ENCORE WIRE CORPORATION

We are a low-cost manufacturer of electrical building wire and cable. We are a significant supplier of building wire for interior electrical wiring in commercial and industrial buildings, homes, apartments, and manufactured housing.

Our principal customers for our wire are wholesale electrical distributors, who sell building wire and a variety of other products to electrical contractors. We sell our products primarily through independent manufacturers' representatives located throughout the United States and, to a lesser extent, through our own direct in-house marketing efforts.

Our strategy is to further expand our share of the markets for building wire primarily by emphasizing a high level of customer service and low-cost production and the addition of new products that complement our current product line. We maintain product inventory levels sufficient to meet anticipated customer demand and believe that the speed and completeness with which we fill customer orders are key competitive advantages critical to marketing its products. Our low-cost production capability features an efficient plant design incorporating highly automated manufacturing equipment, an integrated production process and an incentivized work force.

Encore Wire Corporation is a Delaware corporation with its principal executive offices located at 1329 Millwood Road, McKinney, Texas 75069, telephone number (972) 562-9473.

USE OF PROCEEDS

We will not receive any proceeds from any sales of shares of our common stock from time to time by any selling stockholder named in this prospectus or in a prospectus supplement. The proceeds from the offering are solely for the account of the selling stockholders.

SELLING STOCKHOLDERS

Up to 4,086,750 shares of our common stock are being offered by this prospectus, all of which are being offered for resale for the account of the selling stockholders. The selling stockholders may, from time to time, offer and sell pursuant to this prospectus any or all of the shares of our common stock being registered, subject to the terms and conditions of a registration rights agreement described in *Material Relationships with the Selling Stockholders* Registration Rights Agreement. Subject to the restrictions on resale set forth in the registration rights agreement, we do not know when or in what amounts the selling stockholders may offer shares for sale. When we refer to the *selling stockholders* in this prospectus, we mean those persons specifically identified in the table below.

The table below sets forth the name of each selling stockholder and the number of shares of our common stock that each selling stockholder may offer pursuant to this prospectus, from time to time, as of March 7, 2012. William R. Thomas III and John H. Wilson are members of our board of directors and are affiliated with the selling stockholders. Mr. Thomas is an officer of Capital Southwest Corporation and has been employed by Capital Southwest Corporation since July 2006. Mr. Thomas also owns greater than 5% of the equity securities of Capital Southwest Corporation. Mr. Wilson has served as a director of Capital Southwest Corporation since 1988. Capital Southwest Venture Corporation is a wholly-owned subsidiary of Capital Southwest Corporation. For more information on material relationships between the selling stockholders and us, see *Material Relationships with the Selling Stockholders*. The information presented regarding the selling stockholders is based, in part, upon information provided to us by the selling stockholders.

The following table has been prepared assuming that the selling stockholders sell all of the shares of our common stock beneficially owned by them that have been registered by us. We cannot advise you as to whether the selling stockholders will in fact sell any or all of their shares of our common stock. In addition, information about the selling stockholders may change over time. The selling stockholders may have sold or transferred, in transactions exempt from the registration requirements of the Securities Act, some or all of their shares since the date on which the information in the table is presented. Any changed or new information given to us by the selling security holders will be set forth in supplements to this prospectus or amendments to the registration statement of which this prospectus is a part, if and when necessary.

Beneficial ownership is determined in accordance with the rules of the United States Securities and Exchange Commission, or the Commission, and generally includes voting or investment power over securities. To our knowledge, both selling stockholders named in the table below have sole voting and investment power with respect to their shares of common stock. The percentage of beneficial ownership set forth in the table below is based on 23,427,802 shares of common stock outstanding as of March 7, 2012.

