Item 2.01 Completion of Acquisition or Disposition of Assets.

Acquisition of Alpine Access, Inc.

As previously announced, on July 27, 2012, Sykes Enterprises, Incorporated ("Sykes"), Sykes Acquisition Subsidiary II, Inc., a Delaware corporation and direct wholly-owned subsidiary of Sykes ("Merger Sub"), Alpine Access, Inc., a Delaware corporation ("Alpine"), and Shareholder Representative Services LLC, as the representative of the equity holders of Alpine, entered into a definitive Agreement and Plan of Merger.

On August 20, 2012, Sykes completed its acquisition of Alpine pursuant to the terms of the merger agreement, with Merger Sub being merged with and into Alpine. Alpine survived the merger as a wholly-owned subsidiary of Sykes.

In the merger, each outstanding share of Alpine common stock and preferred stock (other than those shares of common stock or preferred stock held by Alpine and shares held by shareholders who perfect their dissenter's rights under Delaware law) were converted into the right to receive an amount in cash as set forth in the merger agreement. In addition, each outstanding Alpine stock option was cancelled and converted into the right to receive an amount in cash based on the difference between the per share common consideration and the exercise price of the applicable stock option. The consideration payable in the merger was approximately \$150 million in cash, subject to increase based on the amount of Alpine's cash and cash equivalents at the closing of the merger, subject to decrease based on the amount of certain indebtedness at the closing of the merger, and subject to certain post-closing adjustments relating to Alpine's working capital at the closing of the merger (all to be determined post-closing). Twelve million dollars of the purchase price were placed in an escrow account with an independent escrow agent as security for the indemnification obligations of Alpine's equity holders under the merger agreement.

The foregoing description of the merger agreement is not complete and is subject to and qualified in its entirety by reference to the full text of the merger agreement, which is incorporated herein by reference to Exhibit 2.1.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

Borrowing under New Credit Agreement

On August 20, 2012, in connection with the closing of the acquisition of Alpine Access, Inc., Sykes borrowed \$108 million under its Credit Agreement, dated May 3, 2012, with a group of lenders and KeyBank National Association, as Lead Arranger, Sole Book Runner and Administrative Agent for the lenders. See the Current Report on Form 8-K filed on May 7, 2012 for a description of the material terms of, and a copy of, the Credit Agreement.

The borrowing will bear interest at a variable rate of LIBOR plus an applicable margin based on Sykes' leverage ratio (currently 112.5 basis points). The interest rate will be determined quarterly based on Sykes' leverage ratio at such time.
