ITEM 8.01 OTHER EVENTS.

On February 2, 2012, News Corporation (the Company) announced that it has agreed to support 300 million of financing measures that are being initiated by Sky Deutschland AG (Sky Deutschland). The Company currently holds 49.9 percent of Sky Deutschland.

The financing measures will be raised in a two-step process. By the end of March 2012, a minimum of 100 million will be raised through any or a combination of the following measures: a rights offering; a private placement, with a maximum of up to 10 percent of registered shares limited to Sky Deutschland investors; and/ or a loan provided by the Company, which if chosen, will be at a 14 percent coupon payable in kind and will have a maturity of two years. The remaining funds to reach an aggregate of 300 million are expected to be raised by Sky Deutschland by the end of September 2012 and are planned through any or a combination of the measures mentioned above and/or a convertible bond underlying Sky Deutschland shares. In the event that a convertible bond is issued, the aggregate funding amount will be increased by the amount of interest payable on the bond from the date of issue until December 31, 2013.

The financing measures, which are backstopped by the Company, are structured such that the Company's current 49.9 percent shareholding in Sky Deutschland will not increase unless the Company elects to do so.

The Company's backstop commitment is subject to certain customary conditions such as the absence of a material adverse change in Sky Deutschland's business. The financing measures are expected to be completed by no later than September 30, 2012.

A copy of the Company's press release is attached hereto as Exhibit 99.1 and incorporated herein by reference.
