PROXY STATEMENT

Annual Meeting of Stockholders

To Be Held April 26, 2012

INTERNET AVAILABILITY OF PROXY MATERIALS

American Axle & Manufacturing Holdings, Inc. (AAM or the Company) is providing proxy materials electronically via the Internet, instead of mailing printed copies of those materials to each stockholder. On March 16, 2012, we mailed to our stockholders (other than those who previously requested e-mail or paper delivery) a Notice of Availability of Proxy Materials containing instructions on how to access our proxy materials, including our proxy statement and 2011 Annual Report on Form 10-K. The Notice of Availability of Proxy Materials provides instructions on how you may submit your proxy over the Internet or by telephone.

This electronic delivery process is designed to expedite stockholder receipt of proxy materials, lower the cost of the Annual Meeting of Stockholders (annual meeting), and conserve natural resources. However, if you would prefer to receive printed proxy materials, please follow the instructions included in the Notice of Availability of Proxy Materials. If you have previously elected to receive our proxy materials electronically, you will continue to receive these materials by e-mail unless you elect otherwise. If you received a printed copy of proxy materials by mail and would like to view future proxy materials over the Internet, you can do so by accessing the Internet at www.envisionreports.com/AXL.

QUESTIONS AND ANSWERS ABOUT VOTING AND THE ANNUAL MEETING

Why am I receiving this proxy statement?

You received these proxy materials because you owned shares of AAM common stock on March 1, 2012 (record date). AAM's Board of Directors (Board) is soliciting your proxy to vote your shares at the annual meeting. By use of a proxy, you can vote whether or not you attend the meeting. This proxy statement includes information that we are required to provide to you and is designed to assist you in voting your shares.

Who is entitled to vote?

Holders of AAM common stock on the record date are entitled to one vote per share. You are a holder of record if your shares are held directly in your name with AAM's transfer agent, Computershare Trust Company, N.A. If your shares are held in the name of a broker, bank, trustee or other record holder, you are a street name holder. If you hold shares in more than one account, each notice, proxy and/or voting instruction card you receive that has a unique control number must be voted so that all your shares are voted.

How do I vote?

You may vote by any of the following methods:

In person attending the annual meeting and casting a ballot.

By mail using the proxy and/or voting instruction card provided.

By telephone or over the Internet following the instructions on your notice card, proxy and/or voting instruction card.

If you vote by telephone or over the Internet, have your notice card or proxy and/or voting instruction card available. The control number on your card is necessary to process your vote. A telephone or Internet vote authorizes the named proxies to vote in the same manner as if you marked, signed and returned the card by mail. If you hold shares in street name, refer to the voting instructions provided by your broker, bank, trustee or other record holder.

Table of Contents

How many shares may vote at the meeting?

As of March 1, 2012, we had 74,982,287 shares of common stock outstanding and entitled to vote. Under AAM's by-laws, a majority of these shares must be present in person or by proxy to hold the annual meeting and take any action during the meeting.

Can I change my vote?

You may change your vote at any time before the annual meeting by:

- revoking it by written notice to AAM's Secretary at the address on the cover of this proxy statement;
- voting in person at the annual meeting; or
- delivering a later-dated proxy vote by mail, telephone or over the Internet.

What are the Board's recommendations on how I should vote my shares?

The Board recommends that you vote your shares as follows:

Proposal 1 **FOR** the election of the four nominees with terms expiring at the 2015 annual meeting;

Proposal 2 **FOR** approval of AAM's 2012 Omnibus Incentive Plan;

Proposal 3 **FOR** approval, on an advisory basis, of the compensation of AAM's named executive officers as described in the Compensation Discussion and Analysis, tables and related narrative; and

Proposal 4 **FOR** ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for the year ending December 31, 2012.

What are my choices when voting?

Proposal 1 You may vote for or withhold your vote on one or more of the nominees.

Proposal 2 You may vote for or against the 2012 Omnibus Incentive Plan proposal or you may abstain from voting your shares;

Proposal 3 You may vote for or against the proposal to approve the compensation of our named executive officers, or you may abstain from voting your shares.

Proposal 4 You may vote for or against the proposal to ratify the appointment of the Company's independent registered public accounting firm, or you may abstain from voting your shares.

What vote is required to approve each proposal?

Proposal 1 A plurality of the votes cast to elect a director, which means that nominees with the most affirmative votes will be elected to fill the available seats.

Proposal 2 An affirmative vote of a majority of the shares voted in person or by proxy must be cast in favor of the proposal to approve the 2012 Omnibus Incentive Plan.

Proposal 3 An affirmative vote of a majority of the shares voted in person or by proxy must be cast in favor of the advisory vote to approve the compensation of AAM's named executive officers.

Proposal 4 An affirmative vote of a majority of the shares voted in person or by proxy must be cast in favor of the ratification of the appointment of the Company's independent registered public accounting firm.

Table of Contents

Proposals 3 and 4 are advisory votes only and, as discussed in more detail in each proposal, the voting results are not binding on AAM. However, with respect to proposal 3, the Board and the Compensation Committee will consider the outcome of the vote in making future determinations concerning the compensation of our named executive officers. With respect to proposal 4, the Audit Committee will consider whether the appointment of Deloitte & Touche LLP is in the best interests of the Company if the appointment is not ratified.

Who will count the votes?

Representatives of Computershare Trust Company, N.A., AAM's transfer agent, will count the votes and serve as our inspector of election. The inspector of election will attend the annual meeting.

What if I withhold my vote or abstain ?

Votes withheld and abstentions will be counted as present for purposes of determining whether a majority of shares is present to establish a quorum and hold the annual meeting. Abstentions will not be counted in the tally of votes for or against any proposal. A withheld vote has the same effect as an abstention.

What if I do not vote and do not attend the annual meeting?

If you are a holder of record and you do not vote your shares at the annual meeting or by proxy, your shares will not be voted. If you sign and return your proxy card without specific voting instructions, your shares will be voted as recommended by the Board.

Under New York Stock Exchange (NYSE) rules, brokers have discretionary power to vote your shares only on routine matters. Brokers do not have discretionary power to vote your shares on non-routine matters. If you hold shares in street name, and you do not give your bank, broker, or other holder of record specific voting instructions for your shares, your record holder can only vote your shares on the ratification of the Company's independent registered public accounting firm (proposal 4), a routine matter.

Without your specific instructions, your record holder cannot vote your shares on the election of directors, the 2012 Omnibus Incentive Plan, and the advisory vote on named executive officer compensation. For each of these matters, if you do not instruct your record holder how to vote, the record holder may not vote your shares. Shares not voted will be broker non-votes and will not be counted in determining the outcome of the vote for proposals 1, 2 and 3. Broker non-votes will have no impact on the outcome of these proposals. We urge you to give your record holder voting instructions on each proposal being presented at the annual meeting.

CORPORATE GOVERNANCE

Corporate Governance Guidelines

The Board has adopted Corporate Governance Guidelines that meet or exceed the requirements of the NYSE listing standards. AAM's Corporate Governance Guidelines are available on our website at <http://investor.aam.com/phoenix.zhtml?c=63076&p=irol-govhighlights>.

Director Independence

AAM's Corporate Governance Guidelines provide that at least a majority of the members of the Board and each member of the Audit Committee, Compensation Committee and Nominating/Corporate Governance Committee meet the independence criteria of the NYSE listing standards. In addition, the Board has established Director Independence Guidelines to assist in determining the independence of our directors for purposes of the NYSE independence standards. The Director Independence Guidelines are included in AAM's Corporate Governance Guidelines, which are available on our website at <http://investor.aam.com/phoenix.zhtml?c=63076&p=irol-govhighlights>.

The Board reviews and determines, on the recommendation of the Nominating/Corporate Governance Committee, whether any director has a material relationship with the Company that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. When assessing materiality, the Board considers relevant facts and circumstances of which it is aware. No director qualifies as independent unless the Board determines that the director has no direct or indirect material relationship with the Company.

The Board has affirmatively determined that the following eleven directors are independent: Salvatore J. Bonanno, Sr., Elizabeth A. Chappell, Forest J. Farmer, Steven B. Hantler, Richard C. Lappin, James A. McCaslin, William P. Miller II, John F. Smith, Larry K. Switzer, Thomas K. Walker and Dr. Henry T. Yang. Richard E. Dauch, Co-Founder, Chairman of the Board & CEO, and David C. Dauch, President & COO, are not independent due to their employment with AAM. Mr. D.C. Dauch is the son of Mr. R.E. Dauch.

In making these director independence determinations, the Board considered certain business relationships that were found to be immaterial under applicable independence standards. Mr. Bonanno serves on the Board of and has a minority interest in a supplier that receives payments for sales made to AAM. Ms. Chappell is an officer of a non-profit organization that receives sponsorship fees from AAM. Prior to his election to AAM's Board, Mr. McCaslin was an officer of Harley-Davidson, Inc., an AAM customer. He retired from Harley-Davidson in April 2010.

Each of these relationships arose in the ordinary course of business and existed before Mr. Bonanno, Ms. Chappell and Mr. McCaslin joined the Board. The annual amounts paid or received by AAM in connection with these relationships were below the threshold amount established under the NYSE independence standards and our Director Independence Guidelines. The applicable threshold is the greater of two percent of the annual gross revenues of the outside entity or \$1 million. In addition, a product engineer hired by AAM in June 2011 is the daughter-in-law of Mr. Bonanno. Compensation for this position is market competitive and, for 2011, was below the \$120,000 threshold under the applicable NYSE independence standard and our Director Independence Guidelines. The Board determined that each relationship described above is immaterial and does not impair the independence of these directors.

Board Leadership Structure

The Board believes that as AAM's co-founder, Richard E. Dauch, is uniquely qualified to serve as Chairman of the Board while holding the position of CEO. Mr. R.E. Dauch has been CEO since he co-founded AAM in 1994 and has served as Chairman since 1997. The Board benefits from this structure through Mr. R.E. Dauch's contributions as a strong leader with extensive knowledge of the global automotive industry and a unique commitment to the success of the Company he co-founded.

Table of Contents

This Board leadership structure is further enhanced by independent director oversight. The Board is comprised of 11 independent directors, including a lead director. Independent directors and management have different perspectives and roles in strategy development. One of the key responsibilities of the Board is to develop strategic direction while holding management accountable for execution of its business plans. Our leadership structure provides the appropriate balance necessary to accomplish this objective and is the most effective leadership structure for the Board at this time.

The Board recognizes that no single leadership model is appropriate for a Board at all times. Accordingly, the Board may consider a different leadership structure, including a separation of the roles of CEO and Chairman, as appropriate, as the Company's business and leadership continue to evolve.

Lead Director and Executive Sessions

Thomas K. Walker was selected by the Board to serve as the lead director for all meetings of non-management directors held in executive session. Mr. Walker is an independent director and serves on every Board committee. The lead director's responsibilities include presiding at executive sessions of the Board's non-management directors and acting as a liaison between the Chairman and the independent directors.

Non-management directors, all of whom are independent, meet in executive session without AAM management present at the end of each scheduled Board meeting.

Board Oversight of Risk

The Board as a whole and also at the committee level oversees management of the Company's risks. The Board regularly reviews information provided by senior management regarding the Company's strategic, operational, financial and compliance risks. In addition, the chairs of the Audit, Compensation, Nominating/Corporate Governance and Technology Committees regularly report to the Board on the activities of their respective Committees, including matters related to risk.

The Audit Committee oversees management of financial risks and receives an annual report from management on the Company's overall risk management structure and process. The Nominating/Corporate Governance Committee manages risks associated with corporate governance and management succession planning. The Compensation Committee oversees risks related to AAM's compensation programs. The Technology Committee oversees risks related to AAM's product, process and systems technology. Additional review or reporting of specific risks is conducted as necessary or as requested by the Board or a Committee.

Stockholder Communication with the Board

Stockholders or other interested parties may communicate with the Board through the Secretary of AAM by mail at One Dauch Drive, Detroit, Michigan 48211-1198 or by e-mail at AAMBoardofDirectors@aam.com.

The Board has instructed the Secretary to review all such communications and to exercise his discretion not to forward correspondence to the Board that is inappropriate, such as advertising and business solicitations, routine business matters and personal grievances. However, any director may at any time request the Secretary to forward any communication received by the Secretary on behalf of the Board.

Code of Business Conduct

AAM has adopted a Code of Business Conduct that is designed to assist all AAM associates, executive officers and members of the Board in conducting AAM's business with the highest standards of ethics and integrity. AAM has also adopted a Code of Ethics for our CEO, COO, CAO, CFO and other Senior Financial Officers (Code of Ethics). The Board annually reviews the Code of Business Conduct and updates the Code as appropriate. AAM's Code of Business Conduct and Code of Ethics are available on our website at <http://investor.aam.com/phoenix.zhtml?c=63076&p=irol-govhighlights>. A written copy also may be obtained by any stockholder without charge upon request to the AAM Investor

Related Person Transactions Policy

The Board has adopted a policy and procedure for the review, approval and ratification of transactions involving AAM and related persons as defined in the policy. This policy supplements AAM's other conflict of interest policies as set forth in AAM's Code of Business Conduct. The Board has delegated to the Audit Committee the responsibility for reviewing, approving and ratifying all related person transactions in accordance with the policy.

For purposes of this policy, a related person transaction includes any financial transaction, arrangement or relationship or series of similar transactions, arrangements or relationships in which:

- AAM is or is expected to be a participant;
- the amount involved exceeds \$120,000; and
- a related person has or will have a direct or indirect material interest.

However, a transaction between AAM and a related person is not subject to this policy if the transaction:

- is available to all employees generally;
- involves less than \$5,000 when aggregated with all similar transactions; or
- involves compensation of an executive officer that is approved by the Compensation Committee.

A related person includes directors and executive officers and their immediate family members, owning more than five percent of the Company's outstanding common stock as of the last completed fiscal year, and any entity owned or controlled by any one of these persons.

A related person transaction meeting the above criteria will be permitted only if the transaction is approved by the Audit Committee and is on terms comparable to those available to unrelated third parties. Any related person transaction involving a member of the Audit Committee must be presented to disinterested members of the full Board for review.

In considering a transaction, the Audit Committee and/or the Board may consider the following factors, as applicable:

- the Company's business reasons for entering into the transaction;
- the alternatives to entering into a related person transaction;
- the potential for the transaction to lead to an actual or apparent conflict of interest and any safeguards imposed to prevent such actual or apparent conflict;
- the extent of the related person's interest in the transaction; and
- whether the transaction is in the best interests of AAM.

