**Item 1.01 Entry into a Material Definitive Agreement.**  
**Purchase and Sale Agreement**

A wholly-owned subsidiary (CONSOL Energy Holdings LLC VI, the Purchaser ) of CONSOL Energy Inc., a Delaware corporation ( CONSOL ), has entered into a definitive Purchase and Sale Agreement with Dominion Resources, Inc., a Virginia corporation ( Dominion or DRI ), and its subsidiaries, Dominion Transmission, Inc., a Delaware corporation ( DTI ) and Dominion Energy, Inc., a Virginia corporation ( DEI and, together with DRI and DTI, the Sellers and each a Seller ), dated as of March 14, 2010 (the Purchase Agreement). Pursuant to the Purchase Agreement, and subject to the terms and conditions set forth therein, the Purchaser will purchase (i) all of the issued and outstanding common stock of Dominion Exploration & Production, Inc. (the DEPI Shares ); (ii) all of the issued and outstanding common stock of Dominion Reserves, Inc. (the Reserves Shares ); and (iii) all of DTI s right, title and interest in and to certain interests in oil and gas properties, rights and related assets identified in the Purchase Agreement (the Acquisition ).

The purchase price for the Acquisition will be \$3.475 billion (the Purchase Price ), subject to certain adjustments described in the Purchase Agreement (the Acquisition ). CONSOL entered into a guarantee of the Purchaser s obligations under the Purchase Agreement (the Parent Guarantee ). Concurrently, CONSOL entered into the commitment letter described below, in respect of financing for the Acquisition.

The Purchase Agreement contains customary representations and warranties, covenants and indemnification obligations. The Acquisition is expected to close on April 30, 2010, or if the conditions to closing identified in the Purchase Agreement have not yet been satisfied as of such date, as soon thereafter as such conditions have been satisfied or waived. The consummation of the Acquisition is subject to certain conditions, including (i) subject to certain materiality exceptions, the accuracy of the respective representations and warranties made by the Purchaser and the Sellers and compliance by the Purchaser and the Sellers with their respective obligations under the Purchase Agreement; (ii) the attainment of all material consents and approvals of any governmental authorities (including those required under the Hart-Scott Rodino Act) required to consummate the Acquisition; and (iii) the receipt by each of the Purchasers and the Sellers of certain documents and agreements from the other parties. The consummation of the Acquisition is not subject to any financing condition.

The Purchase Agreement may be terminated at any time prior to closing by the mutual prior written consent of the Sellers and the Purchaser or by either the Sellers or the Purchaser, by written notice to the other party, if the closing has not occurred on or before June 10, 2010 (the End Date ); provided, however, that if, as of the End Date all of the conditions to closing set forth in the Purchase Agreement have been satisfied or waived (other than those that will be satisfied by action taken at the closing) other than the conditions relating to approval under the Hart-Scott Rodino Act, then the parties may agree to extend the End Date until the date that is 90 days following the End Date by providing written notice to the other party on or before the End Date. No party to the Purchase Agreement will be entitled to terminate the Purchase Agreement if the closing has not occurred as a result of such party s negligent or willful failure to perform its obligations under the Purchase Agreement. The parties are obligated, subject to certain limitations set forth in the Purchase Agreement, to indemnify each other under the Purchase Agreement for breaches of representations and warranties, nonfulfillment or breaches of covenants and agreements and for certain other costs or damages identified in the Purchase Agreement.

The foregoing description of the Purchase Agreement, the Parent Guarantee and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the complete text of the Purchase Agreement, a copy of which is attached hereto as Exhibit 2.1, the Parent Guarantee, a copy of which is attached hereto as Exhibit 10.1 and the terms of each of which are incorporated by reference. There can be no assurance that the transactions contemplated by the Purchase Agreement will be consummated.

The Purchase Agreement has been included solely to provide investors and security holders with information regarding its terms. It is not intended to be a source of financial, business or operational information about CONSOL or any of its subsidiaries or affiliates or the assets to be acquired. The representations, warranties and covenants contained in the Purchase Agreement are made solely for purposes of the agreement and are made as of specific dates; are solely for the benefit of the parties; may be subject to qualifications and limitations agreed upon by the

parties in connection with negotiating the terms of the Purchase Agreement, including being qualified by confidential disclosures made for the purpose of allocating contractual risk between the parties instead of establishing matters as facts; and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors or security holders. Investors and security holders should not rely on the representations, warranties and covenants or any description thereof as characterizations of the actual state of facts or condition of CONSOL or any of its subsidiaries or affiliates or the assets to be acquired. Moreover, information concerning the subject matter of the representations, warranties and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures.

#### **Financing Commitment Letter**

Concurrently, and in connection with entering into the Purchase Agreement, CONSOL entered into a commitment letter (the Commitment Letter ) with Banc of America Securities LLC, Banc of America Bridge LLC, PNC Bank, National Association and PNC Capital Markets LLC on March 14, 2010 arranging for financing of up to \$3,500.0 million in unsecured senior bridge loans (the Bridge Loans and, together with any rollover loans and exchange notes, each as defined in the Commitment Letter, the Bridge Facility ). The Commitment Letter is subject to various conditions precedent, including, without limitation, (i) no change, occurrence or development since December 31, 2009, either individually or in the aggregate, that has had or could reasonably be expected to have a material adverse effect on the business, properties, financial condition or results of operations of CONSOL and certain of its subsidiaries, taken as a whole, (ii) the accuracy of certain specified representations, (iii) the delivery of an offering document and certain financial statements and (iv) certain other closing conditions set forth in the Commitment Letter. The Bridge Loans may be prepaid prior to the first anniversary of the closing date of the Acquisition (the Rollover Date ), without premium or penalty, in whole or in part, upon written notice, at the option of CONSOL, at any time, together with accrued interest to the prepayment date. If the Bridge Loans are not repaid in full on or prior to the Rollover Date, the Bridge Loans outstanding on the Rollover Date may, subject to the conditions set forth in the Bridge Facility, be converted into unsecured, senior rollover loans (the Rollover Loans ) with a maturity of January 15, 2015. Each lender will have the right, at any time on or after the Rollover Date, to exchange Rollover Loans held by it for unsecured senior exchange notes of CONSOL, with terms described in the Bridge Facility, and subject to the conditions set forth therein.

The foregoing description of the Bridge Facility and the transactions contemplated thereby is not complete and is subject to and qualified in its entirety by reference to the complete text of the Bridge Facility, a copy of which is attached hereto as Exhibit 10.2 and the terms of which are incorporated by reference. There can be no assurance that the transactions contemplated by the Bridge Facility will be consummated.
