### Third Quarter Financial Results

Net sales increased 1% during the third quarter of fiscal year 2011 to \$678.0 million compared to net sales of \$669.8 million during the third quarter of fiscal year 2010. U.S. net sales were flat at \$412.4 million during the third quarter, while Europe net sales decreased 4% to \$173.0 million and International (primarily Canada, South America, Mexico and the Pacific Rim) net sales increased 21% to \$92.6 million.

Reported operating income during the third quarter of fiscal year 2011 was \$94.9 million compared to operating income of \$100.1 million during the third quarter of fiscal year 2010.

Reported net loss during the third quarter of fiscal year 2011 was \$11.6 million compared to a net loss of \$3.1 million during the third quarter of fiscal year 2010.

Interest expense during the third quarter totaled \$124.0 million compared to \$128.0 million during the third quarter of fiscal year 2010, principally due to lower interest rates on floating rate debt.

Reported cash flow from operations during the third quarter totaled \$151.8 million.

Reported gross debt was \$5.985 billion.

The following table provides third quarter net sales performance by product segment:

### Third Quarter Net Sales Performance

	Worldwide Reported Quarter 3 - FY 2011	Worldwide Reported Growth %	United States Growth %

Reconstructive sales increased 1% worldwide during the third quarter of fiscal year 2011 and decreased 1% in the United States. Knee sales decreased 2% worldwide during the third quarter and decreased 5% in the U.S. Hip sales were flat worldwide during the third quarter and were flat in the U.S.

Extremity sales increased 18% worldwide during the quarter, with 25% growth in the U.S. The Comprehensive® Primary and Reverse Shoulder Systems continued to drive strong growth for the extremity product category during the third quarter.

Dental sales increased 5% worldwide and increased at a rate of 4% in the U.S. during the third quarter. The Biomet 3i dental business is benefiting from new product and technology introductions and a market that appears to be showing some signs of recovery.

Fixation sales decreased 1% worldwide during the third quarter and decreased 2% in the U.S. During the third quarter, increased craniomaxillofacial fixation sales were offset by decreased sales of external fixation and electrical stimulation devices, while internal fixation sales were flat.

Spine sales increased 1% worldwide during the third quarter and decreased 1% in the U.S. Sales growth of spine hardware and orthobiologics was impacted by decreased sales of spinal stimulation devices during the third quarter.

Sales of other products increased 13% worldwide during the third quarter and increased 11% in the U.S. Sports medicine sales grew 20% worldwide and increased 16% in the U.S. during the quarter, while sales of softgoods and bracing products decreased. Strong demand for procedure-specific devices, including the Juggernaut Soft Anchor, the ToggleLoc Femoral Fixation Device with ZipLoop Technology and the Maxfire MarXmen Meniscal Repair Device continued to fuel sports medicine sales growth during the third quarter.

### **Reclassifications**

Certain prior period amounts have been reclassified to conform to the current presentation. Such reclassifications were limited to net sales information by product and geographical category. Specifically, for the three and nine months ended February 28, 2010, the Company reclassified \$4.8 million and \$16.4 million from Other product net sales to Reconstructive product net sales, respectively, and \$1.0 million and \$3.3 million from Spine product net sales to Fixation product net sales, respectively. For the three and nine months ended February 28, 2010, the Company also reclassified \$0.9 million and \$3.1 million from Europe net sales to International net sales, respectively. The current presentation aligns with how the Company presently manages and markets its products.

### **Financial Schedule Presentation**

The Company's unaudited condensed consolidated financial statements as of and for the three and nine months ended February 28, 2011 and 2010 and other financial data included in this press release have been prepared in a manner that complies, in all material respects, with generally accepted accounting principles in the United States and reflects purchase accounting adjustments related to the Merger referenced below.