Every director and executive officer is required to report any existing or contemplated related person transaction to AAM's Executive Director, Administration & Legal, who also serves as the Company's Secretary. In addition, AAM's directors and executive officers complete annual questionnaires designed to elicit information about potential related person transactions. The Company did not engage in any reportable related person transactions during fiscal year 2011. As of the date of this proxy statement, no reportable related person transaction has been brought to the attention of the Secretary, the Audit Committee or the Board.

The Audit Committee operates under a written charter that is available on AAM's website at <http://investor.aam.com/phoenix.zhtml?c=63076&p=irol-govhighlights>.

The Board has determined that each Audit Committee member is independent, is a non-employee director within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934 and is financially literate under applicable NYSE listing standards. Establishing and reviewing AAM's compensation philosophy and programs with respect to our executive officers;
Approving executive officer compensation with a view to support AAM's business strategies and objectives;
Approving corporate goals and objectives for executive officer compensation and evaluating executive officer performance in light of these criteria, in consultation with the CEO (in the case of our other executive officers) and with input from other independent directors (in the case of the CEO);

Overseeing management's risk assessment of the Company's policies and practices regarding its compensation programs for executive officers and other associates;

Producing the Compensation Committee Report for inclusion in our annual proxy statement.

The Compensation Committee operates under a written charter that is available on our website at <http://investor.aam.com/phoenix.zhtml?c=63076&p=irol-govhighlights>. In accordance with our Corporate Governance Guidelines, the Compensation Committee is also responsible for recommending non-employee director compensation and benefits for approval by the Board.

Each member of the Compensation Committee is independent, is a non-employee director within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934, and is an outside director within the meaning of Section 162(m) of the Internal Revenue Code.

Risk Assessment of Compensation Policies and Practices

In 2011, AAM management conducted a risk assessment of the Company's compensation policies and practices relating to AAM's compensation programs for executive officers and other associates on a global basis. The process used by management to conduct the risk assessment was approved by the Compensation Committee. The risk assessment considered, among other things, AAM's annual and long-term incentive programs and pay mix, performance measures used to calculate payouts, and pay philosophy and governance. Based on this risk assessment and other factors, management concluded that the Company's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee agreed with management's conclusion.

Role of Management in Compensation Decisions

The Compensation Committee is responsible for making compensation decisions relative to executive officers. However, in making its decisions, the Compensation Committee seeks and considers input from senior management. Since management has direct involvement with and an in-depth knowledge of the business strategy, goals and performance of the Company, certain executive officers play an important role in the executive compensation decision-making process. Senior management participates in the Compensation Committee's activities in the following specific respects:

The CEO reports to the Compensation Committee with respect to his evaluation of the performance of the Company's executive officers, including the other named executive officers (NEOs). Together with the President & COO and the head of the Human Resources department, the CEO makes compensation recommendations for these individuals, including base salary levels and the amount and mix of incentive awards.

tion programs. The Human Resources Department also assists the Chairman of the Compensation Committee in developing meeting agendas and manages the preparation and distribution of pre-meeting informational materials on the matters to be considered. The CEO, the President & COO, the CFO and the head of the Human Resources department regularly attend Compensation Committee meetings. Management generally does not attend the executive session of the Compensation Committee. However, there are times when the Compensation Committee requests that certain members of management, including the CEO, the President & COO and the Human Resources department head, be present for all or a portion of an executive session. The CEO, President & COO, the CFO and the head of the Human Resources department recommend long-term incentive grants for executive officers, other than the CEO, for approval by the Compensation Committee.

Role of Compensation Consultant

The Compensation Committee has retained Meridian Compensation Partners, LLC (Meridian) as its independent compensation consultant. Meridian provides independent advice and ongoing recommendations on compensation matters related to the CEO, other executive officers and non-employee directors, including:

- Provide independent input for the Compensation Committee's decision-making with respect to executive compensation;
- Provide independent input related to non-employee director compensation;
- Prepare competitive market data, including current compensation trends, as a reference for the Compensation Committee to consider in evaluating compensation for executive officers.

In the course of fulfilling its responsibilities, Meridian may communicate directly with the Chairman of the Compensation Committee. Meridian also meets with management to gather information, prepare materials, and review proposals to be made to the Compensation Committee. Meridian provides no other services to the Company other than advice with respect to director and executive officer compensation.

Nominating/Corporate Governance Committee

The Nominating/Corporate Governance Committee's primary responsibilities are to:

- Identify qualified individuals to serve on the Board and committees;
- Review our Corporate Governance Guidelines and Code of Business Conduct and recommend changes as appropriate; and
- Oversee and approve the process for succession planning for the CEO and other executive officers.

The Nominating/Corporate Governance Committee operates under a written charter that is available on our website at <http://investor.aam.com/phoenix.zhtml?c=63076&p=irol-govhighlights>. Each member of the Nominating/Corporate Governance Committee is independent and is a non-employee director within the meaning of Rule 16b-3 of the Securities Exchange Act of 1934.

Selection Process for Director Nominees. In consultation with the Chairman of the Board, the Nominating/Corporate Governance Committee identifies, evaluates and recommends potential candidates for membership on the Board. The Nominating/Corporate Governance Committee conducts necessary and appropriate inquiries into the backgrounds and qualifications of the candidates and considers questions of independence and possible conflicts of interest. Based on the Nominating/Corporate Governance Committee's evaluation, candidates who meet the Board's criteria may receive further consideration, which may include interviews with the Nominating/Corporate Governance Committee and other directors. The Nominating/Corporate Governance Committee then submits its recommendations for nominees to the Board for approval. Pursuant to AAM's bylaws, the Board may establish the size of the Board by resolution, provided there is a minimum of three members.

Table of Contents

Before the Board nominates an incumbent director for re-election by our stockholders, the incumbent director is evaluated by the Nominating/Corporate Governance Committee and/or the Board. This evaluation is based on, among other things, each incumbent director's meeting attendance record and contributions to the activities of the Board.

The Nominating/Corporate Governance Committee considers recommendations of potential candidates from members of our Board, our CEO and our stockholders. In 2011, Mr. R.E. Dauch referred returning Class II directors Steven B. Hantler and John F. Smith for consideration by the Nominating/Corporate Governance Committee and the Board for election by the Board as additional Class II directors. After consideration of each candidate's qualifications and independence, the Nominating/Corporate Governance Committee recommended that the Board elect Mr. Hantler and Mr. Smith as additional Class II directors. Upon review, and based on the recommendation of the Nominating/Corporate Governance Committee, the Board elected Mr. Hantler and Mr. Smith, effective October 27, 2011, to serve as Class II directors for a term expiring on the date of the Company's 2013 annual meeting of stockholders.

Director Qualifications. AAM's Corporate Governance Guidelines provide the qualifications for Board membership. Candidates for director nominees to the AAM Board are reviewed in consideration of the current composition of the Board, the operating requirements of the Company and the interests of stockholders. Although specific qualifications may vary from time to time, desired qualities and characteristics include:

- High ethical character and shared values with AAM;
- Loyalty to AAM and concern for its success and welfare;
- High-level leadership experience and achievement at a policy-making level in business or in educational or professional activities;
- Knowledge of issues affecting AAM;
- The ability to contribute special competencies to Board activities, such as financial, technical, international business or other expertise, or industry knowledge;
- Willingness to apply sound, independent business judgment;
- Awareness of a director's vital role in AAM's good corporate citizenship and corporate image; and
- Sufficient time and availability to effectively carry out a director's duties.

The Board as a whole should reflect the appropriate balance of knowledge, experience, skills, expertise and diversity that, when taken together, will enhance the quality of the Board's deliberations and decisions. Although the Board has no formal policy regarding diversity, the Board believes that diversity is an essential element of Board effectiveness. In this context, diversity is defined broadly to include differences in background, skills, education, experience, gender, race, national origin and culture.

For director candidates recommended by stockholders, the Nominating/Corporate Governance Committee follows the procedures described in *Other Matters, Stockholder Proposals for 2013 Annual Meeting*. The Nominating/Corporate Governance Committee will evaluate candidates recommended by stockholders using substantially the same criteria as it considers in evaluating director candidates recommended by our Board members or CEO.

Succession Planning. The Nominating/Corporate Governance Committee is responsible for overseeing the Company's succession planning process for the CEO and other executive officers as well as other key executive positions at AAM. In performing this role, the Nominating/Corporate Governance Committee monitors and approves management's succession planning process and actions and, with respect to the CEO, makes recommendations to the full Board for approval. The Board has primary responsibility for CEO succession planning and develops both long-term and contingency plans for CEO succession. The Company's long-term and ongoing succession planning program is designed to support effective senior leadership development and succession in a manner that positions AAM to achieve its strategic, operating and financial performance goals, and enhance stockholder value.

PROPOSAL 2 APPROVAL OF AMERICAN AXLE & MANUFACTURING HOLDINGS, INC. 2012 OMNIBUS INCENTIVE PLAN

Background

Upon recommendation of the Compensation Committee, the Board has adopted the American Axle & Manufacturing Holdings, Inc. 2012 Omnibus Incentive Plan (2012 Plan), subject to shareholder approval, which we are now seeking. The 2012 Plan is substantially similar in purpose and design to the 1999 American Axle & Manufacturing Holdings, Inc. Stock Incentive Plan (1999 Plan), which was most recently approved by our shareholders at the 2004 annual meeting of stockholders.

The 1999 Plan expired in January 2009 and was the only plan under which the Company could grant stock options, stock appreciation rights (SARs), restricted stock or units, performance shares, and other share-based awards to non-employee directors and employees. The 1999 Plan has not been replaced. As of the record date, the Company has no shares available under any plan for future grants.

Given the expiration of the 1999 Plan and the absence of shares available for future grant, the Company is requesting approval of the 2012 Plan which will include additional shares reserved for issuance of equity incentive awards.

We use incentive awards to attract, motivate and retain leadership talent as well as to align our employees' and non-employee directors' interests with those of our shareholders. The Board and the Compensation Committee approved the proposed 2012 Plan on the belief that the shares authorized by the 2012 Plan will allow the Company to award the equity incentives important to our compensation program for the foreseeable future, while resulting in a reasonable amount of potential equity dilution.

Under New York Stock Exchange rules, the 2012 Plan will not be effective if our shareholders do not approve it. In the event our shareholders do not approve the proposed 2012 Plan, the Company will not have any shares available to offer equity incentives to attract and retain highly qualified employees and non-employee directors. In such event, we will be required to re-evaluate our compensation structure to ensure that it remains competitive. This evaluation may result in the modification of the amount and types of compensation payable to our employees and our non-employee directors.

Description of the 2012 Plan

The principal features of the 2012 Plan are described below. This description is subject to and qualified in its entirety by the full text of the 2012 Plan attached as Appendix A to this proxy statement.

Purpose and Eligibility

The purpose of the Plan is to foster and promote the long-term financial success of the Company and materially increase shareholder value by (a) motivating superior performance by means of performance-related incentives, (b) encouraging and providing for the acquisition of an ownership interest in the Company by employees as well as non-employee directors, and (c) enabling the Company to attract and retain qualified and competent persons to serve as members of an outstanding management team and as Board members of the Company upon whose judgment, interest and performance are required for the successful and sustained operations of the Company.

All employees and non-employee directors of the Company and its subsidiaries and designated affiliates are eligible to participate in the 2012 Plan. The ability of such employees and non-employee directors to participate in the 2012 Plan is subject to the approval of the Compensation Committee. Approximately 125 employees and non-employee directors may be eligible to participate in the 2012 Plan. In addition, the Compensation Committee may select third-party service providers to the Company or any subsidiary to participate in the 2012 Plan.

Table of Contents

Effective Date of the 2012 Plan

The 2012 Plan will become effective as of April 26, 2012, the date of our 2012 annual meeting, if it is approved by our shareholders at the annual meeting.

Termination Date of the 2012 Plan

The 2012 Plan terminates ten years from the effective date of the plan. The effective date will be the date on which the plan is approved by shareholders.

Administration of the 2012 Plan

The Compensation Committee will administer the 2012 Plan and will have the discretion to select the individuals who receive awards (Participants) and determine the form and terms of the awards, including any vesting, exercisability, payment or other restrictions. Subject to certain limitations, the Compensation Committee may delegate some or all of its authority to one or more administrators (e.g., one or more Compensation Committee members or one or more of our executive officers).

Limits on Awards

The 2012 Plan limits the grants of awards to a single Participant in any calendar year as follows:

the maximum aggregate number of shares that may be granted in the form of stock options and SARs is 2,000,000 shares; the maximum aggregate payout at the end of an applicable performance period or vesting period with respect to awards of performance shares, performance units (settled in shares), restricted shares or restricted stock units (settled in shares) is 2,000,000 shares; and The maximum aggregate amount that may be paid under an award of performance units (settled in cash), cash-based awards or any other award that is payable in cash, in each case that are performance-based compensation for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (Code), is \$6,000,000, determined as of the date of payout.

Shares Available under the 2012 Plan

The total number of shares that will be reserved for issuance under the 2012 Plan is 5,000,000 shares of our authorized but unissued shares of common stock, subject to adjustment for share recycling. The number of shares available under the 2012 Plan will be equitably adjusted to reflect certain transactions, including, but not limited to, merger, consolidation, reorganization, recapitalization, separation, reclassification, stock dividend, stock split, reverse stock split, split up or spin-off.

Share Recycling Rules

The number of shares subject to any portion of an award granted under the 2012 Plan that is canceled or that expires without having been settled in shares, or that is settled through the delivery of consideration other than shares, will be available for new awards. If shares are tendered or withheld to pay the exercise price of a stock option award, to satisfy a tax withholding obligation, or as a result of the net settlement of an SAR, such tendered or withheld shares will be available for new awards under the 2012 Plan.

Types of Awards Allowed under the 2012 Plan

Form of Awards. The 2012 Plan authorizes the following awards (Awards): (i) restricted stock or restricted stock units; (ii) performance shares; (iii) performance units; (iv) stock options; (v) SARs; (vi) cash-based awards; and (vii) other forms of equity-based or equity-related Awards which the Compensation Committee determines to be consistent with the purposes of the 2012 Plan.

