Item 1.01 Entry into a Material Definitive Agreement.

Saba Software, Inc., a Delaware corporation (the *Company*), entered into an Amended and Restated Credit Agreement (the *Agreement*), dated as of June 27, 2011, with Wells Fargo Bank, National Association (the *Bank*). The Agreement, which supersedes the Company's prior credit facility with the Bank, increases the available revolving credit limit to \$40 million and extends the term of the line of credit to June 27, 2016. To date, no amounts have been borrowed under the line of credit.

The line of credit is secured by all of the Company's personal property other than its intellectual property. The line of credit also is guaranteed by, and secured by the assets of, the Company's material domestic subsidiaries. The Agreement includes certain covenants with which the Company must comply during the term of the Agreement, including a minimum EBITDA covenant that applies only if liquidity drops below \$15 million. The Agreement also includes certain customary negative covenants.

The Agreement contains usual and customary events of default (subject to certain threshold amounts and grace periods). If an event of default occurs and is continuing, the Company may be required to repay the obligations under the line of credit prior to the stated maturity date, the Company's ability to continue to borrow under the Agreement may terminate, and the Bank may be able to foreclose on any or all collateral provided by the Company or the Company's subsidiaries.

A copy of the Agreement is attached hereto as Exhibit 10.1 and the foregoing description of the Agreement is qualified in its entirety by reference to Exhibit 10.1.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is hereby incorporated into this Item 2.03 by reference.
