Copies of each filing may be obtained from the Company or the SEC. Such forward-looking statements should be regarded solely as reflections of the Company's current operating plans, intentions, expectations and estimates. Actual outcomes and operating results may differ, in some cases materially, from what is expressed or forecast in this current report. The Company undertakes no obligation to publicly release or update the results of any revisions to these forward-looking statements that may be made to reflect events or circumstances after the date these statements were made.*