Selling Stockholder	Beneficial Ownership Prior to Resale Offering		Shares Offered Pursuant to this Prospectus (Maximum Number That May Be Sold) Shares of Common Stock (2)	Beneficial Ownership After Resale Offering (1) Shares of Common Stock	
	Shares of Common Stock (2)	Percentage of Common Stock		Common Stock	Percentage of Common Stock
Capital Southwest Corporation	1,312,500	5.6%	1,312,500		
Capital Southwest Venture Corporation	2,774,250	11.8%	2,774,250		

- (1) Because the selling stockholders are not obligated to sell all or any portion of the shares of our common stock shown as offered by them, we cannot estimate the actual number of shares (or actual percentage of the class) of our common stock that will be held by any selling stockholder upon completion of this resale offering.
- (2) This registration statement shall also cover any additional shares of common stock that become issuable in connection with the shares registered for sale in this prospectus because of any stock dividend, stock split, recapitalization or other similar transaction effected without the receipt of consideration, which results in an increase in the number of the registrant's outstanding shares of common stock.

PLAN OF DISTRIBUTION

We are registering the common stock covered by this prospectus to permit the selling stockholders to conduct public secondary trading of such common stock from time to time after the date of this prospectus, pursuant to the terms and conditions of a registration rights agreement described in Material Relationships with the Selling Stockholders Registration Rights Agreement. We will not receive any proceeds from the sale of shares of our common stock from time to time by either selling stockholder pursuant to this prospectus. The aggregate proceeds received by the selling stockholders from the sale of the common stock will be the purchase price of the common stock less any discounts and commissions.

The selling stockholders may sell their shares of common stock directly to purchasers or through broker-dealers or agents. Under the terms and conditions of the registration rights agreement, we are under no obligation to engage an underwriter to offer or sell the shares of common stock registered under this registration statement. Further, in certain circumstances, the selling stockholders are subject to the resale restrictions contained in the registration rights agreement, as described in Material Relationships with the Selling Stockholders Registration Rights Agreement.

If the selling stockholders engage dealers in the sale of shares, the selling stockholders will sell the shares to the dealers as principals. The dealers may then resell such shares to the public at varying prices to be determined by the dealers at the time of resale. The selling stockholders may also sell shares through agents designated by them from time to time. These agents will be acting on a best efforts basis to solicit purchases for the period of their appointment. The selling stockholders may sell any of their shares directly to purchasers. In this case, the selling stockholders may not engage agents in the offer and sale of these shares.

The shares of common stock may be sold in one or more transactions at fixed prices, at prevailing market prices at the time of sale, at varying prices determined at the time of sale, or at negotiated prices. Sales may be effected in transactions, which may involve block transactions or crosses:

on any national securities exchange or quotation service on which the shares may be listed or quoted at the time of sale;

in the over-the-counter market;

in transactions other than on exchanges or quotation services or in the over-the-counter market;

through the exercise of purchased or written options; or

through any other method permitted under applicable law.

In connection with sales of their common stock or otherwise, the selling stockholders may enter into hedging transactions with broker-dealers, which may in turn engage in short sales of our common stock in the course of hedging the positions they assume. The selling stockholders may also sell short our common stock and deliver their shares to close out short positions, or loan or pledge their shares to broker-dealers who in turn may sell the shares. The aggregate proceeds to the selling stockholders from the sale of shares offered by them will be the purchase price of the shares less discounts and commissions, if any.

The selling stockholders reserve the right to accept and, together with their agents from time to time, to reject, in whole or in part, any proposed purchase of shares to be made directly or through agents. In order to comply with the securities laws of some states, if applicable, the shares may be sold in these jurisdictions only through registered or licensed brokers or dealers. The selling stockholders and any broker-dealers or agents that participate in the sale of the shares may be underwriters within the meaning of Section 2(11) of the Securities Act. Any discounts, commissions, concessions or profit they earn on any resale of the shares may be underwriting discounts and commissions under the Securities Act. Any selling stockholder who is an underwriter within the meaning of Section 2(11) of the Securities Act will be subject to the prospectus delivery requirements of the Securities Act.