Table of Contents

Each grant of an Award will be evidenced by an Award agreement that will set forth the terms and conditions of the grant as determined in the sole discretion of the Compensation Committee. These terms and conditions may include, but are not limited to, restrictions on transferability and the continued employment of the grantee, performance or other conditions, if any, that must be satisfied before all or part of the applicable restrictions or vesting periods lapse, the applicable performance conditions, if any, the duration of the exercise period, if any, and the affect of terminations of employment and change in control. The terms and conditions need not be uniform among all grants of Awards, form of Awards or Participants.

Transferability. Unless otherwise permitted by the Compensation Committee, no Award will be transferable other than by will or by the laws of descent and distribution. During the lifetime of a Participant, stock options and SARs will be exercisable only by the Participant.

Restricted Stock and Restricted Stock Units.

Restricted stock Awards are outstanding shares of common stock that the Compensation Committee may make subject to restrictions on transfer, vesting requirements or cancellation under specified circumstances. A Participant granted restricted stock generally has most of the rights of a shareholder, including the right to receive dividends and the right to vote such shares.

Upon satisfaction of the terms and conditions of the Award, a restricted stock unit will be payable in common stock or in cash equal to the fair market value on the payment date of one share of common stock, as specified in the Award agreement. As a holder of restricted stock units, a Participant will have only the rights of a general unsecured creditor of the Company. A Participant will not be a shareholder with respect to the shares underlying restricted stock units unless and until the restricted stock units convert to shares of common stock. However, the Compensation Committee, in its discretion, may provide for the payment of dividend equivalents on the grant of restricted stock units.

Performance Shares and Performance Units.

Performance shares and performance units are Awards based upon the attainment of certain performance criteria over a performance period specified by the Compensation Committee at the time of grant. Each performance share shall have an initial value equal to one share of common stock. Each performance unit shall have an initial notional value equal to a dollar amount as established by the Compensation Committee, in its discretion. Performance shares and performance units may be settled in cash, in shares or a combination thereof. Performance shares and performance units may but are not required to comply with the requirements of Code Section 162(m). The Compensation Committee may elect to utilize performance measures that are not specified in the 2012 Plan with respect to performance shares and performance units not intended to comply with Code Section 162(m).

Stock Options and SARs.

General. Stock options represent the right to purchase shares of common stock in the future at a specified exercise price set by the Compensation Committee. Stock options may be either nonqualified stock options or incentive stock options (ISOs) granted pursuant to Code Section 422. Upon satisfaction of the conditions to exercisability, a Participant may exercise a stock option and receive the number of shares of common stock in respect of which the stock option is exercised. Upon satisfaction of the conditions to payment, each SAR will entitle a Participant to an amount, if any, equal to the amount by which the fair market value of a share of common stock on the date of exercise exceeds the SAR exercise price. At the discretion of the Compensation Committee, SARs may be payable in common stock, cash or a combination thereof.

Exercise Price. The exercise price of stock options and SARs awarded under the Plan may not be less than 100% of the fair market value of one share of common stock on the grant date. The exercise price of a stock option may be paid in cash, by tendering previously acquired shares, by a cashless (broker assisted) exercise, through net share settlement involving the withholding of shares subject to the stock option or any other method approved by the Compensation Committee.

Table of Contents

Maximum Term of Stock Options and SARs. No stock option or SAR may have an expiration date that is later than the tenth anniversary of the Award date. No ISO granted to a Participant who owns more than 10% of our stock may have an expiration date that is later than the fifth anniversary of the grant date.

Other Stock-Based and Cash-Based Awards.

The Compensation Committee may grant other forms of cash-based and stock-based Awards not specifically described in the 2012 Plan including, but not limited to, unrestricted shares, deferred shares and deferred share units.

162(m) Performance-Based Compensation

The Compensation Committee may designate any Award (other than an Option or SAR) as performance-based compensation upon grant, in each case based upon a determination that (i) the Participant is or may be a covered employee, within the meaning of Code Section 162(m), with respect to such Award, and (ii) the Committee wishes such Award to qualify for exemption from the limitation on deductibility under Code Section 162(m)(4)(c). The Compensation Committee shall have the sole authority to specify which Awards are to be granted in compliance with Code Section 162(m) and treated as performance-based compensation.

For each grant of an Award designated as performance-based compensation, the Compensation Committee will establish the terms and conditions of the grant in accordance with the requirements of Code Section 162(m), including, but not limited to, the size of the Award, performance measures and related performance goals, the performance period over which performance goals must be achieved, payout levels based on achieved goals, form and timing and payout, and the impact of a termination of employment and change in control. At the end of the performance period, the Compensation Committee will determine the degree of achievement of the performance goals that will determine the payout. No Award of performance-based compensation will be earned, vested or paid until the Compensation Committee certifies the attainment of the pre-established performance goals. The Compensation Committee may set performance goals using any combination of the following performance measures that are set forth in the 2012 Plan:

- (a) Book value or earnings per share;
- (b) Cash flow, free cash flow or operating cash flow;
- (c) Earnings before or after either, or any combination of, interest, taxes, depreciation, or amortization;
- (d) Expenses/costs;
- (e) Gross, net or pre-tax income (aggregate or on a per share basis);
- (f) Net income as a percentage of sales;
- (g) Gross or net operating margins or income, including operating income;
- (h) Gross or net sales or revenues;
- (i) Gross profit or gross margin;
- (j) Improvements in capital structure, cost of capital or debt reduction;
- (k) Market share or market share penetration;
- (l) Growth in managed assets;
- (m) Reduction of losses, loss ratios and expense ratios;
- (n) Asset turns, inventory turns or fixed asset turns;

Types of Awards Allowed for Non-employee Directors under the 2012 Plan

Our non-employee directors generally may receive Awards under the 2012 Plan similar to those granted to other Participants. The Board may provide that all or a portion of a non-employee director's annual retainer and/or retainer fees or other Awards or compensation be payable in non-qualified stock options, restricted shares and restricted stock units, either automatically or at the choice of the non-employee directors. The Board will determine the terms and conditions of any such Awards, including those that apply upon the termination of a non-employee director's service as a member of the Board. Non-employee directors are also eligible to receive other Awards pursuant to the terms of the 2012 Plan, including options and SARs, restricted shares and restricted stock units and deferred stock units, upon such terms as the Board may determine. With respect to Awards made to non-employee directors, the 2012 Plan will be administered by our Board.

Amendment of the 2012 Plan

Our Board may amend the 2012 Plan and any Award made under the Plan at any time for any reason or no reason, except that our Board must obtain shareholder approval if shareholder approval is required in order to comply with the listing or other requirements of any securities exchange on which shares of the Company are listed or are desired to be listed or to comply with applicable U.S. or state laws, or regulations and the law of any foreign country or jurisdiction where Awards are granted under the 2012 Plan.

Treatment of Awards under the 2012 Plan in the Event of a Change in Control of Company

Unless otherwise determined by our Board or the Compensation Committee prior to the change in control and specified in applicable Award agreements, in the event of a change in control of the Company, the Compensation Committee shall have full authority to determine the effect, if any, of a change in control of the Company or any subsidiary on the vesting, exercisability, settlement, payment or lapse of restrictions applicable to an Award, which effect may be specified in the applicable Award agreement or determined at a subsequent time. The Board or the Compensation Committee shall take any actions as it may consider appropriate, including, without limitation:

- (i) providing for the acceleration of any vesting conditions relating to the exercise or settlement of an Award or that an Award will terminate or expire unless exercised or settled in full on or before a date fixed by the Compensation Committee;

Table of Contents

- (ii) making adjustments to the outstanding Awards that the Compensation Committee deems appropriate to reflect the change in control;
- (iii) causing the outstanding Awards to be assumed, or new rights substituted, by the surviving corporation upon the change in control; or
- (iv) permit or require Participants to surrender outstanding stock options and SARs in exchange for a cash payment equal to the difference, if any, between the highest price paid for a share in the change in control transaction and the exercise price of the Award (without out-of-the-money options being cancelled for no consideration).

Treatment of Awards upon a Participant's Termination of Employment

The Compensation Committee will determine at or after the time of grant, the terms and conditions that apply to any Award upon a Participant's termination of employment with the Company and its subsidiaries. Subject to applicable laws, rules and regulations, in connection with a Participant's termination, the Compensation Committee shall have the discretion to accelerate the vesting, exercisability or settlement of, eliminate the restrictions and conditions applicable to, or extend the post-termination exercise period of an outstanding Award.

Federal Tax Consequences of the Awards Granted under the 2012 Plan

The following is a brief summary of the United States federal income tax consequences related to Awards granted under the 2012 Plan:

Restricted Stock Units. A Participant who receives restricted stock units will be taxed at ordinary income tax rates on the then fair market value of the shares of common stock, or cash, distributed at the time of settlement of the stock units and a corresponding deduction will be allowable to the Company at that time (subject to Code Section 162(m)). If settled in shares, the Participant's tax basis in the shares will equal the amount taxed as ordinary income, and on subsequent disposition the Participant will realize long-term or short-term capital gain or loss.

Restricted Stock. A Participant who is awarded restricted stock will not be taxed at the time an Award is granted unless the Participant makes the special election with the Internal Revenue Service pursuant to Code Section 83(b), as discussed below. Upon lapse of the risk of forfeiture or restrictions on transferability applicable to the shares comprising the Award, the Participant will be taxed at ordinary income tax rates on the then fair market value of the shares. The Company is required to withhold tax on the amount of income so recognized, and a deduction corresponding to the amount of income recognized will be allowable to the Company (subject to Code Section 162(m)). The Participant's tax basis in the shares will be equal to the ordinary income recognized. Upon subsequent disposition of the shares, the Participant will realize long-term or short-term capital gain or loss.

Pursuant to Section 83(b) of the Code, the Participant may elect within 30 days of receipt of the Award to be taxed at ordinary income tax rates on the fair market value of the shares comprising such Award at the time of Award (determined without regard to any restrictions which may lapse) less any amount paid for the shares. In that case, the Participant will acquire a tax basis in the shares equal to the ordinary income recognized by the Participant at the time of Award. No tax will be payable upon the lapse or release of the restrictions or at the time the shares first become transferable, and any gain or loss upon subsequent disposition will be a capital gain or loss. In the event of a forfeiture of shares of common stock with respect to which a Participant previously made a Section 83(b) election, the Participant will generally not be entitled to a loss deduction.

Nonqualified Stock Options. The grant of a nonqualified stock option will not result in the recognition of taxable income by the Participant or in a deduction to the Company. Upon exercise, a Participant will recognize ordinary income in an amount equal to the excess of the fair market value of the shares of common stock purchased over the exercise price, and a tax deduction is allowable to the Company equal to the amount of such income (subject to Code Section 162(m)). Gain or loss upon a subsequent

Table of Contents

sale of any shares received upon the exercise of a nonqualified stock option generally would be taxed as capital gain or loss (long-term or short-term, depending upon the holding period of the shares sold). Certain additional rules apply if the exercise price for an option is paid in shares previously owned by the Participant.

ISOs. Upon the grant or exercise of an ISO within the meaning of Code Section 422, no income will be realized by the Participant for federal income tax purposes and the Company will not be entitled to any deduction. However, the excess of the fair market value of the shares of common stock as of the date of exercise over the exercise price will constitute an adjustment to taxable income for purposes of the alternative minimum tax. If the shares are not disposed of within the one-year period beginning on the date of the transfer of such shares to the Participant or within the two-year period beginning on the date of grant of the stock option, any profit realized by the Participant upon the disposition of such shares will be taxed as long-term capital gain and no deduction will be allowed to the Company. If the shares are disposed of within the one-year period from the date of transfer of such shares to the Participant or within the two-year period from the date of grant of the stock option, the excess of the fair market value of the shares on the date of exercise or, if less, the fair market value on the date of disposition, over the exercise price will be taxable as ordinary income to the Participant at the time of disposition, and a corresponding deduction will be allowable to the Company. Certain additional rules apply if the exercise price for a stock option is paid in shares previously owned by the Participant.

SARs. The grant of SARs will not result in the recognition of taxable income by the Participant or in a deduction to the Company. Upon exercise, a Participant will recognize ordinary income in an amount equal to the then fair market value of the shares of common stock or cash distributed to the Participant. The Company is entitled to a tax deduction equal to the amount of such income (subject to Code Section 162(m)). Gain or loss upon a subsequent sale of any shares received upon the exercise of SARs generally would be taxed as capital gain or loss (long-term or short-term, depending upon the holding period of the shares sold).

Code Section 162(m) generally disallows a public company from taking a tax deduction for compensation paid in excess of \$1,000,000 in any tax year to its chief executive officer and three most highly compensated executive officers other than the chief financial officer. However, compensation that qualifies as performance-based compensation is excluded from this \$1,000,000 deduction limit and therefore remains fully deductible by the company. The Company generally intends that Awards under the 2012 Plan qualify as performance-based compensation so that these Awards will not be subject to the Code Section 162(m) deduction limit. However, if the Compensation Committee determines that it is in the Company's best interest, compensation that is not deductible under Section 162(m) may be paid to a Participant in the Compensation Committee's sole discretion.

The foregoing discussion is general in nature and is not intended to be a complete description of the United States federal income tax consequences of the 2012 Plan. This discussion does not address the effects of other federal taxes or taxes imposed under state, local or foreign tax laws. Participants in the 2012 Plan are urged to consult a tax advisor as to the tax consequences of participation.

Table of Contents**2012 Long-Term Incentive Awards**

The Board and the Compensation Committee each has discretionary authority to approve Awards under the 2012 Plan. For this reason, the benefits that will be received by or allocated to any person or group of persons under the 2012 Plan in future periods are not presently determinable. The employment agreement between the Company and our CEO, Mr. R.E. Dauch, entitles him to a long-term incentive award of 150,000 stock options and a number of restricted shares of an equivalent value to the stock option grant. In addition, the Compensation Committee has approved long-term incentive award targets for executive officers (other than the CEO). These long-term incentive awards may be in the form of cash or equity, or a combination of the two. If the 2012 Plan is not approved, the awards will be in the form of cash. There can be no assurance that these awards are indicative of grants that may be made in the future.

Required Vote for Approval of the 2012 Plan

COMPENSATION OF EXECUTIVE OFFICERS

Compensation Discussion and Analysis

Executive Summary

In 2011, we continued to make significant progress in achieving AAM's long-term strategic objectives to build value for all key stakeholders. AAM's improved financial performance over the past two years has resulted in strengthening our balance sheet, one of the key elements of our strategic objectives. Instrumental in accomplishing this objective was the restructuring plan implemented over the last several years that reduced our operating breakeven level. Senior management also made significant progress on our other key strategic objectives including sales growth and business diversification.

