(the Company), under which he will resign from all positions at the Company effective as of June 30, 2012. Mr. Keller has served as President and Chief Executive Officer of the Company and as a member of the Board of Directors (the Board) since September 2009. Mr. Keller's resignation is not due to a disagreement with the Company on any matter relating to the Company's operations, policies or practices.

(c) On June 6, 2012, the Board announced that, effective as of July 1, 2012, Luis Manuel Ramírez, 45, will be appointed as President and Chief Executive Officer of the Company and as a member of the Board.

Mr. Ramírez joins the Company after twelve years with General Electric Company (GE). From 2010 until the present, Mr. Ramírez served as the Chief Executive Officer of GE Energy Industrial Solutions, a more than \$3 billion global electrical products and services business operating in over 60 countries. From 2006 until 2009, Mr. Ramírez was the President of GE Energy Contractual Services, where he oversaw all commercial, risk and operations activities of that business. From 2006 until the present, Mr. Ramírez also served a Vice President of GE.

In connection with his appointment as President and Chief Executive Officer of the Company, Mr. Ramírez entered into an Employment Agreement with the Company, dated as of June 6, 2012 (the Employment Agreement). The initial term of the Employment Agreement is two years following the effective date, with the possibility of successive one-year renewals. Mr. Ramírez will receive an initial annual base salary of \$550,000 and his target annual incentive opportunity under the Company's Incentive Compensation Plan shall not be less than 80% of his annual salary. The Company also granted Mr. Ramírez 33,500 restricted share units as of July 1, 2012, equally allocated between time-based restricted share units that generally vest in four equal annual installments commencing on March 31, 2013, and performance-based restricted share units that generally vest in four equal annual installments commencing on March 31, 2013, provided that the company achieves a pre-established performance goal with respect to the prior fiscal year. Future equity grants will be subject to the discretion of the compensation committee of the Board. In addition, the Company will reimburse Mr. Ramírez for the reasonable expenses incurred in his relocation to the Dallas/Irving, Texas area, including moving and storage expenses, closing costs and temporary housing.

In the event that Mr. Ramírez's employment were terminated without Cause or he resigned for Good Reason (both as defined in the Employment Agreement), Mr. Ramírez would be eligible to receive (i) salary continuation for one year, (ii) the unpaid annual incentive for the prior fiscal year, if any, (iii) a pro-rated annual incentive for the current fiscal year, based on actual Company performance results during the entire fiscal year and assuming that any individual goals were satisfied at the target level, and (iv) pro-rated vesting of restricted share units that otherwise would have vested on March 31 of the following year. In exchange for these benefits, Mr. Ramírez would be required to sign and not revoke a release of claims in favor of the Company. Reduced severance levels would be available if the Company terminated Mr. Ramírez's employment at the expiration of the employment term or in the event of his death or disability.

The Employment Agreement contains standard ownership of works, confidentiality, non-compete, non-solicitation and non-disparagement covenants.
