**Item 1. Security and Issuer**

This statement on Schedule 13D (this Statement) relates to the common stock, par value \$0.01 per share (the Common Shares), of Clariant, Inc., a Delaware corporation (Clariant). The principal executive office of Clariant is located at 31 Columbia, Aliso Viejo, California 92656-1460.

**Item 2. Identity and Background**

The name of the persons filing this Statement are (i) General Electric Company, a New York corporation (General Electric) and (ii) Crane Merger Sub, Inc., a Delaware corporation and indirect, wholly-owned subsidiary of General Electric (Purchaser). General Electric and Purchaser are sometimes referred to collectively as the Reporting Persons, and each as a Reporting Person.

General Electric is one of the largest and most diversified technology, media, and financial services corporations in the world. With products and services ranging from aircraft engines, power generation, water processing, and household appliances to medical imaging, business and consumer financing, media content and industrial products, General Electric serves customers in more than 100 countries and employs approximately 300,000 people worldwide. General Electric's address is 1 River Road, Schenectady, NY 12345-6999; General Electric maintains its principal executive offices at 3135 Easton Turnpike, Fairfield, CT 06828-0001.

Purchaser is an indirect, wholly-owned subsidiary of General Electric formed solely for the purpose of engaging in the transactions contemplated by the Merger Agreement (as defined below) and has not engaged, and does not expect to engage, in any other business activities.

The name, citizenship, business address and present principal occupation or employment of each director and executive officer of General Electric and Purchaser are listed on Schedule A attached hereto and are incorporated herein by reference.

During the last five years, neither Reporting Person nor any person named on Schedule A attached hereto has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors).

During the last five years, neither Reporting Person nor any person named on Schedule A attached hereto has been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

**Item 3. Source and Amount of Funds or Other Consideration**

The information set forth or incorporated in Item 4 is incorporated herein by reference.

Each Reporting Person may be deemed to have acquired beneficial ownership of 51,939,926 Common Shares pursuant to the Support Agreements (as defined below) and certain irrevocable proxies to vote such Common Shares granted thereunder.

In connection with the Agreement and Plan of Merger, dated as of October 22, 2010 (the Merger Agreement), by and among General Electric, Purchaser and Clariant, which is attached hereto as Exhibit 99.1, and in consideration thereof, General Electric and Purchaser entered into Tender and Support Agreements, dated as of October 22, 2010 (collectively, the Support Agreements), with each of Safeguard Delaware, Inc. (Safeguard) and Oak Investment Partners XII, Limited Partnership (Oak) and, together with Safeguard, the Supporting Stockholders which are attached hereto as Exhibits 99.2 and 99.3, respectively. Neither General Electric nor Purchaser paid any additional consideration to the Supporting Stockholders in connection with the execution and delivery of the Support Agreements.

**Item 4. Purpose of Transaction**

Pursuant to the Merger Agreement, Purchaser will commence an offer to purchase (the Offer ) all of the outstanding Common Shares, and all of the outstanding shares of Clariant's Series A Convertible Preferred Stock, par value \$0.01 per share (the Preferred Shares, and together with the Common Shares, the Shares ), at a price per Common Share of \$5.00 (the Common Offer Price ) and a price per Preferred Share of \$20.00 (the Preferred Offer Price and, together with the Common Offer Price, the Merger Consideration ). Following consummation of the Offer in accordance with the Merger Agreement, Purchaser will be merged with and into Clariant (the Merger ), with Clariant surviving (the Surviving Corporation ) as an indirect, wholly-owned subsidiary of General Electric.

In connection with the Offer, the Supporting Stockholders, each in its capacity as a stockholder of Clariant, entered into the Support Agreements. Under the terms of the Support Agreements, each Supporting Stockholder has agreed, among other things, to (i) tender all of the Shares directly owned or thereafter acquired by such Supporting Stockholder into the Offer, (ii) vote such Shares in favor of the adoption of the Merger Agreement and the approval of the Merger and the other transactions contemplated by the Merger Agreement, and against any competing transaction or any other action, proposal or agreement that would reasonably be expected to interfere with or delay the consummation of the transactions contemplated by the Merger Agreement, (iii) appoint the Reporting Persons as such Supporting Stockholder's proxy to vote such Shares in connection with the Merger Agreement and (iv) not transfer such Shares or enter into any other arrangements inconsistent with the Support Agreements. Each Supporting Stockholder has also agreed to pay General Electric twenty-five percent (25%) of the excess of (i) any proceeds per Share that such Supporting Stockholder receives from the sale of Shares in connection with an Acquisition Proposal (including a Superior Proposal) (as such terms are defined in the Merger Agreement) over (ii) the Merger Consideration for such Shares, if an agreement for such Acquisition Proposal (including a Superior Proposal) is entered into or completed, within six months of the termination of the Merger Agreement under circumstances which result in Clariant being obligated to pay a breakup fee to General Electric.