Our executive compensation program reflects an externally competitive compensation structure based on a comprehensive market study of executive compensation programs in AAM's peer group. The program includes a mix of base salaries, target annual and long-term incentive opportunities for executive officers. For the last several years, our long-term incentive program for executive officers was a cash-based program as a result of AAM not having an equity plan available for new equity based awards. However, subject to stockholder approval of the 2012 Omnibus Incentive Plan, we believe that we will again be able to grant equity based long-term incentive awards in order to continue to strengthen the alignment of the interests of our executive officers to those of our stockholders.

Effective September 28, 2011, the \$3 million annual limit on executive compensation expired under the terms of the 2009 Settlement and Commercial Agreement entered into with GM on September 16, 2009.

When setting compensation for 2012 and in determining compensation policies, the Compensation Committee took into account the favorable results of the stockholder advisory votes on executive compensation in April 2011. In those advisory votes, our stockholders approved the compensation of our named executive officers as disclosed in the 2011 proxy statement and approved our recommendation to hold such advisory votes on an annual basis. Approximately 98% of votes cast were in favor of our say-on-pay proposal. Accordingly, the Compensation Committee has continued to apply the executive compensation philosophy and objectives described below. The Compensation Committee will continue to consider the outcome of the Company's say-on-pay votes when making future compensation decisions for the named executive officers.

Named Executive Officers

For purposes of this Compensation Discussion and Analysis and the tables and narrative disclosures that follow, Named Executive Officers (NEOs) refer to the following individuals:

Richard E. Dauch, Co-Founder, Chairman of the Board & Chief Executive Officer;

Michael K. Simonte, Executive Vice President & Chief Financial Officer;

David C. Dauch, President & Chief Operating Officer;

John J. Bellanti, Executive Vice President, Worldwide Operations; and

Norman Willemse, Vice President, Metal Formed Products Business Unit

Executive Compensation Philosophy and Objectives

The Compensation Committee is responsible for establishing and reviewing the overall compensation philosophy of the Company. The Compensation Committee believes that the compensation paid to executives should be structured to provide AAM executives with meaningful rewards, while maintaining alignment with stockholder interests, corporate values and management initiatives.

The Compensation Committee believes that AAM's executive compensation program should consist of a mix of base salary, annual incentive compensation, long-term incentive compensation, perquisites

Table of Contents

and other personal benefits. One of the key objectives of establishing a mix of base salaries, annual incentive and long-term incentive compensation is to have a significant portion of total compensation be performance based and contingent upon the achievement of stated Company performance goals.

In an effort to more closely align the objectives of the philosophy to market competitive practices, the Compensation Committee has established stated target percentile goals (compared to our peer group) for each component of pay as set forth below under *Market Analysis and Benchmarking*. The pay percentile goals are generally used as a guide to help set compensation levels for the NEOs, excluding the CEO. The CEO's compensation is determined under his employment agreement.

The Compensation Committee also considers other factors in setting compensation levels for the NEOs, including, among other things, individual performance, succession planning and the requirements of the position as determined by the Company from time to time.

Compensation Objectives. The following fundamental objectives are considered in determining compensation programs and pay levels.

Compensation and benefit programs should appropriately reflect the size and financial resources of our Company in order to maintain long-term viability. These programs should be market-based to be competitive relative to the compensation paid to similarly situated executives in our peer group.

Compensation and benefit programs should attract, motivate and retain experienced executives who are vital to our short-term and long-term success, profitability and growth. AAM makes an effort to remain competitive by targeting competitive pay levels based on the Company's compensation philosophy with consideration of the specific business environment and other market influences.

Compensation and benefit programs should reward Company and individual performance. Our programs should strive to deliver competitive compensation for exceptional individual and Company performance as compared to companies in our peer group. As associates progress to higher levels in the Company and assume key leadership positions, a greater portion of their compensation should be linked to Company performance and stockholder returns. Company performance is measured against financial and operational objectives and stockholder return.

Compensation and benefit programs should foster the long-term focus required for success in the global automotive industry. We believe that long-term incentive compensation will motivate executive officers to deliver long-term value to our stockholders. Executives who are in positions to influence longer-term results should have a greater proportion of their compensation tied to longer-term performance.

Executive officers should be AAM stockholders. Stock ownership aligns our executive officers' interests with those of stockholders and reinforces the importance of making sound long-term decisions. AAM's executive officers are required to maintain a certain level of stock ownership based on their position.

The objectives of rewarding performance and retention should be balanced. Our compensation programs should continue to ensure that high-achieving, marketable executives remain motivated and committed to AAM during periods of economic downturn that impact AAM's performance. This principle is essential to our effort to encourage our strongest leaders to remain with AAM for long and productive careers.

Compensation and benefit programs should be fair in consideration of each executive's level of responsibility and contribution to AAM. While the overall structure of compensation and benefit programs should be broadly similar across the Company, individual pay levels and benefit packages will reflect differences in job responsibilities, geography and marketplace considerations.

Market Analysis and Benchmarking

A peer group of 38 broad industrial manufacturing companies, including automotive suppliers, was identified by Meridian, the Compensation Committee's independent compensation consultant, for consideration by the Compensation Committee to help assess competitive pay levels and to provide data for pay decisions. The peer group was selected to be representative of a broad industrial sector in which AAM competes for executive talent. The criteria used to assess the market and to select the peer group included:

Operating/Industry Competitors Companies with which we compete for the sale of products and services;

Labor Market Competitors Companies with which we compete for executive talent;

Competitors for Capital Companies with which we compete for investment dollars and against which investment performance is evaluated; and

Revenue Size Companies with revenues within a relevant range.

Based on the foregoing criteria, the Compensation Committee established the following peer group to be used for pay decisions:

A. O. Smith Corporation
Ball Corporation
BorgWarner Inc.
Brady Corporation
Cameron International Corporation
Cummins Inc.
Dana Corporation
Donaldson Company, Inc.
Dover Corporation
Eaton Corporation
Federal Signal Corporation
Federal-Mogul Corporation

Genuine Parts Company
Harley-Davidson Motor Company
Ingersoll-Rand Company
Joy Global Inc.

Kennametal Inc.
Lear Corporation
Meritor Inc.

Sonoco Products Company
Terex Corporation
Thomas & Betts Corporation
The Timken Company
Trinity Industries, Inc.
TRW Automotive Holdings Corp.
USG Corporation
Valmont Industries, Inc.

Woodward Governor Company

A market data analysis performed by Meridian was used in determining executive officer compensation levels for each relevant position in 2011. The market data was revenue size adjusted using regressed market values. The Compensation Committee did not engage Meridian to complete an updated market data analysis for determining 2012 executive officer compensation.

Table of Contents

For each NEO, other than the CEO, the key elements of base salary, annual incentives and long-term incentives, as well as the mix of these elements of compensation, are compared, to the extent possible, with pay levels of executives holding similar positions at companies in our peer group. Our practice is to establish compensation at market competitive levels, depending upon the NEO's responsibilities, expertise and experience, along with individual and Company performance. The target percentile goals for each pay component are as follows:

Pay Component	Target Percentile Goal
Base Salary	50 th Percentile
Annual Incentives	Between 50 th and 75 th Percentiles
Long-Term Incentives	Between 50 th and 75 th Percentiles
The percentile goals for annual incentives and long-term incentives were set between the 50th percentile and the 75th percentile to enable the Company to reward executive performance at a rate above average in order to compete for executive talent.	

Tally Sheets

Annually, the Compensation Committee reviews compensation tally sheets for each executive officer, including the NEOs. The tally sheets, which are prepared by management, provide a summary of the current amounts of each component of pay, including a historical review of prior long-term incentive grants. The tally sheets also provide a summary of the potential payouts and benefits upon various termination events. The elements and calculations reviewed are substantially similar to the information provided for each NEO in *Potential Payments Upon Termination or Change in Control* below. The Compensation Committee did not change the NEOs' compensation based on its review of this information.

Components of the AAM Compensation Program

The primary components of AAM's executive compensation program are base salary, annual incentives, long-term incentives, and benefits and perquisites.

Base Salary. Base salaries provide fixed compensation to the executive for services rendered during the year. The Compensation Committee based its 2011 salary determinations for the NEOs (other than the CEO) by reference to the 50th percentile of our peer group. The recommendations of the CEO and President & COO were also considered in connection with salary increases for the other NEOs' salaries. Those recommendations were based on each individual's experience, time in position, professional development, contribution to the Company, performance and other factors. The Compensation Committee approved 2011 increases for each of our NEOs (other than the CEO) as follows:

	Base Salary	
	2011	2010
Michael K. Simonte	\$ 515,000	\$ 500,000
David C. Dauch	\$ 650,000	\$ 560,000
John J. Bellanti	\$ 473,800	\$ 460,000
Norman Willemse	\$ 303,000	\$ 293,550

The increases for Mr. Simonte, Mr. Bellanti and Mr. Willemse represent annual merit increases. For Mr. D. C. Dauch, the increase in 2011 base salary also reflects the additional oversight responsibilities he assumed on November 1, 2010 in the areas of labor relations, legal and administration.

In 2011, the Compensation Committee approved 2012 merit increases for the NEOs (other than the CEO) as well as an increase to Mr. D. C. Dauch's base salary to \$810,000 to reflect the additional oversight responsibilities he assumed on December 1, 2011 in the areas of finance, information technology and investor relations. In determining Mr. D. C. Dauch's 2012 base salary, the Compensation Committee also considered his leadership role in light of the Company's ongoing succession planning process.

Table of Contents

Annual Incentive Compensation. Annual incentive compensation at AAM is designed to:

- Encourage executives to achieve short-term goals to foster achievement of the long-term goals of the Company;
- Reward performance to support strategic initiatives; and
- Provide incentives for executive retention.

Annual incentive compensation is measured by our achievement of financial targets established under AAM's Incentive Compensation Plan for Executive Officers. All executive officers, other than the CEO, participate in this plan. On an annual basis, the Compensation Committee determines one or more performance factors, and the relative weighting of each factor, in consideration of the Company's key performance objectives. Under the plan, the performance factors that may be selected are (1) net income as a percentage of sales (NIPS), (2) after tax return on invested capital (ROIC) and (3) net operating cash flow. ROIC is defined as after-tax return divided by average invested capital. Net operating cash flow is defined as cash provided by or used in operating activities less capital expenditures. Target performance levels, established annually, are intended to be aggressive but achievable metrics based on industry conditions.

Payment of annual cash incentive awards are permitted to the extent the Company both (1) meets or exceeds threshold levels of performance set by the Compensation Committee and (2) reports positive net income for the performance year. The plan permits the Compensation Committee to make discretionary adjustments if it determines that the achievement of performance targets for a plan year do not reflect the true performance of the Company due to unanticipated circumstances specified in the plan. Annual incentive awards may be increased or decreased by the Compensation Committee, based on the CEO's recommendation, in consideration of each individual's experience, time in position, professional development, contribution to the Company, performance and other factors.

The discussion below of the elements of compensation applies to the NEOs (other than the CEO). Mr. R. E. Dauch's compensation is discussed separately in *Compensation of Chief Executive Officer* below.

2011 Annual Incentives

In support of the Company's 2011 strategic initiatives, the Compensation Committee approved the use of net operating cash flow and NIPS, each with an equal weighting, as the performance metrics to be used in determining 2011 annual cash incentives. Net operating cash flow and NIPS were selected as performance metrics for the following reasons:

- Net operating cash flow is a critical financial metric for AAM at this time due to its impact on liquidity and debt reduction; Increasing net operating cash flow is key to achieving credit rating upgrades, which will have a favorable impact on the Company's cost of future financing;
- The Compensation Committee believes increasing net operating cash flow benefits AAM stakeholders;
- Net income is a key indicator of financial and operational performance; and
- Net income and net income growth is highly correlated to cash flow, cash flow growth and stockholder value creation.

Table of Contents

The following table summarizes the 2011 and 2012 target annual incentive opportunities for the NEOs, other than the CEO (stated as a percentage of base salary):

	Annual Incentive Opportunity
Michael K. Simonte	80%
David C. Dauch	90%
John J. Bellanti	80%
Norman Willemse	60%

In the fourth quarter of 2010, in conjunction with a review of the Board-approved annual budget, the Compensation Committee determined the 2011 targets for both the net operating cash flow and NIPs performance metrics. The net operating cash flow performance target excluded the impact of normalizing payment terms with GM in connection with the termination of the financial accommodations provided under the 2009 Settlement and Commercial Agreement with GM. The 2011 targets for each performance metric are as follows:

	Net Operating Cash Flow		Net Income as a Percentage of Sales	
	Performance	Payout	Performance	Payout
Threshold	\$0	50%	1%	30%
Target	\$30 million	100%	3%	100%
Maximum	\$55 million	125%	>3%	>100%

The budgeted net operating cash flow was \$5 million, excluding the impact of normalizing payment terms with GM. The target performance level for net operating cash flow was based on the Company outperforming the budget by \$25 million; the maximum performance level was based on outperforming the budget by \$50 million. No payout would be made with respect to the net operating cash flow metric unless the threshold was attained.

The target and threshold performance levels for NIPS were determined based on the performance of our competitor peer group. The target performance level for NIPS, or 3%, was set at a level to meet the performance of the top one-third of our competitor peer group for the three most recently completed years. AAM's competitor peer group includes Autoliv Inc.; BorgWarner Inc.; Dana Corporation; Lear Corporation; Magna International Inc.; Meritor, Inc.; Tenneco Automotive Inc. and Visteon Corporation (competitor peer group) as disclosed in our most recent Annual Report on Form 10-K.

The Company's 2011 net operating cash flow performance was a use of \$29.4 million, excluding the impact of normalizing payment terms with GM, which is lower than the breakeven threshold level. Accordingly, no payout was approved for 2011 based on the net operating cash flow metric. The Company's 2011 NIPS was 5.52%, which resulted in an achievement of 162% of target. Based on the weighting of each performance metric, the 2011 annual incentive awards resulted in a payout of 81% of target. Based on the recommendations of the CEO, the Compensation Committee approved an increase to the annual incentive payouts for Mr. D.C. Dauch and Mr. Simonte to 100% and 90% of target, respectively. The Compensation Committee made these discretionary adjustments in consideration of, among other things, each individual's significant contributions and leadership in support of the Company's long-term strategic objectives related to profitable growth, diversification and refinancing.

