As previously disclosed on a Form 8-K that was filed with the Securities and Exchange Commission on March 19, 2012, Kforce Inc. (the Firm) entered into a Stock Purchase Agreement (the Agreement) on March 17, 2012 to sell all of the issued and outstanding stock of Kforce Clinical Research, Inc. (KCR) to inVentiv Health, Inc. (the Purchaser). On March 30, 2012 and effective as of March 31, 2012, the Firm closed the sale of KCR to the Purchaser for a total cash purchase price of \$50.0 million, subject to a post-closing working capital adjustment. In connection with the Agreement, the Firm has agreed to provide certain post-closing transitional services for a period not to exceed 18 months.

Item 9.01 Financial Statements and Exhibits.

(b) The first paragraph of Item 2.01 above is incorporated by reference herein.

The unaudited pro forma condensed consolidated balance sheet of the Firm as of December 31, 2011 and the unaudited pro forma condensed consolidated statement of operations of the Firm for the years ended December 31, 2011, 2010 and 2009 are filed as Exhibit 99.1 to this Current Report on Form 8-K and are incorporated herein by reference. The unaudited pro forma condensed consolidated balance sheet of the Firm as of December 31, 2011 gives effect to the transaction as if it had occurred on December 31, 2011. The unaudited pro form condensed consolidated statement of operations for the years ended December 31, 2011, 2010 and 2009 give effect to the transaction as if it had occurred on January 1, 2009. In order to derive the pro forma financial information, the historical results of the Firm have been adjusted to eliminate the assets, liabilities and results of operations of the KCR segment, which have historically been consolidated by the Firm. Pro forma adjustments are described in the notes to the unaudited pro forma condensed consolidated financial statements.

The unaudited pro forma condensed consolidated financial statements are presented for illustrative purposes only. The pro forma adjustments are based upon available information and certain assumptions that management believes are reasonable under the circumstances; however, actual amounts could differ. The unaudited pro forma condensed consolidated financial statements are not necessarily indicative of the operating results or financial position that would have been achieved had the disposition been consummated as of the dates indicated or of the results that may be obtained in the future. The Firm will account for the sale of KCR as a discontinued operation for all periods presented beginning with the first quarter of fiscal 2012.

The unaudited pro forma condensed consolidated financial statements and the accompanying notes thereto should be read in conjunction with, and are qualified by, the historical financial statements and notes thereto of the Firm. The Firm's historical financial statements are included in its Annual Report on Form 10-K for the year ended December 31, 2011.