We are not aware of any plans, arrangements or understandings between either of the selling stockholders and any underwriter, broker-dealer or agent regarding the sale of shares by the selling stockholders. We do not assure you that the selling stockholders will sell any or all of the shares offered by them pursuant to this prospectus supplement. In addition, we do not assure you that the selling stockholders will not transfer, devise or gift shares by other means not described in this prospectus supplement. Moreover, any shares of common stock covered by this prospectus that qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than this prospectus.

MATERIAL RELATIONSHIPS WITH THE SELLING STOCKHOLDERS

William R. Thomas III and John H. Wilson are members of our board of directors and are affiliated with the selling stockholders. Mr. Thomas is an officer of Capital Southwest Corporation and has been employed by Capital Southwest Corporation since July 2006. Mr. Thomas also owns greater than 5% of the equity securities of Capital Southwest Corporation. Mr. Wilson has served as a director of Capital Southwest Corporation since 1988. Capital Southwest Venture Corporation is a wholly-owned subsidiary of Capital Southwest Corporation.

Registration Rights Agreement

On February 29, 2012, we entered into a registration rights agreement with the selling stockholders, pursuant to which we agreed to register the offer and sale of 4,086,750 shares of common stock held by the selling stockholders on a registration statement on Form S-3. In exchange for registration of the offer and sale of such shares, the selling stockholders agreed to reimburse us for all costs, fees and expenses incurred by us in connection with such registration, unless the registration statement does not become effective solely due to our actions or omissions and without fault of the selling stockholders. The disinterested members of our board of directors approved us entering into the registration rights agreement.

Under the terms and conditions of the registration rights agreement, we are under no obligation to engage an underwriter to offer or sell the shares of common stock registered under the registration statement or make any public disclosure prior to the date when such information would otherwise be required to be filed with the Commission under the Securities Exchange Act of 1934, as amended.

Notwithstanding the registration of the shares held by the selling stockholders, the selling stockholders agreed that for so long as an employee of Capital Southwest Corporation serves as a member of our board of directors, the selling stockholders will not effect any disposition of the shares registered by the registration statement while the selling stockholders are in possession of material, non-public information concerning us or during the period beginning on the last business day of each of our fiscal quarters and ending at 9:00 a.m. Dallas time on the third full business day following the public release of our earnings results for such quarter. In furtherance of these restrictions, the selling stockholders agreed to request pre-clearance of any disposition of the shares registered by the registration statement from our Chief Financial Officer at least two business days prior to the proposed disposition for the purpose of ensuring that the selling stockholders are not otherwise in possession of material, non-public information concerning us. We are also permitted to suspend the use, from time to time, of the prospectus that is part of the registration statement (and therefore suspend sales under the registration statement) in the event of certain corporate events affecting us for certain periods.

LEGAL MATTERS

Certain legal matters relating to this offering, including the validity of common stock offered hereby by us and by the selling stockholders will be passed upon for us by Thompson & Knight LLP.

All amounts except the Commission registration fee are estimated.

Securities and Exchange Commission Registration Fee	\$ 13,479
Accounting Fees and Expenses	10,000
Legal Fees and Expenses	50,000
Miscellaneous	5,000
Total	\$ 78,479

Item 15. Indemnification of Directors and Officers

Our certificate of incorporation, or the Certificate, provides that to the fullest extent permitted by applicable law, none of our directors shall be personally liable to us or our stockholders for monetary damages for breach of fiduciary duty as a director, except (i) for any breach of such director's duty of loyalty to us or our stockholders; (ii) for acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law; (iii) under Section 174 of the General Corporation Law of the State of Delaware; or (iv) for any transaction from which such director derived an improper benefit.