The annual incentive awards paid to the NEOs are shown in the *Summary Compensation Table*.

2012 Annual Incentives

In 2011, the Compensation Committee approved the use of net operating cash flow and NIPS, each with an equal weighting, as the performance metrics to be used in determining 2012 annual incentives. These performance metrics were selected for the reasons described above under *2011 Annual Incentives*.

Award levels for NIPS and net operating cash flow were determined in the fourth quarter of 2011. Target and threshold performance levels for NIPS were determined based on the performance of our competitor peer group. The target performance level for NIPS, or 3%, was set at a level to meet the performance of the top one-third of our competitor peer group for the three most recently completed fiscal years. There is no established maximum for NIPS.

The Compensation Committee determined the performance award levels for net operating cash flow performance based on the Board approved budget. The target performance level for net operating cash flow is based on our outperforming the budget by \$25 million and the maximum performance level is based on outperforming the budget by \$50 million. These 2012 performance targets will be disclosed in our 2013 proxy statement. The maximum payout for net operating cash flow is 125%.

Long-Term Incentives. Long-term incentive compensation at AAM is designed to:

- Align executive officer and stockholder interests;
- Reward achievement of long-term performance goals; and
- Provide incentives for executive retention.

The Company currently grants long-term incentive awards under the AAM 2009 Long-Term Incentive Plan (2009 AAM LTIP). Awards issued under this plan are cash based performance awards. Previously, the Company issued equity based long-term incentive awards under the 1999 Stock Incentive Plan, which expired on January 8, 2009. The Company is seeking stockholder approval of the 2012 Omnibus Incentive Plan, which if approved, will authorize the Company to issue equity based long-term incentive awards in addition to or in lieu of cash based awards.

Long-term incentive awards for our CEO, Mr. R.E. Dauch, are discussed below in *Compensation of Chief Executive Officer*.

Cash Based Long-Term Incentive Plan. Under the 2009 AAM LTIP, each participant receives a target award value stated as a dollar amount based on a percentage of base salary.

For grants under the 2009 AAM LTIP in 2009 through 2011 the actual cash payouts are determined based on the level of performance against two performance metrics approved by the Compensation Committee. One-half of the target award payment is earned based on the cumulative amount of earnings before interest, taxes, depreciation and amortization (EBITDA) over a three-year performance period. In calculating this award, the plan gives the Compensation Committee discretion to exclude certain special items from EBITDA, such as special charges or gains, non-recurring operating costs, extraordinary gains or losses, the impact of changes in accounting principles, or other unusual items. EBITDA was chosen as one of the measures of Company performance as it is a key indicator of the Company's financial and operational performance and is useful in analyzing entity valuation. In addition, EBITDA as a performance measure complements the metrics used to determine payouts under other incentive programs.

The remaining one-half of the target award amount is earned based on a total shareholder return (TSR) measure that compares the Company's TSR over the three-year performance period relative to the TSR of AAM's competitor peer group. Relative TSR was chosen as one of the measures of Company performance in order to motivate executive officers to build long-term value for our stockholders above that of our competitor peer group. Share price appreciation and dividends paid are measured over the performance period to determine TSR.

Table of Contents

The following tables illustrate the threshold, target and maximum performance levels for determining award payouts for each performance measure. The EBITDA performance levels shown below were designed to drive a level of performance in the top one-third of our competitor peer group.

EBITDA Performance Measure

Performance Level	3-Year Cumulative EBITDA	Percent of Target Award Opportunity Earned
Threshold	8%	25%
Target	12%	100%
Maximum	15%	200%

TSR Performance Measure

Performance Level	Company's TSR Percentile Rank	Percent of Target Award Opportunity Earned
Threshold	35 ^(th)	50%
Target	50 ^(th)	100%
Maximum	75 ^(th)	200%

The following table summarizes the target award amounts for the NEOs (other than the CEO) in 2012 and 2011 (stated as a percentage of base salary):

	Long-Term Incentive Target
Michael K. Simonte	120%
David C. Dauch	180%
John J. Bellanti	120%
Norman Willemse	80%

The form of long-term incentive awards for 2012 will be determined by the Compensation Committee based on the results of the stockholder vote on the 2012 Omnibus Incentive Plan at the 2012 annual meeting.

Payments of 2009 Cash Based Long-Term Incentive Awards

For purposes of determining the payouts for the long-term incentive awards granted in 2009, EBITDA and TSR were measured for the three year performance period, January 1, 2009 through December 31, 2011. The Company's cumulative EBITDA percentage for the three year performance period was 13.9%, after adjustments approved by the Compensation Committee for certain special charges including asset impairments and other plant related closure costs and the estimated impact of 2009 customer production shutdowns. The adjusted EBITDA percentage resulted in a payment at 163% of target. The Company's TSR for the same three year performance period ranked above the 75th percentile of our competitor peer group and thus resulted in a payout of 200% of target. Based on the 50% weighting of EBITDA and TSR performance, total award payments were 182% of target. See *Summary Compensation Table* for the amounts paid in March 2012 to each NEO (other than the CEO).

Senior Executive Special Incentive Program. On March 15, 2010, the Compensation Committee approved a special incentive program for certain NEOs. The special incentive program was developed to recognize the extraordinary efforts of Mr. D.C. Dauch, Mr. Simonte, and Mr. Bellanti in navigating the Company through the turbulent financial and market conditions in 2009. As a result of their individual and

collective efforts, the Company was able to successfully complete its restructuring outside of bankruptcy, gain contract clarity with GM and address liquidity concerns existing at that time.

Table of Contents

Payments under the special incentive program for Mr. D.C. Dauch, Mr. Simonte, and Mr. Bellanti were contingent upon termination of the financial accommodations provided by GM in connection with the 2009 Settlement and Commercial Agreement and of the Access and Security Agreement (Access Agreement). The Compensation Committee and the full Board agreed that termination of the financial accommodations provided by GM and the Access Agreement was in the best interests of AAM, its stockholders and other key stakeholders. In 2011, the financial accommodations provided by GM were terminated and, effective September 28, 2011, the Access Agreement expired.

The amounts of the special incentive program awards for Mr. D. C. Dauch, Mr. Simonte, and Mr. Bellanti (award recipients) are as follows:

	Total Award Value
David C. Dauch	\$ 5,000,000
Michael K. Simonte	3,000,000
John J. Bellanti	1,000,000
Total	\$ 9,000,000

On October 31, 2011, upon accomplishment of the objectives discussed above, a portion of the special incentive awards was paid to each of the award recipients. On October 31, 2011, Mr. D.C. Dauch received a payment of \$2,375,000, Mr. Simonte received a payment of \$1,500,000 and Mr. Bellanti received a payment of \$550,000. The remaining portion of the awards are payable in three equal annual incentive installments in October 2012, October 2013 and October 2014, subject to the executive's continued employment. In the event of death, disability, resignation for good reason or termination other than for cause, an award recipient would be entitled to the remaining amount of his award.

Other Compensation Components

Benefits. Our executive officers participate in the benefits and retirement plans provided to U.S. salaried associates. A group of approximately 50 senior executives, including executive officers, also receive supplemental life, supplemental disability and umbrella liability insurance benefits.

Executive officers are eligible to participate in AAM's qualified and nonqualified defined benefit pension plans and defined contribution plans. They are also eligible to participate in a nonqualified deferred compensation plan that permits deferrals of a portion of base salary and/or annual cash incentive compensation on a pretax basis. These plans are described in the *Pension Benefits* and *Nonqualified Deferred Compensation* sections below.

Perquisites. AAM provides a limited number of perquisites for senior executives, including executive officers, which are described in the footnotes to the *Summary Compensation Table*. The most significant perquisite provided is the use of a Company-provided vehicle with AAM content. This perquisite is common among automotive suppliers. AAM has never owned a corporate aircraft and does not provide leased aircraft for personal use. AAM does not pay for country club memberships.

Compensation of Chief Executive Officer

Mr. R. E. Dauch's compensation is governed by an employment agreement, which was most recently amended in October 2011. The agreement is further described in the *Narrative to Summary Compensation and Grants of Plan-Based Awards Table* below. The CEO's compensation arrangements are structured in consideration of the breadth of his responsibilities for the entire Company, his unique experience in the automotive industry, his leadership skills and service to AAM since he co-founded the Company in 1994.

In connection with the 2009 Settlement and Commercial Agreement, Mr. R.E. Dauch agreed to forego compensation payable to him under his then current employment agreement to the extent his annual

Table of Contents

compensation would exceed the \$3 million annual limit as set forth in the agreement. Effective September 28, 2011, the \$3 million annual limit expired under the terms of the 2009 Settlement and Commercial Agreement.

On October 1, 2011, the Company entered into an amendment to Mr. R.E. Dauch's employment agreement to set his annual base salary effective October 1, 2011 at \$2 million as described below. All other terms of the employment agreement remain in full force and effect.

In reviewing Mr. R.E. Dauch's total compensation package upon the expiration of the \$3 million annual limit, the Compensation Committee took the following into consideration:

Mr. R.E. Dauch's total compensation was below market due to the \$3 million limit. The CEO has not received annual bonuses since 2008 or long-term incentive grants since 2009.

Mr. R.E. Dauch's role in overseeing and directing the Company's successful restructuring outside of bankruptcy under the extraordinary circumstances experienced by the automotive industry in 2009. As a result, value was preserved for AAM's stockholders and other key stakeholders.

Mr. R.E. Dauch's breadth of responsibilities, experience in the automotive industry, leadership skills and service to AAM are critical to the achievement of the Company's strategic goals.

Base Salary. The Compensation Committee approved a reduction to Mr. R.E. Dauch's base salary from \$2,702,300 to \$2,000,000 effective October 1, 2011. In setting Mr. R. E. Dauch's base salary at \$2 million, the Compensation Committee reviewed Mr. R. E. Dauch's base salary prior to 2009 and considered an annual merit increase of approximately 8% compounded annually. As discussed above, the September 28, 2011 expiration of the \$3 million limit on executive compensation under the 2009 Settlement and Commercial Agreement was also considered. Base salary for 2011, 2010 and 2009 is shown in the *Summary Compensation Table*.

Annual Cash Bonus. Mr. R. E. Dauch is eligible for an annual cash bonus as described in his employment agreement. See *Narrative to Summary Compensation Table and Grants of Plan-Based Awards Table* below. The annual cash bonus is based on the Compensation Committee's assessment of Company performance as compared to that of the competitor peer group. Pursuant to his employment agreement, Mr. R.E. Dauch is entitled to receive an annual bonus payment of three times his annual salary if AAM outperforms our competitor peer group. In determining Mr. R. E. Dauch's annual bonus, the Compensation Committee may use discretion in considering other factors, which may differ from year to year.

The Compensation Committee approved a 2011 annual bonus to Mr. R.E. Dauch in the amount of \$6 million. In determining this award, the Compensation Committee considered AAM's 2011 performance, including, among other things, sales growth, new business, EBITDA, gross margin, TSR, credit rating upgrades, quality and warranty performance.

Long-term Incentives. Under his employment agreement, Mr. R.E. Dauch is entitled to receive, each year, an award of 150,000 stock options and an award of restricted shares equal to the value of the option award. Mr. R.E. Dauch did not receive long-term incentive awards for 2010 or 2011 as a result of the \$3 million annual limit under the 2009 Settlement and Commercial Agreement.

Benefits and Perquisites. Mr. R. E. Dauch participates in the same benefit programs provided for other executive officers. In addition, under his employment agreement, AAM provides Mr. R. E. Dauch with the use of an additional Company vehicle and reimburses him for premiums under a \$5 million life insurance policy. The Company will also provide postretirement health care benefits upon expiration of his employment agreement. Perquisites provided to the CEO in 2011, 2010 and 2009 are reported in the *Summary Compensation Table*.

Table of Contents**Management's Stock Ownership Requirements & Anti-Hedging Policy**

The Compensation Committee has established stock ownership requirements for executive officers. The lack of an equity plan to grant restricted stock or other equity awards restricts the Company's ability to support their achievement of stock ownership requirements. To address this issue, the Compensation Committee determined provisional stock ownership requirements based on a set number of shares.

Fixed Share Requirement for Executive Officers

	No. of Shares
Chief Executive Officer	350,000
President & COO	50,000
Executive Vice President	25,000
Vice President	15,000

Currently, all NEOs are in compliance with these stock ownership requirements. If the 2012 Omnibus Incentive Plan is approved by our stockholders, the Compensation Committee may reconsider the ownership guidelines.

All employees and directors are prohibited from entering into transactions that result in a financial benefit if our stock price declines, or any hedging transaction involving our stock, including but not limited to the use of financial derivatives (such as puts and calls), short sales or any similar transactions.

Severance and Change of Control Benefits

Mr. R.E. Dauch's employment agreement provides him with certain benefits upon a termination of employment without cause or resignation for good reason. The terms of the severance benefits payable under this agreement are described below under *Potential Payments upon Termination or Change in Control* below. None of the other NEOs are eligible to receive severance benefits. In addition, none of the NEOs will receive any severance benefits solely as a result of a change in control.

Each of the NEOs has agreed to non-competition and non-solicitation covenants for a period following termination of employment. For additional information, see *Potential Payments upon Termination or Change in Control* below.

Tax Gross Ups

The Company does not provide tax gross-ups to any executive officer upon a change in control or otherwise.

Tax Deductibility of Compensation

In general, the compensation awarded to the NEOs will be taxable to the executive and will give rise to a corresponding corporate deduction at the time the compensation is paid. Section 162(m) of the Internal Revenue Code (Code) precludes a public corporation from taking a tax deduction for annual compensation in excess of \$1 million paid to the CEO or to any of the other NEOs other than the CFO. One exception applies to performance-based compensation paid pursuant to stockholder-approved employee benefit plans. Performance based compensation is compensation that is paid only if the individual's performance meets pre-established objective performance goals based on performance criteria approved by our stockholders.

Although deductibility of compensation is preferred, tax deductibility is not the primary objective of the Company's compensation programs. The Compensation Committee believes that achieving AAM's compensation objectives is an important goal for our compensation program.

Table of Contents

The Compensation Committee may decide to pay compensation or grant awards that are consistent with the objectives of our executive compensation program that may not be deductible by the Company for tax purposes. If the 2012 Plan is approved by our stockholders, all annual and long-term cash and certain equity incentive awards granted under the plan are intended to comply with the performance-based compensation exemption under Section 162(m).

