### Explanatory Note

As previously announced, on September 28, 2012, as part of a plan to reorganize the business operations of W. P. Carey & Co. LLC, a Delaware limited liability company (the **Predecessor Registrant**), in order to qualify as a real estate investment trust (**REIT**) for U. S. federal income tax purposes, the Predecessor Registrant merged (the **W. P. Carey Merger**) with and into W. P. Carey Inc., a Maryland corporation (the **Registrant**), with the Registrant as the surviving corporation, succeeding to and continuing to operate the existing business of the Predecessor Registrant. The conversion of the Predecessor Registrant into a REIT was implemented through a series of reorganizations and transactions, including, among other things (i) the W. P. Carey Merger, (ii) certain mergers of subsidiaries of the Predecessor Registrant with and into subsidiaries of the Registrant, and (iii) the election by the Registrant to be treated as a REIT for federal income tax purposes (collectively, the **REIT Conversion**).

Additionally, on September 28, 2012, Corporate Property Associates 15 Incorporated, a Maryland corporation and publicly held, non-traded REIT affiliate of the Predecessor Registrant (**CPA<sup>®</sup>:15**), merged (the **Merger**, and together with the REIT Conversion, the **Transactions**) with a subsidiary of the Registrant, with CPA<sup>®</sup>:15 surviving as an indirect wholly-owned subsidiary of the Registrant. As a result of the consummation of the Transactions, the Registrant succeeded to all of the businesses, assets and liabilities of each of the Predecessor Registrant and CPA<sup>®</sup>:15, and owns all the assets previously held by, and carries on the business of each of, the Predecessor Registrant and CPA<sup>®</sup>:15.

#### Item 8.01. Other Events.

During the three months ended March 31, 2012, the Predecessor Registrant sold two domestic properties and entered into an agreement to sell a domestic property. In accordance with current authoritative accounting guidance for the disposal of long-lived assets, the Predecessor Registrant reported revenue and expenses from the operations of these properties as discontinued operations for each period presented in its quarterly report for the quarter ended March 31, 2012 (including the comparable period of the prior year) (the **Discontinued Operations**). As required by accounting principles generally accepted in the United States of America (**U.S. GAAP**), the Predecessor Registrant must also retrospectively adjust its previously issued annual financial statements for each of the three years shown in the Predecessor Registrant's 2011 Annual Report on Form 10-K, which was filed with the Securities and Exchange Commission (the **SEC**) on February 29, 2012 (the **2011 Annual Report**) to reflect the Discontinued Operations if those financial statements are incorporated by reference in any subsequent filings with the SEC made under the Securities Act of 1933, as amended (the **Securities Act**). Therefore, the Registrant is retrospectively adjusting the Predecessor Registrant's historical financial statements covered by the 2011 Annual Report to reflect the Discontinued Operations in compliance with current authoritative accounting guidance. The retrospective adjustment has no effect on the Predecessor Registrant's previously reported net income, financial condition or cash flows for the periods covered by the 2011 Annual Report.

During the three months ended March 31, 2012, CPA<sup>®</sup>:15 sold a vacant domestic property. In accordance with current authoritative accounting guidance for the disposal of long-lived assets, CPA<sup>®</sup>:15 reported revenue and expenses from the operations of this property as discontinued operation for each period presented in its quarterly report for the quarter ended March 31, 2012 (including the comparable period of the prior year) (the **CPA<sup>®</sup>:15 Discontinued Operation**). As required by U.S. GAAP, CPA<sup>®</sup>:15 must also retrospectively adjust its previously issued annual financial statements for each of the three years shown in its consolidated financial statements as of December 31, 2011 and 2010 and for the years ended December 31, 2011, 2010 and 2009, which were filed with the SEC on March 5, 2012 (the **CPA<sup>®</sup>:15 Historical Financial Statements**) to reflect the CPA<sup>®</sup>:15 Discontinued Operation if those financial statements are incorporated by reference in any subsequent filings with the SEC made under the Securities Act. Therefore, the CPA<sup>®</sup>:15 Historical Financial Statements have been retrospectively adjusted to reflect the CPA<sup>®</sup>:15 Discontinued Operation in compliance with current authoritative accounting guidance. The retrospective adjustment has no effect on CPA<sup>®</sup>:15's previously reported net income, financial condition or cash flows for the periods covered by the CPA<sup>®</sup>:15 Historical Financial Statements.

This Current Report on Form 8-K (the **Report**) updates Items 1A, 6, 7, 7A and 8 of the 2011 Annual Report primarily to reflect the retrospective reclassification of the operations of certain properties during the three months ended March 31, 2012 as Discontinued Operations. All other Items of the 2011 Annual Report remain unchanged. The updated sections of the 2011 Annual Report are attached hereto as exhibits 99.1, 99.2, 99.3, 99.4 and 99.5. The CPA<sup>®</sup>:15 Historical Financial Statements are attached hereto as Exhibit 99.6. No attempt has been made to include any adjustments or update matters in the 2011 Annual Report except to the extent expressly provided above.

This Report is also being filed by the Registrant to update risk factors. The foregoing description is qualified in its entirety by reference to these risk factors, which are attached hereto as Exhibit 99.7 and incorporated by reference herein.

This Report is also being filed by the Registrant in order to provide pro forma financial (the **Pro Forma Financials**) information for the combined company. The Pro Forma Financials are attached hereto as exhibit 99.8.