The Support Agreements will terminate upon the earliest to occur of (a) the effective time of the Merger, (b) the termination of the Merger Agreement in accordance with its terms and (c) any amendment or other modification of the Merger Agreement that reduces the amount of the Common Offer Price, the Merger Consideration or, solely with regard to the Support Agreement with Oak, the Preferred Offer Price.

After Purchaser accepts for payment Shares tendered and not properly withdrawn pursuant to the Offer and the Merger Agreement and subject to certain conditions, General Electric will be entitled to elect or designate such number of directors, rounded up to the next whole number, on the board of directors of Clariant (the Clariant Board ) as is equal to the product of the total number of directors on the Clariant Board (giving effect to the directors elected or designated by General Electric) multiplied by the percentage that the aggregate number of Common Shares beneficially owned by General Electric, Purchaser or any of their respective affiliates bears to the total number of Common Shares then outstanding. Clariant will likewise be required to take all actions that are necessary or desirable to enable General Electric's designees to be so elected or designated to the Clariant Board, including but not limited to promptly filling vacancies or newly created directorships on the Clariant Board, promptly increasing the size of the Clariant Board (including by amending the bylaws of Clariant if necessary to increase the size of the Clariant Board) or promptly securing the resignations of such number of its incumbent directors.

Upon the consummation of the Merger, (i) the directors of Purchaser immediately prior to the effective time of the Merger will be the directors of the Surviving Corporation until the next annual meeting of shareholders of the Surviving Corporation (or their earlier resignation or removal) or until their respective successors are duly elected and qualified, as the case may be, (ii) the officers of Clariant immediately prior to the effective time of the Merger shall be the officers of the Surviving Corporation until the earlier of their resignation or removal or until their respective successors are duly appointed and qualified, as the case may be, and (iii) the bylaws of Purchaser immediately prior to the effective time of the Merger will become the bylaws of the Surviving Corporation.

If the Merger is consummated as planned, the Common Shares will be deregistered under the Securities Exchange Act of 1934, as amended, and delisted from the NASDAQ Capital Market. The Common Shares may, however, be delisted from the NASDAQ Capital Market earlier following completion of the Offer.

References to, and descriptions of, the Offer, the Merger, the Merger Agreement and the Support Agreements as set forth herein are qualified in their entirety by reference to the copy of the Merger Agreement and the Support Agreements included as Exhibits 99.1, 99.2 and 99.3, respectively, to this Statement, and such agreements are incorporated by reference herein in their entirety where such references and descriptions appear.

**Item 5. Interest in Securities of the Issuer**

(a) - (b) Neither General Electric nor Purchaser directly owns any Shares. However, as described in Item 4 of this Statement, as a result of the Support Agreements, General Electric and Purchaser may be deemed to be the beneficial owner of 51,939,926 Common Shares. Subject to the terms and conditions of the Support Agreements, and based on the share holdings of the parties to the Support Agreements as of October 19, 2010, the Reporting Persons are entitled to cast a total of 51,210,759, or 46.69%, of the total votes that may be cast by Clariant stockholders as of such date (based on 88,635,606 Common Shares and 5,263,158 Preferred Shares, which Preferred Shares have voting power equivalent to 21,052,632 Common Shares, outstanding as of October 19, 2010). In the event that the 729,167 Common Shares issuable upon the exercise of warrants held by Safeguard are issued upon the conversion of such warrants, the Reporting Persons would be entitled to cast a total of 51,939,926, or 47.04%, of the total votes that may be cast by Clariant stockholders as of such time (assuming 89,364,773 Common Shares and 5,263,158 Preferred Shares, which Preferred Shares have voting power equivalent to 21,052,632 Common Shares, outstanding as of such time).

The Reporting Persons do not have sole voting or sole dispositive power with respect to any of such Common Shares, but may be deemed to have shared voting and shared dispositive power with respect to all such Common Shares. The Reporting Persons may be deemed to share with the Supporting Stockholders the power to vote such Common Shares solely with respect to those matters described in Item 4 of this Statement and in the Support Agreements, which are incorporated herein by reference. The Reporting Persons also may be deemed to share with the Supporting Stockholders the power to dispose of such Common Shares solely to the extent provided for in the Support Agreements, as more fully described in Item 4 of this Statement and in the Support Agreements, which are incorporated herein by reference.

Except as described in this Statement, neither Reporting Person nor any person listed on Schedule A hereto has an equity or other ownership interest in Clariant.

(c) As described in Items 3 and 4 of this Statement, General Electric and Purchaser have entered into the Support Agreements and the Merger Agreement within the last 60 days. Neither Reporting Person nor any person listed on Schedule A hereto has effected any other transaction in the Common Shares during the past 60 days.

(d) To the knowledge of the Reporting Persons, no person, other than the Supporting Stockholders, has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, the Common Shares covered by this Statement.

(e) Not applicable.

**Item 6. Contracts, Arrangements, Understandings or Relationships with Respect to Securities of the Issuer**

Except as set forth in Item 4 of this Statement, neither Reporting Person nor any person listed on Schedule A hereto has any contracts, arrangements, understandings or relationships with respect to any securities of Clariant (including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies).