Risk Assessment of Compensation Policies and Practices

In 2011, AAM management conducted a risk assessment of the Company's compensation policies and practices relating to AAM's compensation programs for executive officers and other associates on a global basis. The process used by management to conduct the risk assessment was approved by the Compensation Committee. Based on the risk assessment and other factors, management concluded that AAM's compensation policies and practices do not create risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee agreed with management's conclusion.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee has reviewed and discussed with management the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K, and based on such review and discussions, recommended to the Board of Directors that such Compensation Discussion and Analysis be included in this proxy statement.

subject to adjustment based on other factors as determined by the Compensation Committee in its sole discretion;

An annual long-term incentive award of 150,000 options and an award of restricted shares equal to the value of the option award.

Table of Contents**PENSION BENEFITS**

The following table shows the value of the benefits accumulated by the NEOs and their years of credited service under AAM's Salaried Retirement Program, the Albion Pension Plan and AAM's Supplemental Executive Retirement Program (SERP). The years of credited service are through December 31, 2011, AAM's fiscal year-end measurement date used for financial statement reporting purposes. The values shown are based on unreduced benefits deferred to the earliest age at which unreduced benefits are payable. The assumptions used to calculate the actuarial present value of accumulated benefits are the same assumptions used in our audited consolidated financial statements for the fiscal year ended December 31, 2011, except that the values in the table do not reflect assumptions for future compensation increases or future service credits and assume continued service until unreduced retirement age is attained. See Note 8 to the audited consolidated financial statements in our Annual Report on Form 10-K for material assumptions.

(1) Mr. R.E. Dauch was eligible to retire on December 31, 2011 with full benefits under the Salaried Retirement Program and the SERP.

(2) Mr. R.E. Dauch earned 20 years of credited service as of December 31, 2009 in accordance with his employment agreement extension dated November 3, 2005.

(3) Benefits were frozen effective December 31, 2006 under the Salaried Retirement Program for Mr. Simonte and Mr. D.C. Dauch.

(4) Mr. Bellanti was eligible to retire on December 31, 2011 under both the Salaried Retirement Program and the SERP. He qualifies for a reduced benefit of approximately 74% of the unreduced benefit under the Salaried Retirement Program and for the basic form of benefit under the SERP.

(5) Mr. Willemse is not a participant under the Salaried Retirement Program. Mr. Willemse was eligible to retire on December 31, 2011 under the Albion Pension Plan.

We provide pension benefits for NEOs under our Salaried Retirement Program, a broad-based defined benefit pension plan open to substantially all of our U.S. salaried associates hired prior to January 1, 2007, and our SERP. The purpose of the SERP is to provide total retirement benefits at a competitive level with executives of other major industrial companies. Our Albion Automotive Limited subsidiary located in the United Kingdom provides pension benefits under the Albion Pension Plan for its salaried associates. Mr. Willemse was a participant in the Albion Pension Plan while an associate of Albion Automotive Limited.

Salaried Retirement Program. The annual retirement benefit payable to each executive, commencing on retirement at or after age 65, equals the sum of the executive's contributions plus an additional benefit based on the executive's average monthly salary (determined as the average of the executive's base

Table of Contents

salary in the highest 60 months during his final 10 years of service) and years of credited service. The plan also includes a cash benefit structure for participants hired between January 1, 2002 and December 31, 2006. None of the NEOs are covered by the cash benefit structure. The amount of compensation that may be taken into account for determining benefits is limited under the Internal Revenue Code. The maximum annual compensation under this limit was \$245,000 for the year ended December 31, 2011.

Benefits under the Salaried Retirement Program may be paid as a single life annuity or, upon election, in the form of a joint and survivor annuity with a reduction in the amount of the annual benefit.

Effective December 31, 2006, the Salaried Retirement Program was amended to freeze benefits at current levels for associates who were not eligible to retire by December 1, 2011. Mr. R.E. Dauch and Mr. Bellanti are grandfathered and thus continued to accrue benefits through December 31, 2011.

Albion Pension Plan. The annual retirement benefit payable, commencing on retirement at or after age 65, is based on the executive's average salary (determined as the average of the executive's base salary in the highest 36 months during the final 10 years of service with Albion Automotive Limited), years of pensionable service and the percentage of participant contributions made to the plan.

Benefits under the Albion Pension Plan will be paid as an annuity; however, a participant may elect to receive a portion of the benefit payable in a lump sum.

Supplemental Executive Retirement Program. Mr. R.E. Dauch and Mr. Bellanti are eligible to receive the basic form of pension benefit under our SERP upon retirement. In addition, they are eligible to receive the alternative form of benefit, if greater than the basic benefit, upon retirement at or after age 62. The executive must have at least 10 years of credited service to receive either form of benefit under the SERP.

The total monthly benefit payable under the basic form of SERP is equal to the following amount:

Two percent of the executive's average monthly salary (as determined for the Salaried Retirement Program excluding the limitations as specified under the Internal Revenue Code), multiplied by the executive's years of credited service; less

The benefit payable to the executive under the Salaried Retirement Program (without reduction for survivor benefits), plus 2% of the maximum monthly social security benefit payable at age 65 multiplied by the executive's years of credited service.

The Compensation Committee has discretion to reduce or eliminate the amount payable under the alternative form of benefit. Subject to the Compensation Committee's discretion, the total monthly benefit payable under the alternative form of SERP is equal to the following amount:

1.5% of the executive's average monthly salary (as determined for the Salaried Retirement Program excluding the limitations as specified under the Internal Revenue Code) and average monthly incentive compensation (determined as the average of the highest five of the executive's last 10 annual cash incentive awards, divided by 12) multiplied by the executive's years of credited service; less

The benefit payable to the executive under the Salaried Retirement Program (without reduction for survivor benefits), plus the maximum monthly social security benefit payable at age 65.

SERP benefits payable under the basic and alternative forms are generally paid as a single life annuity. If the executive's spouse is eligible for survivor benefits under the Salaried Retirement Program, however, the executive's monthly SERP benefit will be reduced and paid in the form of a joint and survivor annuity.

Effective January 1, 2007, the SERP was amended to change the benefit accrual formulae for executives who are not grandfathered under the Salaried Retirement Program. Because they are grandfathered, Mr. R.E. Dauch and Mr. Bellanti continued to accrue SERP benefits under the basic and alternative forms through December 31, 2011.

Table of Contents

Mr. Simonte, Mr. D.C. Dauch and Mr. Willemse, who are not grandfathered under the Salaried Retirement Program, are eligible to receive a defined contribution benefit, payable six months after retirement in a lump sum. The amount of the benefit will be equal to 12.5% of the executive's final average compensation (determined as the executive's average annual base salary and cash incentive for the highest five consecutive years), multiplied by the executive's years of credited service, less the sum of the actuarially equivalent value of the executive's benefits payable under the Salaried Retirement Program, Albion Pension Plan and the balance of the executive's retirement contribution account under our 401(k) plan.

Table of Contents**NONQUALIFIED DEFERRED COMPENSATION**

(1) Reflects hypothetical accrued earnings during 2011 on notional investments designed to track the performance of funds similar to those available to participants in the Company's 401(k) plan. None of the earnings shown in this column are reported as compensation in the *Summary Compensation Table*.

Under AAM's Executive Deferred Compensation Plan, a nonqualified, tax-deferred savings plan, certain executives, including our NEOs, may elect to defer the payment of 6% to 75% of their base salary and/or their annual incentive compensation award during any plan year. Base salary deferred into the Executive Deferred Compensation Plan receives a 3% Company match. The amounts deferred are unfunded and unsecured obligations of AAM.

Amounts deferred or credited into this plan are represented in the executive's notional account and are invested among funds similar to those available under the Company's 401(k) plan. Forty percent of deferral elections are automatically and irrevocably allocated to the restricted investment benchmark, the PIMCO Total Return Fund. The remaining 60% of deferral elections may be allocated by the executive to any of the investments available under the plan and may be reallocated on a daily basis among any of the investments available under the plan. Although the executive has no actual or constructive ownership of shares in the investment funds, the return on the executive's account is determined as if the amounts were notionally invested in these funds.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Under the employment agreement with our CEO and other arrangements covering our NEOs, certain payments and benefits will be provided to the NEOs in the event of termination of employment. The following tables show the estimated potential payments and benefits that each of the NEOs would receive upon termination of employment under different scenarios, assuming that the termination was effective on December 31, 2011. These amounts are estimates only and do not necessarily reflect the actual amounts that would be paid to the named executive officers, which would only be known at the time that they become eligible for payment.

The value of unvested and accelerated stock options shown in the tables below have been determined by multiplying the number of unvested stock options that would have been accelerated by the difference between the exercise price of the stock option and the closing price of AAM common stock on December 30, 2011 (\$9.89). The value of unvested PARS, restricted stock and restricted stock unit awards shown in the tables below have been determined by multiplying the number of unvested restricted stock and restricted stock units that would have been accelerated by the closing price of AAM's common stock on December 30, 2011.

CEO Employment Agreement

Under our employment agreement with Mr. R.E. Dauch, the Company may terminate his employment with or without cause, or upon his disability. Cause exists if he:

- is convicted of a felony involving an intentional act;
- engages in dishonesty or fraud; or
- breaches any of his material obligations to AAM, including willful neglect or misconduct of his duties or willful and material breach of any of the terms and conditions of his employment agreement.

In addition, he may resign for good reason, meaning the Company:

- reduces his base salary or bonus opportunity;
- substantially reduces his duties, responsibilities or reporting responsibilities; or
- relocates him outside of the Detroit-metropolitan area.

If his employment is terminated for cause, Mr. R.E. Dauch will be entitled to accrued but unpaid amounts as of the termination date.

If his employment is terminated without cause, or if he resigns for good reason, he will be entitled to:

- severance payments equal to two years of his annual base salary;
- continuation of his health care benefits for two years;
- bonus payments accrued as of the termination date; and
- reimbursement of premiums for his purchase of a \$5 million executive life insurance policy for two years.

If he resigns without good reason, Mr. R.E. Dauch will be entitled to (1) accrued but unpaid amounts as of the termination date and (2) reimbursement of premiums for two years for a \$5 million executive life insurance policy purchased by Mr. R.E. Dauch.

Under the employment agreement, Mr. R.E. Dauch is subject to:

- a non-disclosure and confidentiality provision extending two years following termination or expiration of the agreement;
- a non-competition covenant, which prohibits him, throughout the term of the employment agreement and for two years following the termination or expiration of the agreement, from directly or indirectly engaging in any business competitive with AAM and our products and business plans; and a covenant prohibiting solicitation of our employees and customers for two years thereafter.

Table of Contents

If AAM terminates his employment due to disability, Mr. R.E. Dauch will be entitled to accrued benefits under applicable benefit plans and programs (such as our Deferred Compensation Plan, Salaried Retirement Plan and SERP) and reimbursement of executive life insurance premiums as described above. Should Mr. R.E. Dauch die during the term of his employment agreement, his estate and/or spouse would be entitled to accrued benefits under applicable benefit plans and programs.

Non-Competition Agreements

Mr. Simonte, Mr. D.C. Dauch, Mr. Bellanti and Mr. Willemse have each entered into a non-competition agreement that prohibits, while employed by AAM and for one year following termination of employment, the executive from:

directly or indirectly engaging in any business or activity that is in competition with AAM and its products for one year following termination of employment unless the reason for such termination is a reduction in force by AAM;
recruiting, soliciting or inducing (or attempting to recruit, solicit or induce) any of our employees to leave AAM, or offer employment to our employees or otherwise interfere with our relationship with our employees, agents or consultants; and
using, exploiting, disclosing or communicating our confidential information to any third party without our prior written consent.

PROPOSAL 3: ADVISORY VOTE ON EXECUTIVE COMPENSATION

AAM is seeking a non-binding advisory vote from our stockholders to approve the compensation of our named executive officers as disclosed in the Compensation Discussion and Analysis (CD&A) and narrative and tabular disclosures in this proxy statement. In the CD&A, we have provided a detailed description of our compensation programs, including our compensation philosophy and objectives, the individual elements of executive pay, and how the programs are administered. We encourage you to review the CD&A, together with the other narrative and tabular disclosures, in considering your advisory vote on our named executive officers' compensation.

Our executive officer compensation program is designed to reward performance that supports the achievement of the Company's business objectives and creates long-term stockholder value. The Compensation Committee considers the following fundamental objectives, among others, in determining our compensation programs for our executive officers:

Compensation and benefit programs should attract, motivate and retain experienced executives who are vital to our short-term and long-term success, profitability and growth.

Compensation and benefit programs should foster the long-term focus required for success in the global automotive industry.

Executive officers should be AAM stockholders.

The objectives of rewarding performance and retention should be balanced.

Features of our compensation program and practices include the following:

A significant portion of executive compensation is tied to Company performance. Payouts of annual and long-term incentive awards are based on the achievement of a mix of financial objectives.

Executive officers are required to comply with stock ownership guidelines established by the Compensation Committee and are prohibited from hedging/pledging Company stock.

There are no golden parachute agreements and no excise tax gross-ups.

For the reasons highlighted above, and more fully discussed in the CD&A, the Board unanimously recommends a vote for the approval of the compensation of our named executive officers.

Although the vote on this proposal is advisory and non-binding, the Board and the Compensation Committee will consider the voting results when making future compensation decisions.

The Board unanimously recommends a vote FOR the approval of the compensation of our named executive officers.

Elements of Compensation

Our non-employee director compensation program consists of annual retainer and meeting attendance fees and an annual award of deferred compensation units (DCUs) as described below. Employee directors do not receive compensation for service on the Board.

The Board of Directors, upon the recommendation of the Compensation Committee, approved an increase in the annual retainer and the annual DCU award amount for non-employee directors for

2011. The adjustments to AAM's non-employee director compensation program were made in consideration of a market study of non-employee director compensation performed in 2010 by the Compensation Committee's independent compensation consultant, Meridian Compensation Partners, LLC.

Annual retainer	\$ 60,000
Board meeting attendance fee	1,500
Committee meeting attendance fee:	
Committee chairman	3,000
Other committee members	2,000

In April 2011, annual DCU awards of \$80,000 were made to each non-employee director as of the 2011 annual meeting of stockholders. The DCU awards vest in one year and the total payment will be based on AAM's total shareholder return, with payments ranging from 80% to 120% of the DCU award amount. In 2010, DCU awards of \$70,000 were granted. These 2010 DCUs vested in 2011 and resulted in a payout of 112% of target, or \$78,400.

