Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

As previously announced, on December 20, 2011, PS Business Parks, L.P., an affiliate of PS Business Parks, Inc., completed the acquisition of a portfolio of 26 industrial properties located in the San Francisco Bay area for an aggregate purchase price of \$520.0 million. The properties were acquired from RREEF America Reit II Corp. M3 California and an affiliate, Northern California Industrial Portfolio, Inc. The portfolio consists primarily of warehouse properties, together with light industrial and flex/office space totaling approximately 5.3 million square feet and was 82.2% occupied at December 20, 2011. A copy of the purchase agreement is attached as Exhibit 10.1 and is incorporated by reference into this report.

In connection with the transaction, PS Business Parks, L.P. assumed \$250.0 million of existing secured indebtedness, originally provided by La Salle Bank N.A. The existing secured indebtedness bears interest at 5.45% and matures December 2016. A copy of the La Salle Bank credit agreement is attached as Exhibit 10.2 and is incorporated by reference into this report.

The company funded the remainder of the purchase price with borrowings under a new \$250.0 million three-year term loan, described below, and its existing revolving credit agreement, as well as cash on hand.

As discussed above, in connection with the acquisition, PS Business Parks, L.P. entered into a Credit Agreement dated as of December 20, 2011 with Wells Fargo Bank, National Association, as Administrative Agent and the lenders named therein (the Term Loan Agreement). Pursuant to the Term Loan Agreement, PS Business Parks, L.P. borrowed \$250 million for a three year term. Interest on the amounts borrowed under the Term Loan Agreement will accrue based on applicable LIBOR for a term selected from time to time by the company, plus a spread determined based on the company's then-current credit ratings, which spread is currently 1.2%. PS Business Parks, Inc. guaranteed the payment obligations of the Partnership under the Term Loan Agreement. The covenants and events of default contained in the PS Business Parks, L.P. existing revolving credit agreement, as amended as described below, are incorporated into the Term Loan Agreement by reference, and the Term Loan Agreement is cross-defaulted to the existing revolving credit agreement. A copy of the Term Loan Agreement is attached as Exhibit 10.3 and is incorporated by reference into this report.

In addition, on December 20, 2011, PS Business Parks, L.P., entered into the Seventh Modification Agreement (the Amendment) to its Amended and Restated Revolving Credit Agreement dated October 29, 2002 (the Credit Agreement) by and between Wells Fargo Bank, National Association as administrative agent and the lenders named therein. The Amendment (1) conforms a number of provisions in the Credit Agreement to the terms in the Term Loan Agreement, (2) simplifies the process to add new properties to the Unencumbered Asset Pool for purposes of the Credit Agreement and (3) provides that an Event of Default under the Term Loan Agreement is an Event of Default under the Credit Agreement. A copy of the Amendment is attached as Exhibit 10.4 and is incorporated by reference into this report.
