- .. Pre-commencement communications pursuant to Rule 13e-4(c) under the Exchange Act (17 CFR 240.13e-4(c))

Item 1.01 Entry into a Material Definitive Agreement.

On May 14, 2010, NuStar Energy L.P. (the Partnership) entered into an underwriting agreement (the Underwriting Agreement) with Citigroup Global Markets Inc., Barclays Capital Inc. and J.P. Morgan Securities Inc., as joint book-running managers and representatives of the several underwriters named therein (collectively, the Underwriters), pursuant to which the underwriters sold to the public 4,400,000 common units representing limited partner interests in the Partnership (the Units) at a price to public of \$56.55 per Unit, for aggregate net proceeds to the Partnership, after underwriting fees and commissions, of \$240,525,700. Pursuant to the Underwriting Agreement, the Partnership granted the Underwriters a 30-day option to purchase up to an additional 660,000 Units at the same price. A copy of the Underwriting Agreement is filed as Exhibit 1.1 hereto and is incorporated herein by reference. Closing of the issuance and sale of the Units is scheduled for May 19, 2010.

The offering of the Units has been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a registration statement on Form S-3 (Registration No. 333-166797) of the Partnership (the Registration Statement), which was declared effective on May 13, 2010, and the prospectus supplement dated May 14, 2010, filed with the Securities and Exchange Commission pursuant to Rule 424(b) of the Securities Act. Certain legal opinions related to the Registration Statement are filed herewith as Exhibits 5.1 and 8.1.

The Underwriting Agreement provides that the obligations of the Underwriters to purchase the Units are subject to approval of certain legal matters by counsel to the underwriters and other customary conditions. The Partnership has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

Net proceeds from the offering, including the general partner s proportionate capital contribution, are expected to be used by the Partnership for general partnership purposes, including potential future acquisitions and growth capital expenditures. Pending the use of the proceeds for other purposes, the partnership intends to apply some or all of the net proceeds to reduce outstanding borrowings under its revolving credit facility.

Item 9.01 Financial Statements and Exhibits.

(d) Exhibits.