Deferral

Non-employee directors may elect to defer, on a pre-tax basis, a portion of their retainer and meeting fees and receive tax-deferred earnings (or losses) on the deferrals under AAM's Executive Deferred Compensation Plan. The rate of return on deferred amounts is based on the performance of selected benchmark funds identified in the plan, which is described in *Nonqualified Deferred Compensation* above. Non-employee directors may also elect to defer settlement of RSUs and DCUs until after termination of service from the Board.

PROPOSAL 4: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2012

The Audit Committee of the Board of Directors of AAM has appointed Deloitte & Touche LLP to serve as the independent registered public accounting firm to examine the Company's consolidated financial statements for the year ending December 31, 2012. Although ratification is not required by our bylaws or otherwise, the Board is submitting the appointment of Deloitte & Touche LLP to our stockholders as a matter of good corporate practice. If the appointment is not ratified, the Audit Committee will consider whether the appointment is appropriate and will use its discretion in determining whether the appointment of Deloitte & Touche LLP is in the best interests of the Company and its stockholders.

Representatives of Deloitte & Touche LLP will attend the 2012 annual meeting and be available to make a statement or respond to appropriate questions.

The Board unanimously recommends a vote FOR ratification of the appointment of Deloitte & Touche LLP as the Company's independent registered public accounting firm for 2012.

AUDIT COMMITTEE DISCLOSURE

Report of the Audit Committee

The Audit Committee assists the Board in fulfilling its oversight responsibilities with respect to the Company's financial reporting process, by monitoring, among other matters, the quality and integrity of the Company's financial statements, the independence and performance of Deloitte & Touche LLP (D&T), the Company's independent registered public accounting firm, and the performance of the Company's internal auditors. Management has primary responsibility for preparing the consolidated financial statements and for the reporting processes, including the design and maintenance of the Company's system of internal controls. The independent registered public accounting firm is responsible for auditing the Company's consolidated financial statements and opining upon the effectiveness of the internal control over financial reporting under the standards of the Public Company Accounting Oversight Board (PCAOB). The Audit Committee is solely responsible for the compensation, appointment and oversight of the Company's independent registered public accounting firm.

In this context, the Audit Committee has met and held discussions with management, D&T and the internal auditors, separately and together, with and without management present, regarding the Company's audited consolidated financial statements for the year ended December 31, 2011, and the Company's internal controls. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles in the U.S. The Audit Committee also discussed with the independent registered public accounting firm the matters required to be discussed by Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1, AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T. Further, the Audit Committee discussed with the internal auditors the Company's plans for and scope of internal audits, identification of audit risks and results of audit activities.

The Audit Committee reviewed and discussed with the independent registered public accounting firm the auditor's independence from the Company and its management. As part of that review, D&T submitted to the Audit Committee the written disclosures and the letter required by the applicable requirements of the PCAOB regarding D&T's communication with the Audit Committee concerning independence from the Company. Further, the Audit Committee discussed with D&T the firm's independence and considered whether D&T's provision of non-audit services to the Company was compatible with maintaining D&T's independence. The Audit Committee concluded that D&T is independent from the Company and its management.

Based upon the considerations described above and subject to the limitations upon the role and responsibilities of the Audit Committee, the Audit Committee recommended to the Board that the audited consolidated financial statements for the year ended December 31, 2011 be included in the Company's 2011 Annual Report on Form 10-K.

The Audit Committee may also pre-approve particular services on a case-by-case basis. (a) The Committee may grant Other Stock-Based Awards not otherwise described by the terms of this Plan, including, but not limited to, the grant or offer for sale of unrestricted Shares and the grant of deferred Shares or deferred Share units, in such amounts and subject to such terms and conditions, as the Committee shall determine, in its sole discretion. Such Awards may involve the transfer of actual Shares to Participants, or payment in cash or otherwise of amounts based on the value of Shares.

(b) The Committee, at any time and from time to time, may grant Cash-Based Awards to a Participant in such amounts and upon such terms as the Committee shall determine, in its sole discretion.

(a) Each Other Stock-Based Award shall be expressed in terms of Shares or units based on Shares, as determined by the Committee, in its sole discretion.

(b) Each Cash-Based Award shall specify a payment amount or payment range as determined by the Committee, in its sole discretion. If the Committee exercises its discretion to establish performance goals, the value of Cash-Based Awards that shall be paid to the Participant will depend on the extent to which such performance goals are met.

12.3 Payment of Other Stock-Based Awards and Cash-Based Awards. Payment, if any, with respect to Cash-Based Awards and Other Stock-Based Award shall be made in accordance with the terms of the applicable Award Agreement, in cash, Shares or a combination of both as determined by the Committee in its sole discretion.

ARTICLE 13. TRANSFERABILITY OF AWARDS AND SHARES

13.1 Transferability of Awards. Except as provided in Section 13.2, during a Participant's lifetime, Options and SARs shall be exercisable only by the Participant. Awards shall not be transferable other than by will or the laws of descent and distribution or pursuant to a domestic relations order entered into by a court of competent jurisdiction. No Awards shall be subject, in whole or in part, to attachment, execution or levy of any kind. Any purported transfer in violation of this Section 13.1 shall be null and void.

13.2 Committee Action. Notwithstanding Section 13.1, the Committee may, subject to applicable laws, rules and regulations and such terms and conditions as it shall specify, determine that any or all Awards shall be transferable, for no consideration to a Permitted Transferee. Any Award transferred to a Permitted Transferee shall be further transferable only by last will and testament or the laws of descent and distribution or, for no consideration, to another Permitted Transferee of the Participant. **Permitted Transferees** include (i) a Participant's family member, (ii) one or more trusts established in whole or in part for the benefit of one or more of such family members, (iii) one or more entities which are beneficially owned in whole or in part by one or more such family members, or (iv) a charitable or not-for-profit organization. ARTICLE 14. PERFORMANCE-BASED COMPENSATION AND COMPLIANCE

WITH CODE SECTION 162(M)

14.1 Compliance with Section 162(m). The provisions of the Plan are intended to ensure that all Options and SARs granted hereunder to any Participant who is or may be a Covered Employee at the time of exercise of such Option or SAR qualify for exemption from the limitation on deductibility imposed by Code Section 162(m) and that such Options and SARs shall therefore be considered Performance-Based Compensation and this Plan shall be interpreted and operated consistent with that intention. The Committee may designate any Award (other than an Option or SAR) as Performance-Based Compensation upon grant, in each case based upon a determination that (i) the Participant is or may be a Covered Employee with respect to such Award, and (ii) the Committee wishes such award to qualify for exemption from the limitation on deductibility imposed by Code Section 162(m) that is set forth in Section 162(m)(4)(c). The Committee shall have the sole authority to specify which Awards are to be granted in compliance with Section 162(m) and treated as Performance-Based Compensation.

14.2 162(m) Performance-Based Compensation Grant. The Participants to receive Performance-Based Compensation will be designated, and the targets for the applicable Performance Measures will be established, by the Committee within ninety (90) days following the commencement of the applicable performance period (or such earlier or later date permitted or required by Code Section 162(m)). Each Participant will be assigned a target dollar amount or number of Shares payable if the applicable performance targets are achieved. Any payment of Performance-Based Compensation intended to comply with Code Section 162(m) shall be conditioned on the written certification of the Committee in each case that the applicable targets for the Performance Measures and any other material conditions were satisfied. The Committee may determine, at the time of Award grant, that if performance exceeds the specified targets, the Award may be settled with payment greater than the target amount, but in no event may such payment exceed the Annual Award Limits. The Committee retains the right to reduce any Award notwithstanding the attainment of the target Performance Measures.

14.3 Performance Measures. The performance goals upon which the payment or vesting of an Award to a Covered Employee that is intended to qualify as Performance-Based Compensation shall be limited to the following Performance Measures:

- (a) Book value or earnings per Share;
- (b) Cash flow, free cash flow or operating cash flow;
- (c) Earnings before or after either, or any combination of, interest, taxes, depreciation, or amortization;
- (d) Expenses/costs;
- (e) Gross, net or pre-tax income (aggregate or on a per-share basis);
- (f) Net income as a percentage of sales;
- (g) Gross or net operating margins or income, including operating income;
- (h) Gross or net sales or revenues;

- (i) Gross profit or gross margin;
- (j) Improvements in capital structure, cost of capital or debt reduction;
- (k) Market share or market share penetration;
- (l) Growth in managed assets;
- (m) Reduction of losses, loss ratios and expense ratios;
- (n) Asset turns, inventory turns or fixed asset turns;

- (o) Operational performance measures;
- (p) Profitability ratios (pre or post tax);
- (q) Profitability of an identifiable business unit or product;
- (r) Return measures (including return on assets, return on equity, return on investment, return on capital, return on invested capital, gross profit return on investment, gross margin return on investment, economic value added or similar metric);
- (s) Share price (including growth or appreciation in share price and total shareholder return);
- (t) Strategic business objectives (including objective project milestones);
- (u) Transactions relating to acquisitions or divestitures; or
- (v) Working capital.

Any Performance Measure(s) may, as the Committee, in its sole discretion deems appropriate, (i) relate to the performance of the Company or any Subsidiary as a whole or any business unit or division of the Company or any Subsidiary or any combination thereof, (ii) be compared to the performance of a group of comparator companies, or published or special index, (iii) be based on change in the Performance Measure over a specified period of time and such change may be measured based on an arithmetic change over the specified period (e.g., cumulative change or average change), or percentage change over the specified period (e.g., cumulative percentage change, average percentage change or compounded percentage change), (iv) relate to or be compared to one or more other Performance Measures, or (v) any combination of the foregoing. The Committee also has the authority to provide for accelerated vesting of any Award based on the achievement of performance goals pursuant to the Performance Measures specified in this Article 14.

14.4 Evaluation of Performance. The Performance Measures shall be determined in accordance with generally accepted accounting principles consistently applied on a business unit, divisional, subsidiary or consolidated basis or any combination thereof. The Committee may provide in any Award intended to qualify as Performance-Based Compensation that any evaluation of performance may include or exclude the impact, if any, on reported financial results of any of the following events that occurs during a Performance Period: (a) asset write-downs, (b) litigation or claim judgments or settlements, (c) changes in tax laws, accounting principles or other laws or provisions, (d) reorganization or restructuring programs, (e) acquisitions or divestitures, (f) foreign exchange gains and losses, and (g) gains and losses that are treated as extraordinary items under Financial Accounting Standard No. 145 (Accounting Standards Codification 225). To the extent such inclusions or exclusions affect Awards to Covered Employees; they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

14.5 Adjustment of Performance-Based Compensation. Awards that are intended to qualify as Performance-Based Compensation may not be adjusted upward. The Committee shall retain the discretion to adjust such Awards downward, either on a formula or discretionary basis or any combination, as the Committee determines, in its sole discretion.

14.6 Committee Discretion. In the event that applicable tax or securities laws change to permit Committee discretion to alter the governing Performance Measures or permit flexibility with respect to the terms of any Award or Awards to be treated as Performance-Based Compensation without obtaining shareholder approval of such changes, the Committee shall have sole discretion to make such changes without obtaining shareholder approval. In addition, in the event that the Committee determines that it is advisable to grant Awards that shall not qualify as Performance-Based Compensation, the Committee may make such grants without satisfying the requirements of Code Section 162(m) and base vesting on Performance Measures other than those set forth in Section 14.3.

ARTICLE 15. TERMINATION OF EMPLOYMENT; TERMINATION OF DIRECTORSHIP AND TERMINATION AS A THIRD-PARTY SERVICE PROVIDER

The Committee shall specify at or after the time of grant of an Award the provisions governing the disposition of an Award in the event of a Participant's Termination of Employment or Termination of Directorship. Subject to applicable laws, rules and regulations, in connection with a Participant's termination, the Committee shall have the discretion to accelerate the vesting, exercisability or settlement of, eliminate the restrictions and conditions applicable to, or extend the post-termination exercise period of an outstanding Award. Such provisions shall be determined by the Committee in its sole discretion and may be specified in the applicable Award Agreement or determined at a subsequent time. The Committee's decisions need not be uniform among all Award Agreements and Participants and may reflect distinctions based on the reasons for termination. In addition, the Committee shall determine, in its sole discretion, the circumstances constituting a termination as a Third-Party Service Provider and shall set forth those circumstances in each Award Agreement entered into with each Third-Party Service Provider.

ARTICLE 16. NON-EMPLOYEE DIRECTOR AWARDS

16.1 Awards to Non-Employee Directors. The Board or Committee shall determine and approve all Awards to Non-Employee Directors. The terms and conditions of any grant of any Award to a Non-Employee Director shall be set forth in an Award Agreement.

16.2 Awards in Lieu of Fees. The Board or Committee may permit a Non-Employee Director the opportunity to receive an Award in lieu of payment of all or a portion of future director fees (including but not limited to cash retainer fees and meeting fees) or other type of Awards pursuant to such terms and conditions as the Board or Committee may prescribe and set forth in an applicable sub-plan or Award Agreement.

ARTICLE 17. EFFECT OF A CHANGE IN CONTROL

The Committee shall have full authority to determine the effect, if any, of a change in control of the Company or any Subsidiary on the vesting, exercisability, settlement, payment or lapse of restrictions applicable to an Award, which may be specified in the applicable Award Agreement or determined at a subsequent time. Subject to applicable laws, rules and regulations, the Board or the Committee shall, at any time prior to, coincident with or after the effective time of a change in control, take such actions as it may consider appropriate, including, without limitation: (i) providing for the acceleration of any vesting conditions relating to the exercise or settlement of an Award or that an Award shall terminate or expire unless exercised or settled in full on or before a date fixed by the Committee; (ii) making such adjustments to the Awards then outstanding as the Committee deems appropriate to reflect such change in control; (iii) causing the Awards then outstanding to be assumed, or new rights substituted therefore, by the surviving corporation in such change in control; or (iv) permit or require Participants to surrender outstanding Options and SARs in exchange for a cash payment equal to the difference, if any, between the highest price paid for a Share in the change in control transaction and the Exercise Price of the Award (with out-of-the-money Options being cancelled for no consideration).