Our Third Amended and Restated Bylaws, or the Bylaws, provide that we will indemnify an officer or director who was or is a party, or is threatened to be made a party, to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative by reason of the fact that such person is or was one of our directors or officers or while one of our directors or officers is or was serving at our request as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding if such person acted in good faith and in a manner such person reasonably believed to be in or not opposed to the best interests of us, and with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. However, in the context of an action by or in the right of us, we will only indemnify an officer or director against expenses (including attorneys' fees) and will not indemnify an officer or director if such person has been adjudged liable for negligence or misconduct in the performance of such person's duty to us, unless and only to the extent that a court determines that in view of all circumstances of the case, such person is fairly and reasonably entitled to indemnity for expenses that the court deems proper.

If any of our directors or officers has been successful on the merits or otherwise in defense of any such action, suit or proceeding, or in defense of any such claim, issue or matter therein, the Bylaws require us to indemnify such person against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith. Any such indemnification may be made only as authorized in each specific case upon a determination by the disinterested directors, independent legal counsel or the stockholders that indemnification is proper because the indemnitee has met the applicable standard of conduct.

The Bylaws also provide that we will advance reasonable expenses, including court costs and attorneys' fees incurred by a person who was, or is, a witness or who was, or is, named as a defendant or respondent in any threatened, pending or completed action, claim, suit or proceeding, whether civil, criminal, administrative or investigative, any appeal in such action, suit or proceeding, and any inquiry or investigation that could lead to such an action, suit or proceeding, by reason of the fact that such individual is, or was, one of our directors or officers, or while one of our directors or officers, is or was serving at our request as a director, officer, partner, venturer, proprietor, trustee, employee, agent or similar functionary of another corporation, partnership, trust, employee benefit plan or other enterprise, upon our receipt of an undertaking by or on behalf of such officer or director to repay all such amounts paid or reimbursed by us if it should ultimately be determined that such person is not entitled to be indemnified by us. The rights of indemnification and to receive advancement of expenses as provided in the Bylaws shall not be deemed exclusive of any other rights to which the indemnified party may be entitled under the Certificate or any agreement, vote of stockholders or disinterested directors or otherwise.

The Bylaws and Section 145 of the General Corporation Code of the State of Delaware further authorize us to purchase and maintain insurance on behalf of any person who is or was one of our directors, officers, employees or agents, or is or was serving at our request as a director, officer, employee or agent of another corporation or enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not we would otherwise have the power to indemnify such person.

We have also entered into indemnification agreements with each of its directors and officers, each, an Indemnification Agreement. Under each Indemnification Agreement, we agreed to indemnify each director and officer who was, is or becomes involved in any threatened, pending, or completed action, suit, proceeding or alternative dispute resolution mechanism, or any hearing, inquiry or investigation that such director or officer in good faith believes might lead to the foregoing actions, of any nature, as a result of such person's service to us, against any and all expenses (including attorneys' fees) and all other costs, expenses and obligations incurred in connection with investigating, defending, being a witness in or participating in (including on appeal), or preparing to defend, or to be a witness in or to participate in connection with such action. Additionally, we agreed to advance any and all expenses actually incurred by such director or officer within ten days after we receive evidence of the incurrence of such expenses.

Item 16. Exhibits

The exhibits required by Item 601 of Regulation S-K, as set forth in the Index to Exhibits accompanying this registration statement on Form S-3 are hereby incorporated by reference herein.

Item 17. Undertakings

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act of 1933 to any purchaser:

(i) Each prospectus filed by the registrant pursuant to Rule 424(b)(3) shall be deemed to be part of this registration statement as of the date the filed prospectus was deemed part of and included in this registration statement; and

(ii) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B and relating to an offering made pursuant to Rule 415(a)(1)(i), (vii), or (x) for the purpose of providing the information required by section 10(a) of the Securities Act of 1933 shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of this registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof. *Provided, however,* that no statement made in a registration statement or prospectus that is part of this registration statement or made in a document incorporated or deemed incorporated by reference into this registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in this registration statement or prospectus that was part of this registration statement or made in any such document immediately prior to such effective date.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in this registration statement shall be deemed to be a new registration statement relating to the securities offered herein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer, or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer, or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
