Notes:

- 1 The above summary of consolidated unaudited financial results were taken on record by the Board of Directors at its meeting held on 25 January 2012.
- 2 On 12 May 2011, the Company was acquired by iGATE Corporation (iGATE) through two of its wholly-owned subsidiaries, Pan-Asia iGATE Solutions, (iGATE Mauritius), and iGATE Global Solutions Limited (iGS and, together with iGATE Mauritius, the Purchasers). The acquisition involved acquiring 60.1 million shares or 45.0% of the outstanding share capital from the promoters of the Company and 22.9 million shares (inclusive of the American Depository Shares representing 20.2 million shares) or 17.1% of the outstanding share capital of the Company from General Atlantic Mauritius Limited. Further in accordance with the requirements of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeover) Regulations, 1997, as amended, and a tender offer pursuant to the U.S. Securities Exchange Act of 1934, as amended, and the rules and regulations of the U.S. Securities and Exchange Commission, the Purchasers also acquired an additional 27.1 million shares or 20.3% of the outstanding shares of the Company through a mandatory open public offer made on 8 April 2011 to the other shareholders of the Company. As of 31 December 2011, iGATE Corporation holds 81.86% of outstanding shares.
- 3 For convenience, the Company has used a cut-off date of 15 May 2011 as the acquisition date since the transactions from 13 May 2011 and 14 May 2011 were insignificant. FASB ASC 805-50-S99 Business Combinations-Related issues governs the application of push down accounting in situations where ownership is increased to 80% or more. As on the acquisition date the Purchasers owned 82.40% of the outstanding shares of the Company. As a result of the significant change in share ownership, the post 15 May 2011 Consolidated Financial Statements reflect the new basis of accounting as required by the authoritative guidance under ASC 805-50-S99, and have applied the SEC rules and guidance regarding push down accounting treatment. Accordingly, the Company's Consolidated Financial Statements prior to the acquisition by iGATE reflect the historical accounting basis in its assets and liabilities and are labeled Predecessor Company, while such Consolidated Financial Statements subsequent to the acquisition by iGATE are labeled Successor Company and reflect the push down basis of accounting for the fair values of assets and liabilities acquired by iGATE. This effect is presented in the Company's Consolidated Financial Statements by a vertical black line division between the columns entitled Predecessor Company and Successor Company on the statements. The black line signifies that the amounts shown for the periods prior to and subsequent to the iGATE acquisition are not comparable.

The acquisition has been accounted for under the acquisition method of accounting in accordance with ASC 805, Business Combination . The total purchase price and noncontrolling interest in connection with the transaction has been allocated to the Company's net tangible and intangible assets based on the values at the date of acquisition. The excess purchase price beyond amounts allocated to net tangible and intangible assets has been recorded as Goodwill. The Company does not expect the Goodwill recognized to be deductible for income tax purposes.

- 4 As a result of acquisition of the Company, the management terminated the services of certain employees. The Company incurred \$71 and \$62 of severance costs included in Selling and Administrative expenses in the period 1 January 2011 through 15 May 2011 and 16 May 2011 through 31 December 2011, respectively.
- 5 On 16 November 2011, the Company informed that it was seeking the consent of its Members to a delisting proposal received from Pan-Asia iGATE Solutions and iGATE Global Solutions Limited, a part of the Promoter Group of the Company, to voluntarily delist the equity shares of the Company from the National Stock Exchange of India Limited (NSE) and the Bombay Stock Exchange Limited (BSE) where the equity shares of the Company are presently listed and the American Depository Shares (ADSs) of the Company from the New York Stock Exchange (NYSE), where the ADSs of the Company are presently listed, by way of postal ballot pursuant to the provisions of Section 192A (2) of the Companies Act, 1956 read with the Companies (Passing of the Resolutions by Postal Ballot) Rules, 2011.

The Postal Ballot closed at 1700 hours IST on 6 January 2012 and the Special Resolution contained in the Postal Ballot Notice dated 5 December 2011 was duly passed by the requisite majority as required under Section 189(2) of the Companies Act, 1956, Regulation 8(1) (b) of the Securities and Exchange Board of India (SEBI) (Delisting of Equity Shares) Regulations, 2009 (Delisting Regulations) as well as the applicable rules of the NYSE and the U.S. Securities and Exchange Commission (SEC) and the U. S. Securities Exchange Act of 1934, all as amended from time to time.

The delisting offer (the Delisting Offer) involves a price discovery mechanism, which is known in India as a Reverse Book Building Process. The offer price (the Offer Price) (i.e., the price at which the Shares of the Public Shareholders are to be purchased pursuant to the Delisting Offer) is determined after establishment of a statutorily prescribed floor price, which is determined in accordance with Delisting Regulations. Accordingly, the floor price for the Delisting Offer of 356.74 per share was determined.

The NSE gave an in-principle approval of the delisting proposal on 13 January 2012 and the BSE gave its in-principle approval on 19 January 2012; subject to certain terms and conditions being fulfilled. The Company is awaiting approvals from other authorities including the RBI and SEC. Once all approvals are in place, a public announcement will be made in accordance with the Delisting Regulations.

Edgar Filing: Patni Computer Systems LTD - Form 6-K

The entire process including payment of consideration to the shareholders who have validly tendered shares would take up to 30 days while the actual delisting from the exchanges would take up to 60 days, from the date of the public announcement.

- 6 Certain reclassifications of the prior period amounts and presentation have been made to conform to the presentation adopted for the current period in line with iGATE's presentation in financial statements.
- Depreciation and amortization expense is reclassified from cost of revenues and selling, general and administrative expenses, respectively, and disclosed separately on the face of the Statement of Income.

On May 12, 2011, approximately 82.4% of our shares were acquired by iGATE Corporation. For convenience, we have used a cut-off date of May 15, 2011 as the transactions from May 13, 2011 and May 14, 2011 were insignificant. The post May 15, 2011 consolidated financial statements reflect the new basis of accounting as required by the authoritative guidance under ASC 805-50-S99-1, and have applied the SEC rules and guidance regarding push down accounting treatment. Accordingly, our consolidated financial statements prior to the acquisition by iGATE Corporation reflect the historical accounting basis in our assets and liabilities and are labeled Predecessor Company, while such consolidated financial statements subsequent to the acquisition by iGATE Corporation are labeled Successor Company and reflect the push down basis of accounting for the fair values of assets and liabilities acquired by iGATE Corporation. The results for the three months ended December 31, 2011 may not be comparable to the results for the three months ended December 31, 2010 as a result of the push down accounting treatment.
