Item 1.01 Entry into a Material Definitive Agreement.

On December 16, 2011, The Active Network, Inc., a Delaware corporation (*Active*), entered into a Credit Agreement (the *New Credit Agreement*) with Bank of America, N.A., as Administrative Agent, Swing Line Lender and L/C Issuer, Merrill Lynch, Pierce, Fenner & Smith Incorporated, as Sole Lead Arranger and Sole Book Manager, and the lenders from time to time party thereto. In connection with the New Credit Agreement, all of the indebtedness outstanding under Active's existing Loan and Security Agreement, dated October 30, 2008, as amended, with Square 1 Bank (the *Square 1 Loan Agreement*) was repaid and the Square 1 Loan Agreement was terminated.

The New Credit Agreement provides for a five-year, senior secured revolving credit facility in an initial aggregate principal amount of \$50 million (the *Credit Facility*). The Credit Facility includes a \$15 million sublimit for the issuance of standby letters of credit and a \$5 million sublimit for swing line loans, which will be available on a same-day basis. The Credit Facility also includes an accordion feature which allows Active, subject to certain terms and conditions, to increase the lending commitments by up to \$25 million. The proceeds of the Credit Facility are expected to be used, together with cash on hand, to refinance existing indebtedness, for capital expenditures and acquisitions, and to provide generally for ongoing working capital requirements and other corporate purposes.

To secure its borrowings under the Credit Facility, Active entered into customary pledge and security agreements with the lenders. In addition, all of Active's obligations under the Credit Facility are guaranteed by Active's material existing and future domestic subsidiaries.

Subject to certain limited exceptions, the applicable interest rate under the Credit Facility is calculated at a per annum rate equal to (a) 1.5% above the applicable LIBOR rate, or (b) 0.5% above (i) the greatest of (x) the prime rate, (y) the federal funds effective rate plus 0.5% or (z) a daily rate equal to one-month LIBOR plus 1.00%. The unused portion of the Credit Facility will also be subject to an unused fee that will be calculated at a per annum rate of 0.25%.

The New Credit Agreement requires Active to comply with certain financial covenants and ratios, including a quarterly consolidated leverage ratio of consolidated funded indebtedness to EBITDA of not more than 2.5 to 1.0, decreasing to 1.5 to 1.0 over time, and a quarterly consolidated fixed charge coverage ratio of not less than 1.5 to 1.0. The New Credit Agreement also contains customary representations and warranties, affirmative and negative covenants, and conditions to borrowing. The affirmative and negative covenants restrict, among other things, the ability of Active and its subsidiaries to create certain liens, incur certain indebtedness and guarantees, make certain investments or acquisitions, merge or consolidate, dispose of assets, pay dividends, repurchase or redeem capital stock, change the nature of their businesses, and enter into certain transactions with affiliates.

The Credit Facility has a maturity date of December 16, 2016, but the outstanding amounts may be prepaid at any time without penalty or premium (except for certain customary break funding payments in connection with LIBOR loans). Payment of the amounts owed under the Credit Facility may be accelerated, and the lenders' commitments under the New Credit Agreement may be terminated, upon an event of default, as defined in the New Credit Agreement, such as failure to pay amounts owed when due, breach of a covenant, material inaccuracy of a representation or occurrence of bankruptcy, subject in some cases to cure periods.

Certain of the lenders and the agents (and their respective subsidiaries or affiliates) under the New Credit Agreement have in the past provided, and may in the future provide, investment banking, underwriting, lending, commercial banking, trust and other advisory services to Active or its subsidiaries. These parties have received, and may in the future receive, customary compensation from Active or its subsidiaries for such services.

The foregoing description of the Credit Facility is not intended to be complete and is qualified in its entirety by reference to the full text of the New Credit Agreement, the Security Agreement and the Pledge Agreement, copies of which are attached hereto as Exhibit 10.33, 10.34 and 10.35, respectively, and which are incorporated herein by reference.

Item 1.02 Termination of a Material Definitive Agreement.

On December 16, 2011, in connection with its entry into the New Credit Agreement as disclosed in Item 1.01 of this Current Report on Form 8-K, Active terminated the Square 1 Loan Agreement. There were no material early termination penalties incurred as a result of the termination of the Square 1 Loan Agreement.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

The disclosure provided in Item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.
