Primarily due to recent changes in personnel within the Company's finance and accounting group, we experienced delays in closing our quarter, and consequently were unable to complete the preparation and review of our Quarterly Report on Form 10-Q within the prescribed time period without unreasonable effort or expense. (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?  Yes  No

We expect to report a net loss of approximately \$46,000 for the quarter ending March 31, 2012 compared to net income of \$125,800 for the quarter ending March 31, 2011. The loss for 2012 compared to the net income for 2011 resulted primarily from: (1) increases in trade promotions to our customers; (2) increases in costs of sales; and (3) increases in operating expenses.

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.