ARTICLE 18. DIVIDENDS AND DIVIDEND EQUIVALENTS

The Committee may provide Participants with the right to receive dividends or payments equivalent to dividends (**Dividend Equivalents**) or interest with respect to an outstanding Award, which payments can either be paid currently or deemed to have been reinvested in Shares, and can be made in Shares, cash or a combination thereof, as the Committee shall determine; provided, however, that the terms of any reinvestment of dividends must comply with all applicable laws, rules and regulations,

including, without limitation, Code Section 409A. Dividends or Dividend Equivalents with respect to Awards that vest based on the achievement of Performance Measures shall be accumulated until such Award is earned, and the dividends or Dividend Equivalents shall not be paid if the Performance Measures are not satisfied. Notwithstanding the foregoing, no dividends or Dividend Equivalents shall be paid with respect to Options or Stock Appreciation Rights.

ARTICLE 19. BENEFICIARY DESIGNATION

Each Participant under this Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under this Plan is to be paid in case of his death before he receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Committee, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such beneficiary designation, benefits remaining unpaid or rights remaining unexercised at the Participant's death shall be paid to or exercised by the Participant's executor, administrator or legal representative.

ARTICLE 20. RIGHTS OF PARTICIPANTS

20.1 Employment. Nothing in this Plan or an Award Agreement shall (a) interfere with or limit in any way the right of the Company or any Subsidiary to terminate any Participant's employment with the Company or any Subsidiary at any time or for any reason not prohibited by law or (b) confer upon any Participant any right to continue his employment or service as a Director or Third-Party Service Provider for any specified period of time. Neither an Award nor any benefits arising under this Plan shall constitute an employment contract with the Company or any Subsidiary and, accordingly, subject to Articles 3 and 21, this Plan and the benefits hereunder may be amended or terminated at any time in the sole and exclusive discretion of the Board without giving rise to any liability on the part of the Company, any Subsidiary, the Committee or the Board.

20.2 Participation. No individual shall have the right to be selected to receive an Award under this Plan, or, having been so selected, to be selected to receive a future Award. The Committee may grant more than one Award to a Participant and may designate an individual as a Participant for overlapping periods of time.

20.3 Rights as a Shareholder. Except as otherwise provided herein, a Participant shall have none of the rights of a shareholder with respect to Shares covered by any Award until the Participant becomes the record holder of such Shares. No adjustment shall be made for dividends or other rights for which the record date is prior to the date on which the Participant becomes the record holder of the Shares.

ARTICLE 21. AMENDMENT AND TERMINATION

21.1 Amendment and Termination of the Plan and Awards. Subject to applicable laws, rules and regulations and Section 21.3 of the Plan, the Board may at any time amend or terminate the Plan or amend or terminate any outstanding Award. Notwithstanding the foregoing, no amendment of this Plan shall be made without shareholder approval if shareholder approval is required pursuant to rules promulgated by any stock exchange or quotation system on which Shares are listed or quoted or by applicable U.S. state corporate laws or regulations, applicable U.S. federal laws or regulations and the applicable laws of any foreign country or jurisdiction where Awards are, or will be, granted under the Plan.

21.2 Adjustment of Awards Upon the Occurrence of Certain Unusual or Nonrecurring Events. Subject to Section 14.4, the Committee may make adjustments in the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events (including,

Table of Contents

without limitation, the events described in Section 4.4) affecting the Company or the financial statements of the Company or of changes in applicable laws, regulations, or accounting principles, whenever the Committee determines that such adjustments are appropriate in order to prevent unintended dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan. The determination of the Committee as to the foregoing adjustments, if any, shall be conclusive and binding on Participants under this Plan. By accepting an Award under this Plan, a Participant agrees to any adjustment to the Award made pursuant to this Section 21.2 without further consideration or action.

21.3 Awards Previously Granted. Notwithstanding any other provision of this Plan to the contrary, other than Sections 21.2, 21.4 and 23.14, no termination or amendment of this Plan or an Award Agreement shall adversely affect in any material way any Award previously granted under this Plan, without the written consent of the Participant holding such Award.

21.4 Amendment to Conform to Law. Notwithstanding any other provision of this Plan to the contrary, the Committee shall have the broad authority to amend the Plan, an Award or an Award Agreement, to take effect retroactively or otherwise, as deemed necessary or advisable in order to comply with, take into account changes in, or interpretations of, applicable tax laws, securities laws, employment laws, accounting rules and other applicable laws, rules, rulings and regulations promulgated thereunder. By accepting an Award under this Plan, a Participant agrees to any amendment made pursuant to this Section 21.4 to the Plan and any Award without further consideration or action.

21.5 Repricing of Options and Stock Appreciation Rights. Except in connection with a corporate transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination, or exchange of Shares), the terms of outstanding Awards may not be amended, without stockholder approval, to reduce the exercise price of outstanding Options or Stock Appreciation Rights, or to cancel outstanding Options or Stock Appreciation Rights in exchange for cash, other Awards, or Options or Stock Appreciation Rights with an exercise price that is less than the exercise price of the original Options or Stock Appreciation Rights.

ARTICLE 22. TAX WITHHOLDING

22.1 Tax Withholding. The Company may require any individual entitled to receive a payment of an Award to remit to the Company prior to payment, an amount sufficient to satisfy any applicable federal, state, local and foreign tax withholding requirements. The Company shall also have the right to deduct from all cash payments made to a Participant (whether or not such payment is made in connection with an Award) any applicable taxes required to be withheld with respect to such Award.

22.2 Share Withholding. With respect to withholding required upon the exercise of Options or SARs, upon the lapse of restrictions on Restricted Stock, upon the settlement of Restricted Stock Units, or upon the achievement of performance goals related to Performance Shares, or any other taxable event arising as a result of an Award granted hereunder (collectively and individually referred to as a **Share Payment**), the Committee may permit or require a Participant to satisfy the withholding requirement, in whole or in part, by having the Company withhold Shares from a Share Payment (or repurchase Shares that were previously issued) having a Fair Market Value on the date the withholding is to be determined equal to the minimum statutory withholding requirement but in no event shall such withholding exceed the minimum statutory withholding requirement.

ARTICLE 23. GENERAL PROVISIONS

23.1 Forfeiture Events. The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events as determined by the Committee in its sole discretion.

23.2 Legend. All certificates for Shares delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any exchange upon which the Shares are then listed, and any applicable securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

23.3 Gender and Number. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine, the plural shall include the singular, and the singular shall include the plural.

23.4 Severability. In the event any provision of this Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of this Plan, and this Plan shall be construed and enforced as if the illegal or invalid provision had not been included.

23.5 Requirements of Law. The granting of Awards and the issuance of Shares under this Plan shall be subject to all applicable laws, rules and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

23.6 Delivery of Title. The Company shall have no obligation to issue or deliver evidence of title for Shares issued under this Plan prior to:

- (a) Obtaining any approvals from governmental agencies that the Company determines are necessary or advisable; and
- (b) Completion of any registration or other qualification of the Shares under any applicable national, state or foreign law or ruling of any governmental body that the Company determines to be necessary or advisable.

23.7 Inability to Obtain Authority. The inability of the Company to obtain authority from any regulatory body having jurisdiction, which authority is deemed by the Company's counsel to be necessary to the lawful issuance and sale of any Shares hereunder, shall relieve the Company of any liability in respect of the failure to issue or sell such Shares as to which such requisite authority shall not have been obtained.

23.8 Investment Representations. The Committee may require any individual receiving Shares pursuant to an Award under this Plan to represent and warrant in writing that the individual is acquiring the Shares for investment and without any present intention to sell or distribute such Shares.

23.9 Employees Based Outside of the United States. Notwithstanding any provision of this Plan to the contrary, in order to comply with the laws in other countries in which the Company or any Subsidiaries operate or have Employees, Directors or Third-Party Service Providers, the Committee, in its sole discretion, shall have the power and authority to:

- (a) Determine which Subsidiaries shall be covered by this Plan;
- (b) Determine which Employees, Directors or Third-Party Service Providers outside the United States are eligible to participate in this Plan;
- (c) Modify the terms and conditions of any Award granted to Employees, Directors or Third-Party Service Providers outside the United States to comply with applicable foreign laws;
- (d) Establish sub-plans and modify exercise procedures and other terms and procedures, to the extent such actions may be necessary or advisable. Any sub-plans and modifications to Plan terms and procedures established under this Section 23.9 by the Committee shall be attached to this Plan document as appendices; and
- (e) Take any action, before or after an Award is made, that it deems advisable to obtain approval or comply with any necessary local government regulatory exemptions or approvals.

Notwithstanding the above, the Committee may not take any actions hereunder, and no Awards shall be granted, that would violate applicable law.

Table of Contents

23.10 Uncertificated Shares. To the extent that this Plan provides for issuance of certificates to reflect the transfer of Shares, the transfer of such Shares may be effected on a noncertificated basis, to the extent not prohibited by applicable law or the rules of any stock exchange.

23.11 Unfunded Plan. Participants shall have no right, title or interest whatsoever in or to any investments that the Company or any Subsidiaries may make to aid it in meeting its obligations under this Plan. Nothing contained in this Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative or any other individual. To the extent that any individual acquires a right to receive payments from the Company or any Subsidiary under this Plan, such right shall be no greater than the right of an unsecured general creditor of the Company or the Subsidiary, as the case may be. All payments to be made hereunder shall be paid from the general funds of the Company, or the Subsidiary, as the case may be, and no special or separate fund shall be established, and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in this Plan.

23.12 No Fractional Shares. No fractional Shares shall be issued or delivered pursuant to this Plan or any Award. The Committee shall determine whether cash, Awards or other property shall be issued or paid in lieu of fractional Shares or whether such fractional Shares or any rights thereto shall be forfeited or otherwise eliminated.

23.13 Retirement and Welfare Plans. Neither Awards made under this Plan nor Shares or cash paid pursuant to such Awards may be included as compensation for purposes of computing the benefits payable to any Participant under the Company's or any Subsidiary's retirement plans (both qualified and nonqualified) or welfare benefit plans unless such other plan expressly provides that such compensation shall be taken into account in computing a Participant's benefit.

23.14 Deferrals.

(a) Notwithstanding any contrary provision in the Plan or an Award Agreement, if any provision of the Plan or an Award Agreement contravenes any regulations or guidance promulgated under Code Section 409A or would cause an Award to be subject to additional taxes, accelerated taxation, interest and/or penalties under Code Section 409A, such provision of the Plan or Award Agreement may be modified by the Committee without consent of the Participant in any manner the Committee deems reasonable or necessary. In making such modifications the Committee shall attempt, but shall not be obligated, to maintain, to the maximum extent practicable, the original intent of the applicable provision without contravening the provisions of Code Section 409A. Moreover, any discretionary authority that the Committee may have pursuant to the Plan shall not be applicable to an Award that is subject to Code Section 409A to the extent such discretionary authority would contravene Code Section 409A or the guidance promulgated thereunder.

(b) If a Participant is a specified employee as defined under Code Section 409A and the Participant's Award is to be settled on account of the Participant's separation from service (for reasons other than death) and such Award constitutes deferred compensation as defined under Code Section 409A, then any portion of the Participant's Award that would otherwise be settled during the six-month period commencing on the Participant's separation from service shall be settled as soon as practicable following the conclusion of the six-month period (or following the Participant's death if it occurs during such six-month period).

(c) In accordance with the procedures authorized by, and subject to the approval of, the Committee, Participants may be given the opportunity to defer the payment or settlement of an Award to one or more dates selected by the Participant; provided, however, that the terms of any deferrals must comply with all applicable laws, rules and regulations, including, without limitation, Code Section 409A. No deferral opportunity shall exist with respect to an Award unless explicitly permitted by the Committee on or after the time of grant.

Table of Contents

23.15 Nonexclusivity of this Plan. The adoption of this Plan shall not be construed as creating any limitations on the power of the Board or Committee to adopt such other compensation arrangements as it may deem desirable for any Participant.

23.16 No Constraint on Corporate Action. Nothing in this Plan shall be construed to: (i) limit, impair, or otherwise affect the Company's or a Subsidiary's right or power to make adjustments, reclassifications, reorganizations or changes of its capital or business structure, or to merge or consolidate, or dissolve, liquidate, sell or transfer all or any part of its business or assets; or, (ii) limit the right or power of the Company or a Subsidiary to take any action that such entity deems to be necessary or appropriate. The proceeds received by the Company from the sale of Shares pursuant to Awards will be used for general corporate purposes.

23.17 Conflicts. In the event of any conflict or inconsistency between the Plan and any Award Agreement, the Plan shall govern and the Award Agreement shall be interpreted to minimize or eliminate any such inconsistency.

23.18 Recoupment. Notwithstanding anything in the Plan to the contrary, all Awards granted under the Plan and any payments made under the Plan shall be subject to claw-back or recoupment as permitted or mandated by applicable law, rules, regulations or Company policy as enacted, adopted or modified from time to time. For the avoidance of doubt, this provision shall apply to any gains realized upon exercise or settlement of an Award.

23.19 Delivery and Execution of Electronic Documents. To the extent permitted by applicable law, the Company may (i) deliver by email or other electronic means (including posting on a website maintained by the Company or by a third party under contract with the Company) all documents relating to the Plan or any Award thereunder (including without limitation, prospectuses and other securities requirements) and all other documents that the Company is required to deliver to its security holders (including without limitation, annual reports and proxy statements) and (ii) permit Participant's to electronically execute applicable Plan documents (including, but not limited to, Award Agreements) in a manner prescribed to the Committee.

23.20 No Representations or Warranties Regarding Tax Effect. Notwithstanding any provision of the Plan to the contrary, the Company, Subsidiaries, the Board and the Committee neither represent nor warrant the tax treatment under any federal, state, local or foreign laws and regulations thereunder (individually and collectively referred to as the Tax Laws) of any Award granted or any amounts paid to any Participant under the Plan including, but not limited to, when and to what extent such Awards or amounts may be subject to tax, penalties and interest under the Tax Laws.

23.21 Indemnification. Subject to applicable laws, rules and regulations and the Company's Certificate of Incorporation as it may be amended from time to time, each individual who is or shall have been a member of the Board, or a Committee appointed by the Board, or an officer of the Company to whom authority was delegated in accordance with Article 3, shall be indemnified and held harmless by the Company against and from (i) any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit or proceeding to which he or she may be a party or in which he or she may be involved by reason of any good faith action taken or failure to act under this Plan, (ii) any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his/her own behalf.
