded by pre-determined levels, two additional bonus pools will be available to be allocated among all the program participants. If the adjusted consolidated EBITDA target is exceeded by an amount equal to 16.67% of the base target, an additional bonus pool of up to a maximum of \$625,000 in cash will be available for distribution, and if the adjusted consolidated EBITDA target is exceeded by an amount equal to 33.33% of the base target (each, a Stretch Target EBITDA Threshold), a final additional bonus pool of up to a maximum of \$625,000 will be available for distribution, each in the discretion of the Compensation Committee.

Awards payable to any program participant are contingent upon continued employment with the Company through the time the bonus amount is paid and will be payable 50% in cash and the balance through a grant of a fully vested stock grant. However, at the Compensation Committee's discretion, any portion of the awards payable in shares of stock may instead be paid in cash. Any stock grants that are issued in connection with a bonus award will be issued under the Company's 2006 Employee, Director and Consultant Stock Plan pursuant to the Company's equity award grant guidelines.

Notwithstanding the foregoing, under the 2010 Management Bonus Program, the Compensation Committee has the right in its sole discretion to adjust the bonus for any individual so long as such bonus does not exceed the maximum amount that otherwise could be earned by an individual as determined above upon achievement of the target base adjusted consolidated EBITDA threshold.
